5. OPEN HEARING

The focus of our public Board meetings is, as necessitated by our obligations as elected officials, to conduct the Board's business. A board meeting is the meeting of the Board in public, not a public meeting. We invite all members of our community to speak on matters within the Board's jurisdiction, allowing us to listen and learn from our stakeholders, elevating their concerns and advocating for their needs, which supports our work to make our District more responsive and equitable. Members of the public wishing to address the Board are asked to sign up prior to the start of the meeting. Once called upon by the Board President, individual speakers shall be allowed up to three minutes total to address the Board. Speakers are not permitted to relinquish given time to another speaker. If numerous individuals request to speak, the Board President may make adjustments to allow fair representation of viewpoints during the allotted total 20 minutes. Speakers should promote mutual respect, civility, and orderly conduct towards the Board, employees, and other members of the public. The Board shall take no action or discussion on any item not appearing on the posted agenda, except as authorized by law.
