The focus of our public Board meetings is, as necessitated by our obligations as elected officials, to conduct the Board's business. A board meeting is the meeting of the Board in public, not a public meeting. We invite all members of our community to speak on matters within the Board's jurisdiction, allowing us to listen and learn from our stakeholders, elevating their concerns and advocating for their needs, which supports our work to make our District more responsive and equitable. Members of the public wishing to address the Board are required to sign up prior to the start of the meeting. Once called upon by the Board President, individual speakers shall be allowed up to three minutes total to address the Board. Speakers are not permitted to relinquish given time to another speaker. If numerous individuals request to speak, the Board President may make adjustments to allow fair representation of viewpoints during the allotted total 20 minutes. Speakers should promote mutual respect, civility, and orderly conduct towards the Board, employees, and other members of the public. Air Quality Protocols

GTUSD Air Quality:

Fires leave a path of destruction in communities, and as we have experienced, they are becoming more common in our local communities and in California. They can be miles away, or close to home, and have a significant impact on air quality.

At Gold Trail Union School District, safety and education are our primary concerns. Families depend on us to remain open as long as we are able to continue to serve and protect students. We will remain open following protocols that will protect students; with that said, parents know their children and their tolerance to poor air quality. It is our goal to maintain safety for all groups, including those more sensitive to these conditions.

When the Air Quality index is good to moderate, we will maintain regular school routines, continue outdoor recess, lunch and P.E. Our priority is to maintain safe in-person learning for students. We are working with the community to ensure we are applying the best practices and equipment for both wildfire smoke and COVID. We have provided updated air filtration to our systems, and are currently looking at additional in classroom options. Each school site, although close in proximity, may have a different AQI (Air Quality Index) which we use to determine the above.

Keeping Track of Air Quality

Consistent with county practices we use Purple Air to monitor the current AQI. Each site has a monitor in place. [Real-time air quality map | PurpleAir](#)

[Air Now](#) is another resource that provides additional information throughout the region and state; it is a good site for predicting weekly change. We continue to monitor our air quality and communicate when there are changes.

School Air Quality Activity Recommendations

GTUSD used content from the California Department of Education to inform our decisions for caring for students who have asthma and/or other respiratory health concerns. Below is a summary of how we manage different levels of air quality in our schools when students are on site.

AQI SCALE KEY:

GREEN 0-50 Good	YELLOW 51-100 Moderate	ORANGE 101-150 Unhealthy for Sensitive Groups	RED 151-200 Unhealthy	PURPLE 201-300 Very Unhealthy	MAROON 301-500 Hazardous

Green (Good)

- Maintain regular school routines.
- Continue outdoor recess, lunch and P.E.

Yellow (Moderate)

- Maintain regular school routines.
- Continue outdoor recess, lunch and P.E.
- Ensure that sensitive individuals are medically managing their condition.*

Orange (Unhealthy for Sensitive Groups)

- Provide indoor and outdoor options during lunch (provided there is adequate staffing for both options) and recess, with reminders to reduce physical exertion.
- Sensitive individuals should exercise indoors or avoid vigorous outdoor activities.*

Red (Unhealthy)

- Exercise indoors above 180; or limit vigorous outdoor activities to a maximum of 15 minutes.
- Sensitive individuals should remain indoors.*
- *Consider* whether or not after-school activities scheduled for the outdoors should be canceled or changed.

Purple (Very Unhealthy)

- Health alert: the risk of health effects is increased for everyone.
- No outdoor activity. All activities should be moved indoors.
- Due to Covid, for 2021-2022, we will allow students outside to eat, but all activities will remain indoors.

Maroon (Hazardous)

- Health warning of emergency conditions: everyone is more likely to be affected.
- No outdoor activity. All activities should be moved indoors.
- Indoor lunches and recess.
- Due to Covid, for 2021-2022, we will allow students outside to eat, but all activities will remain indoors.

Considerations for School Closures (per CDE)

Outdoor air quality is one factor local educational agencies (LEAs) need to consider when making a school closure decision. LEAs should consider the factors below, in addition to any other relevant local conditions or concerns, when deciding to close school.

Health and Safety:

- Indoor air quality. Ventilation and filtration systems at schools may offer a higher level of protection than residential systems.
- Supervision. The school environment provides appropriate student supervision by trained and caring adults who can ensure students remain indoors.
- Student support services. School may be the primary place where students receive needed health and counseling services.
- Nutrition services. Schools serve healthy meals to a significant proportion of students. If school is closed, it is a substantial challenge at best for LEAs to feed students.

Using an Equity Lens:

- Socioeconomically disadvantaged families may not have options for alternate childcare.
- Working parents and guardians are disproportionately affected by school closure and could suffer significant professional or economic consequences as a result.
- Students receiving free or reduced-price meals may not have a reliable alternate source of healthy food.
- Students with Individualized Education Programs (IEPs) may not have access to needed services during school closure.
- Schools provide safe and supportive environments for their students; our most vulnerable students rely on them most.

* Sensitive Individuals include all those with asthma or other heart/lung conditions. Please inform your child's teacher and the school office staff of any significant health concerns for your child(ren), especially those who may have respiratory challenges due to allergies, asthma, recent upper respiratory infections, etc., as we will be taking extra care with these students. ***Consult a Physician if you have concerns about your child's health.***

CSBA POLICY GUIDE SHEET

March 2021

Note: Descriptions below identify revisions made to CSBA's sample board policies, administrative regulations, board bylaws, and/or exhibits. Editorial changes have also been made. Districts and county offices of education should review the sample materials and modify their own policies accordingly.

Board Policy 0420.42 - Charter School Renewal

Policy updated to reflect **NEW LAW (SB 98, 2020)** which amends the criteria for renewal when the two consecutive years immediately preceding the renewal include the 2019-20 school year (i.e., renewals submitted in 2020-21 and 2021-22). Policy adds the requirement that the determination of a charter school's academic progress be based on all the state indicators in the California School Dashboard for which it receives performance levels, provided that the charter school has schoolwide performance levels on at least two measurements of academic performance per year and for at least two student subgroups. Policy also reflects action taken by the State Board of Education (SBE) in November 2020 to approve a list of valid and reliable indicators of academic progress and postsecondary outcomes that may be used to demonstrate a charter school's academic performance.

Board Policy 3110 - Transfer of Funds

Policy updated to reflect **NEW LAW (SB 98, 2020)** which authorizes, for the 2020-21 and 2021-22 fiscal years if the state defers any payments owed to districts, the temporary transfer of up to 85 percent of the maximum amount held in any fund or account for the payment of obligations. Item #4 revised to clarify requirements for transfers from special reserve funds for capital outlay or other purposes into the general fund for general operating purposes of the district.

Board Policy 3230 - Federal Grant Funds

Policy updated to reflect **NEW FEDERAL REGULATIONS (85 Fed. Reg. 49506)**, effective November 12, 2020, which clarify and renumber requirements for the use and accounting of federal grant funds pursuant to the Office of Management and Budget's Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (commonly called the "Uniform Guidance"). Policy reflects an amendment to the Uniform Guidance which extends the timeframe for submitting the final performance report from 90 to 120 calendar days after the ending date of the grant.

Administrative Regulation 3230 - Federal Grant Funds

Regulation updated to reflect **NEW FEDERAL REGULATIONS (85 Fed. Reg. 49506)**, effective November 12, 2020, which clarify and renumber requirements for the use and accounting of federal grant funds pursuant to the Uniform Guidance. Regulation reflects amendments to the Uniform Guidance which (1) extend the timeframe for paying all obligations of federal funds from 90 to 120 calendar days after the end of the funding period; (2) require districts to give a preference to the purchase, acquisition, or use of goods, products, or materials from the United States as practicable; and (3) increase the threshold for "micro-purchases" and "small purchases" that qualify for simplified procurement procedures. Regulation also adds the requirement to provide for disciplinary actions to be applied when officers, employees, or representatives of the district violate conflict of interest standards. Section on "Personnel" revised to (1) add the district's responsibility to check employee records and ensure that the charges are accurate, allowable, and properly allocated and (2) clarify the documentation requirements for employees whose salary is paid with state or local funds but is used to meet a cost-sharing or matching requirement of the federal grant.

Administrative Regulation 3311.2 - Lease-Leaseback Contracts

Regulation updated to (1) include the maximum term for the lease-leaseback contract as specified in law, (2) reflect the requirement for site and plan approval prior to entering into an agreement, (3) add optional language for a board resolution declaring the intent to enter into a lease-leaseback contract, and (4) move evaluation criteria into the list of items that must be included in the request for sealed proposals. Regulation also reflects **NEW LAW (AB 2311, 2020)** which requires districts to include in all bid documents and construction contracts a notice that the project is subject to state "skilled and trained workforce" requirements.

Administrative Regulation 3311.3 - Design-Build Contracts

Regulation updated to reflect **NEW LAW (AB 2311, 2020)** which requires districts to include in all bid documents and construction contracts a notice that the project is subject to state "skilled and trained

CSBA POLICY GUIDE SHEET

March 2021

workforce" requirements. Regulation also adds a definition of "skilled and trained workforce," and describes the district's responsibilities if the contractor fails to demonstrate compliance with these requirements.

Administrative Regulation 3320 - Claims and Actions Against the District

Regulation updated to add introductory information explaining the procedures that may be used to file a claim for money or damages against the district depending on the cause of action. Section on "Time Limitations" reorganized and clarified, especially with regard to the time limits for claims related to causes of actions which are excepted from the Government Claims Act, are not governed by any other claim presentation statute or regulation, and are addressed through procedures established by the district. Regulation also reflects **NEW LAW (SB 1473, 2020)** which allows a person to submit a claim, amendment to a claim, or application for a late claim by electronic means, if so authorized by a board resolution, in which case the subsequent notices provided by the district must be sent to the electronic address from which the claim was sent unless the claimant specifies an alternative electronic address for that purpose.

Board Policy 3452 - Student Activity Funds

Policy updated to clarify that the policy does not apply to school-connected organizations that are not composed entirely of students or subject to the board's control and regulation. Section on "Fundraising" adds a reference to policy that addresses online fundraising, and addresses fundraising events that involve the sale of foods and/or beverages. Section on "Management and Reporting of Funds" updated to reflect Governmental Accounting Standards Board (GASB) Statement 84, which provides that, if the district has administrative or direct financial involvement with the student organization's assets, as defined, the student activity fund may be considered a governmental fund subject to specific accounting and financial reporting requirements.

Board Policy 3515.3 - District Police/Security Department

Policy updated to reflect **NEW LAW (SB 98, 2020)** which encourages districts to redirect resources currently allocated to district police departments into student support services and professional development on cultural competency and restorative justice. Policy also updates the board's philosophical statement, adds optional language regarding staff training on appropriate contact with district police or security officers, and reflects **NEW LAW (AB 846, 2020)** which requires districts to review the job description that is used in recruitment and hiring and make changes that emphasize community-based policing and collaborative problem solving while de-emphasizing the paramilitary aspects of the job. Section on "Conduct of Officers" revised to prohibit discrimination based on protected characteristics, prohibit district officers from assisting with immigration enforcement at district schools, and reflect requirement for district police departments to adopt policy that provides a minimum standard on the use of force.

Administrative Regulation 3515.3 - District Police/Security Department

Regulation updated to reflect law which, effective July 1, 2021, extends the requirement to complete a specified course of training to include security officers who work 20 hours per week or less. Regulation also clarifies that the additional training requirements of Penal Code 832 apply to security officers who carry a firearm while performing their duties. Section on "Qualifications of Police Officers" adds the requirement to complete specialized training within two years of the first date of employment. New section on "Use of Force" reflects (1) **NEW LAW (AB 1196, 2020)** which prohibits a law enforcement agency from authorizing the use of carotid restraints or choke holds, and (2) the requirement for district police departments to adopt policy that provide a minimum standard on the use of force that includes specified components and is consistent with guidelines established by the Commission on Peace Officer Standards and Training.

Board Policy 3600 - Consultants

Policy updated to reflect **NEW LAW (AB 2257, 2020)** which recodifies the three-part test established in Dynamex Operations West, Inc. v. Superior Court of Los Angeles to determine whether a person providing services for remuneration should be classified as an employee or an independent contractor, and **NEW LAWS (AB 2257 and AB 323, 2020)** which establish exceptions to the use of the three-part test. Requirement to afford equal opportunity for contracts revised to add ethnicity and reflect **NEW LAW (AB 3364, 2020)** which changes the term "military and veteran status" to "veteran or military status."

CSBA POLICY GUIDE SHEET

March 2021

Exhibit 4112.9/4212.9/4312.9 - Employee Notifications

Exhibit updated to add employee notifications related to (1) the rights of employees who are victims of crime or abuse; (2) potential exposure to COVID-19 at a district facility; (3) the right and procedure to access the district's injury and illness prevention program; (4) nondiscrimination on the basis of sex and contact information for the district's Title IX Coordinator; and (5) following an investigation of an alleged misconduct of a district police officer, the district's decision to impose discipline.

Administrative Regulation 4161.2/4261.2/4361.2 - Personal Leaves

Regulation updated to reflect **NEW LAW (AB 2992, 2020)** which extends leave for employees who are victims of domestic violence, sexual assault, or stalking to include employees who are victims of a crime that caused physical injury, or mental injury with a threat of physical injury, and employees whose immediate family member is deceased as a direct result of a crime. Regulation also reflects provisions of AB 2992 which require districts to inform employees of their rights for such leave and authorize employees, when an unscheduled absence occurs, to submit documentation from a victim advocate or any other form of documentation that reasonably verifies that the crime or abuse occurred, including, but not limited to, a written statement signed by the employee or an individual acting on the employee's behalf.

Administrative Regulation 4161.8/4261.8/4361.8 - Family Care and Medical Leave

Regulation updated to reflect **NEW LAW (SB 1383, 2020)** which, for purposes of leave under the California Family Rights Act, (1) revises the definition of "child" to include the child of a registered domestic partner; (2) includes an employee's grandparent, grandchild, sibling, and registered domestic partner as persons for whom an employee may take leave for a serious health condition; (3) repeals a provision of law which had limited any leave related to the birth or placement of the child to only one parent if a district employs both parents, thereby requiring the district to grant leave to each employee; (4) eliminates the district's authority to deny reinstatement, upon return from leave, for an employee who is among the highest paid 10 percent of district employees when the employee's absence would cause substantial and grievous economic injury to district operations; and (5) authorizes military family leave to attend to an exigency arising when the employee's registered domestic partner is on active duty or on call to active duty status in the National Guard or Reserves or is a member of the regular Armed Forces on deployment to a foreign country.

Board Policy 6142.8 - Comprehensive Health Education

Policy updated to reflect the 2019 state curriculum framework for health education, including emphasis on the physical, mental, and social well-being of students and integration of health education with other content areas of the district's curriculum. Policy also reflects law which authorizes districts to provide age-appropriate comprehensive sexual health education prior to grade 7, and law which authorizes instruction in grades K-12 in sexual abuse and sexual assault awareness and prevention provided students are allowed to be excused from such instruction with the written request of the parent/guardian.

Administrative Regulation 6142.8 - Comprehensive Health Education

Regulation updated to more directly reflect state content standards for injury prevention and safety and for personal and community health. Regulation also adds a new section on "High School Health Education" for districts that require a course in health education for graduation, which reflects law requiring that the course in health education include instruction in sexual harassment and violence and instruction in performing compression-only cardiopulmonary resuscitation. Section on "Students Excused from Health Instruction" expanded to address excusals from (1) comprehensive sexual health education and HIV prevention education; (2) instruction in sexual abuse and/or sexual assault awareness and prevention; (3) any exam, survey, or questionnaire which contains questions about the student's or family's personal beliefs or practices in sex, family life, morality, or religion; and (4) anonymous, voluntary, and confidential tests, questionnaires, and surveys containing age-appropriate questions about students' attitudes concerning or practices relating to sex.

Board Policy 7210 - Facilities Financing

Policy updated to add state facilities funding from the Leroy F. Greene School Facilities Act as a method of funding facilities and to reflect **NEW LAW (SB 820, 2020)** which requires filing the audit of completed facilities projects with the California State Controller. Policy also adds the requirement to comply with law and board policy regarding debt issuance and management.

Board Policy

Philosophy, Goals, Objectives, and Comprehensive Plans

BP 0420.42(a)

CHARTER SCHOOL RENEWAL

Note: ~~The following policy is optional.~~ When the term of a charter granted by the Governing Board pursuant to Education Code 47605 (~~see BP/AR 0420.4 – Charter School Authorization~~) is due to expire, the charter school must submit a petition for renewal to the Board in accordance with Education Code 47607, ~~as amended by AB 1505 (Ch. 486, Statutes of 2019), and Education Code 47607.2, as added by AB 1505.~~

For a charter that was granted by the State Board of Education (SBE) on appeal after being denied by the district, the renewal petition must first be submitted to the district board that denied the charter, pursuant to Education Code 47605. A petition for the renewal of a charter that was originally granted by the County Board of Education on appeal after being denied by the district must be submitted directly to the County Board as the chartering authority pursuant to 5 CCR 11966.5.

The Governing Board believes that the ongoing operation of a charter school should be dependent on the school's effectiveness in achieving its mission and goals for student learning and other student outcomes. Whenever a charter school submits a petition for renewal of its charter, the Board shall review the petition thoroughly and in a timely manner, **consistent with the timelines set out in the Education Code.** The Board shall consider renewal petitions only of charters originally authorized by the Board itself or by the State Board of Education (**SBE**) on appeal after initial denial by the Board.

(cf. 0420.4 - Charter School Authorization)

(cf. 0420.41 - Charter School Oversight)

(cf. 0420.43 - Charter School Revocation)

(cf. 0500 - Accountability)

The Board shall deny the renewal petition of any charter school operated as or by a for-profit corporation, a for-profit educational management organization, or a for-profit charter management organization. (Education Code 47604)

When a charter school, concurrently with its renewal petition, proposes to expand operations to one or more additional sites or grade levels, the charter school shall request a material revision to its charter. The material revision may be made only with the approval of the Board and in accordance with the standards and criteria in Education Code 47605 for material revisions. (Education Code 47607)

Note: The following **optional** paragraph may be revised to reflect district timelines for the submission of charter renewal petitions. Education Code 47605, ~~as amended by AB 1505 and AB 1595 (Ch. 543, Statutes of 2019),~~ requires that the Board grant or deny the renewal petition within 90 days of receiving the petition; see section entitled "Timelines for Board Action" below. However, it is recommended that charter schools submit their petition sufficiently early (e.g., as much as nine months before the term of the charter is due to expire) so that, in the event that the Board denies the renewal, the charter school may be able to appeal to the County Board and then to SBE and, if the school closes, to allow students of the charter school to transfer to another school.

CHARTER SCHOOL RENEWAL (continued)

The Board recommends that a charter school submit its petition for renewal to the Board sufficiently early before the expiration of the term of the charter to allow the Board's deliberations and decision on the renewal petition to be completed with minimal disruption to the charter school's educational program in the renewal year.

The petition for renewal shall include a reasonably comprehensive description of how the charter school has met all new charter school requirements enacted into law after the charter was originally granted or last renewed. (Education Code 47607; 5 CCR 11966.4)

Criteria for Granting or Denying Renewal

Note: **AB 1505 amended Education Code 47607 and added Education Code 47607.2 to revise the criteria for granting or denying charter renewals and to** authorize different lengths of renewals for high-performing, middle-performing, and low-performing charter schools.

Pursuant to Education Code 47607, charter renewals are subject to the same standards and criteria as initial charter authorizations as specified in Education Code 47605, except that the Board may not deny the renewal of an existing charter school based on a finding that (1) the district has a negative or qualified interim certification and is not positioned to absorb the fiscal impact of the proposed charter school or (2) the charter school is unlikely to serve the interests of the entire community in which the school will be located (i.e., the school would substantially undermine or duplicate existing district services or programs). However, these two criteria may be used to deny a proposed expansion of an existing charter school. **See AR 0420.4 - Charter School Authorization for more information regarding the standards and criteria for initial charter authorizations and renewals.**

Renewals shall be governed by the same standards and criteria that apply to new charter petitions as set forth in Education Code 47605. However, a charter renewal shall not be denied based on the fiscal impact of the charter school on the district or a finding that the charter school is unlikely to serve the interests of the entire community in which the school is located, as described in Education Code 47605. (Education Code 47607)

The signature requirement for charter authorization petitions is not applicable to petitions for renewal. (Education Code 47607)

Note: Pursuant to Education Code 47607.2, the review of the charter school's **academic** performance must be based on "verified data" **from assessments and other indicators approved by SBE,** defined as data that are derived from nationally recognized, valid, peer reviewed, and reliable sources that are externally produced and include measures of postsecondary outcomes. SBE is required to identify, by January 1, 2021, a list of valid and reliable assessments that must be used by the Board for this purpose. Until such a list is available, a charter school under consideration for renewal may present data consistent with the definition of "verified data." **In November 2020, SBE approved a list of valid and reliable indicators of academic progress and postsecondary outcomes that may be used to demonstrate a charter school's academic performance. Such indicators are available on CDE's web site.**

CHARTER SCHOOL RENEWAL (continued)

In determining whether to grant a charter renewal, the Board shall review both schoolwide performance and the performance of numerically significant student subgroups on the state and local indicators included in the California School Dashboard, giving greater weight to performance on measurements of academic performance. If the Dashboard indicators are not yet available for the most recently completed academic year before renewal, the Board shall consider verifiable data provided by the charter school related to the Dashboard indicators, such as data from the California Assessment of Student Performance and Progress, or any successor system, for the most recent academic year. **The Board shall only consider data from sources adopted by SBE.** (Education Code 47607, 47607.2)

Following the Board's review, a renewal of the charter petition may be granted in accordance with a three-tiered system based on school performance, as follows:

Note: Pursuant to Education Code 47607, as amended by SB 98 (Ch. 24, Statutes of 2020), the criteria described in item #1 below may be achieved for two of the three years immediately preceding the renewal, rather than for the two consecutive years immediately preceding the renewal, if the two consecutive years immediately preceding the renewal include the 2019-20 school year.

1. Renewal of Five to Seven Years

- a. ~~A renewal shall be granted for a period of five to seven years to a~~ charter school that is not eligible for technical assistance pursuant to Education Code 47607.3 **shall be granted renewal for a period of five to seven years when, and that, for two consecutive years immediately preceding the renewal, or for two of the three years immediately preceding the renewal for any renewal submitted in the 2020-21 or 2021-22 school year, the charter school** achieved either of the following: (Education Code 47607)
 - (1) Received the two highest performance levels schoolwide on all the state indicators included in the Dashboard for which the charter school receives performance levels, **provided the charter school has schoolwide performance levels on at least two measurements of academic performance per year in each of the two years**
 - (2) For all measurements of academic performance, received performance levels schoolwide that are the same or higher than the state average and, for a majority of numerically significant student subgroups performing statewide below the state average in each respective year, received performance levels that are higher than the state average, **provided that the charter school has performance levels on at least two measurements of academic performance for at least two subgroups**

CHARTER SCHOOL RENEWAL (continued)

- b. If the charter school satisfies the above criteria, it shall only be required to update the renewal petition to include a reasonably comprehensive description of any new requirement of charter schools enacted into law after the charter was originally granted or last renewed and, as necessary, to reflect the current program offered by the charter school. (Education Code 47607)**

2. Renewal of Five Years

- a. A renewal shall be granted for five years if clear and convincing evidence, demonstrated by verified data, shows either of the following: (Education Code 47607.2)
 - (1) Measurable increases in academic achievement, as defined by at least one year's progress for each year in school
 - (2) Strong postsecondary outcomes, as defined by college enrollment, persistence, and completion rates equal to similar peers
- b. For any such charter school, the Board may deny the renewal petition upon making written factual findings that the charter school failed to meet or make sufficient progress toward meeting standards that provide a benefit to students at the school, that the closure of the charter school is in the best interest of students, and that the Board's decision provided greater weight to performance on measurements of academic performance. (Education Code 47607.2)

Note: Education Code 47607.2, as amended by SB 98, authorizes the Board to deny renewal of a charter if the criteria described in item #3 below apply in two of the three years immediately preceding the renewal, rather than for two consecutive years immediately preceding the renewal, if the two consecutive years immediately preceding the renewal include the 2019-20 school year.

3. Denial/~~with Option for~~ Two-Year Renewal

- a. The Board shall generally not renew a charter if, for two consecutive years immediately preceding the renewal decision, **or for two of the three years immediately preceding the renewal for any renewal submitted in the 2020-21 or 2021-22 school year,** either of the following applies: (Education Code 47607.2)
 - (1) The charter school has received the two lowest performance levels schoolwide on all the state indicators included in the Dashboard for which it receives performance levels, **provided the charter school has schoolwide performance levels on at least two measurements of academic performance per year in each of the two years**

CHARTER SCHOOL RENEWAL (continued)

- (2) For all measurements of academic performance, the charter school has received performance levels schoolwide that are the same or lower than the state average and, for a majority of numerically significant student subgroups performing statewide below the state average in each respective year, received performance levels that are lower than the state average, **provided that the charter school has performance levels on at least two measurements of academic performance for at least two subgroups**
- b. However, the Board may grant a two-year renewal to any such charter school if the Board makes written factual findings, setting forth specific facts to support the findings, that: **(Education Code 47607.2)**
- (1) The charter school is taking meaningful steps to address the underlying cause(s) of low performance, and those steps are reflected, or will be reflected, in a written plan adopted by the governing body of the charter school.
 - (2) There is clear and convincing evidence, demonstrated by verified data, showing achievement of the criteria specified in item #2a above

In addition to all the grounds stated above for denial of a charter renewal, the Board may deny renewal of a charter upon a finding that the school is demonstrably unlikely to successfully implement the program set forth in the petition due to substantial fiscal or governance factors or a finding that the school is not serving all students who wish to attend. When denying a charter renewal for either of these reasons, the Board shall provide the charter school at least 30 days' notice of the alleged violation and a reasonable opportunity to cure the violation, including the submission of a proposed corrective action plan. **The Board may deny the renewal shall be denied if the Board finds either that for these reasons only upon a finding that either** the corrective action proposed by the charter school has been unsuccessful or that the violations are sufficiently severe and pervasive as to render a corrective action plan unviable. Any finding that a school is not serving all students who wish to attend shall specifically identify the evidence supporting the finding. (Education Code 47607)

Note: Charter schools that serve high-risk students may qualify for the state's Dashboard Alternative School Status (DASS) program, which uses modified methods of measurement for accountability indicators when appropriate. Charter schools that participate in the DASS are subject to the following criteria specified in Education Code **47607 46607, as amended by AB 1505.**

A charter school that **is eligible qualifies** for the state's Dashboard Alternative School Status shall not be subject to any of the above criteria. Instead, in determining whether to grant a

CHARTER SCHOOL RENEWAL (continued)

charter renewal for such a charter school, the Board shall consider, in addition to the charter school's performance on the state and local indicators included in the Dashboard, the charter school's performance on alternative metrics applicable to the charter school based on the student population served. The Board shall meet with the charter school during the first year of the charter school's term to mutually agree to discuss alternative metrics to be considered and shall notify the charter school of the alternative metrics to be used within 30 days of this meeting. The Board may deny a charter renewal only upon making written findings, setting forth specific facts to support the findings, that the closure of the charter school is in the best interest of students. (Education Code 47607)

Timelines for Board Action

Note: State law does not expressly provide a timeline for a public hearing on the renewal petition or for the Board's final decision on the renewal. However, pursuant to Education Code 47607, renewals are generally subject to the same standards and criteria applicable to initial charter authorizations, as specified in Education Code 47605. ~~As amended by AB 1505 and AB 1595, Education Code 47605 extends the timeline for the hearing for a charter petition from 30 to 60 days of the receipt of the petition. In addition, Education Code 47605 defines receipt of the petition as the date that the petitioner submits the petition to the district, and requires the Board to publish staff recommendations regarding the petition at least 15 days prior to the hearing at which the Board will grant or deny the petition.~~ The following section reflects the timelines established for initial charter authorizations.

Within 60 days of receiving the renewal petition, the Board shall hold a public hearing to review documentation submitted by the charter school, **determine the level of support for the petition**, and obtain public input. A petition is deemed received on the day the petitioner submits a petition to the district office, along with a signed certification that the petitioner deems the petition to be complete. (Education Code 47605)

The Board shall either grant or deny the charter renewal within 90 days of receiving the petition ~~or within 120 days with the consent of both the petitioner and the Board.~~ **The date may be extended by an additional 30 days if both the petitioner and the Board agree to the extension.** (Education Code 47605)

At least 15 days before the public hearing at which the Board will grant or deny the charter petition, the Board shall publish all staff recommendations and recommended findings regarding the petition. During the public hearing, petitioners shall have equal time and opportunity to present evidence and testimony to respond to the staff recommendations and findings. (Education Code 47605)

If the Board fails to make a written factual finding when required for denial of the petition pursuant to the section "Criteria for Granting or Denying Renewal" above within the required time period, the absence of a written factual finding shall be deemed an approval of the renewal petition. (5 CCR 11966.4)

CHARTER SCHOOL RENEWAL (continued)

The Superintendent or designee shall provide notification to CDE, within 10 calendar days of the Board's action, whenever a renewal of the charter is granted or denied. (Education Code 47604.32; 5 CCR 11962.1)

If the Board denies a renewal petition, the charter school may submit its application for renewal to the County Board within 30 days of the Board's written factual findings supporting the denial. (Education Code 47605, 47607.5)

School Closure

If a charter is not renewed and the charter school ceases operation, ~~the Board and/or the charter school shall implement~~ the school closure procedures specified in the charter in accordance with Education Code 47605 and 5 CCR 11962 **shall be implemented.** (Education Code ~~47603.32~~ **47604.32, 47605**)

TRANSFER OF FUNDS

Note: Education Code 41010 and 42600 requires districts to expend funds in accordance with the classification of expenditures included in their adopted budget and in the California School Accounting Manual. However, in certain limited circumstances, the Governing Board may approve interfund borrowing or the transfer of money between funds. The following policy may be revised to reflect district practice. The following **optional** policy may be revised to reflect district practice.

The Governing Board recognizes its responsibility to monitor the district's fiscal practices to ensure accountability regarding the expenditure of public funds and compliance with legal requirements.

(cf. 0460 - Local Control and Accountability Plan)

(cf. 3100 - Budget)

(cf. 3400 - Management of District Assets/Accounts)

(cf. 3460 - Financial Reports and Accountability)

Note: Education Code 42600 requires the district to expend funds in accordance with the classification of expenditures included in its adopted budget. However, other provisions of state law provide exceptions under which money may be transferred from one fund or account to another, as reflected in items #1-5 below.

AB 97 (Ch. 47, Statutes of 2013) repealed Education Code 17583 which provided a process for the transfer of excess local funds in the deferred maintenance fund to any other expenditure classifications whenever state funds for deferred maintenance are insufficient to fully match local funds.

AB 97 also repealed Education Code 42605, which provided temporary flexibility for specified "Tier 3" categorical programs, and redirects the funding for those categorical programs into the local control funding formula (LCFF) (Education Code 42238.01 42238.07). The supplemental and concentration grant portions of the LCFF may be used for any schoolwide or districtwide educational purpose in accordance with state regulations to be adopted by January 31, 2014, with the goal of increasing or improving services for students who are eligible for free and reduced-price meals, English learners, and foster youth; see BP/AR 0460—Local Control and Accountability Plan and BP/AR 3100—Budget.

The total amount budgeted by the district for each major classification of expenditures, as listed in the California Department of Education's budget forms, shall be the maximum amount which the district may expend for that classification for the school year. (Education Code 42600)

However, when it is in the best interest of the district, the Board may:

1. At any time, adopt a written resolution providing for transfers from the designated fund balance or the unappropriated fund balance to any expenditure classification or between classifications. The resolution shall be filed with the County Superintendent of Schools and the **C**ounty **A**uditor. (Education Code 42600)

TRANSFER OF FUNDS (continued)*(cf. 9323.2 - Actions by the Board)*

2. Direct the temporary transfer of monies held in any district fund or account to another fund or account as necessary for the payment of obligations. Such borrowing shall occur only when the fund or account receiving the money will earn sufficient income during the current fiscal year to repay the amount transferred. No more than 75 percent of the maximum amount held in any fund or account during the current fiscal year may be transferred. Amounts transferred shall be repaid in the same fiscal year, or in the following fiscal year if the transfer takes place within the final 120 calendar days of a fiscal year. (Education Code 42603)

Note: Education Code 42603.1, as added by SB 98 (Ch. 23, Statutes of 2020), adds the following authorization for the temporary transfer of funds for the 2020-21 and 2021-22 fiscal years, if the state defers any payments owed to districts.

For the 2020-21 and 2021-22 fiscal years only, if the state defers any payments owed to districts, the Board may direct the temporary transfer of up to 85 percent of the maximum amount held in any fund or account during the current fiscal year for the payment of obligations. Such borrowing shall occur only when the fund or account receiving the money will earn sufficient income during the current fiscal year to repay the amount transferred. Prior to exercising this authority, the Board shall hold a public hearing and adopt a resolution authorizing such transfer. (Education Code 42603.1)

Note: Pursuant to Education Code 42601, **the district, with the approval of** the Governing Board, may identify and request that the County Superintendent of Schools make transfers at the close of a school year in order to permit the payment of district obligations **incurred during that school year**, as provided in item #3 below. For elementary school districts with average daily attendance (ADA) of 900 or less, high school districts with ADA of 300 or less, or unified districts with ADA of 1,500 or less, the County Superintendent may identify and make the transfers, with the consent of the Board.

3. At the close of a school year, request that the County Superintendent make transfers between the designated fund balance or the unappropriated fund balance and any expenditure classification(s), or balance any expenditure classifications of the district budget as necessary for the payment of obligations incurred during that school year. (Education Code 42601)
4. ~~Specify amounts to be transferred by the county auditor and treasurer from the district's general fund to the special reserve fund during the fiscal year.~~ If any special reserve funds **that** are maintained for ~~purposes other than~~ capital outlay or **other purposes pursuant to Education Code 42842** ~~if monies in the special reserve fund are not actually encumbered for ongoing expenses, the Board may~~ transfer those

TRANSFER OF FUNDS (continued)

monies into the general fund for the general operating purposes of the district. If any monies remain in the special reserve fund at the conclusion of a project, the Board may **submit a, by** written request to the County Superintendent, **A** auditor, and **T**reasurer, **to discontinue the special reserve fund and** transfer those monies to the district's general fund. (Education Code 42841-42843)

5. Transfer monies between other funds or accounts when authorized by law.

FEDERAL GRANT FUNDS

Note: All grants awarded by the federal government, including formula grants (e.g., Title I funding, Part B of the Individuals with Disabilities Education Act) and discretionary grants, are subject to the requirements contained in the Office of Management and Budget's (OMB) Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (commonly called "Uniform Guidance"), as specified in 2 CFR 200.0-200.521 and Appendices I-XII. **2 CCR 200.109 requires that the Uniform Guidance be reviewed every five years. Revisions to the Uniform Guidance (85 Fed. Reg. 49506), effective November 12, 2020, address the information that grant recipients are required to report, implement relevant statutory requirements, and clarify existing requirements.**

~~The Uniform Guidance, adopted in December 2014, includes new provisions but primarily consolidates guidance from earlier OMB circulars.~~

~~Pursuant to 2 CFR 200.110, the Uniform Guidance applies to all new and continuing grant awards made on or after December 26, 2014, except that, as amended by 82 Fed. Reg. 94, districts may choose to delay implementation of the new procurement standards until July 1, 2018 or such later date as may be approved in the Uniform Guidance. See the accompanying administrative regulation for optional language accepting the delayed implementation.~~

Pursuant to 2 CFR 200.302, 200.318, and 200.319, the district is **mandated** to adopt written procedures related to procurement, conflict of interest, cash management, payments, and allowable costs. In addition to the following policy, it is recommended that districts maintain a detailed administrative regulation or procedures manual addressing the mandated components.

The Governing Board recognizes the district's responsibility to maintain fiscal integrity and transparency in the use of all funds awarded through federal grants. The district shall comply with all requirements detailed in any grant agreement with an awarding agency and with the federal Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards specified in 2 CFR 200.0-200.521 and any stricter state laws and district policy.

Any goods or services purchased with federal funds shall be reasonable in cost and necessary for the proper and efficient performance or administration of the program.

The Superintendent or designee shall ensure that the district's financial management systems and procedures provide for the following: (2 CFR 200.302)

1. Identification in district accounts of each federal award received and expended and the federal program under which it was received

(cf. 3100 - Budget)

FEDERAL GRANT FUNDS (continued)

2. Accurate, current, and complete disclosure of the financial ~~and performance~~ results of each federal award or program in accordance with the reporting requirements of 2 CFR ~~200.327 and~~ 200.328 ~~and~~ **200.329**

(cf. 3460 - Financial Reports and Accountability)

3. Records and supporting documentation that adequately identify the source and application of funds for federally funded activities, including information pertaining to federal awards, authorizations, **financial** obligations, unobligated balances, assets, expenditures, income, and interest

(cf. 1340 - Access to District Records)

(cf. 3580 - District Records)

4. Effective controls **s over** and accountability for all funds, property, and other assets and assurance that all assets are used solely for authorized purposes
5. Comparison of actual expenditures with budgeted amounts for each federal award
6. Written procedures to implement provisions governing payments as specified in 2 CFR 200.305
7. Written procedures for determining the allowability of costs in accordance with 2 CFR 200.400-200.475 and the terms and conditions of the federal grant award

(cf. 3400 - Management of District Assets/Accounts)

The Superintendent or designee shall develop and implement appropriate internal control processes to reasonably assure that transactions are properly executed, recorded, and accounted for so that the district can prepare reliable financial statements and federal reports, maintain accountability over assets, and demonstrate compliance with federal laws, regulations, and conditions of the federal award. (2 CFR 200.61, 200.62, 200.303)

Equipment purchased with federal funds shall be properly inventoried and adequately maintained to safeguard against loss, damage, or theft of the property.

(cf. 3270 - Sale and Disposal of Books, Equipment and Supplies)

(cf. 3440 - Inventories)

(cf. 3512 - Equipment)

All staff involved in the administration or implementation of programs and activities supported by federal funds shall receive information and training on the allowable use of federal funds, purchasing procedures, and reporting processes commensurate with their duties.

FEDERAL GRANT FUNDS (continued)*(cf. 4131 - Staff Development)**(cf. 4231 - Staff Development)**(cf. 4331 - Staff Development)*

Note: Pursuant to 2 CFR 200.328 **and 200.329**, districts must submit **financial and** performance reports at the interval required by the awarding agency, which shall be at least annually but no more often than quarterly except in unusual circumstances. **Status reports due annually must be submitted no later than 90 calendar days after the reporting period, and reports due quarterly or semi-annually must be submitted no later than 30 calendar days after the reporting period. As amended by 85 Fed. Reg. 49506, 2 CFR 200.329 increases the time period for submitting final performance reports from 90 to 120 days after the performance end date.** The district may request an extension of the due date for any performance report for justifiable reasons.

In addition, the California Department of Education (CDE) is required under Education Code 64001 to monitor districts' compliance with legal requirements for federal categorical programs. This monitoring is accomplished through the Federal Program Monitoring process, which is based on a combination of data and document reviews and on-site visits. For further information, see the CDE's website and BP 6190 - Evaluation of the Instructional Program.

The district shall submit **financial and** performance reports to the awarding agency in accordance with the schedule and indicators required for that federal grant by law and the awarding agency. As required, such reports may include a comparison of actual accomplishments to the objectives of the federal award, the relationship between financial data and performance accomplishments, the reasons that established goals were not met if applicable, cost information to demonstrate cost-effective practices, analysis and explanation of any cost overruns or high unit costs, and other relevant information. The final performance report shall be submitted **within 90 no later than 120 calendar** days after the ending date of the grant. (2 CFR 200.301, 200.328, **200.329**)

Business and Noninstructional Operations

AR 3230(a)

FEDERAL GRANT FUNDS

Note: The following administrative regulation reflects the major requirements of the Office of Management and Budget's Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (commonly called "Uniform Guidance"), as specified in 2 CFR 200.0-200.521 and Appendices I-XII, **as amended by 85 Fed. Reg. 49506. The Uniform Guidance** which governs the use of federal formula and discretionary grant funds awarded to districts **all grants awarded by the federal government, including formula grants (e.g., Title I funding, Part B of the Individuals with Disabilities Education Act) and discretionary grants.** Pursuant to 2 CFR 200.302, 200.318, and 200.319, the district is **mandated** to adopt written procedures related to procurement, conflict of interest, cash management, payments, and allowable costs.

Pursuant to Public Contract Code 20111, **as amended by SB 544 (Ch. 395, Statutes of 2017),** clarifies that districts participating in a federally funded child nutrition program, such as the National School Lunch and/or Breakfast Program, must comply with the federal procurement standards of 2 CFR 200.318-200.326.

The requirements of the Uniform Guidance are extensive and are not fully covered in the following administrative regulation. It is recommended that the district expand the following regulation and/or maintain a comprehensive procedures manual which contains internal controls and grant management standards used by the district to ensure the lawful expenditure of federal funds, including, but not limited to, procedures and protocols for cash management, procurement, inventory management, allowability of expenditures, "time and effort" reporting by personnel, and record retention.

To ensure the lawful expenditure of any federal formula or discretionary grant funds awarded to the district, the Superintendent or designee shall comply with the requirements of the Office of Management and Budget's Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (the "Uniform Guidance"), as contained in 2 CFR 200.0-200.521 and Appendices I-XII.

Allowable Costs

Note: 2 CFR 200.302 **mandates** that districts develop written procedures for determining the allowability of costs in accordance with 2 CFR 200.400-200.475 and the terms and conditions of the federal grant award. Districts may revise this section or their detailed procedures manual to reflect those requirements.

Prior to obligating or spending any federal grant funds, the Superintendent or designee shall determine whether a proposed purchase is an allowable expenditure in accordance with 2 CFR 200.400-200.475 and the terms and conditions of the award. **He/she The Superintendent or designee** shall also determine whether the expense is a direct or indirect cost as defined in 2 CFR 200.413 and 200.414 and, if the purchase will benefit other programs not included in the grant award, the appropriate share to be allocated to the federal grant.

(cf. 3350 - Travel Expenses)

FEDERAL GRANT FUNDS (continued)

Note: Pursuant to Education Code 42126, which requires the Superintendent of Public Instruction to prescribe a uniform format for district budgets, districts are required to use the Standardized Account Code Structure (SACS). SACS ensures that districts meet state and federal reporting guidelines and comply with generally accepted accounting principles prescribed by the Governmental Accounting Standards Board. The California Department of Education's California School Accounting Manual provides guidance regarding coding of revenues and expenditures and reflects the Uniform Guidance.

The Superintendent or designee shall review and approve all transactions involving federal grant funds and shall ensure the proper coding of expenditures consistent with the California School Accounting Manual.

(cf. 3300 - Expenditures and Purchases)

(cf. 3314 - Payment for Goods and Services)

Period of Performance

Note: Pursuant to 2 CFR ~~200.343~~ **200.344**, any federal funds that are not obligated or paid within the appropriate timeframes must be returned to the awarding agency. Thus, districts should closely monitor spending throughout the grant cycle.

As amended by 85 Fed. Reg. 49506, 2 CFR 200.344 increases the number of days for districts to liquidate all financial obligations from 90 days to 120 days.

All obligations of federal funds shall occur on or between the beginning and ending dates of the grant project and shall be paid no later than **90 120 calendar** days after the end of the funding period, unless specifically authorized by the grant award to be carried over beyond the initial term of the grant. (2 CFR 200.77, 200.308, 200.309, ~~200.343~~**200.344**)

Procurement

Note: ~~2 CFR 200.110, as amended by 82 Fed. Reg. 22609, authorizes districts to delay implementation of the procurement standards in the Uniform Guidance (2 CFR 200.317-200.326) until July 1, 2018 or such later date as may be approved in the Uniform Guidance. Districts that choose to delay implementation are mandated by 2 CFR 200.110 to document this decision in their procurement policies and should revise the following paragraph accordingly.~~ **Districts are required to comply with the procurement standards specified in 2 CFR 200.317-200.327 as well as state laws pertaining to bidding and procurement.**

2 CFR 200.322, as added by 85 Fed. Reg. 49506, requires districts, to the extent practicable under a federal award, to give preference to the purchase, acquisition, or use of goods, products, or materials from the United States.

When procuring goods and services with a federal grant, the Superintendent or designee shall comply with the standards contained in 2 CFR 200.317-~~200.326~~**200.327** and Appendix II of Part 200, ~~or~~ **and** with any applicable state **bidding or procurement** law or district policy that is more restrictive.

FEDERAL GRANT FUNDS (continued)

As appropriate to encourage greater economy and efficiency, the Superintendent or designee shall avoid acquisition of unnecessary or duplicative items, give consideration to consolidating or breaking out procurements, analyze lease versus purchase alternatives, consider entering into an interagency agreement for procurement of common or shared goods and services, and/or use federal excess or surplus property. (2 CFR 200.318)

Note: 2 CFR 200.318 **mandates** that districts have written procedures that address all applicable laws regarding the use of federal grant funds in procurement transactions. The U.S. Department of Education's (USDOE) Questions and Answers Regarding 2 CFR Part 200 clarifies that such procedures must address issues related to the bid process (e.g., source evaluation, protests, and claims) **since 2 CFR 200.318 provides that the district is solely responsible for settlement of all contractual and administrative issues arising out of the procurement process.**

The following list reflects major requirements contained in the Uniform Guidance. Districts may revise the following list or the district's comprehensive procedures manual to include additional detail, such as a description of the documents that will be used (e.g., purchase order, requisition), staff responsibilities, and the process for soliciting and receiving bids.

The procurement of goods or services with federal funds shall be conducted in a manner that provides full and open competition in accordance with state laws and district regulations and the following requirements:

Note: 2 CFR 200.67 **and 200.320** permits districts to establish simplified procurement procedures for "micro-purchases," as described in item #1 below. Pursuant to **2 CFR 200.320, districts are responsible for determining and documenting an appropriate micro-purchase threshold based on internal controls, an evaluation of risk, and district procurement procedures.** Pursuant to 2 CFR 200.320, as amended by 85 Fed. Reg. 49506, and 48 CFR 2.101, the threshold for such purchases ~~is \$3,500~~ cannot exceed \$10,000 except as otherwise specified, and will be periodically adjusted for inflation. **However, pursuant to 2 CFR 200.320, as amended, a district may be eligible to establish a micro-purchase threshold up to \$50,000 on an annual basis if the district is able to self-certify that it may do so, with documentation of one of the following criteria: (1) the district's qualification as a low-risk auditee in accordance with 2 CFR 200.520; (2) an annual internal institutional risk assessment to identify, mitigate, and manage financial risks; or (3) a higher threshold consistent with state law. Districts may establish a threshold higher than \$50,000 with approval of the appropriate federal agency. Item #1 may be revised to reflect the threshold established by the district.**

Use of the simplified procedures requires that the district determine the price to be "reasonable." According to the USDOE's Questions and Answers Regarding 2 CFR Part 200, a documented review of web sites would meet this requirement.

As amended, 2 CFR 200.320 increases the "small purchases" limit under the Uniform Guidance (item #2 below) ~~is \$150,000~~ to \$250,000 in accordance with 48 CFR 2.101. However, the more restrictive California bid limits in Public Contract Code 20111 and district procurement policies must be applied to define the "small purchase" requirements.

Any purchases above the California bid limits ~~(see BP/AR 3311 - Bids)~~ must follow California law. **See BP/AR 3311 - Bids for more information regarding bids and bid limits.**

FEDERAL GRANT FUNDS (continued)

1. Any purchase of supplies or services that does not exceed the "micro-purchase" threshold ~~specified in~~ **established by the district in accordance with** 48 CFR 2.101 may be awarded without soliciting competitive quotes, provided that the district considers the price to be reasonable and maintains written evidence of this reasonableness in the record of all micro-purchases. (2 CFR 200.67, 200.320)
2. For any purchase that exceeds the micro-purchase threshold but is less than the bid limit required by Public Contract Code 20111, the Superintendent or designee shall utilize "small-purchase" procedures that include obtaining price or rate quotes from an adequate number of qualified sources. (2 CFR 200.320)
3. Contracts for goods or services over the bid limits required by Public Contract Code 20111 shall be awarded pursuant to California law and AR 3311 - Bids, unless exempt from bidding under the law.

(cf. 3311 - Bids)

4. If a purchase is exempt from bidding and the district's solicitation is by a request for proposals, the award may be made by either a fixed-price or cost-reimbursement type contract awarded to the entity whose proposal is most advantageous to the program, with price and other factors considered. (2 CFR 200.320)

(cf. 3312 - Contracts)

5. Procurement by noncompetitive proposals (sole sourcing) may be used only when the item is available exclusively from a single source, the need or emergency will not permit a delay resulting from competitive solicitation, the awarding agency expressly authorizes sole sourcing in response to the district's request, and/or competition is determined inadequate after solicitation of a number of sources. (2 CFR 200.320)
6. Time and materials type contracts may be used only after a determination that no other contract is suitable and if the contract includes a ceiling price that the contractor exceeds at its own risk. *Time and materials type contract* means a contract for which the cost is the sum of the actual cost of materials and direct labor hours charged at fixed hourly rates that reflect wages, general administrative expenses, and profit. **(2 CFR 200.328-200.318)**

Note: 2 CFR ~~200.213-200.214~~ restricts districts from procuring goods or services from entities that have been debarred, suspended, or otherwise excluded from participation in federal assistance programs or activities. Districts may require certification of eligibility from the vendor or use the federal System for Award Management website to determine whether a particular entity has been excluded.

FEDERAL GRANT FUNDS (continued)

For any purchase of \$25,000 or more, the Superintendent or designee shall verify that any vendor which is used to procure goods or services is not excluded or disqualified by the federal government. (2 CFR 180.220, **200.213-200.214**)

Note: 2 CFR 200.319 mandates that districts have written procedures for procurement transactions that include the following components.

All solicitations shall incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured. Such description shall not, in competitive procurements, contain features which unduly restrict competition. The description shall avoid detailed product specifications to the extent possible, but may include a statement of the qualitative nature of the material, product, or service to be procured and, when necessary, shall set forth those minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. When it is impractical or not economical to make a clear and accurate description of the technical requirements, a brand name or equivalent description may be used to define the performance or other salient requirements of procurement, clearly stating the specific features of the named brand which must be met by offers. In addition, every solicitation shall identify all requirements which the offer must fulfill and any other factors to be used in evaluating bids or proposals. (2 CFR 200.319)

The Superintendent or designee shall maintain sufficient records to document the procurement, including, but not limited to, the rationale for the method of procurement, selection of the contract type, contractor selection or rejection, and the basis for the contract price. (2 CFR 200.318)

The Superintendent or designee shall ensure that all contracts for purchases using federal grant funds contain the applicable contract provisions described in Appendix II to Part 200 - Contract Provisions for Non-Federal Entity Contracts Under Federal Awards. (2 CFR **200.326-200.327**)

Capital Expenditures

Note: 2 CFR 200.313 and 200.439 require a district receiving federal grant funds to obtain prior written approval from the awarding agency before incurring the cost of a capital expenditure, as defined in 2 CFR 200.12 and 200.13. See AR 3512 - Equipment for further information about requirements related to equipment purchased with federal funds, including labeling, maintenance, and inventory of the equipment and continued use of the equipment after the program ceases to be supported by federal funds.

The Superintendent or designee shall obtain prior written approval from the awarding agency before using federal funds to make capital expenditures, including the acquisition of land, facilities, equipment, and intellectual property and expenditures to make additions,

FEDERAL GRANT FUNDS (continued)

improvements, modifications, replacements, rearrangements, reinstallations, renovations, or alterations to capital assets that materially increase their value or useful life. (2 CFR 200.12, 200.13, 200.20, 200.33, 200.48, 200.58, 200.89, 200.313, 200.439)

Conflict of Interest

Note: 2 CFR 200.318 **mandates** that districts maintain written standards of conduct covering conflicts of interest and the **performance-actions** of employees engaged in the selection, award, and administration of contracts. **The district's standards of conduct must also provide for disciplinary actions to be applied when officers, employees, or representatives of the district violate conflict of interest standards. The district should revise this section or its detailed procedures manual to reflect district practice.**

No Governing Board members, district employees, **and other** district representatives shall **not** participate in the selection, award, or administration of a contract supported by federal funds if **he/she has they have** a real or apparent conflict of interest, such as when **he/she they** or a member of **his/her their** immediate family, **his/her their** partner, or an organization which employs or is about to employ any of them has a financial **or other** interest in or a tangible personal benefit from a firm considered for a contract. Such persons are prohibited from soliciting or accepting gratuities, favors, or anything of monetary value from contractors or subcontractors unless the gift is an unsolicited item of nominal value. (2 CFR 200.318)

Employees engaged in the selection, award, and administration of contracts shall also comply with BB 9270 - Conflict of Interest.

(cf. 9270 - Conflict of Interest)

Persons involved in the selection, award, or administration of a contract supported by federal funds shall be subject to discipline for any violation of conflict of interest standards. (2 CFR 200.318)

(cf. 4118 - Dismissal/Suspension/Disciplinary Action)

(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

(cf. 4218.1 - Dismissal/Suspension/Disciplinary Action (Merit System))

Cash Management

Note: Pursuant to 2 CFR 200.302, districts are **mandated** to develop written procedures to implement the requirements of 2 CFR 200.305.

The Superintendent or designee shall ensure the district's compliance with 2 CFR 200.305 pertaining to payments and cash management, including compliance with applicable methods and procedures that minimize the time elapsing between the transfer of funds to the district and the district's disbursement of funds. (2 CFR 200.305)

FEDERAL GRANT FUNDS (continued)

Note: Pursuant to 2 CFR 200.305, a district may be paid in advance by the awarding agency if it maintains written procedures that minimize the time elapsing between the transfer of funds and disbursement by the district as well as financial management systems that meet the standards for fund control and accountability as established in the Uniform Guidance.

When authorized by law, the district may receive advance payments of federal grant funds, limited to the minimum amounts needed and timed in accordance with the actual immediate cash requirements of the district for carrying out the purpose of the program or project. Except under specified conditions, the district shall maintain the advance payments in an interest-bearing account. The district shall remit interest earned on the advanced payment to the awarding agency on an annual basis, but may retain interest amounts specified in 2 CFR 200.305 for administrative expenses. (2 CFR 200.305)

When required by the awarding agency, the district shall instead submit a request for reimbursement of actual expenses incurred. The district may also request reimbursement as an alternative to receiving advance payments. (2 CFR 200.305)

The Superintendent or designee shall maintain source documentation supporting the expenditure of federal funds, such as invoices, time sheets, payroll stubs, or other appropriate documentation.

Personnel

Note: In order to charge staff compensation as an allowable expense of federal grant funds pursuant to 2 CFR 200.430, employees must document the amount of time they spend on grant activities supported by federal funds. These documents, known as "time and effort" records, are used to charge the costs of personnel compensation to federal grants. It is recommended that the district's administrative regulation reflect district practice for documenting time and effort, such as the type of documentation maintained, signature requirements, how often certifications will be completed, and review of the records by a supervisor.

All district employees who are paid in full or in part with federal funds, including employees whose salary is paid with state or local funds but is used to meet a required match or in-kind contribution to a federal program, shall document the amount of time they spend on grant activities. **Such records shall be incorporated into the official records of the district and shall be subject to a system of internal controls which provides reasonable assurance that the charges are accurate, allowable, and properly allocated in accordance with 2 CFR 200.430.** (2 CFR 200.430)

Salaries and wages of employees whose salary is paid with state or local funds but are used to meet a cost-sharing or matching requirement of the federal grant shall be documented in the same manner as salaries and wages claimed for reimbursement under a federal grant. (2 CFR 200.430)

FEDERAL GRANT FUNDS (continued)**Records**

Except as otherwise provided in 2 CFR ~~200.333~~ **200.334**, or where state law or district policy requires a longer retention period, financial records, supporting documents, statistical records, and all other district records related to a federal award shall be retained for a period of three years from the date of submission of the final expenditure report or, for a federal award that is renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report. (2 CFR ~~200.333~~ **200.334**)

(cf. 1340 - Access to District Records)

(cf. 3580 - District Records)

Audits

Note: Pursuant to 2 CFR 200.501, districts that expend \$750,000 or more in federal grant funds during a fiscal year must have a single audit conducted in accordance with 2 CFR 200.514, unless it chooses to have a program-specific audit conducted in accordance with 2 CFR 200.507. Districts that expend more than \$50 million in federal funds are subject to the requirements specified in 2 CFR 200.513. District audits are also subject to the requirements in Education Code 41020, the state Education Audit Appeal Panel's Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, and the California Department of Education Audit Guide. See BP/AR 3460 - Financial Reports and Accountability for further information about audit requirements.

Pursuant to 2 CFR 200.501, districts that expend less than \$750,000 in federal grant funds per fiscal year are exempt from federal audit requirements but must make records available for review or audit by the awarding agency, the pass-through entity, and U.S. Government Accountability Office. Such districts may delete the following section.

Whenever the district expends \$750,000 or more in federal grant funds during a fiscal year, it shall arrange for either a single audit or a program-specific audit in accordance with 2 CFR 200.507 or 200.514. (2 CFR 200.501)

The Superintendent or designee shall ensure that the audit meets the requirements specified in 2 CFR 200.500-200.521.

Specified records pertaining to the audit of federal funds expended by the district shall be transmitted to the clearinghouse designated by the federal Office of Management and Budget and shall be made available for public inspection. Such records shall be transmitted within 30 days after receipt of the auditor's report or within nine months after the end of the audit period, whichever is sooner, unless a longer period is agreed to in advance by the federal agency or a different period is specified in a program-specific audit guide. (2 CFR 200.512)

FEDERAL GRANT FUNDS (continued)

In the event that the audit identifies any deficiency, the Superintendent or designee shall promptly act to either correct the identified deficiency, produce recommended improvements, or demonstrate that the audit finding is invalid or does not warrant action. (2 CFR 200.26, 200.508, 200.511)

AR 3311.2(a)

LEASE-LEASEBACK CONTRACTS

Note: The following administrative regulation addresses construction financing contracts that are commonly described as "lease-leaseback" contracts. ~~Education Code 17406, as amended by AB 2316 (Ch. 521, Statutes of 2016), no longer permits the selection of a lease-leaseback contractor without advertising, and instead requires districts to use a comprehensive "best value" selection process.~~ Education Code 17406, as amended, **mandates** that any district choosing to award a lease-leaseback contract adopt and publish procedures and guidelines for evaluating the qualifications of proposers that ensure the fair and impartial selection of the "best value" for the district. In addition, for any project that will involve the use of preconstruction services, the request for sealed proposals must require proposers to include the fee to perform the preconstruction services as part of their sealed proposal to the district. Such procedures and guidelines must include, at a minimum, the provisions specified in Education Code 17406 as reflected in the following regulation.

The lease-leaseback financing method should only be used in coordination with competent technical consultants and legal counsel to ensure all legal requirements are met.

The district may lease currently owned district property to any person, firm, or corporation for a minimum of \$1 per year **for a term not to exceed 99 years**, as long as the lease requires the person, firm, or corporation to construct a building or buildings on the property for the district's use during the lease and the property and building(s) will vest in the district at the expiration of the lease ("lease-leaseback"). (Education Code **17403**, 17406)

(cf. 3280 - Sale or Lease of District-Owned Real Property)

(cf. 3312 - Contracts)

Before the district enters into such a lease or agreement, it shall have available a site upon which a building may be constructed for use by the district, shall have complied with requirements related to the selection and approval of sites, and shall have prepared and adopted plans and specifications for the building that have been approved in accordance with Education Code 17280-17316. (Education Code 17402)

(cf. 7150 - Site Selection and Development)

Procedures for Awarding the Contract

Note: The following optional paragraph may be revised to reflect district practice. Pursuant to Education Code 17417, the Governing Board must adopt a resolution of intent to enter into a lease or agreement related to real property and buildings to be used by the district. However, pursuant to Education Code 17406, Education Code 17417 is not applicable to lease-leaseback agreements. As a best practice, the district may choose to adopt such a resolution for lease-leaseback contracts in order to inform the public and prospective proposers of the available site and the procedures for awarding the contract.

LEASE-LEASEBACK CONTRACTS (continued)

The district's intent to enter into a lease-leaseback contract may be described in a resolution adopted by the Governing Board which includes, but is not be limited to, a description of the available site and the building to be constructed, the amount and term of the lease, and where to obtain information about the procedures for submitting a proposal.

Any lease-leaseback contract shall be awarded through a competitive "best value" procurement process whereby a person, firm, or corporation is selected on the basis of objective criteria for evaluating the qualifications of proposers, with the resulting selection representing the best combination of price and qualifications. **To make this determination, the district shall use the following procedures:** (Education Code 17400, 17406)

To make this determination, the district shall use the following procedures: (Education Code 17406; Public Contract Code 2600)

1. **Request for Sealed Proposals:** The Superintendent or designee shall prepare a request for sealed proposals which shall include:
 - a. An estimate of the project's price
 - b. A clear, precise description of any preconstruction services that may be required and the facilities to be constructed
 - c. The key elements of the contract to be awarded
 - d. A description of the format that proposals shall follow and the elements they shall contain
 - e. The standards the district will use in evaluating proposals **and the qualifications of the proposers, including:**
 - (1) **Relevant experience**
 - (2) **Safety record**
 - (3) **Price proposal, including, at the district's discretion, either a lump-sum price for the contract to be awarded or the proposer's proposed fee to perform the services requested, including the proposer's proposed fee to perform preconstruction services or any other work related to the facilities to be constructed, as requested by the district**

LEASE-LEASEBACK CONTRACTS (continued)

- (4) Whether each criterion will be evaluated on a pass-fail basis or will be scored as part of the "best value" score, and whether proposers must achieve any minimum qualification score for award of the contract
- (5) For each scored criterion, the methodology and rating or weighting system that will be used by the district in evaluating the criterion, including the weight assigned to the criterion and any minimum acceptable score
- (6) Other factors established by the district

- f. The date on which proposals are due
- g. The timetable the district will follow in reviewing and evaluating proposals

Note: Public Contract Code 2600, as amended by AB 2311 (Ch. 347, Statutes of 2020), adds a requirement to include in all bid documents and construction contracts, when applicable, a notice that the project is subject to the skilled and trained workforce requirements specified in Public Contract Code 2600-2603. Pursuant to Education Code 17407.5, lease-leaseback contracts are subject to such requirements. See the section "Skilled and Trained Workforce" below for additional requirements.

- h. A statement that the project is subject to the skilled and trained workforce requirements specified in Public Contract Code 2600-2603**

- 2. **Notice:** At least 10 days before the date for receipt of the proposals, the Superintendent or designee shall give notice of the request for sealed proposals using both of the following methods:
 - a. Providing notice at least once a week for two weeks in a local newspaper of general circulation pursuant to Public Contract Code 20112
 - b. Providing notice in a trade paper of general circulation published in the county where the project is located

Note: The following paragraph is **optional** and may be revised to reflect district practice.

The Superintendent or designee also may post the notice on the district's web site or through an electronic portal.

Note: Pursuant to Education Code 17406, the prequalification requirements for contracts that meet the criteria specified in Public Contract Code 20111.6 are also applicable to lease-leaseback contracts. Education Code 17406 requires prequalification for such projects irrespective of whether or not they are funded locally or through state sources.

LEASE-LEASEBACK CONTRACTS (continued)

3. **Prequalification:** A proposer shall be prequalified in accordance with Public Contract Code 20111.6(b)-(m) in order to submit a proposal. Any electrical, mechanical, and plumbing subcontractors shall be subject to the same prequalification requirements.

(cf. 3311 - Bids)

4. ~~Evaluation Criteria: The request for sealed proposals shall identify all criteria that the district will consider in evaluating the proposals and qualifications of the proposers, including relevant experience, safety record, price proposal, and other factors specified by the district. The price proposal shall include, at the district's discretion, either a lump sum price for the contract to be awarded or the proposer's proposed fee to perform the services requested, including the proposer's proposed fee to perform preconstruction services or any other work related to the facilities to be constructed, as requested by the district.~~

~~The request for sealed proposals shall specify whether each criterion will be evaluated on a pass fail basis or will be scored as part of the "best value" score, and whether proposers must achieve any minimum qualification score for award of the contract. For each scored criterion, the district shall identify the methodology and rating or weighting system that will be used by the district in evaluating the criterion, including the weight assigned to the criterion and any minimum acceptable score.~~

- 5.4. **Evaluation of Proposals:** All proposals received shall be reviewed to determine whether they meet the format requirements and the standards specified in the request for sealed proposals. The district shall evaluate the qualifications of the proposers based solely upon the criteria and evaluation methodology set forth in the request for sealed proposals, and shall assign a best value score to each proposal. Once the evaluation is complete, all responsive proposals shall be ranked from the highest best value to the lowest best value to the district.

- 6.5. **Award of Contract:** The award of the contract shall be made by the **Governing Board** to the responsive proposer whose proposal is determined, in writing by the Board, to be the best value to the district.

If the selected proposer refuses or fails to execute the tendered contract, the Board may award the contract to the proposer with the second highest best value score, if deemed in the best interest of the district. If that proposer then refuses or fails to execute the tendered contract, the Board may award the contract to the proposer with the third highest best value score.

LEASE-LEASEBACK CONTRACTS (continued)

Upon issuance of a contract award, the district shall publicly announce its award, identifying the entity to which the award is made, along with a statement regarding the basis of the award. The statement regarding the contract award and the contract file shall provide sufficient information to satisfy an external audit.

7.6. Rejection of Proposals: At its discretion, the Board may reject all proposals and request new proposals.

~~Prior to entering into a lease-leaseback agreement, the Superintendent or designee shall have on file the contractor's enforceable commitment that the contractor and its subcontractors at every tier will use a skilled and trained workforce to perform all work on the project or contract that falls within an apprenticeable occupation in the building and construction trades. (Education Code 17407.5)~~

Any lease-leaseback agreement shall be reviewed by the district's legal counsel to ensure that all required terms, including a lease term that provides for the district's occupancy of the building or improved property during the lease and an appropriate financing component, are included in the agreement.

Skilled and Trained Workforce

Note: Education Code 17407.5 requires the district to obtain an enforcement commitment that the contractor will comply with the requirements to use a skilled and trained workforce, as defined, in accordance with Public Contract Code 2600-2603. Pursuant to Public Contract Code 2600.5, as added by AB 2311, failure to provide the notice described in item #1h above does not excuse the district from the requirement to obtain an enforceable commitment that a contractor or other entity will use a skilled and trained workforce to complete a contract or project.

~~Prior to entering into a lease-leaseback agreement, the Superintendent or designee shall have on file the contractor's enforceable commitment that the contractor and its subcontractors at every tier will use a skilled and trained workforce to perform all work on the project or contract that falls within an apprenticeable occupation in the building and construction trades. The entity may demonstrate such commitment through a project labor agreement, by becoming a party to the district's project labor agreement, or through an agreement with the district to provide evidence of compliance on a monthly basis during the performance of the project or contract. (Education Code 17407.5; Public Contract Code 2602)~~

Skilled and trained workforce means that all the workers performing the work are either skilled journeypersons or apprentices registered in a state-approved apprenticeship program. At least 60 percent of the skilled journeypersons employed to perform the work shall be graduates of an apprenticeship program for the applicable occupation or at least 60 percent of the hours worked by skilled journeypersons shall be performed by

LEASE-LEASEBACK CONTRACTS (continued)

graduates of an apprenticeship program, with the exception of certain occupations specified in Public Contract Code 2601 which are subject to a 30 percent threshold. (Public Contract Code 2601)

If the contractor fails to provide the monthly report demonstrating compliance with the skilled and trained workforce requirements or provides an incomplete report, the district shall withhold further payments until a complete report is provided. If a report does not demonstrate compliance with the skilled and trained workforce requirements, the district shall withhold further payments until the contractor provides a sufficient plan to achieve substantial compliance with respect to the relevant apprenticeable occupation, prior to completion of the contract or project. In addition, the district shall forward to the Labor Commissioner a copy of the monthly report, any plan to achieve compliance, and the district's response to that plan. (Public Contract Code 2602)

DESIGN-BUILD CONTRACTS

Note: As an alternative to the more traditional design-bid-build process (see BP/AR 3311 - Bids) or a lease-leaseback process (see AR 3311.2 - Lease-Leaseback Contracts), the district may enter into a design-build contract for a public works project in excess of \$1 million pursuant to Education Code 17250.10-17250.55. As defined by Education Code 17250.15, "design-build" means a project delivery process in which both the design and construction of a project are procured from a single entity. Education Code 17250.15 and 17250.25 provide that such contracts may be awarded to either the low bid or best value, as defined. Pursuant to Education Code 17250.50 and 17250.55, this authority applies to bid requests issued on or after July 1, 2016 and will be repealed January 1, 2025 unless legislation is enacted to delete or extend that date.

The Governing Board may approve a contract with a single entity for both design and construction of any school facility in excess of \$1,000,000, awarding the contract to either the low bid or the best value as determined by evaluation of objective criteria. (Education Code 17250.20)

(cf. 3311 - Bids)

(cf. 3312 - Contracts)

(cf. 7110 - Facilities Master Plan)

(cf. 7140 - Architectural and Engineering Services)

Design-build documents shall not include provisions for long-term project operations, but may include operations during a training or transition period. (Education Code 17250.25)

Procedures for Awarding the Contract

The procurement process for design-build projects shall be as follows: (Education Code 17250.25, 17250.35; **Public Contract Code 2600**)

1. **Performance Specifications:** The district shall prepare a set of documents setting forth the scope and estimated price of the project. The documents may include, but are not limited to:
 - a. The size, type, and desired design character of the project
 - b. Performance specifications that cover the quality of materials, equipment, and workmanship
 - c. Preliminary plans or building layouts
 - d. Any other information deemed necessary to describe adequately the district's needs

DESIGN-BUILD CONTRACTS (continued)

The performance specifications and any plans shall be prepared by a design professional who is duly licensed and registered in California.

2. **Prequalification:** The district shall prepare and issue a request for qualifications in order to prequalify, or develop a short list of, the design-build entities whose proposals shall be evaluated for final selection. The request for qualifications shall include, but is not limited to, all of the following elements:
 - a. Identification of the basic scope and needs of the project or contract, the expected cost range, the methodology that will be used by the district to evaluate proposals, the procedure for final selection of the design-build entity, and any other information deemed necessary by the district to inform interested parties of the contracting opportunity
 - b. Significant factors that the district reasonably expects to consider in evaluating qualifications, including technical design and construction expertise, acceptable safety record, and all other non-price-related factors
 - c. A standard template request for statements of qualifications prepared by the district, which shall contain all of the information required pursuant to Education Code 17250.25

Note: Public Contract Code 2600, as amended by AB 2311 (Ch. 347, Statutes of 2020), adds a requirement to include in all bid documents and construction contracts, when applicable, a notice that the project is subject to the skilled and trained workforce requirements specified in Public Contract Code 2600-2603. Pursuant to Education Code 17250.25, design-build contracts are subject to such requirements.

- d. **A notice that the project is subject to the skilled and trained workforce requirements specified in Public Contract Code 2600-2603**

The district also may identify specific types of subcontractors that must be included in the statement of qualifications and proposal.

~~A design build entity shall not be prequalified or short listed unless the entity provides an enforceable commitment to the district that the entity and its subcontractors at every tier will use a skilled and trained workforce, as defined in Education Code 17250.25, to perform all work on the project or contract that falls within an apprenticeable occupation in the building and construction trades. The entity may demonstrate such commitment through a project labor agreement, by becoming a party to the district's project labor agreement, or through an agreement with the district to provide evidence of compliance on a monthly basis during the performance of the project or contract.~~

DESIGN-BUILD CONTRACTS (continued)

3. **Request for Proposals:** The district shall prepare a request for proposals (RFP) that invites prequalified or short-listed entities to submit competitive sealed proposals in a manner prescribed by the district. The RFP shall include the information identified in items #2a, and 2b, and 2d above and the relative importance or weight assigned to each of the factors. If the district uses a best value selection method for a project, the district may reserve the right to request proposal revisions and hold discussions and negotiations with responsive proposers, in which case the district shall so specify in the request for proposals and shall publish separately or incorporate into the request for proposals applicable procedures to be observed by the district to ensure that any discussions or negotiations are conducted in good faith.
4. **Selection Based on Low Bid:** For those projects utilizing low bid as the final selection method, the bidding process shall result in lump-sum bids by the prequalified or short-listed design-build entities, and the contract shall be awarded to the lowest responsible bidder.
5. **Selection Based on Best Value:** For those projects utilizing best value as a selection method, the following procedures shall be used:
 - a. Competitive proposals shall be evaluated using only the criteria and selection procedures specifically identified in the request for proposals. Criteria shall be weighted as deemed appropriate by the district and shall, at a minimum, include price, unless a stipulated sum is specified; technical design and construction experience; and life-cycle costs over 15 or more years.
 - b. Following any discussions or negotiations with responsive proposers and completion of the evaluation process, the responsive proposers shall be ranked on a determination of value provided, provided that no more than three proposers are required to be ranked.
 - c. The contract shall be awarded to the responsible entity whose proposal is determined by the district to have offered the best value to the public.
 - d. The district shall publicly announce the contract award, identifying the entity to which the award is made and the basis of the award. This statement and the contract file shall provide sufficient information to satisfy an external audit.

Skilled and Trained Workforce

Note: Education Code 17250.25 requires the district to obtain an enforceable commitment that the contractor will comply with the requirements to use a skilled and trained workforce, as defined, in accordance with Public Contract Code 2600-2603. Pursuant to Public Contract Code 2600.5, as

DESIGN-BUILD CONTRACTS (continued)

added by AB 2311, failure to provide the notice described in items #2d and 3 above does not excuse the district from the requirement to obtain an enforceable commitment that a contractor or other entity will use a skilled and trained workforce to complete a contract or project.

A design-build entity shall not be prequalified or short-listed unless the entity provides an enforceable commitment to the district that the entity and its subcontractors at every tier will use a skilled and trained workforce, ~~as defined in Education Code 17250.25~~, to perform all work on the project or contract that falls within an apprenticeable occupation in the building and construction trades. The entity may demonstrate such commitment through a project labor agreement, by becoming a party to the district's project labor agreement, or through an agreement with the district to provide evidence of compliance on a monthly basis during the performance of the project or contract. **(Education Code 17250.25; Public Contract Code 2602)**

***Skilled and trained workforce* means that all the workers performing the work are either skilled journeypersons or apprentices registered in a state-approved apprenticeship program. At least 60 percent of the skilled journeypersons employed to perform the work shall be graduates of an apprenticeship program for the applicable occupation or at least 60 percent of the hours worked by skilled journeypersons shall be performed by graduates of an apprenticeship program, with the exception of certain occupations specified in Public Contract Code 2601 which are subject to a 30 percent threshold. (Public Contract Code 2601)**

If the contractor fails to provide the monthly report demonstrating compliance with the skilled and trained workforce requirements or provides an incomplete report, the district shall withhold further payments until a complete report is provided. If a report does not demonstrate compliance with the skilled and trained workforce requirements, the district shall withhold further payments until the contractor provides a sufficient plan to achieve substantial compliance with respect to the relevant apprenticeable occupation, prior to completion of the contract or project. In addition, the district shall forward to the Labor Commissioner a copy of the monthly report, any plan to achieve compliance, and the district's response to that plan. (Public Contract Code 2602)

CLAIMS AND ACTIONS AGAINST THE DISTRICT

Note: The Government Claims Act (Government Code 810-996.6) sets forth prelitigation requirements and deadlines for claims against public entities, including school districts. In City of Stockton v. Superior Court, the California Supreme Court held that the claim requirements in Government Code 900-915.4 also apply to claims for breach of contract. **For any cause of action that is excepted from the Government Claims Act pursuant to Government Code 905 but has its claim presentation procedure specified in another statute or regulation, such as childhood sexual abuse-assault, a claim must be presented in accordance with that statute or regulation. For any cause of action that is excepted from the Government Claims Act pursuant to Government Code 905 but is not governed by any procedure in another statute or regulation, the district may establish its own claim presentation procedure in accordance with Government Code 935. The district should consult legal counsel as necessary if questions arise regarding the proper procedure.**

Because a district's insurance carrier or joint powers authority (JPA) may require the district to comply with certain claims management conditions as part of the district's contractual coverage obligation, it is strongly recommended that this administrative regulation be reviewed for consistency with any applicable conditions of coverage. A district's failure to follow those contractual conditions may result in a loss of coverage benefits. The district's risk manager and legal counsel should also be consulted, as appropriate.

~~Pursuant to Government Code 935, district claims procedures may include a requirement that a claim be presented and acted upon in accordance with those procedures as a prerequisite to a lawsuit. Failure to include such a requirement may subject the district to increased liability.~~

Any claim against the district for money or damages shall be filed and acted upon in accordance with the Government Claims Act (Government Code 810-996.6) or other applicable law. Claims that are specifically excepted from the Government Claims Act by Government Code 905 and are not governed by any other statute or regulation may be filed and acted upon in accordance with district-established procedures pursuant to Government Code 935.

Note: Pursuant to Government Code 935, ~~district claims procedures~~ **established by the district** may include a requirement that a claim be presented and acted upon in accordance with those procedures as a prerequisite to **the filing of a lawsuit against the district**. ~~Failure to include such a requirement may subject the district to increased liability.~~ **The following paragraph extends this requirement to claims filed under other statutes and may be revised to reflect district practice.**

Unless otherwise provided by law, ~~prior to filing a lawsuit against the district for money or damages,~~ **a written claim shall be filed-presented to and acted upon by the Governing Board** in accordance with ~~the following administrative regulation~~ **such procedures** prior to filing a lawsuit against the district for money or damages.

CLAIMS AND ACTIONS AGAINST THE DISTRICT (continued)

Time Limitations

Note: Items #1-4 below ~~list reflect~~ timelines for **presenting** claims **in relation to different causes of action**, pursuant to the Government Claims Act and other applicable statutes. ~~Pursuant to Government Code 935, the district's authority to adopt local claim presentation procedures for causes of action which are excepted from the Government Claims Act by Government Code 905 is not applicable to those excepted causes of action which have their claim presentation procedures specified in other statutes or regulations, such as childhood sexual abuse.~~

~~Rather, claims for childhood sexual abuse are governed by the timelines and procedures specified in Code of Civil Procedure 340.1.~~

The following time limitations apply to **the presentation of** claims **for money or damages** against the district:

- ~~3.1.~~ Claims ~~for money or damages~~ relating to a cause of action for death or for injury to a person, personal property, or growing crops shall be presented to the Board not later than six months after the accrual of the cause of action. (Government Code 911.2)
- ~~4.2.~~ Claims ~~for money or damages~~ relating to any other cause of action **subject to the Government Claims Act** shall be filed not later than one year after the accrual of the cause of action. (Government Code 911.2)

Note: ~~Rather, e~~Claims for childhood sexual ~~abuse~~ **assault** are governed by the timelines and procedures specified in Code of Civil Procedure 340.1. **Pursuant to Code of Civil Procedure 340.1, the time limit for beginning an action for recovery of damages suffered as a result of childhood sexual assault is 22 years from the date the plaintiff attains age 18 or within five years of the date the plaintiff discovers or reasonably should have discovered that psychological injury or illness occurring after age 18 was caused by sexual assault, whichever is later. A claim may be filed on or after the plaintiff's 40th birthday only if the plaintiff files certificates of merit by an attorney and a licensed mental health practitioner selected by the plaintiff setting forth the facts which support the declaration.**

- ~~1.3.~~ Claims ~~for money or damages~~ relating to childhood sexual ~~abuse~~ **assault** ~~or any and other causes of action which are specifically excepted from the Government Claims Act by Government Code 905 and for which~~ **but are subject to a claims presentation procedure in another a statute or regulation provides a claims presentation procedure** shall be **filed-presented to the Board** in accordance with the applicable governing statute or regulation. (cf. 5141.4 - Child Abuse Prevention and Reporting)

Note: **Pursuant to Government Code 935, a district may establish its own procedure for the presentation of those claims which are excluded from the Government Claims Act as specified in Government Code 905 and which are not governed by any other applicable statutes or regulations. Optional item #24 below is for**

use by any district whose board has chosen to exercise the authority **in Government Code 935** to establish district procedures for such claims; see its own procedure for the presentation of claims which are excluded from the Government Claims Act by Government Code 905 and which are not governed by any other applicable statute or regulation. See the accompanying Board policy. **Item #2 provides six months as the time limitation for filing such claims, which is consistent with the requirement in Pursuant to** Government Code 935, ~~that~~ the district's procedure **cannot** require a shorter time for presentation of a claim than the time specified in Government Code 911.2. However, the Governing Board has the discretion to adopt a more flexible time limitation and may increase the amount of time allowed for filing such claims. If the Board adopts a more flexible time limitation, item #24 should be revised accordingly.

~~If a claimant misses a deadline for a claim required to be submitted in accordance with item #2 or #3 below, the claimant may present an application to present a late claim pursuant to Government Code 911.4; see section below entitled "Late Claims."~~

- 2.4.** ~~In accordance with the Governing Board's authority pursuant to Government Code 935, claims for money or damages which relate to a~~ **Claims relating to any** cause of action **which is** specifically excepted from the Government Claims Act by Government Code 905 ~~and which are~~ **but is** not governed by any other claim presentation statute or regulation shall be ~~filed~~ **presented to the Board within the time limits specified in items #1 and 2 above, depending on the applicable cause of action. not later than six months after the accrual of the cause of action.** ~~(Government Code 905-911.2, 935)~~

- 3.** ~~Claims for money or damages relating to a cause of action for death or for injury to a person, personal property, or growing crops shall be presented to the Board not later than six months after the accrual of the cause of action. (Government Code 911.2)~~

- 4.** ~~Claims for money or damages relating to any other cause of action shall be filed not later than one year after the accrual of the cause of action. (Government Code 911.2)~~

Receipt of Claims

A claim, ~~any amendment thereto, or an application to present a late claim~~ shall be deemed presented and received when delivered to the district office or deposited in a post office, mailbox, sub-post office, substation, mail chute, or other similar facility maintained by the U.S. government, in a sealed envelope properly addressed to the district office with postage paid, or when otherwise actually received in the district office or by the Board secretary or clerk. (Government Code 915, 915.2)

Note: Government Code 915, as amended by SB 1473 (Ch. 371, Statutes of 2020), authorizes a claim, amendment to a claim, or application for a late claim to be submitted through electronic means, if so authorized by a Board resolution. In practice, such electronic means involve online completion of a fillable form and/or transmission by email. The following paragraph may be revised to specify the electronic means authorized by the district. If the Board has not adopted a resolution authorizing electronic submission, the district should delete the following paragraph.

CLAIMS AND ACTIONS AGAINST THE DISTRICT (continued)

Pursuant to Government Code 915.4, as amended by SB 1473, if the Board authorizes electronic submission, then any notice required of the district in response to a claim, amendment, or application for a late claim must be sent to the electronic address from which the district received the claim or application, unless the claimant or applicant specified an alternative electronic address for that purpose.

Also see the sections "Notice of Claim Insufficiency," "Late Claims," and "Action on Claims" below.

A claim may be submitted electronically in the manner specified by the Superintendent or designee. (Government Code 915, 915.2)

Note: In most circumstances, a district's insurance provider or JPA is responsible for claims management, including investigating, defending, and managing a district's response to a claim presented under the Government Claims Act. The following paragraph requires the Superintendent or designee to immediately forward any claims received to the district's JPA or insurance provider in order to help ensure compliance with any conditions of coverage.

Upon receipt of a claim against the district pursuant to the Government Claims Act, the Superintendent or designee shall promptly provide written notice to the district's joint powers authority or insurance carrier in accordance with the applicable conditions of coverage.

Review of Contents of the Claim

Note: Most JPAs and insurance carriers provide a claim form. The person submitting the claim need not use the claim form provided by the district but, pursuant to Government Code 910 and 910.2, the claim must contain a signature and all the information listed below.

The Superintendent or designee shall review any claim received to ensure that the claim contains all of the following information as specified in Government Code 910 and 910.2:

1. The name and post office address of the claimant
2. The post office address to which the person presenting the claim desires notices to be sent
3. The date, place, and other circumstances of the occurrence or transaction which gave rise to the claim asserted
4. A general description of the indebtedness, obligation, injury, damage, or loss incurred insofar as it may be known at the time of presentation of the claim
5. The name(s) of the district employee(s) causing the injury, damage, or loss, if known

CLAIMS AND ACTIONS AGAINST THE DISTRICT (continued)

6. The amount claimed if it totals less than \$10,000, including the estimated amount of any prospective injury, damage, or loss, insofar as it may be known at the time of the claim, together with the basis of computation of the amount claimed. If the amount claimed exceeds \$10,000, the dollar amount shall not be included in the claim and the claimant shall indicate whether the claim is a limited civil case of \$25,000 or less.
7. The signature of the claimant or the person acting on the claimant's behalf

Notice of Claim Insufficiency

Note: Pursuant to Government Code 910.8, if a claim is found insufficient, the district must notify the claimant of the defects or omission in the claim. Government Code 915.4, as amended by SB 1473, authorizes such notice to be personally delivered or mailed or, if the Board has adopted a resolution authorizing electronic submission of claims (see section "Receipt of Claims" above), then any notice of claim insufficiency must be sent to the electronic address from which the claim was sent unless the claimant specifies an alternative electronic address for that purpose.

Pursuant to Government Code 911, if the district, or the JPA or insurance carrier acting on the district's behalf, fails to give notice that the claim is insufficient, as specified below, then the district may not later raise that issue as a defense to the claim.

If a claim is found insufficient or not to satisfy the form requirements under Government Code 910 and 910.2, the Board or its designee shall, within 20 days of receipt of the claim, ~~personally deliver or mail to the claimant, at the address stated in the claim or application,~~ **provide a notice in the manner specified in Government Code 915.4** that states the particular defects or omission in the claim. (Government Code 910.8, 915.4)

Note: Districts should be cautious before rejecting a claim because of insufficiency of information and consult legal counsel and/or the district's JPA or insurance provider, as appropriate. Courts have held that a claim is sufficient as long as enough information is disclosed to allow the district to adequately conduct an investigation of the claim's merits.

The Board shall not act upon the claim until at least 15 days after such notice is given. (Government Code 910.8)

Amendment to Claims

Within the time limits provided in the section "Time Limitations" above or prior to final action by the Board, whichever is later, a claim may be amended if, as amended, it relates to the same transaction or occurrence which gave rise to the original claim. (Government Code 910.6)

Late Claims

Note: ~~The reference to item #2 in the following paragraph should be deleted if the district has not established district procedures pursuant to Government Code 935 for claims that are specifically exempted in Government Code 905 or adopted a time limitation that is not less than one year (see the accompanying Board policy and item #2 in the section "Time Limitations" above).~~

CLAIMS AND ACTIONS AGAINST THE DISTRICT (continued)

~~For claims under items #2 and #3 in the section "Time Limitations" above, any person who presents a claim later than six months after the accrual of the cause of action shall present, along with the claim, an application to present a late claim. When a claim that is required to be presented not later than six months after the accrual of the cause of action, as specified in the section "Time Limitations" above, is not presented within that time, an application to present a late claim may be presented to the Board, in the manner specified in Government Code 915 and 915.2, within a reasonable time not to exceed~~ Such claim and the application to present a late claim shall be presented not later than one year after the accrual of the cause of action. **The application shall include the proposed claim and shall state the reason for the delay in presenting the claim.** (Government Code 905, 911.4, **915, 915.2**)

Note: If the claim is presented late and is not accompanied by an application to present a late claim, the Board or its agent should notify the claimant that "no action" was taken because the claim was presented late. If the Board were to state that the claim was "rejected," this would indicate that the Board had accepted the filing of the late claim and taken action to reject it.

If the claim is presented late and is not accompanied by an application to present a late claim, the Board or its designee may, within 45 days, give written notice that the claim was not presented timely and that it is being returned without further action. (Government Code 911.3)

The Board shall grant or deny the application to present a late claim within 45 days after it is presented. This 45-day period may be extended by written agreement of the claimant and the Board provided that such agreement is made before the expiration of the 45-day period. (Government Code 911.6)

The Board shall grant the application to present a late claim where one or more of the following conditions are applicable: (Government Code 911.6)

1. The failure to present the claim was through mistake, inadvertence, surprise, or excusable neglect and the district was not prejudiced in its defense regarding the claim by the claimant's failure to present the claim within the time limit.
2. The person who sustained the alleged injury, damage, or loss was a minor during all of the time specified for presentation of the claim.
3. The person who sustained the alleged injury, damage, or loss was physically or mentally incapacitated during all of the time specified for presentation of the claim and the disability was the reason the person failed to present the claim.
4. The person who sustained the alleged injury, damage, or loss died before the expiration of the time specified for the presentation of the claim.

CLAIMS AND ACTIONS AGAINST THE DISTRICT (continued)

If the application to present a late claim is denied, the claimant shall be given notice in substantially the same form as set forth in Government Code 911.8 **and in the manner specified in Government Code 915.4.** (Government Code 911.8, **915.4**)

If the Board does not take action on the application to present a late claim within 45 days, the application shall be deemed to have been denied on the 45th day unless the time period has been extended, in which case it shall be denied on the last day of the period specified in the extension agreement. (Government Code 911.6)

Action on Claims

Note: Pursuant to Government Code 945.6, if the Board formally acts to reject a claim and provides notice of such rejection, the claimant has only six months from the rejection to initiate a lawsuit. If the Board takes no action or fails to provide written notice rejecting the claim, the claimant then has two years to initiate a suit against the district. The notice of rejection must comply with the notification requirements of Government Code 913 unless the claim has no address on it.

Although the Board takes final action on claims as specified below, such action is based on the evaluation of the claim by the district's insurance provider or JPA.

Within 45 days after the presentation or amendment of a claim, the Board shall take action on the claim. This time limit may be extended by written agreement between the district and the claimant before the expiration of the 45-day period. If the 45-day period has expired, the time limit may be extended if legal action has not commenced or been barred by legal limitations. (Government Code 912.4)

The Board may act on the claim in one of the following ways: (Government Code 912.4, 912.6)

1. If the Board finds that the claim is not a proper charge against the district, the claim shall be rejected.
2. If the Board finds that the claim is a proper charge against the district and is for an amount justly due, the claim shall be allowed.
3. If the Board finds that the claim is a proper charge against the district but is for an amount greater than is justly due, the Board shall either reject the claim or allow it in the amount justly due and reject it as to the balance.
4. If legal liability of the district or the amount justly due is disputed, the Board may reject or compromise the claim.
5. If the Board takes no action on the claim, the claim shall be deemed rejected.

CLAIMS AND ACTIONS AGAINST THE DISTRICT (continued)

If the Board allows the claim in whole or in part or compromises the claim and the claimant accepts the amount allowed or offered to settle the claim, the Board may require the claimant to accept it in settlement of the entire claim. (Government Code 912.6)

The Board or its designee shall transmit to the claimant written notice of action taken or of inaction which is deemed rejection. The notice shall be in the form set forth in Government Code 913 **and shall be provided in the manner specified in Government Code 915.4.** ~~and shall either be personally delivered or mailed to the address stated in the claim or application.~~ (Government Code 913, 915.4)

STUDENT ACTIVITY FUNDS

Note: Pursuant to Education Code 48930, the Governing Board may approve the formation of associated student body organizations (ASBs), **which are composed entirely of students and are subject to the Board's control and regulation.** Generally, there are two types of ASBs. ASBs in high schools and middle schools are **called referred to as "organized ASBs"** since the students, organizing their activities around student clubs and/or a student council, have primary responsibility for the ASB, with the assistance, **oversight, and co-approval of an district-employed advisor.** In elementary schools, **the ASBs are considered to be is "unorganized"** because there is no student council and the principal or designee usually oversees the fundraising and spending decisions, with more limited involvement from the students.

~~Unlike parent teacher associations or other school connected organizations,~~ **ASBs, which are subject to the Board's control and regulation pursuant to Education Code 48930,** are legally considered part of the district. **In contrast, booster clubs, education foundations, parent-teacher associations, and other parent-run organizations operate independently of the district.** See BP /AR 1230 - School-Connected Organizations. **Districts with questions regarding the distinction between an ASB and a school-connected organization should consult legal counsel.**

The following **optional** policy may be modified to reflect district practice.

The Governing Board recognizes that student organizations can provide students with an opportunity to conduct worthwhile cocurricular activities **beyond those provided by the district and can also while helping** students learn about effective financial practices **and develop leadership and management skills.** To that end, **the Board may approve the formation of associated student body organizations which are composed entirely of students, operate under the oversight of the principal or other district-employed advisor, and are subject to the control and regulation of the Board. Student organizations** may raise and spend funds to support activities that promote the general welfare, morale, and educational experiences of the student body.

Fund Raising Events Fundraising

Note: Education Code 48932 requires the Board to approve a student organization's fundraising events and to determine whether ~~such~~ **fundraising activities that are held on school property during school hours** will interfere with the normal conduct of the schools. The following paragraph provides for the Board to delegate the review and approval of ASB fundraising events to the Superintendent or designee and should be modified to reflect district practice.

STUDENT ACTIVITY FUNDS (continued)

Education Code 49431 and 49431.5 limit the number of fund-raising events and types of food that may be sold on school grounds, see BP/AR 3550 - Other Food Sales. For a list of activities that may be prohibited on school grounds because of safety concerns, see AR 5142 - Safety. **For information regarding online fundraising, see BP 3290 - Gifts, Grants and Bequests.**

At the beginning of each school year, each principal or designee shall submit to the Superintendent or designee a list of the **fund-raising fundraising** events that each student organization proposes to hold that year. The Superintendent or designee shall review the proposed events and determine whether the events contribute to the educational experience and **are not in do not** conflict with or detract from the school's educational program. When reviewing proposed events, the Superintendent or designee shall consider the effects of the activities on student health and safety, evaluate the risk of liability to the district, and ensure that the proposed activities are in compliance with law, Board policy, and administrative regulation.

Fundraising events that involve the sale of food and/or beverages shall comply with applicable state and/or federal nutrition standards and BP/AR 3554 - Other Food Sales. If the fundraising event involves the sale of noncompliant food and/or beverages, it shall not take place from midnight until at least one-half hour after the end of the school day, or not be conducted on school premises.

(cf. 3554 - Other Food Sales)

Management and Reporting of Funds

Note: Education Code 48937 requires the district to provide for the supervision of all funds raised by any student body organization or student organization using the name of the school. The acceptable investment and use of such funds are detailed in Education Code 48933, 48934, and 48936. The Fiscal Crisis **& and** Management Assistance Team (FCMAT) has developed the Associated Student Body Accounting Manual, Fraud Prevention Guide and & Desk Reference, available on its web site, to outline the district's fiscal and managerial responsibilities relative to these funds.

STUDENT ACTIVITY FUNDS (continued)

Student body funds shall be managed in accordance with law, **regulations, Board policies,** and sound business procedures designed to encourage the largest possible educational return to students without sacrificing the security of funds.

The Superintendent or designee shall develop internal control procedures to safeguard the organization's assets, promote the success of **fund-raising fundraising** ventures, provide reliable financial information, **protect employees and volunteers from accusations of impropriety,** and reduce the risk **and promote the detection** of fraud and abuse. These procedures shall detail the oversight of activities and funds including, but not limited to, the appropriate role and provision of training for staff and students, parameters for events on campus, appropriate and prohibited uses of funds, and accounting and record-keeping processes, including procedures for handling questionable expenditures.

(cf. 3400 - Management of District Assets/Accounts)

The principal or designee shall be responsible for the proper conduct of all student organization financial activities. The budget adopted by the student body organization should serve as the financial plan for the school year and shall be submitted to the Superintendent or designee at the beginning of each school year. The Superintendent or designee shall **monitor the budget and** periodically review the organization's use of funds to ensure compliance with the district's internal control procedures.

Funds derived from the student body shall be **expended** ~~disbursed~~ according to procedures established by the student organization. All **expenditures** ~~disbursements~~ must be approved by a Board-designated **employee or** official, the certificated employee who is the **designated** student organization advisor, and a student organization representative. (Education Code 48933)

Note: The following paragraph is optional. 5 CCR 4922 and 34 CFR 106.41 require districts to ensure that the district's athletic program provides equivalent opportunities for both sexes. The factors that districts must consider when determining whether equivalent opportunities are being provided include, but are not limited to, the provision of necessary funds, equipment, supplies, and travel allowances. See AR 6145.2 - Athletic Competition.

When student body funds are expended for equipment, supplies, or activities that support the district's athletic program, the Superintendent or designee shall ensure that the expenditures are aligned with the district's commitment to provide equitable opportunities for males and females.

(cf. 6145.2 - Athletic Competition)

Note: Pursuant to Governmental Accounting Standards Board (GASB) Statement 84, if the district has administrative or direct financial involvement with the ASB's assets, as defined, the student activity fund may be considered a governmental fund subject to accounting and financial reporting

STUDENT ACTIVITY FUNDS (continued)

within the district's funds. FCMAT's Fiscal Alert: GASB 84 and its Impact on Associated Student Body Accounts clarifies that, under state law, the district's considerable administrative involvement in both organized and unorganized ASBs means that ASBs will typically be considered governmental activities, rather than fiduciary responsibilities of the district. As such, ASB accounts should be reported in either a special reserve fund or the general fund. For further information see GASB 84, GASB's Implementation Guide No. 2019-2, Fiduciary Activities, and FCMAT's Fiscal Alert: GASB 84 and its Impact on Associated Student Body Accounts. Districts are encouraged to consult legal counsel in the determination of whether its ASB(s) are fiduciary or nonfiduciary in order to properly report the accounts.

Because of the district's administrative and/or direct financial involvement in the assets of the student organization, the student activity fund shall be reported within the district's fund in accordance with Governmental Accounting Standards Board Statement 84.

Note: Because **an the** ASB is an entity of the district, ASB funds are reviewed as part of the annual audit of the district conducted pursuant to Education Code 41020, as specified below.

The Board shall provide an annual audit of student **organization** accounts by a certified public accountant or licensed public accountant. The cost of the audit shall be paid from district funds. (Education Code 41020)

DISTRICT POLICE/SECURITY DEPARTMENT

Note: Education Code 38000 authorizes the **Governing** Board to establish a **district** police or security department and to employ personnel to ensure the safety of district students and staff and the security of district real and personal property. ~~The following optional policy may be revised as desired, including appropriate modifications to indicate whether the district has a "police" or "security" department. However,~~ as amended by SB 98 (Ch. 24, Statutes of 2020), Education Code 38000 expresses legislative intent to encourage districts to redirect resources currently allocated to district police departments or to contracts with local law enforcement into student support services (e.g., mental health services) and professional development on cultural competency and restorative justice, if found to be a more appropriate use of resources based on student and school needs.

This policy and accompanying administrative regulation are for use by districts that choose to establish a district police or security department and may be revised to reflect district practice, including appropriate modifications to indicate whether the district has a "police" or "security" department. Pursuant to Government Code 7286, district police departments are required to establish policy on the use of force. See the section "Conduct of Officers" below and in the accompanying administrative regulation.

Districts that elect not to establish a police or security department, but instead contract with local law enforcement, should consider additional training requirements for any contracted peace officers to include, but not be limited to, professional development focused on cultural competency, restorative justice, and adolescent development as applied in public schools.

To help **ensure protect** the safety of district students and staff and the security of district property, the Governing Board ~~shall maintain~~ **may establish** a district police or security department. **The Board commits to providing a positive school climate, mental health services, other student support services, and restorative justice practices to resolve conflicts and reduce law enforcement interactions with students.**

Note: Pursuant to Penal Code 13651, as added by AB 846 (Ch. 322, Statutes of 2020), entities that employ peace officers are required to review the job description that is used in recruitment and hiring and make changes that emphasize community-based policing, familiarization between law enforcement and community residents, and collaborative problem solving while de-emphasizing the paramilitary aspects of the job.

In addition, the U.S. Department of Education's Guiding Principles: A Resource Guide for Improving School Climate and Discipline recommends that educators, rather than police or security officers, should handle student discipline issues.

Duties of district police **officers** or security officers shall be delineated in a job description developed by the Superintendent or designee. **Such duties shall focus on collaborative problem solving and, when circumstances warrant intervention with students, the use of positive and restorative approaches in accordance with Penal Code 1365. Job duties shall not include the handling of routine student disciplinary matters.**

Note: Penal Code 626.9 exempts peace officers from the Gun Free Schools Act, which prohibits the possession of a firearm on school grounds. Pursuant to Penal Code 830.32, the Board may determine whether or not its police officers will carry firearms. Education Code 38001.5 implies that security officers also may or may not be permitted to carry firearms.

District police or security officers shall not carry firearms.

Note: The following paragraph may be used by all districts that maintain a police department.

CONSULTANTS

The Governing Board authorizes the use of consultants and other independent contractors to provide expert professional advice or specialized technical or training services which are not needed on a continuing basis and which cannot be provided by district staff because of limitations of time, experience, or knowledge. Individuals, firms, or organizations employed as independent contractors may assist management with decisions and/or project development related to financial, economic, accounting, engineering, legal, administrative, instructional, or other matters.

(cf. 3551 - Food Service Operations/Cafeteria Fund)

Note: Labor Code ~~2750.3~~ **2775**, as added by AB ~~§ 2257~~ (Ch. ~~296-38~~, Statutes of ~~2019-2020~~), ~~recodifies is a~~ **recodification of** the three-part "ABC" test established in Dynamex Operations West, Inc. v. Superior Court of Los Angeles to determine whether a person providing services for remuneration should be classified as an employee or an independent contractor. ~~Although Labor Code 2750.3 does not explicitly state whether it applies to public agencies, CSBA recommends that districts adhere to its provisions.~~

~~AB 5 also amended Unemployment Insurance Code 606.5 and 621 to incorporate the three part ABC test from the Dynamex decision. Since public school employers are subject to certain provisions in the Unemployment Insurance Code, districts should apply the three part ABC test to determine a worker's eligibility for unemployment benefits.~~

Pursuant to Labor Code ~~2750.3~~ **2775**, a person is considered to be an independent contractor rather than an employee if the person (1) is free from the control and direction of the district in connection with the performance of the work, (2) performs work that is outside the usual course of providing educational services, (i.e. services provided by the person's own independent business and not services that ordinarily would be performed by district employees), and (3) is customarily engaged in an independently established trade, occupation, or business.

~~Labor Code 2750.3 establishes exceptions to the use of the three part ABC test, including (1) when a person's status as an employee or independent contractor is defined by the Labor Code, Unemployment Insurance Code, or an applicable wage order of the Industrial Welfare Commission; (2) when a court rules that the three part test cannot be applied to a particular context; or (3) when specifically exempted within Labor Code 2750.3. Under the second and third scenarios, the determination of whether a person is an employee or independent contractor is then made pursuant to the court's decision in S.G. Borello & Sons, Inc. v. Department of Industrial Relations, which made employment status a fact dependent ruling based on the extent to which the employer had a right to control the work that was being done. Tutors are potentially excepted from the three part test in Labor Code 2750.3 if they develop and teach their own curriculum, but not if they teach a curriculum created by a public school or contract with a public school through a referral company.~~

As this area of law is complex and may alter the legal and financial obligations of the district to particular workers (e.g., eligibility for workers compensation, unemployment and disability insurance benefits, and district health and welfare benefits), legal counsel should be consulted when questions arise regarding the status of those who provide services to the district for remuneration.

CONSULTANTS (continued)

As part of the contract process, the Superintendent or designee shall determine that the individual, firm, or organization is properly classified as an independent contractor.

A person, ~~firm, or organization~~ **providing labor or services for remuneration** shall be considered an employee rather than an independent contractor unless the district is able to demonstrate that all of the following conditions have been met: (Labor Code ~~2750.3-2775~~)

1. The person ~~or entity~~ is free from the control and direction of the district in connection with the performance of the work.
2. The person ~~or entity~~ is performing work that is outside the usual course of the district providing educational services.
3. The person ~~or entity~~ is customarily engaged in an independently established trade, occupation, or business of the same nature as the work to be performed.

Note: Labor Code ~~2750.3-2775-2785~~, as added by AB 2257 and amended by AB 323 (Ch. 341, Statutes of 2020), establishes exceptions to the use of the three-part ABC test, including (1) when a person's status as an employee or independent contractor is ~~defined~~ **expressly made** by the Labor Code, Unemployment Insurance Code, or an applicable wage order of the Industrial Welfare Commission, **in which case the status remains in effect for purposes set forth in those provisions**; (2) when a court rules that the three-part test cannot be applied to a particular context; or (3) when specifically exempted **from the three-part test by** within Labor Code ~~2750.3-2776-2785~~. Under the second and third scenarios, **with the exception of exemptions pursuant to Labor Code 2779**, the determination of whether a person is an employee or independent contractor is ~~then made~~ pursuant to the court's decision in S.G. Borello & Sons, Inc. v. Department of Industrial Relations, which ~~made~~ **found** employment status **to be** a fact-dependent ruling based on the extent to which the employer had a right to control the work that was being done. **Pursuant to Labor Code 2776, the rule in Borello applies to "business-to-business" exceptions (including when a sole proprietor or business entity contracts to provide services to a public agency) when specified conditions are met. Additionally, tutors are potentially excepted from the three-part test in Labor Code 2750.3-2775 if they develop and teach their own curriculum, but not if they teach a curriculum created by a public school or contract with a public school through a referral company.**

~~Specific statutory exceptions to this analysis for the determination of whether a person, firm, or organization is an independent contractor may apply. (Labor Code 2750.3)~~ **The determination of whether an individual acting as a sole proprietor or a firm or other business organization is an independent contractor shall be made in accordance with Labor Code 2775-2785, as applicable.**

All consultant contracts shall be brought to the Board for approval.

(cf. 3312 - Contracts)

(cf. 4132/4232/4332 - Publication or Creation of Materials)

CONSULTANTS (continued)

Note: Government Code 12940, as amended by AB 3364 (Ch. 36, Statutes of 2020), changes the term "military and veteran status" to "veteran or military status."

All qualified independent contractors shall be accorded equal opportunity for contracts regardless of actual or perceived race, **ethnicity**, color, national origin, ancestry, age, religious creed, marital status, pregnancy, physical or mental disability, medical condition, genetic information, **military and** veteran **or military** status, sex, sexual orientation, gender, gender identity, gender expression, immigration status, or association with a person or group with one or more of these actual or perceived characteristics. Administrative Regulation

All Personnel

AR 4161.2(a)

4261.2

PERSONAL LEAVES

4361.2

Note: The following administrative regulation is subject to collective bargaining agreements.

Personal leaves granted to district employees shall be used as permitted in this administrative regulation, other Board-approved policy or district regulation, or applicable collective bargaining agreement.

Note: ~~As provided in the following paragraph,~~ Family Code 297.5 extends to registered domestic partners the same rights that are available under state law to spouses. Thus, any reference to an employee's spouse throughout this administrative regulation also applies to a registered domestic partner, even if not expressly stated in the applicable state codes (e.g., Education Code, Military and Veterans Code). Districts should consult legal counsel if a question arises as to leave provisions relative to an employee's domestic partner.

For the purpose of any personal leave offered pursuant to state law, a registered domestic partner shall have the same rights, protections, and benefits as a spouse and protections provided to a spouse's child shall also apply to a child of a registered domestic partner. (Family Code 297.5)

Whenever possible, employees shall request personal leaves in advance and prepare suitable instructions, including lesson plans as applicable, for a substitute employee.

(cf. 4121 - Temporary/Substitute Personnel)

Bereavement

Note: Education Code 44985 and 45194 allow the Governing Board to expand the class of relatives listed below and enlarge the benefits provided by law. The following two paragraphs may be revised to reflect district practice.

Employees are entitled to a leave of up to three days, or five days if out-of-state travel is required, upon the death of any member of the employee's immediate family. No deduction shall be made from the employee's salary, nor shall such leave be deducted from any other leave to which the employee is entitled. (Education Code 44985, 45194)

(cf. 4161/4261/4361 - Leaves)

Members of the immediate family include: (Education Code 44985, 45194)

1. The mother, father, grandmother, grandfather, or grandchild of the employee or of the employee's spouse
2. The employee's spouse, son, son-in-law, daughter, daughter-in-law, brother, or sister

PERSONAL LEAVES (continued)

3. Any relative living in the employee's immediate household

At the employee's request, bereavement leave may be extended under personal necessity leave provisions as provided in the section "Personal Necessity" below. (Education Code 44981, 45207)

Personal Necessity

Note: Employees may use a maximum of seven days of accumulated personal illness/injury leave (sick leave) for reasons of personal necessity pursuant to Education Code 44981 (certificated employees) and 45207 (classified employees). Pursuant to Education Code 44981 and 45207, a higher maximum may be set for certificated and/or classified employees in their collective bargaining agreement or by Board resolution for classified employees who are not covered by a collective bargaining agreement. Districts that have established a maximum that is higher than seven days should modify the following paragraph accordingly.

Education Code 45207 clarifies that provisions pertaining to personal necessity leave also apply to districts that have adopted the merit system for classified employees in accordance with Education Code 45240-45320.

Employees may use a maximum of seven days of their accrued personal illness/injury leave (sick leave) during each school year for reasons of personal necessity. (Education Code 44981, 45207)

(cf. 4161.1/4361.1 - Personal Illness/Injury Leave)

(cf. 4261.1 - Personal Illness/Injury Leave)

Acceptable reasons for the use of personal necessity leave include:

1. Death of a member of the employee's immediate family when the number of days of absence exceeds the limits set by bereavement leave provisions (Education Code 44981, 45207)
2. An accident involving the employee or ~~his/her~~ **the employee's** property, or the person or property of a member of the employee's immediate family (Education Code 44981, 45207)

Note: **Pursuant to** Education Code 44981, ~~provides that~~ a certificated employee may use personal necessity leave for the serious illness of a member of ~~his/her~~ **the employee's** immediate family. The Board may extend these provisions to classified employees under the authority granted to the Board by Education Code 45207. Districts are cautioned to consult legal counsel regarding any interaction of Education Code provisions with Labor Code 233, 245.5, and 246.5, **as amended by AB 1522 (Ch. 319, Statutes of 2014)**, which allow the use of sick leave for the need of the employee or ~~his/her~~ family member for the diagnosis, care, or treatment of an existing health condition or for preventive care and which **expand include in** the definition of "family member" ~~to include~~ a registered domestic partner, grandparent, and sibling. See AR 4161.1/4361.1 - Personal Illness/Injury Leave and AR 4261.1 - Personal Illness/Injury Leave.

PERSONAL LEAVES (continued)

Also see AR 4161.8/4261.8/4361.8 - Family Care and Medical Leave for federal and state provisions related to leaves for the birth, adoption, or foster placement of a new child; the care of a seriously ill child, parent, or spouse/registered domestic partner; or the employee's own serious health condition.

3. Illness, preventive care, or other need of a member of the employee's family, as defined in Labor Code 245.5 (Education Code 44981; Labor Code 246.5)

(cf. 4161.8/4261.8/4361.8 - Family Care and Medical Leave)

Note: Education Code 45207 provides that classified employees may use sick leave for required court appearances, as provided in item #4 below. Circumstances under which employees may take time off, with pay, for court appearances are described in the section on "Legal Duties" below.

4. A classified employee's appearance in any court or before any administrative tribunal as a litigant, party, or witness under subpoena or other order (Education Code 45207)

Note: Items #5 and #6 are **optional** and may be deleted or modified to reflect district practice.

5. Fire, flood, or other immediate danger to the home of the employee
6. Personal business of a serious nature which the employee cannot disregard

Leave for personal necessity may be allowed for other reasons at the discretion of the Superintendent or designee. However, personal necessity leave shall not be granted for purposes of personal convenience, for the extension of a holiday or vacation, or for matters which can be taken care of outside of working hours. The Superintendent or designee shall have final discretion as to whether **or not** a request reflects personal necessity.

Note: The following paragraph is **optional**. The district is prohibited from requiring employees to obtain advance permission prior to taking leaves in certain situations. Pursuant to Education Code 44981 and 45207, the district may not require advance permission for leaves taken by classified employees for the reasons specified in items #1-2 above and by certificated employees for the reasons specified in items #1-3 above. In addition, Labor Code 246.5 requires an employer to grant paid sick leave "upon the oral or written request of an employee." According to the Department of Industrial Relations, employers may not require advance notice when the need for the leave was unforeseeable, as in the case of unanticipated illness or a medical emergency.

Also see AR 4161.8/4261.8/4361.8 - Family Care and Medical Leave for requirements pertaining to requests for leaves that qualify under the federal Family and Medical Leave Act (29 USC 2601-2654) or the California Family Rights Act (Government Code 12945.1-12945.2), including provisions that allow employees to provide notice as soon as practicable when 30-day advance notice is not practicable due to lack of knowledge of the date the leave will be needed, a change in circumstances, or a medical emergency.

PERSONAL LEAVES (continued)

Advance permission shall not be required of an employee in any case involving the death of a member of the employee's immediate family, an accident involving the employee's person or property or the person or property of a member of **his/her the employee's** immediate family, or the illness, preventive care, or other need of a member of the employee's family. (Education Code 44981, 45207)

For any leave that is planned, or where the need for leave is foreseeable, an employee shall notify the Superintendent or designee in advance. In all other circumstances, the employee shall notify the Superintendent or designee of the need for the leave as soon as practicable.

Note: Education Code 44981 and 45207 **mandate** the adoption of regulations requiring proof of personal necessity and prescribing the manner of the required proof. The following paragraph may be revised to specify the manner of proof required by the district.

After any absence due to personal necessity, the employee shall verify the absence by submitting a completed and signed district absence form to **his/her the employee's** immediate supervisor.

Legal Duties

Note: Pursuant to Education Code 44037, it is unlawful for the district or personnel commission to (1) adopt any rule, regulation, or policy that encourages employees to seek exemption from jury duty; (2) directly or indirectly solicit or suggest to any employee that **he/she the employee** seek exemption from jury duty; or (3) discriminate against any employee with respect to assignment, employment, promotion, or in any other manner because of **his/her the employee's** service on a jury panel. However, the Board or personnel commission may establish a rule providing that only a percentage of district staff, which shall not be less than two percent, shall be granted such leave with pay at any one time. The following section may be revised to reflect district practice.

Labor Code 230 prohibits the discharge of or discrimination or retaliation against an employee for taking time off for the activities specified in items #1-2 below.

An employee may take time off work in order to: (Labor Code 230)

1. Serve on an inquest jury or trial jury
2. Comply with a subpoena or other court order to appear as a witness

Notices, summons, and subpoenas for court appearances shall be submitted to the district office when requesting leave.

A classified employee called for jury duty shall be granted leave with pay up to the amount of the difference between **his/her the employee's** regular earnings and any amount received for jury fees. (Education Code 44037)

PERSONAL LEAVES (continued)

Note: The following **optional** paragraph is for use by districts that choose to provide leave of absence with pay for certificated employees called for jury duty, as authorized by Education Code 44036. Districts that do not grant such leave should delete this paragraph.

A certificated employee who is called for jury duty also shall be granted leave with pay up to the difference between ~~his/her~~ **the employee's** regular earnings and any jury fees ~~he/she~~ received.

Note: The following paragraph is **optional**. Education Code 44036 allows the Board, at its discretion, to provide paid leaves for employees to appear in court as witnesses other than as litigants or to respond to orders from another governmental jurisdiction. Districts that do not grant such leave should delete this paragraph.

An employee shall be granted leave with pay to appear in court as a witness other than a litigant or to respond to an official order from another governmental jurisdiction for reasons not brought about through the connivance or misconduct of the employee. Such an employee shall receive the difference between ~~his/her~~ **the employee's** regular earnings and any witness fees ~~he/she~~ received.

Leaves for Crime Victims **for Judicial Proceedings**

Note: Labor Code 230.2 prohibits a district from taking adverse employment action against an employee who takes leave as described below.

An employee may be absent from work in order to attend judicial proceedings related to a crime when ~~he/she~~ **the employee** is a victim, or an immediate family member, registered domestic partner, or child of a registered domestic partner of a victim, of any of the following crimes: (Labor Code 230.2)

1. A violent felony as defined in Penal Code 667.5(c)
2. A serious felony as defined in Penal Code 1192.7(c)
3. A felony provision of law proscribing theft or embezzlement

Note: Pursuant to Labor Code 230.2, employees may use any of the types of leave listed in the following paragraph, unless otherwise provided by a collective bargaining agreement, although a collective bargaining agreement cannot diminish the entitlement of an employee.

For these purposes, the employee may use vacation, personal leave, personal illness/injury leave, unpaid leave, or compensatory time off that is otherwise available to the employee. (Labor Code 230.2)

PERSONAL LEAVES (continued)

Prior to taking time off, an employee shall give ~~his/her supervisor~~ **the Superintendent or designee** a copy of the notice of each scheduled proceeding that is provided by the responsible agency, unless advance notice is not feasible. When advance notice is not feasible or an unscheduled absence occurs, the employee shall, within a reasonable time after the absence, provide documentation evidencing the judicial proceeding from the court or government agency setting the hearing, the district attorney or prosecuting attorney's office, or the victim/witness office that is advocating on behalf of the victim. (Labor Code 230.2)

The district shall keep confidential any records pertaining to the employee's absence from work by reason of this leave. (Labor Code 230.2)

Leaves for Victims of ~~Domestic Violence, Sexual Assault and Stalking~~ **Crime or Abuse**

Note: Labor Code 230 and 230.1 allow employees **who are victims of domestic violence, sexual assault, or stalking** to use their available vacation, personal leave, or compensatory time off for the purposes described in items #1-5 below and prohibit a district from taking adverse employment action against an employee for taking leave for any of those purposes. **Pursuant to Labor Code 230.1, items #2-5 apply to districts with 25 or more employees.**

As amended by AB 2992 (Ch. 224, Statutes of 2020), Labor Code 230 and 230.1 expand these provisions to include employees who are victims of a crime that caused physical injury, or mental injury with a threat of physical injury, and employees whose immediate family member is deceased as the direct result of a crime.

An employee who is a victim of domestic violence, sexual assault, or stalking, **who is a victim of a crime that caused physical injury or that caused mental injury with a threat of physical injury, or whose immediate family member, as defined, is deceased as the direct result of a crime as defined by law** may use vacation, sick leave, personal leave, or compensatory time off that is otherwise available to ~~him/her~~ **the employee** ~~under the terms of his/her employment~~ to attend to the following activities: (Labor Code 230, 230.1, 246.5)

1. Obtain or attempt to obtain any relief, including, but not limited to, a temporary restraining order, restraining order, or other injunctive relief to help ensure the health, safety, or welfare of the employee or ~~his/her~~ **the employee's** child
2. Seek medical attention for injuries caused by ~~domestic violence, sexual assault, or stalking~~ **crime or abuse**
3. Obtain services from a domestic violence shelter, program, ~~or rape crisis center,~~ **or victim services organization or agency** as a result of ~~domestic violence, sexual assault, or stalking~~ **the crime or abuse**

PERSONAL LEAVES (continued)

4. Obtain psychological counseling **or mental health services** related to an experience of ~~domestic violence, sexual assault, or stalking~~ **crime or abuse**
5. Participate in safety planning and take other actions to increase safety from future ~~domestic violence, sexual assault, or stalking~~ **crime or abuse**, including temporary or permanent relocation

Note: Pursuant to Labor Code 230, as amended by AB 2992, the following certification may include documentation from a victim advocate (defined as an individual, whether paid or serving as a volunteer, who provides services to victims under the auspices or supervision of an agency or organization that has a documented record of providing services to victims, a court, or a law enforcement or prosecution agency) or any other form of documentation that reasonably verifies that the crime or abuse occurred, including, but not limited to, a written statement signed by the employee or by an individual acting on the employee's behalf.

Prior to taking time off, an employee shall give reasonable notice to ~~his/her supervisor~~ **the Superintendent or designee**, unless advance notice is not feasible. When an unscheduled absence occurs, the employee shall provide, within a reasonable period of time, certification of the absence in the form of any of the following: (Labor Code 230, 230.1)

1. A police report indicating that the employee was a victim ~~of domestic violence, sexual assault, or stalking~~
2. A court order protecting or separating the employee from the perpetrator of ~~an act of domestic violence, sexual assault, or stalking,~~ **the crime or abuse**, or other evidence from the court or prosecuting attorney that the employee has appeared in court
3. Documentation from a domestic violence or sexual assault counselor as defined in Evidence Code 1037.1 or 1035.2, licensed medical professional or health care provider, **victim advocate**, or counselor that the employee was undergoing treatment **or receiving services** for physical or mental injuries or abuse resulting in victimization from ~~an act of domestic violence, sexual assault, or stalking~~ **the crime or abuse**
4. **Any other form of documentation that reasonably verifies that the crime or abuse occurred, including, but not limited to, a written statement signed by the employee or by an individual acting on the employee's behalf certifying that the absence is for a purpose authorized under Labor Code 230 or 230.1**

The district shall maintain the confidentiality of such an employee to the extent authorized by law. (Labor Code 230, 230.1)

PERSONAL LEAVES (continued)

Note: Pursuant to Labor Code 230.1, districts with 25 or more employees are required to notify their employees of their rights under Labor Code 230 and 230.1. The district may use a form developed by the Labor Commissioner for this purpose, available on the web site of the Department of Industrial Relations, or may develop its own form that is substantially similar in content and clarity to the Labor Commissioner's form. As amended by AB 2992, Labor Code 230.1 requires the Labor Commissioner to revise the form by January 1, 2022. Until that form is revised, the district should update its form to reflect current law.

The Superintendent or designee shall inform employees of their rights pursuant to Labor Code 230 and 230.1 using a form developed by the Labor Commissioner or a substantially similar form developed by the district. Such information shall be provided to new employees upon hire and to other employees upon request. (Labor Code 230.1)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

Personal Leave for Child-Related Activities

Note: Pursuant to Labor Code 230.8, the following section applies to any district employing 25 or more employees at the same location. A district with fewer than 25 employees at the same location may use or delete this section at its discretion. ~~SB 579 (Ch. 802, Statutes of 2015) amended Labor Code 230.8 to expand the purposes of leave for child-related activities to include enrolling or reenrolling a child in a school or with a licensed child care provider and addressing a school or child care emergency, as defined.~~

Pursuant to Labor Code 230.8, an employee who is discharged, threatened with discharge, demoted, suspended, or otherwise discriminated against for using the leave is entitled to reinstatement and reimbursement for lost wages and benefits, and an employer who willfully refuses to rehire, promote, or otherwise reinstate such an employee is subject to a civil penalty equal to three times the amount of the lost wages and benefits.

Any employee who is a parent/guardian of one or more children of an age to attend any of grades K-12 or a program offered by a licensed child care provider may use up to 40 hours of personal leave, vacation, or compensatory time off each school year in order to: (Labor Code 230.8)

1. Find, enroll, or reenroll ~~his/her~~ **a** child in a school or with a licensed child care provider or to participate in activities of the school or child care provider, provided the employee gives reasonable advance notice of the absence. Time off for this purpose shall not exceed eight hours in any calendar month.
2. Address a school or child care emergency, provided the employee gives notice. An emergency exists when the child cannot remain in school or with a child care provider due to one of the following circumstances:

PERSONAL LEAVES (continued)

- a. A request by the school or child care provider that the child be picked up
- b. An attendance policy, excluding planned holidays, that prohibits the child from attending or requires that the child be picked up from the school or child care provider
- c. Behavioral or discipline problems
- d. Closure or unexpected unavailability of the school or child care provider, excluding planned holidays
- e. A natural disaster, including, but not limited to, fire, earthquake, or flood

(cf. 5148 - Child Care and Development)

Note: SB 579 (Ch. 802, Statutes of 2015) amended Labor Code 230.8 to expand the definition of "parent" to add a stepparent, foster parent, or person who stands in loco parentis to the child.

For purposes of this leave, *parent/guardian* includes a parent, guardian, stepparent, foster parent, grandparent, or person who stands in loco parentis to a child. (Labor Code 230.8)

Note: Labor Code 230.8 provides that the employee may use time off without pay to the extent the district makes it available. The following **optional** paragraph may be revised to reflect district practice.

In lieu of using vacation, personal leave, or compensatory time off, eligible employees may take unpaid leave for this purpose.

If two or more **parents/guardians** of a child are employed at the same work site, this leave shall be allowed for the parent/guardian who first gives notice to the district. Simultaneous absence by another parent/guardian of the child may be granted by the Superintendent or designee. (Labor Code 230.8)

Upon request by the Superintendent or designee, the employee shall provide documentation from the school or licensed child care provider that **he/she the employee** engaged in permitted child-related activities on a specific date and at a particular time. (Labor Code 230.8)

Service on Education Boards and Committees

Upon request, a certificated employee shall be granted up to 20 school days of paid leave per school year for service performed within the state on any education board, commission,

PERSONAL LEAVES (continued)

committee, or group authorized by Education Code 44987.3 provided that all of the following conditions are met: (Education Code 44987.3)

1. The service is performed within the state.
2. The board, commission, organization, or group informs the district in writing of the service.
3. The board, commission, organization, or group agrees, prior to the service, to reimburse the district, upon the district's request, for compensation paid to the employee's substitute and for actual related administrative costs.

Employee Organization Activities

Note: The following **optional** section may be deleted by any district whose collective bargaining agreements expressly provide for a paid leave of absence for participation in the activities described in this section.

Education Code 44987 and 45210 provide that certificated and classified employees may take time off without loss of compensation to serve as elected officers of their local, statewide, or national employee organization. Following the district's payment to the employee for the leave of absence, the employee organization must reimburse the district within 10 days after receiving the district's certification of payment of compensation to the employee. This leave of absence is in addition to the release time granted to representatives of an employee organization pursuant to Government Code 3543.1.

Upon request, any certificated or classified employee shall be granted a leave of absence without loss of compensation to serve as an elected officer of a district employee organization or any statewide or national employee organization with which the employee organization is affiliated. The leave shall include, but is not limited to, absence for purposes of attending periodic, stated, special, or regular meetings of the body of the organization. (Education Code 44987, 45210)

(cf. 4140/4240/4340 - Bargaining Units)

(cf. 4143/4243 - Negotiations)

Note: Education Code 45210 requires districts to grant a paid leave of absence to a reasonable number of classified employees serving as unelected members of the employee organization or a statewide or national public employee organization when the employee attends "important organizational activities authorized by the public employee organization." Compensation must include the required retirement fund contributions. The employee will continue to earn full service credit during the leave and must pay member contributions as specified. The maximum amount of service credit an employee may earn cannot exceed 12 years. Education Code 45210 also requires that an employee organization provide reasonable notification to the district when requesting a leave of absence without loss of compensation for an employee.

4261.2
4361.2

PERSONAL LEAVES (continued)

Upon request of an employee organization in the district or its state or national affiliate, a reasonable number of unelected classified employees shall be granted a leave of absence without loss of compensation for the purpose of attending important organizational activities authorized by the organization. The employee organization shall provide reasonable notification to the Superintendent or designee when requesting a leave of absence for employees for this purpose. (Education Code 45210)

When leave is granted for any of the above purposes, the employee organization shall reimburse the district within 10 days after receiving the district's certification of payment of compensation to the employee. (Education Code 44987, 45210)

Religious Leave

Note: The following **optional** section is for use by any district that chooses to grant religious leave and may be revised to reflect district practice. A district that does not grant such leave should delete this section. However, the district should consult legal counsel before denying a request for religious leave since the Constitution requires districts to provide "reasonable accommodation" to employee religious practices.

The Superintendent or designee may grant an employee up to three days of leave per year for religious purposes, provided that the leave is requested in advance and that it does not cause additional district expenditures, the neglect of assigned duties, or any other unreasonable hardship on the district.

Note: The following **optional** paragraph reflects the California Supreme Court's interpretation of Article 1, Section 8 of the California Constitution as stated in Rankin v. Commission on Professional Competence.

The Superintendent or designee shall deduct the cost of hiring a substitute, when required, from the wages of the employee who takes religious leave.

No employee shall be discriminated against for using this leave or any additional days of unpaid leave granted for religious observances at the discretion of the Superintendent or designee.

Spouse on Leave from Military Deployment

Note: Military and Veterans Code 395.10 requires any district with 25 or more employees to allow up to 10 days of unpaid leave to an employee whose spouse is on leave from military deployment. A district with fewer than 25 employees may use the following section at its discretion. In addition, 29 USC 2612 authorizes an employee to take up to 26 work weeks of unpaid military caregiver leave or up to 12 weeks of "exigency" leave during a single 12-month period, as determined by the district; see AR 4161.8/4261.8/4361.8 - Family Care and Medical Leave.

PERSONAL LEAVES (continued)

An employee who works an average of 20 hours or more per week and whose spouse is a member of the United States Armed Forces, National Guard, or reserves may take up to 10 days of unpaid leave during a period that **his/her the employee's** spouse is on leave from deployment during a military conflict, as defined in Military and Veterans Code 395.10. (Military and Veterans Code 395.10)

Within two business days of receiving official notice that **his/her the employee's** spouse will be on leave from deployment, the employee shall provide the Superintendent or designee with notice of **his/her the** intention to take the leave. The employee shall submit written documentation certifying that **his/her the employee's** spouse will be on leave from deployment during the time that the leave is requested. (Military and Veterans Code 395.10)

Leave for Emergency Duty

Note: Labor Code 230.3 prohibits a district from discharging or discriminating against an employee who takes time off to perform emergency duty as specified below. Labor Code 230.3 defines emergency rescue personnel as a member of a federal, state, local, or private fire department or agency, as well as a sheriff or police department.

An employee may take time off to perform emergency duty as a volunteer firefighter, a reserve peace officer, or emergency rescue personnel. (Labor Code 230.3)

Note: Pursuant to Labor Code 230.4, a district with 50 or more employees must grant an employee who is a volunteer firefighter, reserve peace officer, or emergency rescue personnel a leave of absence for up to 14 days per calendar year for training purposes. A district with fewer than 50 employees may use or delete this paragraph at its discretion.

Any employee who performs duty as a volunteer firefighter, reserve peace officer, or emergency rescue personnel shall be permitted to take temporary leaves of absence, not to exceed an aggregate total of 14 days per calendar year, for the purpose of engaging in fire, law enforcement, or emergency rescue training. (Labor Code 230.4)

Civil Air Patrol Leave

Note: Labor Code 1500-1507 require a district with more than 15 employees to provide at least 10 days of unpaid leave per year, beyond any leave otherwise available to employees, to employees who volunteer with the Civil Air Patrol and are directed to respond to an emergency operational mission, as provided below. Labor Code 1503 specifies that a district may not require an employee to first exhaust all accrued vacation, personal, sick, or any other available leave in order to use Civil Air Patrol leave.

If the district chooses to offer more than 10 days of such leave per year or to provide paid leave, it should modify the following paragraph accordingly. A district with 15 or fewer employees may use or delete this section at its discretion.

AR 4161.2(m)
4261.2
4361.2

PERSONAL LEAVES (continued)

An employee may take up to 10 days of unpaid leave per calendar year, beyond any leave otherwise available to ~~him/her~~ **the employee**, to respond to an emergency operational mission of the California Civil Air Patrol, provided that the employee has been employed by the district for at least a 90-day period immediately preceding the leave. Such leaves shall not exceed three days for a single mission, unless an extension is granted by the governmental entity authorizing the mission and is approved by the Superintendent or designee. (Labor Code 1501, 1503)

The employee shall give the district as much advance notice as possible of the intended dates of the leave. The Superintendent or designee may require certification from the proper Civil Air Patrol authority to verify the eligibility of the employee for the leave and may deny the leave if the employee fails to provide the required certification. CSBA Sample Administrative Regulation

AR 4161.8(a)

4261.8

4361.8

FAMILY CARE AND MEDICAL LEAVE

Note: The following **optional** administrative regulation addresses mandatory subjects of bargaining. The laws referenced in this regulation provide minimum amounts of leave which the district must grant its employees if more generous benefits are not provided as part of its collective bargaining agreement. Any covered subject that is already addressed in the district's collective bargaining agreements should be deleted from this administrative regulation.

Both federal and state law provide for family care and medical leave (29 USC 2601-2654, the Family and Medical Leave Act of 1993 (FMLA), and Government Code 12945.1-12945.2, the California Family Rights Act (CFRA)). However, these laws do not always provide identical rights or operate in the same manner. For example, pregnancy as a "serious health condition" is covered under FMLA but not under CFRA. Instead, under **California state** law, an employee who is disabled due to pregnancy, childbirth, or a related medical condition is entitled to pregnancy disability leave (PDL) pursuant to Government Code 12945. Where there is a difference between state and federal law, the law that grants the greatest benefits generally controls. In those situations, legal counsel should be consulted as needed.

~~As amended by AB 1556 (Ch. 799, Statutes of 2017), Government Code 12945 and 12945.2 delete references to females with regard to pregnancy disability leave and clarify that all employees are protected against pregnancy discrimination regardless of their gender identity.~~

The district shall not deny any eligible employee the right to family care, **or** medical **leave**, ~~or pregnancy disability leave (PDL)~~ pursuant to the Family and Medical Leave Act (FMLA), **or** the California Family Rights Act (CFRA), **or leave for pregnancy disability pursuant to California Pregnancy Disability Leave (PDL).**, ~~or the Fair Employment and Housing Act (FEHA)~~ nor restrain or interfere with the employee's exercise of such right. In addition, ~~the~~ district shall not **interfere with, restrain, or deny the exercise of an employee's right to any such leave, nor shall the district** discharge, ~~an employee or~~ discriminate **against**, or retaliate against **an employee** him/her for taking such leave, ~~or for his/her opposition to or challenge of~~ **opposing or challenging** any unlawful ~~district employment~~ practice in relation to any of these laws, ~~or for his/her involvement~~ **being involved** in any related inquiry or proceeding. (Government Code 12945, 12945.2; 2 CCR 11094; 29 USC 2615)

(cf. 4030 - Nondiscrimination in Employment)

(cf. 4032 - Reasonable Accommodation)

(cf. 4033 - Lactation Accommodation)

Definitions

The words and phrases defined below shall have the same meaning throughout this administrative regulation except where a different meaning is otherwise specified.

Note: Government Code 12945.2, as amended by SB 1383 (Ch. 86, Statutes of 2020), includes a child of a registered domestic partner in the definition of "child" for purposes of CFRA leave.

FAMILY CARE AND MEDICAL LEAVE (continued)

Child ~~(son or daughter)~~ means a biological, adopted, or foster child; a stepchild; a legal ward; or a **child person** to whom the employee stands in *loco parentis*; ~~as long as the child is under 18 years of age or an adult dependent child.~~ **For purposes of CFRA leave, child also includes a child of a registered domestic partner.** (Government Code 12945.2; 2 CCR 11087; 29 USC 2611)

Eligible employee, for FMLA and CFRA purposes, means an employee who has been employed with the district for at least 12 months and who has at least 1,250 hours of service with the district ~~during the previous 12-month period~~ **during the 12 months immediately preceding the leave.** However, these requirements shall not apply when an employee applies for PDL. (Government Code 12945.2; 2 CCR 11087; 29 USC 2611; 29 CFR 825.110)

***Eligible family member* means an employee's child, parent, or spouse. For purposes of leave to care for a family member with a serious health condition pursuant to CFRA, eligible family member includes an employee's child, parent, spouse, registered domestic partner, grandparent, grandchild, or sibling. (Government Code 12945.2; 2 CCR 11087; 29 USC 2612)**

Employee disabled by pregnancy means an employee whose health care provider states that the employee is: (2 CCR 11035)

1. Unable because of pregnancy to perform any one or more of the essential functions of the job or to perform any of them without undue risk to the employee or other persons or to the pregnancy's successful completion
2. Suffering from severe "morning sickness" or needs to take time off for prenatal or postnatal care, bed rest, gestational diabetes, pregnancy-induced hypertension, preeclampsia, postpartum depression, childbirth, loss or end of pregnancy, recovery from childbirth or loss or end of pregnancy, or any other pregnancy-related condition

Parent means a biological, foster, or adoptive parent; a stepparent; a legal guardian; or another person who stood in *loco parentis* to the employee when the employee was a child. *Parent* does not include a spouse's parents. (Government Code 12945.2; 2 CCR 11087; 29 USC 2611; 29 CFR 825.122)

Note: For purposes of CFRA leave, Government Code 12945.2, as amended by SB 1383, includes an employee's grandparent, grandchild, sibling, and registered domestic partner with a serious health condition as one for whom an employee may take family care and medical leave.

FAMILY CARE AND MEDICAL LEAVE (continued)

Serious health condition means an illness, injury (including, but not limited to, on-the-job injuries), impairment, or physical or mental condition of the employee or **an eligible family member of the employee** ~~his/her child, parent, or spouse,~~ that involves either **of the following inpatient care or continuing treatment, including treatment for substance abuse, as follows:** (Government Code 12945.2; 2 CCR 11087, 11097; 29 USC 2611, **2612**; 29 CFR 825.113-825.115)

1. Inpatient care in a hospital, hospice, or residential health care facility, any subsequent treatment in connection with such inpatient care, or any period of incapacity

A person is considered an inpatient when **formally admitted to** a health care facility ~~formally admits him/her to the facility~~ with the expectation **of** ~~that he/she will remain~~**ing** overnight and occupying a bed, even if it later develops that the person can be discharged or transferred to another facility and does not actually remain overnight.

Incapacity means the inability to work, attend school, or perform other regular daily activities due to a serious health condition, its treatment, or the recovery that it requires.

2. Continuing treatment or continuing supervision by a health care provider, including one or more of the following:
 - a. A period of incapacity of more than three consecutive full days
 - b. Any period of incapacity or treatment for such incapacity due to a chronic serious health condition
 - c. Any period of incapacity due to pregnancy or for prenatal care under FMLA
 - d. Any period of incapacity which is permanent or long term due to a condition for which treatment may not be effective
 - e. Any period of absence to receive multiple treatments, including recovery, by a health care provider

Spouse means a partner in marriage as defined in Family Code 300, including same sex partners in marriage ~~or~~. **For purposes of CFRA leave, spouse also includes** a registered domestic partner within the meaning of Family Code 297-297.5. (Family Code 297, 297.5, 300; 2 CCR 11087; 29 CFR 825.122)

FAMILY CARE AND MEDICAL LEAVE (continued)

Eligibility

Note: Pursuant to Government Code 12945.2 and 29 USC 2611-2612, **require** a district **is required** to grant family care and medical leave to an eligible employee for any of the reasons stated below. These requirements **generally apply to all public agencies regardless of the number of employees.** ~~circumstances where the district employs 50 or more employees within 75 miles of the worksite where the employee requesting the leave is employed.~~

Government Code 12945.6, as added by SB 63 (Ch. 686, Statutes of 2017), extends the right to parental leave to an eligible employee who is not covered by FMLA or CFRA when the district employs 20-49 employees within 75 miles of the worksite where the employee requesting the leave is employed.

The district shall grant FMLA or CFRA leave to eligible employees for any of the following reasons: (Government Code 12945.2, **12945.6**; 29 USC 2612; 29 CFR 825.112, **825.126, 825.127**)

1. The birth of a child of the employee or placement of a child with the employee in connection with the employee's adoption or foster care of the child (parental leave)
2. To care for ~~the employee's child, parent, or spouse~~ **the employee's eligible family member** with a serious health condition
3. The employee's own serious health condition that makes **the employee** ~~him/her~~ unable to perform one or more essential **job** functions of ~~his/her~~ **the** position

Note: Pursuant to 29 CFR 825.126, FMLA military family leave is available to any eligible employee for a qualifying exigency while the employee's spouse, ~~son, daughter~~ **child**, or parent who is a military member is on covered active duty during deployment to a foreign country. **Government Code 12945.2, as amended by SB 1383, provides exigency leave under CFRA for an employee whose registered domestic partner is on active duty.** For requirements related to qualifying exigency leave, see the section "Military Family Leave Resulting from Qualifying Exigencies" below.

4. Any qualifying exigency arising out of the fact that the employee's spouse, child, ~~or~~ parent, **or, for CFRA leave only, a registered domestic partner**, is a military member on covered active duty or call to covered active duty (or has been notified of an impending call or order to covered active duty)

Note: Pursuant to 29 CFR 825.127, military caregiver leave is available to any eligible employee who is a family member of a covered servicemember with a serious injury or illness. For requirements related to military caregiver leave, see the section on "Military Caregiver Leave" below.

5. To care for a covered servicemember with a serious injury or illness if the covered servicemember is the employee's spouse, child, parent, or next of kin, as defined

FAMILY CARE AND MEDICAL LEAVE (continued)

Note: Under federal law, pregnancy as a "serious health condition" is covered as part of FMLA leave. However, disability due to pregnancy is explicitly excluded from coverage under CFRA (2 CCR 11093). Instead, pursuant to Government Code 12926 and 12945, any California employee who is "disabled because of pregnancy, childbirth, or related medical conditions" is entitled to unpaid PDL of up to four months if the employer has five or more employees. Therefore, such an employee is entitled to up to four months of PDL and an additional 12 weeks of CFRA leave following the birth of the child.

Additionally, pursuant to 2 CCR 11037, PDL is not subject to eligibility requirements for other FMLA and CFRA leaves, such as minimum hours worked or length of service.

In addition, the district shall grant PDL to any employee who is disabled by pregnancy, childbirth, or other related medical condition. (Government Code 12945; 2 CCR 11037)

Terms of Leave

Note: Leaves common to CFRA and FMLA run concurrently so that total leave to which an employee is entitled would be 12 work weeks. **However, when they do not run concurrently, an employee may be eligible for up to 12 work weeks under both CFRA and FMLA, for a total of 24 work weeks.**

An eligible employee shall be entitled to a total of 12 work weeks of FMLA or CFRA leave during any 12-month period, except in the case of leave to care for a covered servicemember as provided under "Military Caregiver Leave" below. To the extent allowed by law, CFRA and FMLA leaves shall run concurrently. **In circumstances where the leaves do not run concurrently under the law, the employee may take up to 12 work weeks for both CFRA and FMLA, for a total of 24 work weeks.** (Government Code 12945.2; 29 USC 2612)

Note: To determine the 12-month period in which the leave entitlement occurs, the district may use any of the methods identified in 29 CFR 825.200 and specified in options #1-4 below. However, a district may choose not to use any of these options and may instead choose some other fixed 12-month period. **Whichever option is selected, it must be applied uniformly to all employees.** If the district fails to select a method for calculating the 12-month period, the method that provides the most beneficial outcome for the employee will be used. Pursuant to 2 CCR 11090, if the district decides to change the calculation method, it must provide at least 60 days' notice to all employees.

This 12-month period shall be measured forward from the date the employee's first family care and medical leave begins. (29 CFR 825.200)

AR 4161.8(f)
4261.8
4361.8

FAMILY CARE AND MEDICAL LEAVE (continued)

OPTION 4: This 12-month period shall be a rolling period measured backward from the date an employee uses any family care and medical leave, as defined in 29 CFR 825.200. (29 CFR 825.200)

Note: 2 CCR 11042 clarifies that the four months of PDL to which an employee is entitled means the number of days or hours that the employee would normally work within the four calendar months. **For employees who work 40 hours per week, PDL leave is defined as 17-1/3 weeks, 122 days, or 693 hours.**

In addition, any employee who is disabled by pregnancy, childbirth, or other related condition shall be entitled to PDL for the period of the disability not to exceed four months. For a part-time employee, the four months shall be calculated on a proportional basis. (Government Code 12945; 2 CCR 11042)

Note: While leaves common to CFRA and FMLA run concurrently, PDL is separate and distinct from CFRA leave. Consequently, pursuant to 2 CCR 11046, an employee who is "disabled by pregnancy" may be entitled to up to four months of PDL, followed by 12 work weeks of CFRA leave for the birth of the child (baby bonding). Determining which leaves run concurrently is a complex endeavor and districts should consult legal counsel as needed.

PDL shall run concurrently with FMLA leave for disability caused by an employee's pregnancy. At the end of the employee's FMLA leave for disability caused by pregnancy, or at the end of four months of PDL, whichever occurs first, a CFRA-eligible employee may request to take CFRA leave of up to 12 work weeks, for the reason of the birth of a child or to bond with or care for the child. (Government Code 12945, 12945.2; 2 CCR 11046, 11093)

Leave taken for the birth or placement of a child must be concluded within the 12-month period beginning on the date of the birth or placement of the child. Such leave does not need to be taken in one continuous period of time. (2 CCR 11090; 29 USC 2612)

Note: **Government Code 12945.6, which limited the amount of leave related to the birth or placement of a child to a combined total of 12 work weeks when both parents work for the district, was repealed by SB 1383, thereby allowing both parents to take up to 12 work weeks of leave for this purpose. Although 29 USC 2612 allows the district to limit the aggregate number of work weeks of leave to which two parents may be entitled when both parents work for the district, such leave is covered under both FMLA and CFRA and state law prevails since it provides greater rights to employees. The following optional paragraph is for use by districts that choose to limit family care and medical leave related to the birth or placement of a child to a total of 12 work weeks when both parents work for the district, as authorized by Government Code 12945.2 and 12945.6. However, pursuant to 2 CCR 11088, such limit on employees' entitlement to family care and medical leave for any other qualifying purpose is prohibited.**

If both parents of a child work for the district, their family care and medical leave related to the birth or placement of the child shall be limited to a combined total of 12 work weeks.

FAMILY CARE AND MEDICAL LEAVE (continued)

Each eligible employee shall be granted up to 12 work weeks for family care and medical leave related to the birth or placement of a child, regardless of whether both parents of the child work for the district. This restriction shall apply regardless of the legal status of both parents' relationship. (Government Code 12945.2, 12945.6; 2 CCR 11088; 29 USC 2612)

Use/Substitution of Paid Leave

Note: The district may require employees (Option 1) or employees may elect (Option 2) to use paid leave during an otherwise unpaid portion of CFRA or FMLA leave **or PDL**. Pursuant to 2 CCR 11044 and 11092, the district may only require an employee to use sick leave if the leave is for the employee's own serious health condition or for PDL, unless mutually agreed to by the district and the employee. **The district and employee may also negotiate for the employee's use of any paid or unpaid time off instead of using the employee's CFRA leave.**

An employee shall use his/her accrued vacation leave, other accrued time off, and any other paid time off negotiated with the district for any otherwise unpaid FMLA or CFRA leave not involving his/her own serious health condition. For PDL, CFRA, or FMLA leave due to an employee's own serious health condition, the employee shall use accrued sick leave and may use accrued vacation leave and other paid time off at his/her option. During any otherwise unpaid period of FMLA or CFRA leave, except leave for an employee's own serious health condition, an employee shall use accrued paid leave, including, but not limited to, vacation leave, personal leave, or family leave. If the leave is for the employee's own serious health condition, the employee shall use accrued paid leave, including but not limited to, vacation leave, personal leave, or sick leave. During an unpaid period of PDL, the employee shall use any accrued sick leave and may elect to use any vacation time or other accrued personal time off. (Government Code 12945, 12945.2, 12945.6; 2 CCR 11044, 11092; 29 USC 2612)

The district and employee may also **negotiate for the employee's come to agreement regarding the** use of any additional paid or unpaid time off instead of using the employee's CFRA leave. (2 CCR 11092)

(cf. 4161/4261/4361 - Leaves)

(cf. 4261.1 - Personal Illness/Injury Leave)

Intermittent Leave/Reduced Work or Leave Schedule

PDL and family care and medical leave for the serious health condition of an employee or ~~his/her child, parent, or spouse~~ **eligible family member** may be taken intermittently or on a reduced work or leave schedule when medically necessary, as determined by the health care provider of the person with the serious health condition. However, the district shall limit leave increments to the shortest period of time that the district's payroll system uses to account for absences or use of leave provided it is not to be greater than one hour. **(Government Code 12945.2; 2 CCR 11042, 11090; 29 USC 2612)**

(cf. 4113.4/4213.4/4313.4 - Temporary Modified/Light-Duty Assignment)

Note: Pursuant to 2 CCR 11090, the minimum duration of CFRA parental leave for the birth, adoption, or foster care placement of a child is generally two weeks. However, the district must grant a request for CFRA leave of less than two weeks duration on any two occasions and may grant additional requests.

The basic minimum duration of leave for the birth, adoption, or foster care placement of a child shall be two weeks. However, the district shall grant a request for such leave of less than two weeks on any two occasions. (2 CCR 11090; 29 USC 2612)

The district may require an employee to transfer temporarily to an available alternative position under any of the following circumstances: (2 CCR 11041, 11090; 29 USC 2612)

1. The employee needs intermittent leave or leave on a reduced work schedule that is foreseeable based on a planned medical treatment for the employee or family member.

Note: Pursuant to 2 CCR 11041, the district must accommodate the transfer request of a pregnant employee to the same extent that it accommodates transfer requests for other temporarily disabled employees.

2. A medical certification is provided by the employee's health care provider that, because of pregnancy, the employee has a medical need to take intermittent leave or leave on a reduced work schedule.
3. The district agrees to permit intermittent leave or leave on a reduced work schedule due to the birth, adoption, or foster care placement of the employee's child.

FAMILY CARE AND MEDICAL LEAVE (continued)

The alternative position must have equivalent pay and benefits and must better accommodate recurring periods of leave than the employee's regular job, and the employee must be qualified for the position. Transfer to an alternative position may include altering an existing job to better accommodate the employee's need for intermittent leave or a reduced work or leave schedule. (2 CCR 11041, 11090; 29 USC 2612)

Request for Leave

Note: Pursuant to 2 CCR 11050 and 11091, an employee is required to notify the district of the need to take PDL or family care and medical leave. The employee must provide at least verbal notice sufficient to make the district aware that the employee needs qualifying leave, and the anticipated timing and duration of the leave. However, the employee does not need to assert rights under CFRA or FMLA or even mention CFRA or FMLA to meet the notice requirement, but must state the reason the leave is needed. If there is a question about whether leave is FMLA/CFRA qualifying or if the district is considering denying CFRA leave based on an employee's refusal to provide further information, legal counsel should be consulted.

The district shall consider an employee's request for PDL or family care and medical leave only if the employee provides at least verbal notice sufficient to make the district aware of the need to take the leave and the anticipated timing and duration of the leave. (2 CCR 11050, 11091)

For family care and medical leave, the employee need not expressly assert or mention FMLA/CFRA to satisfy this requirement. However, **the employee he/she** must state the reason the leave is needed (e.g., birth of child, medical treatment). If more information is necessary to determine whether the employee is eligible for family care and medical leave, the Superintendent or designee shall inquire further and obtain the necessary details of the leave to be taken. (2 CCR 11091)

The district shall respond to requests for leave as soon as practicable, but no later than five business days after receiving the employee's request. (2 CCR 11091)

Note: Both 29 CFR 825.300 and 2 CCR 11091 require the district to provide an employee with notice of the designation of leave as either qualifying for CFRA or FMLA protection. See section entitled "Notifications" below for further requirements of this "designation notice" as well as other required notifications.

Pursuant to 2 CCR 11091, an employee has the obligation to respond to questions designed to determine whether an absence is potentially CFRA qualifying. If the district is unable to determine whether requested leave is CFRA qualifying because of employee's refusal to respond to its inquiries, the employee may be denied CFRA protection.

Based on the information provided by the employee, the Superintendent or designee shall designate the leave, paid or unpaid, as FMLA/CFRA qualifying leave and shall give notice of

AR 4161.8(j)
4261.8
4361.8

FAMILY CARE AND MEDICAL LEAVE (continued)

such designation to the employee. Failure of an employee to respond to permissible inquiries regarding the leave request may result in denial of CFRA protection if the district is unable to determine whether the leave is CFRA qualifying. (2 CCR 11091; 29 CFR 825.300)

Note: Pursuant to 2 CCR 11091, the district may require an employee to provide at least 30 days advance notice of the need for family care and medical leave, if the need is foreseeable. If the district requires such advance notice from employees, then the district's notification of FMLA/CFRA rights must so specify; see section below entitled "Notifications."

Pursuant to 2 CCR 11050, an employee requesting PDL is required to provide the district at least 30 days advance notice if the need for PDL is foreseeable.

When an employee is able to foresee the need for PDL or family care and medical leave at least 30 days in advance of the leave, the employee shall provide the district with at least 30 days advance notice before the leave. When the 30 days' notice is not practicable because of a lack of knowledge of when leave will be required to begin, a change in circumstances, a medical emergency, or other good cause, the employee shall provide the district with notice as soon as practicable. Failure of an employee to provide required notice may result in a denial of leave. (2 CCR 11050, 11091)

In all instances, the employee shall consult with the Superintendent or designee and make a reasonable effort to schedule, subject to the health care provider's approval, any planned appointment or medical treatment or supervision so as to minimize disruption to district operations. (Government Code 12945.2; 2 CCR 11050, 11091)

Certification of Health Condition

Note: The following **optional** section is for use by districts that require an employee to submit a medical certification of the need for ~~leave along with the request for PDL or~~ family care and medical leave for ~~his/her~~ **an employee's** own serious health condition or to care for ~~a~~ **the employee's eligible family member** ~~child, parent, or spouse~~ with a serious health condition. In order to help avoid claims of discrimination, the district should generally treat all **such** employees uniformly; thus, districts using this section should request a medical certification from all **such** employees.

Districts requiring written medical certification from employees ~~who request reasonable accommodation, transfer, or disability leave because of pregnancy~~ may develop their own form, utilize one provided by the employee's health care provider, or use the form provided in 2 CCR ~~11050 or 11097~~, as applicable.

Within five business days of an employee's request for family care and medical leave for ~~his/her own or his/her child's, parent's, or spouse's~~ **the** serious health condition **of the employee or an eligible family member**, the Superintendent or designee shall request that the employee provide certification by a health care provider of the need for leave. Upon

FAMILY CARE AND MEDICAL LEAVE (continued)

receiving the district's request, the employee shall provide the certification within 15 **calendar** days, unless either the Superintendent or designee provides additional time or it is not practicable under the particular circumstances, despite the employee's diligent, good faith efforts. (2 CCR **11087**, 11091; 29 CFR 825.305)

The certification shall include the following: (Government Code 12945.2; 2 CCR 11087; 29 USC 2613)

1. The date on which the serious health condition began
2. The probable duration of the condition

Note: Item #3 below addresses an eligible employee's request for leave to care for ~~his/her child, parent, or spouse~~ **an eligible family member**. In such a case, 2 CCR 11087 provides that the health care provider's certification need not identify the serious health condition involved. **The U.S. Department of Labor (DOL) provides a form, Certification of Health Care Provider for Family Member's Serious Health Condition under the Family and Medical Leave Act, that districts may use for this purpose to avoid unauthorized disclosure of the serious health condition.**

3. If the employee is requesting leave to care for ~~a child, parent, or spouse~~ **an eligible family member** with a serious health condition, both of the following:
 - a. Statement that the serious health condition warrants the participation of the employee to provide care, such as by providing psychological comfort, arranging for third party care, or directly providing or participating in the medical care of ~~the child, parent, or spouse~~ **the eligible family member** during a period of the treatment or supervision
 - b. Estimated amount of time the health care provider believes the employee needs to care for the ~~child, parent, or spouse~~ **eligible family member**
4. If the employee is requesting leave because of **the employee's** ~~his/her~~ own serious health condition, a statement that due to the serious health condition, **the employee** ~~he/she~~ is unable to work at all or is unable to perform one or more essential **job** functions **of the position** ~~of his/her job~~
5. If the employee is requesting leave for intermittent treatment or on a reduced work or leave schedule for planned medical treatment, a statement of the medical necessity for the leave, the dates on which treatment is expected to be given, the duration of such treatment, and the expected duration of the leave

FAMILY CARE AND MEDICAL LEAVE (continued)

Note: Government Code 12940 and other provisions of the California Genetic Information Nondiscrimination Act of 2011 prohibit an employer from ~~requesting or requiring genetic information of employees or family members of employees unless specifically authorized by law~~ **making a non-job related inquiry into an employee's genetic information**. A district which believes that an employee's leave may require obtaining this information should consult with legal counsel.

The Superintendent or designee shall not request any genetic information related to an employee except as authorized by law in accordance with the California Genetic Information Nondiscrimination Act of 2011. **(Government Code 12940)**

When an employee has provided sufficient medical certification to enable the district to determine whether the employee's leave request is FMLA/CFRA-eligible, the Superintendent or designee shall notify the employee within five business days whether the leave is FMLA/CFRA-eligible. The Superintendent or designee may also retroactively designate leave as FMLA/CFRA leave as long as appropriate notice is given to the employee and there is no harm or injury to the employee. (2 CCR 11091; 29 CFR 825.301)

If the Superintendent or designee ~~doubts~~ **has a good faith objective reason to doubt** the validity of a certification that accompanies a request for leave for the employee's own serious health condition, **the Superintendent or designee** ~~he/she~~ may require the employee to obtain a second opinion from a district-approved health care provider, at district expense. If the second opinion is contrary to the first, the Superintendent or designee may require the employee to obtain a third medical opinion from a third health care provider approved by both the employee and the district, again at district expense. The opinion of the third health care provider shall be final and binding. (Government Code 12945.2; 2 CCR 11091; 29 USC 2613)

Certification for PDL

Note: The following **optional** section is for use by districts that require an employee to submit a medical certification of the need for leave along with the request for PDL. Districts requiring written medical certification from employees who request reasonable accommodation, transfer, or disability leave because of pregnancy may develop their own form, utilize one provided by the employee's health care provider, or use the form provided in 2 CCR 11050 ~~or 11097, as applicable~~.

~~For PDL, the~~ Superintendent or designee shall request that **the an** employee **who is requesting PDL** provide certification by a health care provider of the need for leave at the time the employee gives notice of the need for PDL, or within two business days of giving the notice. If the need for PDL is unforeseen, the Superintendent or designee shall request the medical certification within two business days after the leave commences. The

FAMILY CARE AND MEDICAL LEAVE (continued)

Superintendent or designee may request certification at some later date if **the Superintendent or designee he/she** has reason to question the appropriateness of the leave or its duration. (2 CCR 11050)

For PDL that is foreseeable and for which at least 30 days' notice has been given, the employee shall provide the medical certification before the leave begins. When this is not practicable, the employee shall provide the certification within the time frame specified by the Superintendent or designee which must be at least 15 **calendar** days after the request, unless it is not practicable under the particular circumstances despite the employee's diligent, good faith efforts. (2 CCR 11050)

Medical certification for PDL purposes shall include a statement that the employee needs to take the leave because the employee is disabled by pregnancy, childbirth, or a related medical condition, the date on which the employee became disabled because of pregnancy, and the estimated duration of the leave. (2 CCR 11050)

If additional PDL or family care and medical leave is needed when the time estimated by the health care provider expires, the district may require the employee to provide recertification in the manner specified for the leave. (Government Code 12945.2; 2 CCR 11050; 29 USC 2613)

~~Note: Government Code 12940 and other provisions of the California Genetic Information Nondiscrimination Act of 2011 prohibit employers from requesting or requiring genetic information of employees or family members of employees unless specifically authorized by law. A district which believes that an employee's leave may require obtaining this information should consult with legal counsel.~~

~~The Superintendent or designee shall not request any genetic information related to an employee except as authorized by law in accordance with the California Genetic Information Nondiscrimination Act of 2011.~~

Release to Return to Work

Note: The following **optional** section is for use by districts that choose to require a return-to-work certification and may be modified to list the specific positions for which certification is required. Pursuant to 2 CCR 11091, the district may require an employee to submit a return-to-work certification from **the employee's his/her** health provider, stating that **the employee he/she** is able to return to work. However, this requirement may only be made if the district has a uniformly applied practice of requiring such releases when employees return to work after illness, injury, or disability, **the any** fitness-for-duty examination is job related and consistent with business necessity, and the practice is not forbidden by its collective bargaining agreement. 2 CCR 11050 has similar requirements when an employee is returning to work after PDL.

FAMILY CARE AND MEDICAL LEAVE (continued)

Pursuant to 29 CFR 825.312, when the health care provider certifies that the employee is able to resume work, the district may also require the health care provider to address the employee's ability to perform the essential functions of the job. If such a requirement is imposed, then the district must provide the employee with a list of the **employee's** essential **job** functions **of his/her job** with the "designation notice"; see section entitled "Notifications" below.

Upon expiration of an employee's PDL or family care and medical leave taken for **the employee's** **his/her** own serious health condition, the employee shall present certification from the health care provider **of the employee's ability that he/she able** to resume work. The certification shall address the employee's ability to perform the essential **job** functions of **his/her job the position**.

(cf. 4112.4/4212.4/4312.4 - Health Examinations)

Rights to Reinstatement

Note: Pursuant to Government Code 12945.2, 2 CCR 11043 and 11089, and 29 USC 2614, an employee on PDL or family care and medical leave has the right to be reinstated to the same or a comparable position **upon when he/she returns** from such leave. However, such an employee has no greater right to reinstatement or other benefits than **the employee he/she** would have if **he/she had been continuously employed employment had been continuous**. In addition, in certain situations described below, the district may be relieved of the obligation to reinstate an employee. **As amended by SB 1383, Government Code 12945.2 eliminates the district's authority to deny reinstatement of a "key employee" in certain situations.**

The process for determining whether an employee is a "key employee" to whom the guarantee of reinstatement would not apply requires a detailed analysis and specific notifications to the employee. Legal counsel should be consulted if the district intends to deny leave or reinstatement.

Upon granting an employee's request for PDL or FMLA/CFRA leave, the Superintendent or designee shall guarantee to reinstate the employee in the same or a comparable position when the leave ends. (Government Code 12945.2; 2 CCR 11043, 11089; 29 USC 2614)

However, the district may refuse to reinstate an employee returning from FMLA or CFRA leave to the same or a comparable position if all of the following apply: (Government Code 12945.2; 2 CCR 11089; 29 USC 2614)

- 1. The employee is a salaried "key employee" who is among the highest paid 10 percent of district employees who are employed within 75 miles of the employee's worksite.**
- 2. The refusal is necessary to prevent substantial and grievous economic injury to district operations.**

FAMILY CARE AND MEDICAL LEAVE (continued)

3. ~~The district informs the employee of its intent to refuse reinstatement at the time it determines that the refusal is necessary, and the employee fails to immediately return to service.~~

(cf. 4117.3 - Personnel Reduction)

(cf. 4217.3 - Layoff/Rehire)

The district may ~~also~~ refuse to reinstate an employee to the same or a comparable position if the FMLA/CFRA leave was fraudulently obtained by the employee. (2 CCR 11089; 29 CFR 825.216)

The district may refuse to reinstate an employee to the same position after taking PDL if, at the time the reinstatement is requested, the employee would not otherwise have been employed in that position for legitimate business reasons unrelated to the employee's PDL. (2 CCR 11043)

Maintenance of Benefits/Failure to Return from Leave

During the period when an employee is on PDL or family care and medical leave, ~~he/she~~ **the employee** shall maintain ~~his/her~~ **employee** status with the district and the leave shall not constitute a break in service for purposes of longevity, seniority under any collective bargaining agreement, or any employee benefit plan. (Government Code 12945.2; 2 CCR 11092; 29 USC 2614)

Note: Pursuant to 2 CCR 11044 and 11092, the time that the district maintains and pays for group health coverage during PDL shall not be used to meet its obligation to pay for 12 weeks of group health coverage during leave taken under CFRA, even where the district designates the PDL as FMLA or CFRA leave. The entitlements to employer-paid group health coverage during PDL and during CFRA are two separate and distinct entitlements.

For up to a maximum of four months for PDL and 12 work weeks for other family care and medical leave, the district shall continue to provide an eligible employee the group health plan coverage that was in place before ~~the employee~~ **he/she** took the leave. The employee shall reimburse the district for premiums paid during the leave if ~~the employee~~ **he/she** fails to return to district employment after the expiration of all available leaves and the failure is for a reason other than the continuation, recurrence, or onset of a serious health condition or other circumstances beyond ~~the employee's~~ **his/her** control. (Government Code 12945.2; 2 CCR 11044, 11092; 29 USC 2614; 29 CFR 825.213)

(cf. 4154/4254/4354 - Health and Welfare Benefits)

FAMILY CARE AND MEDICAL LEAVE (continued)

In addition, during the period when an employee is on PDL or family care and medical leave, the employee shall be entitled to continue to participate in other employee benefit plans including life insurance, short-term or long-term disability insurance, accident insurance, pension and retirement plans, and supplemental unemployment benefit plans to the same extent and under the same conditions as would apply to an unpaid leave taken for any other purpose. However, for purposes of pension and retirement plans, the district shall not make plan payments for an employee during any unpaid portion of the leave period and the leave period shall not be counted for purposes of time accrued under the plan. (Government Code 12945.2; 2 CCR 11044, 11092)

Military Family Leave Resulting from Qualifying Exigencies

Note: The following **optional** section reflects 29 USC 2611 and 2612 which authorize an eligible employee to take up to 12 work weeks of unpaid FMLA leave to attend to an "exigency" arising out of the fact that the employee's spouse, child, or parent is on active duty or on call to active duty status in the National Guard or Reserves, or is a member of the regular Armed Forces on deployment to a foreign country. **Pursuant to Government Code 12945.2, as amended by SB 1383, an employee may take unpaid leave under CFRA to attend to an exigency involving the employee's registered domestic partner.**

Pursuant to 29 CFR 825.200, an employee is entitled to 12 work weeks of qualifying exigency leave during each 12-month period established by the district; see section entitled "Terms of Leave" above. According to ~~the U.S. Department of Labor's (DOL)~~ **DOL's** Military Family Leave Provisions of the FMLA Frequently Asked Questions and Answers, an employee may take all 12 weeks of ~~his/her~~ FMLA leave entitlement as a qualifying exigency leave or take a combination of the 12 weeks of leave for both qualifying exigency leave and other FMLA leave, such as leave for a serious health condition.

~~Because CFRA does not cover similar leave, CFRA leave is not exhausted when utilizing military family leave.~~

An eligible employee may take up to 12 work weeks of unpaid FMLA/**CFRA** leave, during each 12-month period established by the district in the section entitled "Terms of Leave" above, for one or more qualifying exigencies while ~~his/her~~ **the employee's** child, parent, ~~or~~ spouse, **or, for purposes of CFRA leave, registered domestic partner**, who is a military member is on covered active duty or on call to covered active duty status. (**Government Code 12945.2**; 29 USC 2612; 29 CFR 825.126)

Covered active duty means, **for members of the Regular Armed forces**, duty during the deployment of a member of the regular Armed Forces to a foreign country ~~or~~ **and, for members of the Reserve components of the Armed forces**, duty during the deployment of a member of the National Guard or Reserves to a foreign country under a call or an order to active duty in support of a contingency operation pursuant to law. **Deployment to a foreign county includes deployment to international waters.** (29 USC 2611; 29 CFR 825.126)

FAMILY CARE AND MEDICAL LEAVE (continued)

Note: Pursuant to 29 CFR 825.126, a "qualifying exigency" may include "~~any~~ other events" agreed to by the district and the employee. As an example of such other event, DOL's Military Family Leave Provisions of the FMLA Frequently Asked Questions and Answers **and the California Department of Human Resources' Questions and Answers - Military Family Leave - FMLA** list leave to spend time with the military member either prior to or post deployment or to attend to household emergencies that would normally have been handled by the military member.

Qualifying exigencies include time needed to: (29 CFR 825.126)

1. Address issues arising from short notice deployment of up to seven calendar days from the date of receipt of call or order of short notice deployment
2. Attend military events and related activities, such as any official ceremony or family assistance program related to the covered active duty or call to covered active duty status
3. Arrange child care or attend school activities arising from the covered active duty or call to covered active duty, such as arranging for alternative child care, enrolling or transferring a child to a new school, or attending meetings
4. Make or update financial and legal arrangements to address a military member's absence
5. Attend counseling provided by someone other than a health care provider
6. Spend time (up to 15 **calendar** days of leave per instance) with a military member who is on short-term, temporary, rest and recuperation leave during deployment
7. Attend to certain post-deployment activities, such as arrival ceremonies or reintegration briefings
8. Care for a military member's parent who is incapable of self-care when the care is necessitated by the military member's covered active duty
9. Address any other event that the employee and district agree is a qualifying exigency

The employee shall provide the Superintendent or designee with notice of the need for the qualifying exigency leave as soon as practicable, regardless of how far in advance such leave is foreseeable. (29 CFR 825.302)

FAMILY CARE AND MEDICAL LEAVE (continued)

Note: The district may require the employee to provide certification of the qualifying exigency containing the information specified in 29 CFR 825.309. A form has been developed by DOL for this purpose and is available on its web site.

The following paragraph is **optional** and should be deleted by those districts that do not require such documentation. In order to help avoid claims of discrimination, the district should generally treat all employees uniformly; thus, districts using this paragraph should request certification from all employees requesting such leave.

An employee who is requesting leave for qualifying exigencies shall provide the Superintendent or designee with a copy of the military member's active duty orders, or other documentation issued by the military, and the dates of the service. In addition, the employee shall provide the Superintendent or designee with certification of the qualifying exigency necessitating the leave. The certification shall contain the information specified in 29 CFR 825.309.

The employee's qualifying exigency leave may be taken on an intermittent or reduced work or leave schedule basis. (29 CFR 825.302)

Note: Pursuant to 29 USC 2612 and 29 CFR 825.207, the district has the option to require or give employees discretion to use paid leave when taking FMLA/CFRA leave; see Options 1 and 2 in the section entitled "Use/Substitution of Paid Leave" above. Whichever option is selected by the district with regards to FMLA/CFRA leave is also applicable to qualified exigency leave.

During the period of qualified exigency leave, the district's rule regarding an employee's use of **his/her** accrued vacation leave and any other accrued paid or unpaid time off, as specified in the section "Use/Substitution of Paid Leave" above, shall apply.

Military Caregiver Leave

Note: 29 USC 2612 and 29 CFR 825.127 authorize an eligible employee to take up to 26 work weeks of unpaid military caregiver leave, as defined below, during a single 12-month period. **As is the case with other FMLA leaves, only districts that employ at least 50 employees within 75 miles of the worksite where the employee requesting the leave is employed are required to grant the military caregiver leave; see the section entitled "Eligibility" above.** According to DOL's Military Family Leave Provisions of the FMLA Frequently Asked Questions and Answers, if an employee does not use the entire 26-week entitlement in a single 12-month period, unused weeks cannot be carried over into another 12-month period. However, the employee may qualify for nonmilitary FMLA leave.

The district shall grant an eligible employee up to a total of 26 work weeks of leave during a single 12-month period, measured forward from the first date the leave is taken, to care for a covered servicemember with a serious illness or injury. In order to be eligible for such military caregiver leave, the employee must be the spouse, **son, daughter child**, parent, or

FAMILY CARE AND MEDICAL LEAVE (continued)

next of kin of the covered servicemember. This 26-week period is not in addition to, but rather is inclusive of, the 12 work weeks of leave that may be taken for other FMLA qualifying reasons. (29 USC 2611, 2612; 29 CFR 825.127)

Covered servicemember may be: (29 CFR 825.127)

1. A current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy; is otherwise in outpatient status; or is otherwise on the temporary disability retired list for a serious injury or illness
2. A veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran

Note: Unlike the provisions for other FMLA/CFRA leave, 29 CFR 825.127 places no age limit on the definition of "~~son or daughter~~ **child**," as detailed below. In addition, 29 CFR 825.127 defines "next of kin" of a covered servicemember in relation to military caregiver leave.

~~Son or daughter~~ **Child** of a covered servicemember means the **covered servicemember's** biological, adopted, or foster child, stepchild, legal ward, or ~~a child of any age~~ for whom the covered servicemember stood in *loco parentis*, **and who is of any age.** (29 CFR 825.127)

Parent of a covered servicemember means the covered servicemember's biological, adopted, step, or foster parent, or any other individual who stood in *loco parentis* to the covered servicemember (except "parents in law"). (29 CFR 825.127)

Next of kin means the nearest blood relative to the covered servicemember, **other than the spouse, parent, son, or daughter or child, unless** ~~or as~~ designated in writing by the covered servicemember. (29 USC 2611, 2612; **29 CFR 825.127**)

Outpatient status means the status of a member of the Armed Forces assigned to a military medical treatment facility as an outpatient or a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients. (29 USC 2611; 29 CFR 825.127)

Note: 29 USC 2611 defines "serious injury or illness" for active members of the Armed Forces and for *veterans*, as provided below. Pursuant to 29 CFR 825.127, one of the four conditions listed in item #2 below must be present for a veteran's injury or illness to qualify as a "serious injury or illness" for the purpose of this leave.

FAMILY CARE AND MEDICAL LEAVE (continued)

Serious injury or illness means: (29 USC 2611; 29 CFR 825.127)

1. For a current member of the Armed Forces, an injury or illness incurred by the member in the line of duty on active duty, or that existed before the beginning of the member's active duty and was aggravated by the member's service in the line of duty while on active duty in the Armed Forces, and that may render the member medically unfit to perform the duties of the member's office, grade, rank, or rating.
2. For a veteran, an injury or illness incurred or aggravated by the member's service in the line of duty on active duty in the Armed Forces, including the National Guard or Reserves, that manifested itself before or after the member became a veteran and that is at least one of the following:
 - a. A continuation of a serious injury or illness incurred or aggravated while the veteran was a member of the Armed Forces and rendered **the servicemember** ~~him/her~~ unable to perform the duties of **the servicemember's** ~~his/her~~ office, grade, rank, or rating
 - b. A physical or mental condition for which the veteran has received a U.S. Department of Veterans Affairs (VA) Service-Related Disability Rating of 50 percent or greater, based wholly or partly on that physical or mental condition
 - c. A physical or mental condition that substantially impairs the veteran's ability to secure or follow a substantially gainful occupation by reason of one or more disabilities related to **the servicemember's** ~~his/her~~ military service or that would do so but for treatment received by the veteran
 - d. An injury, including a psychological injury, on the basis of which the veteran has been enrolled in the VA's Program of Comprehensive Assistance for Family Caregivers

Note: As is the case for other types of FMLA/CFRA leave, 29 CFR 825.302 **and 825.303** requires the employee, when the need for the leave is foreseeable, to provide 30 days advance notice to the district before the leave is to begin.

The employee shall provide reasonable and practicable notice of the need for the leave in accordance with the procedures in the section entitled "Request for Leave" above.

Note: 29 CFR 825.310 authorizes the district to require employees to provide certification of the need for the leave, which is to be completed by an authorized health care provider of the covered servicemember.

4261.8
4361.8

FAMILY CARE AND MEDICAL LEAVE (continued)

The following paragraph is **optional**. In order to help avoid claims of discrimination, the district should generally treat all employees uniformly; thus, districts using this paragraph should request a medical certification from all employees requesting such leave.

An employee requesting leave to care for a covered servicemember with a serious injury or illness shall provide the Superintendent or designee with certification from an authorized health care provider of the servicemember that contains the information specified in 29 CFR 825.310.

Note: Pursuant to 29 CFR 825.127, an employee may take up to a total of 26 work weeks of leave for both regular FMLA and military caregiver leave during the 12-month leave entitlement period. However, the employee may not take more than 12 weeks for regular FMLA leave. For example, according to DOL's Military Family Leave Provisions of the FMLA Frequently Asked Questions and Answers, an employee could take 12 weeks of FMLA leave to care for a newborn child and 14 weeks of military caregiver leave, but could not take 16 weeks to care for a newborn and 10 weeks of military caregiver leave. If the leave qualifies as both military caregiver leave and leave to care for a family member with a serious health condition, 29 CFR 825.127 specifies that the district must first designate the leave as military caregiver leave.

The leave may be taken intermittently or on a reduced work or leave schedule when medically necessary. An employee taking military caregiver leave in combination with other **family care and medical** leaves pursuant to this administrative regulation shall be entitled to a combined total of 26 work weeks of leave during a single 12-month period. When both spouses work for the district and both wish to take such leave, the spouses are limited to a maximum combined total of 26 work weeks during a single 12-month period. (29 USC 2612)

Note: Pursuant to 29 USC 2612 and 29 CFR 825.207, the district has the option to require or give employees discretion to substitute paid leave when taking FMLA/CFRA leave; see Options 1 and 2 in section entitled "Use/Substitution of Paid Leave" above. Whichever option is selected by the district with regard to FMLA/CFRA leave is also applicable to military caregiver leave.

During the period of military caregiver leave, the district's rule regarding an employee's use of **his/her** accrued vacation leave and other accrued paid or unpaid time off, as specified in the section "Use/Substitution of Paid Leave" above, shall apply.

Notifications

Note: Both 29 CFR 825.300 and 2 CCR 11095 require employers to provide general notification to employees of their rights under the FMLA/CFRA as well as specific notifications when an employee has requested leave, as detailed below. 2 CCR 11049 contains similar notice requirements for PDL purposes. Samples of notices which describe an employee's rights are available on the web sites of the California Department of Fair Employment and Housing and the DOL.

FAMILY CARE AND MEDICAL LEAVE (continued)

Pursuant to 2 CCR 11095, the district must translate the notice into every language that is spoken by at least 10 percent of the district's employees at any facility.

The Superintendent or designee shall provide the following notifications regarding state and federal law related to PDL or FMLA/CFRA leave:

1. **General Notice:** Information explaining the provisions of the FEHA/PDL and FMLA/CFRA and employee rights and obligations shall be posted in a conspicuous place on district premises, or electronically, and shall be included in employee handbooks. (2 CCR 11049, 11095; 29 USC 2619)

Note: Pursuant to 2 CCR 11050 and 11091, a district may require an employee, when the need for the leave is foreseeable, to provide at least 30 days advance notice before the leave is to begin; see the section entitled "Request for Leave" above. 2 CCR 11049 and 11091 specify that districts requiring such notice from employees must give them "reasonable advance notice" of their obligation and that incorporation of the requirement into the general notice satisfies the "advance notice" requirement.

The following **optional** paragraph is for use by districts that require employees to provide advance notice.

The general notice shall also explain an employee's obligation to provide the Superintendent or designee with at least 30 days' notice of the need for the requested leave, when the need is reasonably foreseeable at least 30 days prior to the start of the leave. (2 CCR 11049, 11050, 11091)

(cf. 4112.9/4212.9/4312.9 - *Employee Notifications*)

2. **Eligibility Notice:** When an employee requests leave, including PDL, or when the Superintendent or designee acquires knowledge that an employee's leave may be for an FMLA/CFRA qualifying reason, the Superintendent or designee shall, within five business days, provide notification to the employee of his/her eligibility to take such leave. (2 CCR 11049, 11091; 29 CFR 825.300)
3. **Rights and Responsibilities Notice:** Each time the eligibility notice is provided to an employee, the Superintendent or designee shall provide written notification explaining the specific expectations and obligations of the employee, including any consequences for a failure to meet those obligations. Such notice shall include, as applicable: (29 CFR 825.300)
 - a. A statement that the leave may be designated and counted against the employee's annual FMLA/CFRA leave entitlement and the appropriate 12-month entitlement period, if qualifying

FAMILY CARE AND MEDICAL LEAVE (continued)

Note: Item #3b below is for use by districts that require medical certification to the effect that the employee is able to resume work. See the section entitled "Release to Return to Work" above.

- b. Any requirements for the employee to furnish medical certification of a serious health condition, serious injury or illness, or qualifying exigency arising out of active duty or call to active duty status and the consequences of failing to provide the certification
- c. The employee's right to use paid leave, whether the district will require use of paid leave, conditions related to any use of paid leave, and the employee's entitlement to take unpaid leave if the employee does not meet the conditions for paid leave
- d. Any requirements for the employee to make premium payments necessary to maintain health benefits, the arrangement for making such payments, and the possible consequences of failure to make payments on a timely basis
- ~~e. The employee's status as a "key employee" if applicable, potential consequence that restoration may be denied following the FMLA leave, and explanation of the conditions required for such denial~~
- f.e.** The employee's right to maintenance of benefits during the leave and restoration to the same or an equivalent job upon return from leave
- g.f.** The employee's potential liability for health insurance premiums paid by the district during the employee's unpaid FMLA leave should the employee not return to service after the leave

Any time the information provided in the above notice changes, the Superintendent or designee shall, within five business days of **his/her** receipt of an employee's first notice of need for leave, provide the employee with a written notice referencing the prior notice and describing any changes to the notice. (29 CFR 825.300)

- 4. **Designation Notice:** When the Superintendent or designee has information (e.g., sufficient medical certification) to determine whether the leave qualifies as FMLA/CFRA leave, he/she shall, within five business days, provide written notification designating the leave as FMLA/CFRA qualifying or, if the leave will not be so designated, the reason for that determination. (2 CCR 11091; 29 CFR 825.300)

AR 4161.8(x)
4261.8
4361.8

FAMILY CARE AND MEDICAL LEAVE (continued)

If the amount of leave needed is known, the notice shall include the number of hours, days, or weeks that will be counted against the employee's FMLA/CFRA entitlement. If it is not possible to provide that number at the time of the designation notice, notification shall be provided of the amount of leave counted against the employee's entitlement upon request by the employee and at least once in every 30-day period if leave was taken in that period. (29 CFR 825.300)

Note: 29 CFR 825.300 requires the designation notice to specify whether the district requires paid leave to be used during an otherwise unpaid family care and medical leave, whether the district requires an employee to present release to return to work certification, and whether that certification must address the employee's ability to perform the essential functions of the job. See the sections entitled "Use/Substitution of Paid Leave" and "Release to Return to Work" above. The following paragraph should be revised to reflect district practice.

If the district requires paid leave to be used during an otherwise unpaid family care and medical leave, the notice shall so specify. If the district requires an employee to present a release to return to work certification that addresses the employee's ability to perform the essential functions of the job, the notice shall also specify that requirement. (2 CCR 11091, 11097; 29 CFR 825.300)

Any time the information provided in the designation notice changes, the Superintendent or designee shall, within five business days, provide the employee with written notice referencing the prior notice and describing any changes to the notice. (29 CFR 825.300)

Records

Note: Government Code 12946, 29 USC 2616, and 29 CFR 825.500 require districts to maintain records of, among other things, applications, dates, and personnel and employment action related to family care and medical leave. Pursuant to 42 USC 2000ff-1, any individually identifiable genetic information possessed by the district must be treated as a confidential medical record of the employee involved.

The Superintendent or designee shall maintain records pertaining to an individual employee's use of family care and medical leave in accordance with law. (Government Code 12946; 29 USC 2616; 42 USC 2000ff-1; 29 CFR 825.500)

COMPREHENSIVE HEALTH EDUCATION (continued)*(cf. 0200 - Goals for the School District)**(cf. 5030 - Student Wellness)**(cf. 6142.7 - Physical Education and Activity)*

Note: The following **optional** paragraph should be revised as necessary to reflect grade levels offered by the district. Education Code 51210 requires that the adopted course of study for grades 1-6 include instruction in health, including instruction in the principles and practices of individual, family, and community health. Education Code 51202 requires that certain health-related topics be addressed at the appropriate elementary and secondary grade levels and in appropriate subject areas, as determined by the district.

Education Code 51934 requires that **students be districts provided comprehensive sexual health education and HIV/AIDS prevention instruction, at least once in middle school or junior high school and at least once in high school, by instructors trained in the appropriate courses. Education Code 51934 also authorizes, but does not require, districts to provide age-appropriate comprehensive sexual health education prior to grade 7 on any of the topics specified in Education Code 51934.** See AR 6143 - Courses of Study and BP/AR 6142.1 - Sexual Health and HIV/AIDS Prevention Instruction.

Additionally, Education Code 51900.6 authorizes districts to provide age-appropriate instruction in grades K-12 in sexual abuse and sexual assault awareness and prevention pursuant to content standards developed by the State Board of Education (SBE), provided that students are allowed to be excused from such instruction upon the written request of their parents/guardians. SBE has not yet adopted content standards regarding sexual abuse and sexual assault awareness and prevention. Also see BP 5141.4 - Child Abuse Prevention and Reporting.

The Health Education Framework for California Public Schools, Kindergarten through Grade Twelve provides nonprescriptive instructional guidance and support to California teachers, administrators, curriculum specialists, other educators, and school boards for implementation of the voluntary health education standards, which include the following six content areas: nutrition and physical activity; growth, development, and sexual health; injury prevention and safety; alcohol, tobacco, and other drugs; mental, emotional, and social health; and personal and community health.

In March 2008, the State Board of Education adopted voluntary content standards for health education as required by Education Code 51210.8; see the accompanying administrative regulation. The state's Health Framework for California Public Schools, provides nonprescriptive guidance on the scope and sequence of the health curriculum.

The district shall provide a planned, sequential, research-based, and developmentally appropriate health education curriculum for students in grades K-8 which is aligned with the state's content standards and curriculum framework **and integrated with other content areas of the district's curriculum.** The Superintendent or designee shall determine the grade levels and subject areas in which health-related topics will be addressed, in accordance with law, Board policy, and administrative regulation.

CSBA POLICY GUIDE SHEET

June 2021

Note: Descriptions below identify revisions made to CSBA's sample board policies, administrative regulations, board bylaws, and/or exhibits. Editorial changes have also been made. Districts and county offices of education should review the sample materials and modify their own policies accordingly.

Administrative Regulation 1312.3 - Uniform Complaint Procedures

Regulation updated to correct the timeline in the "Notifications" section for submitting appeals to the California Department of Education (CDE), as specified in state regulations. Section on "Investigation of Complaint" revised to clarify that state regulations regarding the consequences of a respondent's failure to cooperate in an investigation only apply when the respondent is the district. Additional revisions, including expansion of the section "Health and Safety Complaints in License-Exempt Preschool Programs," made to more directly reflect the standards in CDE's Federal Program Monitoring instrument.

NEW - Board Policy 1313 - Civility

New policy addresses the importance of civility to the effective operation of the district, including its role in creating a positive school climate and enabling a focus on student well-being, learning, and achievement. Policy includes First Amendment free speech considerations, behavior that constitutes civil behavior, practices that promote civil behavior, and authorization to educate or provide information to students, staff, parents/guardians, and community members to assist in the recognition, development, and demonstration of civil behavior. Policy also includes material regarding behavior that is disruptive, hinders the orderly conduct of district operations or programs, or creates an unsafe learning or working environment, as well as the prohibition of, and consequences for, behavior which is discriminatory, harassing, or intimidating, including sexual harassment, bullying, and/or hate violence.

Board Policy 3511.1 - Integrated Waste Management

Policy updated to reflect current legal requirements for recycling waste which are based on specified thresholds of waste generation and are detailed in the accompanying administrative regulation, add district goal to develop strategies for recycling organic waste, and more directly link waste management to education goals.

Administrative Regulation 3511.1 - Integrated Waste Management

Regulation updated to add new section on "Recycling" which contains (1) material formerly in item #2 above, (2) new material reflecting a determination by the California Department of Resources Recycling and Recovery (CalRecycle) regarding the level of statewide disposal of organic waste which triggered a requirement for any facility generating two or more cubic yards of solid waste per week to meet specified requirements pertaining to the recycling of organic waste, and (3) new material reflecting legal requirements to provide recycling bins or containers in a facility that generates four or more cubic yards of solid waste or two or more cubic yards of organic waste per week.

Board Policy 4112.42/4212.42/4312.42 - Drug and Alcohol Testing for School Bus Drivers

Policy updated to clarify the obligation of drivers to submit to drug and alcohol testing as required under federal law. Section on "Consequences Based on Test Results" updated to (1) add the agency responsible for reviewing and approving district requests to temporarily remove a driver from safety-sensitive functions before drug test results are verified by a certified medical review officer and (2) describe consequences that will be imposed on drivers based on findings of specific concentrations of alcohol. Policy also clarifies the requirement to ensure that a driver who is offered an opportunity to return to work following a violation first receive an evaluation by a qualified substance abuse professional and successfully comply with the evaluation recommendations.

Administrative Regulation 4112.42/4212.42/4312.42 - Drug and Alcohol Testing for School Bus Drivers

Regulation updated to clarify that marijuana remains an illegal drug under the federal Controlled Substances Act and use of it by a driver remains a violation of federal drug testing regulations. Definition of "alcohol concentration" revised to delete information regarding consequences for drivers based on specific alcohol concentrations, now addressed in the BP. Regulation also expands the responsibilities of the designated employer representative pursuant to federal regulations, clarifies requirements pertaining to pre-employment

CSBA POLICY GUIDE SHEET

June 2021

testing including the requirement to conduct a pre-employment query using the Commercial Driver's License Drug and Alcohol Clearinghouse, and reflects additional requirements related to post-accident testing. New section reflects federal regulations which require districts to report any violation of federal drug and alcohol regulations to the Clearinghouse and conduct inquiries of the Clearinghouse's online database for all drivers employed by the district on an annual basis and before hiring any driver.

Board Policy 4141/4241 - Collective Bargaining Agreement

Revised policy reflects court decision holding that a provision in a collective bargaining agreement that directly conflicts with the Education Code cannot be enforced. Policy also adds language clarifying that, whenever a law conflicts with a provision in the collective bargaining agreement, the law will prevail.

Board Policy 4158/4258/4358 - Employee Security

Policy updated to reflect law authorizing a district to petition, on behalf of an employee, for a gun violence restraining order prohibiting a person from owning, purchasing, possessing, or receiving a firearm. Policy also reflects law requiring a district to provide reasonable accommodations, upon request, to an employee who is a victim of domestic violence, sexual assault, or stalking. Policy adds a requirement of law to inform administrators and counselors, along with teachers, regarding certain crimes and offenses committed by students.

Administrative Regulation 4158/4258/4358 - Employee Security

Regulation updated to more directly reflect law requiring a report to law enforcement of any attack, assault, or physical threat made against an employee by a student. Material in section on "Notice Regarding Student Offenses" reorganized to clarify the required notifications that must be made to staff pertaining to (1) student offenses that are grounds for suspension or expulsion and (2) any report received from a court that a student has been found to have committed a felony or misdemeanor involving specified offenses. In that section, paragraph on notifications that may be provided by a district police or security department deleted and moved into Note since its applicability is limited. New section on "Accommodations for Victims of Domestic Violence, Sexual Assault, or Stalking" reflects law requiring a district to provide reasonable accommodations, including, but not limited to, safety procedures or adjustments to a job structure, workplace facility, or work requirement, upon the request of an employee who is a victim of domestic violence, sexual assault, or stalking.

Board Policy 5141.4 - Child Abuse Prevention and Reporting

Board policy updated to clarify that districts are not required, but are authorized, to include age-appropriate and culturally sensitive child abuse prevention curriculum in the instructional program, add material regarding displaying posters on campus notifying students of the appropriate telephone number to call to report child abuse or neglect, include the requirement for student identifications cards for students in grades 7-12 to include the National Domestic Hotline telephone number, and clarify that the training regarding duties of mandated reporters be according to law and administrative regulation.

Administrative Regulation 5141.4 - Child Abuse Prevention and Reporting

Regulation updated to reflect **NEW LAW (AB 1145, 2020)** which amends the definition of sexual assault for purposes of mandated reporting to not include voluntary conduct in violation of Penal Code 286, 287, or 289 (sodomy, oral copulation, or sexual penetration) if there are no indicators of abuse unless such conduct is between a person who is 21 years of age or older and a minor who is under 16 years of age. Regulation also adds licensees of licensed child day care facilities to the list of mandated reporters, reflects that the California Department of Justice form is now titled BCIA 8572, clarifies that when a staff member or volunteer aide is selected by a child to be present at an interview where child abuse is being investigated that the principal or designee inform the person of specified requirements prior to the interview, and reflects **NEW STATE REGULATION (Register 2020, No. 21)** which authorizes parents/guardians of special education students to file a complaint with CDE for safety concerns that interfere with the provision of a free appropriate public education pursuant to 5 CCR 3200-3205 rather than through uniform complaint procedures.

Board Policy 5141.52 - Suicide Prevention

Policy updated to expand material regarding stakeholder engagement and best practices for suicide prevention, intervention, and postvention, and for consistency with CDE's Model Youth Suicide Prevention Policy, including an enhanced list of participants for staff development, the importance of resiliency skills to student instruction, the review of materials and resources for alignment with safe and effective messaging, information to be provided to parents/guardians and caregivers, and the establishment of district and/or school site crisis intervention team(s). Policy also updated to clarify that the policy may be reviewed more frequently than the five-year review requirement of law, and that district data pertaining to reports of suicidal ideation, attempts, or death and data that reflect school climate be periodically reviewed to aid in program development.

Administrative Regulation 5141.52 - Suicide Prevention

Regulation updated to expand the section on "Staff Development" by adding to the list of participants for suicide prevention training, topics to be included in such training, and additional professional development for specified groups and to enhance the section on "Instruction" by adding to the list of topics to be taught and authorizing the development and implementation of school activities that raise awareness about mental health wellness and suicide prevention. Regulation also updated to include, for districts that have crisis intervention teams, the contact information for district and/or school site crisis intervention team members, add that school counselors may disclose a student's personal information to report child abuse and neglect as required by law, and include providing comfort to a student who has attempted or threatened to attempt suicide.

Board Policy 5145.12 - Search and Seizure

Policy updated to reflect court decision upholding a school policy that called for limited searches without individualized suspicion if students left campus and returned in the middle of the day. Policy also updated to reflect law which places restrictions on searches of electronic devices such as cellular phones, court decision regarding searches of lockers without individualized suspicion, and court decision upholding policy of random weapons screening with a handheld metal detector.

Board Policy 5145.9 - Hate-Motivated Behavior

Policy updated to bolster the governing board's commitment to providing a respectful, inclusive, and safe learning environment, including adding a definition of hate-motivated behavior which incorporates a list of characteristics which may motivate prohibited behavior, reflecting the importance of celebrating diversity, enhancing the list of topics for student instruction and staff development, adding material regarding regularly occurring staff training, and including student and staff discipline for engaging in hate-motivated behavior. Policy also updated to include the requirement to post the policy in a prominent location on the district's web site and add that, in addition to other staff listed, complaints may be reported to the district's compliance officer.

Board Policy 5148 - Child Care and Development

Policy updated to reflect **NEW LAW (SB 98, 2020)** which transfers responsibility for state administration of child care and development programs from CDE to the California Department of Social Services (CDSS) effective July 1, 2021. Information about the Child Care Facilities Revolving Fund deleted as the fund is no longer operative. Policy also reflects **NEW STATE REGULATIONS (Register 2020, No. 21)** which retain the requirement to refer health and safety complaints regarding licensed child care and development programs to CDSS but eliminate the requirement that complaints regarding a license-exempt facility be referred to a Child Development regional administrator.

Board Policy 6142.5 - Environmental Education

Policy updated to reflect law which required that the state-adopted environmental principles and concepts be integrated into content standards, curriculum frameworks, and textbook criteria. Policy also reflects legislative intent that governing boards undertake specified actions to promote instruction in environmental literacy, including by embedding environmental literacy in the local priorities addressed in the district's local control and accountability plan, collaborating with other agencies to enhance the environmental curriculum,

providing professional development in environmental literacy, and ensuring equity in the provision of environment-based learning opportunities.

Administrative Regulation 6162.51 - State Academic Achievement Tests

Regulation updates information regarding administration of the California Assessment of Student Performance and Progress, including provisions that: (1) the district may administer the California Science Test (CAST) in any of grades 10-12, (2) the California Alternate Assessments in science should be administered to students with significant cognitive disabilities who are unable to take the CAST with accommodations, and (3) the California Spanish Test is the primary language assessment that is available to be administered to English learners. Regulation also adds optional language regarding the use of Smarter Balanced interim and formative assessments to provide timely feedback regarding students' progress and assist teachers in continually adjusting instruction to improve learning. Testing windows and testing variations updated to reflect current state regulations, as renumbered.

Board Policy 7211 - Developer Fees

Policy updated to include material formerly in the AR pertaining to responsibilities of the board with respect to levying developer fees, such as conducting a fee justification study, holding a public hearing, and adopting a board resolution. Policy also clarifies the applicability of Government Code 65997, which became operative due to the failure of state bond measure Proposition 13 in March 2020 and gives districts the flexibility to deny or refuse a legislative act involving the planning, use, or development of real property, other than requiring a fee in excess of the fee imposed by law. Policy addresses factors that must be included in the fee justification study based on recent court decision.

Administrative Regulation 7211 - Developer Fees

Regulation revised to delete board responsibilities pertaining to the imposition of developer fees, now addressed in the BP, and to require the superintendent or designee to provide specified information regarding capital facilities accounts to the board as well as the public.

UNIFORM COMPLAINT PROCEDURES

Note: 5 CCR 4621 **mandates** that the district's uniform complaint procedures (UCP) be consistent with the procedures of 5 CCR 4600-4670. Additionally, Education Code 52075 **mandates** districts to adopt policies and procedures implementing the use of UCP to investigate and resolve complaints alleging noncompliance with requirements related to the local control and accountability plan (LCAP), and Education Code 8235.5 **mandates** districts to adopt policies and procedures for resolving complaints regarding specified health and safety issues in license-exempt California State Preschool Programs (CSPP). Furthermore, a number of federal civil rights statutes and their implementing regulations mandate districts to adopt policies and procedures for the prompt and equitable resolution of complaints of unlawful discrimination, (such as discriminatory harassment, intimidation, or bullying). For example, all districts are **mandated** pursuant to 28 CFR 35.107 to adopt policy and procedures to address discrimination on the basis of disability, while districts that receive federal financial assistance are **mandated** pursuant to 34 CFR 106.8 and 34 CFR 110.25 to adopt policies and procedures to address discrimination on the basis of sex and age. Some of the factors considered by the U.S. Department of Education's Office for Civil Rights (OCR) when determining whether a district's procedures are "prompt and equitable" are addressed throughout the following administrative regulation.

Apart from these mandates, state law authorizes the use of UCP to resolve complaints of noncompliance with laws related to the development of a school plan for student achievement and the establishment of school site councils; accommodations for pregnant and parenting students; prohibition against the charging of student fees; educational rights of foster youth, homeless students, former juvenile court school students, children of military families, migrant students, and students participating in a newcomer program for newly arrived immigrants; assignment of students to courses without educational content; and physical education instructional minutes. See the section "Complaints Subject to UCP" in the accompanying Board policy.

Except as the Governing Board may otherwise specifically provide in other district policies, these uniform complaint procedures (UCP) shall be used to investigate and resolve only the complaints specified in **BP 1312.3 the accompanying Board policy**.

Compliance Officers

Note: 5 CCR 4621 **mandates** the district to identify in its policies and procedures the person(s), position(s), or unit(s) responsible for ensuring compliance with applicable state and federal laws and regulations governing educational programs, including the receiving and investigating of complaints alleging unlawful discrimination, (such as discriminatory harassment, intimidation, or bullying) and retaliation. During its Federal Program Monitoring (FPM) process, California Department of Education (CDE) staff will check to ensure that the district's procedures list the specific title(s) of the employee(s) responsible for receiving and investigating complaints. Districts should identify the specific title(s) of the compliance officer(s) in the space provided below. If a district identifies multiple compliance officers, it is recommended that one be designated the lead compliance officer.

UNIFORM COMPLAINT PROCEDURES (continued)

The following paragraph specifies that the compliance officer will be the same person designated to serve as the Title IX Coordinator for addressing complaints of sexual harassment pursuant to AR 5145.7 - Sexual Harassment and AR 5145.71 - Title IX Sexual Harassment Complaint Procedures. Districts may modify this regulation to designate different district employees to serve these functions.

The district designates the individual(s), position(s), or unit(s) identified below as responsible for coordinating the district's response to complaints and for complying with state and federal civil rights laws. The individual(s), position(s), or unit(s) also serve as the compliance officer(s) specified in AR 5145.3 - Nondiscrimination/Harassment responsible for handling complaints regarding unlawful discrimination, ~~(such as discriminatory~~ harassment, intimidation, or bullying) and in AR 5145.7 - Sexual Harassment for handling complaints regarding sexual harassment. The compliance officer(s) shall receive and coordinate the investigation of complaints and shall ensure district compliance with law.

(title or position)

(unit or office)

(email)

Note: The following paragraph is for use by districts that have designated more than one compliance officer.

The compliance officer who receives a complaint may assign another compliance officer to investigate and resolve the complaint. The compliance officer shall promptly notify the complainant and respondent, ~~if applicable,~~ if another compliance officer is assigned to the complaint.

In no instance shall a compliance officer be assigned to a complaint in which the compliance officer has a bias or conflict of interest that would prohibit the fair investigation or resolution of the complaint. Any complaint against a compliance officer or that raises a concern about the compliance officer's ability to investigate the complaint fairly and without bias shall be filed with the Superintendent or designee who shall determine how the complaint will be investigated.

UNIFORM COMPLAINT PROCEDURES (continued)

Note: 5 CCR 4621 **mandates** that the district's policy require employees responsible for compliance and/or for investigating and resolving complaints to be knowledgeable about the laws and programs at issue in the complaints they are assigned. OCR requires that the compliance officer(s) involved in implementing discrimination complaint procedures be knowledgeable about the procedures and be able to explain them to parents/guardians and students. **They Compliance officers** must also have training or experience in handling discrimination complaints, including appropriate investigative techniques and understanding of the applicable legal standards.

The Superintendent or designee shall ensure that employees assigned to investigate and resolve complaints receive training and are knowledgeable about the laws and programs at issue in the complaints to which they are assigned. Training provided to such employees shall cover current state and federal laws and regulations governing the program;⁵ applicable processes for investigating and resolving complaints, including those alleging unlawful discrimination, ~~(such as discriminatory~~ harassment, intimidation, or bullying)⁵; applicable standards for reaching decisions on complaints;⁵ and appropriate corrective measures. Assigned employees may have access to legal counsel as determined by the Superintendent or designee.

(cf. 4331 - Staff Development)

(cf. 9124 - Attorney)

The compliance officer or, if necessary, any appropriate administrator shall determine whether interim measures are necessary during ~~and pending the result of~~ an investigation **and while the result is pending**. If interim measures are determined to be necessary, the compliance officer or the administrator shall consult with the Superintendent, the Superintendent's designee, or, if appropriate, the site principal to implement one or more interim measures. The interim measures shall remain in place until the compliance officer determines that they are no longer necessary or until the district issues its final written decision, whichever occurs first.

Notifications

The district's UCP policy and administrative regulation shall be posted in all district schools and offices, including staff lounges and student government meeting rooms. (Education Code 234.1)

Note: During the FPM process, CDE staff will check to ensure that the district's policy contains a statement ensuring annual dissemination of notice of the district's UCP to the persons specified below.

In addition, the Superintendent or designee shall annually provide written notification of the district's UCP to students, employees, parents/guardians of district students, district advisory committee members, school advisory committee members, appropriate private school officials or representatives, and other interested parties. (5 CCR 4622)

Note: The following paragraph may be modified to reflect district practice. Pursuant to Education Code 221.61, districts are required to post information related to Title IX on their web sites, including specified information about complaint procedures under Title IX. See AR 5145.3 - Nondiscrimination/Harassment. A district that does not maintain a web site may comply by posting the information on the web site of its county office of education. A comprehensive list of rights based on the provisions of the federal regulations implementing Title IX can be found in Education Code 221.8. In addition, in its April 2015 Dear Colleague Letter: Title IX Coordinators, OCR recommends that districts use web posting and social media to disseminate their nondiscrimination notices, policies, and procedures and communicate current compliance officer(s)' contact information to students, parents/guardians, and employees.

UNIFORM COMPLAINT PROCEDURES (continued)

The annual notification, complete contact information of the compliance officer(s), and information related to Title IX as required pursuant to Education Code 221.61 shall be posted on the district web site and may be provided through district-supported social media, if available.

(cf. 1113 - District and School Web Sites)

(cf. 1114 - District-Sponsored Social Media)

Note: Both federal and state laws contain requirements for translation of certain information and documents. Title VI of the Civil Rights Act of 1964 requires districts to ensure meaningful access to their programs and activities by persons with limited English proficiency. OCR has interpreted this to require that, whenever information is provided to parents/guardians, districts must notify limited-English-proficient (LEP) parents/guardians in a language other than English in order to be adequate. OCR enforces this requirement consistent with the Department of Justice's 2002 Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons. Under the Guidance, a recipient of federal funds has an obligation to provide language assistance to LEP individuals based on the balancing of four factors: (1) the number or proportion of LEP individuals likely to encounter the program, (2) the frequency with which LEP individuals come in contact with the program, (3) the nature and importance of the services provided by the program, and (4) the resources available to the recipient. State law is more specific than federal law: Education Code 48985 requires translation of certain information and documents if 15 percent or more of students enrolled in the school speak a single primary language other than English.

The Superintendent or designee shall ensure that all students and parents/guardians, including students and parents/guardians with limited English proficiency, have access to the relevant information provided in the district's policy, regulation, forms, and notices concerning the UCP.

If 15 percent or more of students enrolled in a particular district school speak a single primary language other than English, the district's **UCP** policy, regulation, forms, and notices **concerning the UCP** shall be translated into that language, in accordance with Education Code 234.1 and 48985. In all other instances, the district shall ensure meaningful access to all relevant UCP information for parents/guardians with limited English proficiency.

Filing of Complaints

Note: Complaints filed under UCP may be filed directly with a compliance officer or with any site administrator not designated as a compliance officer. For example, acts of unlawful discrimination, **(such as discriminatory harassment, intimidation, or bullying)** may initially be reported to a principal. See AR 5145.3 - Nondiscrimination/Harassment and AR 5145.7 - Sexual Harassment. If a site administrator not designated as a compliance officer receives a UCP complaint, the site administrator must notify a compliance officer. A district may also establish a site-level process for receiving informal reports about incidents for which a UCP complaint may be filed and notifying students and parents/guardians of their right to file a UCP complaint. Any site-level process established by a district should be in writing and distributed in the same manner as the grievance procedures listed herein with an explanation of how it interacts with the UCP complaint process.

UNIFORM COMPLAINT PROCEDURES (continued)

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

All complaints shall be filed in writing and signed by the complainant. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist in the filing of the complaint. (5 CCR 4600)

Complaints shall also be filed in accordance with the following rules, as applicable:

1. A complaint alleging district violation of applicable state or federal law or regulations governing the programs specified in the accompanying Board policy may be filed by any individual, public agency, or organization. (5 CCR 4630)

Note: Education Code 49013 and 52075 mandate districts to adopt procedures that allow for anonymous complaints to be filed when a district allegedly violates the prohibition against the charging of student fees or violates any requirement related to the LCAP.

2. Any complaint alleging noncompliance with law regarding the prohibition against student fees, deposits, and charges or any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance. A complaint about a violation of the prohibition against the charging of unlawful student fees may be filed with the principal of the school or with the Superintendent or designee.

Note: Pursuant to 5 CCR 4630, as amended by Register 2020, No. 21 , complaints related to the LCAP must be filed within a year of the date that the reviewing authority approves the district's LCAP. Pursuant to Education Code 52070, the County Superintendent of Schools is the reviewing authority for district LCAPs.

3. A UCP complaint, **except for a UCP complaint alleging unlawful discrimination, harassment, intimidation, or bullying**, shall be filed no later than one year from the date the alleged violation occurred. For complaints related to the LCAP, the date of the alleged violation is the date when the County Superintendent of Schools approves the LCAP that was adopted by the Board. (5 CCR 4630)
4. A complaint alleging unlawful discrimination, **(such as discriminatory harassment, intimidation, or bullying)** may be filed only by a person who alleges having personally suffered unlawful discrimination, a person who believes that any specific class of individuals has been subjected to unlawful discrimination, or a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying. **(5 CCR 4630)**
5. **The A** complaint **alleging unlawful discrimination, harassment, intimidation, or bullying** shall be initiated no later than six months from the date that the alleged

UNIFORM COMPLAINT PROCEDURES (continued)

unlawful discrimination occurred, or six months from the date that the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension. (5 CCR 4630)

- 5.6.** When a complaint alleging unlawful discrimination, ~~(such as discriminatory harassment, intimidation, or bullying)~~ is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.

Note: OCR's Revised Sexual Harassment Guidance indicates that if a complainant in a sexual harassment case requests that the complainant's name or that of the victim not be revealed to the alleged perpetrator or asks that the complaint not be pursued, the district should first inform the complainant that honoring the request may limit its ability to respond and pursue disciplinary action against the alleged perpetrator. The OCR publication acknowledges that situations may exist in which a district cannot honor a student's request for confidentiality, but cautions that, in all instances, the district must still continue to ensure that it provides a safe and nondiscriminatory environment for all students. Districts should consult legal counsel before honoring a confidentiality request to withhold the victim's name from the alleged perpetrator, especially in the case of alleged sexual assault. These guiding principles would also apply to harassment on the basis of race, gender, disability, or other protected characteristic.

- 6.7.** When ~~the a~~ complainant of unlawful discrimination, ~~(such as discriminatory harassment, intimidation, or bullying)~~ or the alleged victim, when not the complainant, requests confidentiality, the compliance officer shall inform the complainant or victim that the request may limit the district's ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, the district shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

Mediation

Note: The following section should be used only by those districts that have decided to establish procedures for attempting to resolve complaints through alternative dispute resolution procedures such as mediation; see the accompanying Board policy. **The following section may be modified to specify the alternative dispute resolution method and timelines used within the district.**

Within three business days after receiving the complaint, the compliance officer may informally discuss with all the parties the possibility of using mediation **to resolve the complaint**. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

UNIFORM COMPLAINT PROCEDURES (continued)

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination, ~~(such as discriminatory~~ harassment, intimidation, or bullying), the compliance officer shall ensure that all parties agree to ~~make the mediator a party to~~ **permit the mediator access to all** relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with an investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the district shall take only the actions agreed upon through the mediation. If mediation is unsuccessful, the district shall then continue with subsequent steps specified in this administrative regulation.

Investigation of Complaint

Note: 5 CCR 4631, which requires the district to provide the complainant with the opportunity to present relevant information, does not provide any timeline. Thus, **the timeline specified below may be modified to reflect district practice.**

Within 10 business days after the compliance officer receives the complaint, the compliance officer shall begin an investigation into the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or the complainant's representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

Note: In the investigation, the compliance officer should consider all relevant circumstances, such as how the **alleged** misconduct affected one or more students' education; the type, frequency, and duration of the misconduct; the identity, age, and sex of the individuals involved in and impacted by the conduct and the relationship between them; the number of persons engaged in the conduct and at whom the conduct was directed; the size of the school, location of the incidents, and context in which they occurred; and other incidents at the school involving different individuals.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. The compliance officer shall individually interview all available witnesses

UNIFORM COMPLAINT PROCEDURES (continued)

with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform **both the** parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination, **(such as discriminatory harassment, intimidation, or bullying)**, the compliance officer shall interview the alleged victim(s), any alleged offender(s), and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

Note: 5 CCR 4631 allows the district to dismiss a complaint when the complainant refuses to provide the investigator with relevant documents or otherwise obstructs the investigation. 5 CCR 4631 also provides that, if the district refuses to provide the investigator with access to records or other documents, the investigator may issue a finding in favor of the complainant. During the FPM process, CDE staff will check to ensure that both of these statements regarding the provision of access to information are included in the district's policy or procedures, as specified below.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or **engagement in** any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. **Similarly, a respondent's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in a finding, based on evidence collected, that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631) In accordance with law, the district shall provide the investigator with access to records and other information related to the allegation in the complaint and shall not in any way obstruct the investigation. Refusal by the district to provide the investigator with access to records and/or information related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or any other obstruction of the investigation Failure or refusal of the district to cooperate in the investigation** may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

Timeline for Investigation Report

Note: Pursuant to 5 CCR 4631, the district's investigation report must be sent to the complainant within 60 calendar days of receiving the complaint. Option 1 below is for districts that do not allow complainants to appeal the compliance officer's decision to the Governing Board. Option 2 is for districts that allow appeals to the Board, and it requires the compliance officer's decision within 30 calendar days so that the Board's decision can still be given within the 60-day time limit.

Pursuant to 5 CCR 4631, only a complainant has the right to receive the investigation report and to file a complaint with the Board if dissatisfied with the compliance officer's decision. However, OCR has

UNIFORM COMPLAINT PROCEDURES (continued)

recommended that the same rights be extended to a respondent to a complaint alleging unlawful discrimination to ensure the process is equitable for all involved. Furthermore, OCR recommends notifying the respondent in such a complaint whenever the complainant approves an extension of the timeline. Options 1 and 2 reflect these recommendations and may be modified to reflect district practice.

Pursuant to 5 CCR 4640, when a UCP complaint is erroneously sent to CDE without first being filed with the district, the 60-day period specified in 5 CCR 4631 begins when the district receives the complaint.

Unless extended by written agreement with the complainant, the investigation report shall be sent to the complainant within 60 calendar days of the district's receipt of the complaint. Within 30 calendar days of receiving the complaint, the compliance officer shall prepare and send to the complainant a written report, as described in the section "Investigation Report" below. If the complainant is dissatisfied with the compliance officer's decision, the complainant may, within five business days, file the complaint in writing with the Board.

The Board may consider the matter at its next regular Board meeting or at a special Board meeting convened in order to meet the 60-day time limit within which the complaint must be answered. When required by law, the matter shall be considered in closed session. The Board may decide not to hear the complaint, in which case the compliance officer's decision shall be final.

(cf. 9321 - Closed Session)

If the Board hears the complaint, the compliance officer shall send the Board's decision to the complainant within 60 calendar days of the district's initial receipt of the complaint or within the time period that has been specified in a written agreement with the complainant. (5 CCR 4631)

UNIFORM COMPLAINT PROCEDURES (continued)

For any complaint alleging unlawful discrimination, ~~(such as discriminatory~~ harassment, intimidation, and bullying), the respondent shall be informed of any extension of the timeline agreed to by the complainant, shall be sent the district's investigation report, and, in the same manner as the complainant, may file a complaint with the Board if dissatisfied with the decision.

Investigation Report

Note: 5 CCR 4631, ~~as amended by Register 2020, No. 21,~~ specifies components that ~~should~~ **are required** to be part of the district's investigation report. Inclusion of these items will help protect the district's position in case of an appeal to CDE, a complaint submitted to OCR, or if litigation is filed.

For all complaints, the district's investigation report shall include: (5 CCR 4631)

1. The findings of fact based on the evidence gathered
2. A conclusion providing a clear determination for each allegation as to whether the district is in compliance with the relevant law
3. Corrective action(s) whenever the district finds merit in the complaint, including, when required by law, a remedy to all affected students and parents/guardians and, for a student fees complaint, a remedy that complies with Education Code 49013 and 5 CCR 4600
4. Notice of the complainant's right to appeal the district's investigation report to CDE, except when the district has used the UCP to address a complaint not specified in 5 CCR 4610
5. Procedures to be followed for initiating an appeal to CDE

The investigation report may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

Note: The Family Educational Rights and Privacy Act (FERPA) (20 USC 1232g; 34 CFR 99.1-99.67) protects student privacy, including student records containing details of the actions taken in response to a UCP complaint. However, pursuant to 20 USC 1221, FERPA may not "be construed to affect the applicability of Title VI of the Civil Rights Act of 1964, Title IX of Education Amendments of 1972, Title V of the Rehabilitation Act of 1973, the Age Discrimination Act, or other statutes prohibiting discrimination, to any applicable program." In February 2015, the Family Policy Compliance Office (FPCO), now the Student Privacy Protection Office, released a letter concluding that FERPA permits a district to disclose to a student who was subjected to unlawful discrimination certain information about the sanctions imposed upon the ~~offender~~ **respondent** when the sanctions directly relate to that student. Thus, if properly remedying the impact of discrimination would require disclosing to the alleged victim certain information on how the district disciplined the ~~alleged student offender~~ **respondent** (e.g., an order that the

UNIFORM COMPLAINT PROCEDURES (continued)

alleged-offender respondent stay away from the alleged victim), FPCO interprets FERPA as allowing the district to disclose that information.

Given the potential liability from improperly disclosing such information, districts are advised to consult with legal counsel when presented with a situation where a victim of unlawful discrimination requests information about sanctions imposed upon the **offender-respondent**.

In consultation with district legal counsel, information about the relevant part of an investigation report may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the investigation report or are affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination, **(such as discriminatory harassment, intimidation, and bullying)**, notice of the investigation report to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.

Note: Education Code 48985 requires that reports sent to parents/guardians be written in their primary language when 15 percent or more of a school's enrolled students speak a single primary language other than English. ~~During the FPM process, CDE staff will check to ensure compliance with this requirement.~~ **During the FPM process, CDE staff will check to ensure that UCP complaint procedures pertaining to CSPP health and safety issues include a statement that the district response and the investigation report must, whenever Education Code 48985 is applicable, be written in English and the primary language in which the complaint was filed; see the section "Health and Safety Complaints in License-Exempt Preschool Programs" below. The following paragraph extends this provision to all types of complaints to ensure compliance with Education Code 48985. In addition, b**Based on Title VI of the Civil Rights Act of 1964, OCR requires districts to ensure meaningful access to all relevant UCP information for parents/guardians with limited English proficiency.

If the complaint involves a limited-English-proficient student or parent/guardian ~~and the student involved is enrolled in a school at which 15 percent or more of the students speak a single primary language other than English~~, then the **district's response, if requested by the complainant, and the investigation report shall also be translated into that language, pursuant to Education Code 48985. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency be written in English and the primary language in which the complaint was filed.**

Note: During the FPM process, CDE staff will expect to see a statement detailing a complainant's right to pursue civil law remedies (i.e., action in a court of law) in addition to or in conjunction with the right to pursue administrative remedies from CDE.

For complaints alleging unlawful discrimination, ~~based on state law (such as discriminatory harassment, intimidation, and bullying)~~ **based on state law**, the investigation report shall also include a notice to the complainant that:

1. The complainant may pursue available civil law remedies outside of the district's complaint procedures, including seeking assistance from mediation centers or public/private interest attorneys, 60 calendar days after the filing of an appeal with CDE. (Education Code 262.3)

UNIFORM COMPLAINT PROCEDURES (continued)

2. The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law. (Education Code 262.3)
3. Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or age may also be filed with the U.S. Department of Education, Office for Civil Rights at www.ed.gov/ocr within 180 days of the alleged discrimination.

Corrective Actions

Note: The following section may be revised to reflect district practice.

When a complaint is found to have merit, the compliance officer shall adopt any appropriate corrective action permitted by law. Appropriate corrective actions that focus on the larger school or district environment may include, but are not limited to, actions to reinforce district policies; training for faculty, staff, and students; updates to school policies; or school climate surveys.

(cf. 5137 - Positive School Climate)

For complaints involving retaliation or unlawful discrimination, ~~(such as discriminatory harassment, intimidation, or bullying)~~, appropriate remedies that may be offered to the victim but not communicated to the respondent may include, but are not limited to, the following:

1. Counseling

(cf. 6164.2 - Guidance/Counseling Services)

2. Academic support
3. Health services
4. Assignment of an escort to allow the victim to move safely about campus
5. Information regarding available resources and how to report similar incidents or retaliation
6. Separation of the victim from any other individuals involved, provided the separation does not penalize the victim
7. Restorative justice

UNIFORM COMPLAINT PROCEDURES (continued)

8. Follow-up inquiries to ensure that the conduct has stopped and there has been no retaliation

For complaints involving of retaliation or unlawful discrimination, ~~(such as discriminatory harassment, intimidation, or bullying)~~ involving a student as the respondent, appropriate corrective actions that focus on a student offender may be provided to the student may include, but are not limited to, the following:

1. Transfer from a class or school as permitted by law
2. Parent/guardian conference
3. Education regarding the impact of the conduct on others
4. Positive behavior support
5. Referral to a student success team

(cf. 6164.5 - Student Success Teams)

6. Denial of participation in extracurricular or cocurricular activities or other privileges as permitted by law

(cf. 6145 - Extracurricular and Cocurricular Activities)

7. Disciplinary action, such as suspension or expulsion, as permitted by law

(cf. 5144 - Discipline)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

When an employee is found to have committed retaliation or unlawful discrimination, ~~(such as discriminatory harassment, intimidation, or bullying)~~, the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

(cf. 4118 - Dismissal/Suspension/Disciplinary Action)

(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

The district may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination, ~~(such as discriminatory harassment, intimidation, or bullying)~~, that the district does not tolerate it, and how to report and respond to it.

UNIFORM COMPLAINT PROCEDURES (continued)

Note: Generally, when a complaint is found to have merit, an appropriate remedy is provided to the complainant or other affected person. However, in certain instances, the law may require a remedy to be provided to all affected persons, not just the complainant or subject of the complaint. For example, pursuant to Education Code 49013 and 5 CCR 4600, if the district, or CDE on appeal, finds merit in the complaint alleging noncompliance with the law regarding student fees and charges, the district is required to provide a remedy to all affected students and parents/guardians, as specified below. The same requirement applies to allegations of noncompliance with the LCAP requirements pursuant to Education Code 52075, **noncompliance with required instructional minutes for physical education pursuant to Education Code 51222 and 51223, and course periods without educational content pursuant to Education Code 51228.3.** Districts that do not maintain elementary schools should delete the reference to physical education below.

When a complaint is found to have merit, an appropriate remedy shall be provided to the complainant or other affected person.

However, if a complaint alleging noncompliance with the laws regarding student fees, deposits, and other charges, physical education instructional minutes, courses without educational content, or any requirement related to the LCAP is found to have merit, the district shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education. (Education Code 49013, 51222, 51223, **51228.3**, 52075)

For complaints alleging noncompliance with the laws regarding student fees, the district, **by engaging in reasonable efforts**, shall attempt in good faith, **by engaging in reasonable efforts**, to identify and fully reimburse all affected students and parents/guardians who paid the unlawful student fees within one year prior to the filing of the complaint. (Education Code 49013; 5 CCR 4600)

Appeals to the California Department of Education

~~Note: 5 CCR 4632 4633 provide that complainants may appeal to CDE if they disagree with the district's decision on any matter within the scope of the UCP, as provided below. As amended by Register 2020, No. 21, 5 CCR 4632 changes the timeline for filing an appeal to CDE from 15 calendar days to 30 calendar days.~~

Any complainant who is dissatisfied with the district's investigation report on a complaint regarding any specified federal or state educational program subject to UCP may file an appeal in writing with CDE within 30 calendar days of receiving the district's investigation report. (5 CCR 4632)

~~Note: 5 CCR 4632, as amended by Register 2020, No. 21, expands the bases upon which an appeal may be filed with CDE.~~

The appeal shall be sent to CDE with a copy of the original locally filed complaint and a copy of the district's investigation report for that complaint. The complainant shall specify and explain the basis for the appeal, including **as at** least one of the following: (5 CCR 4632)

UNIFORM COMPLAINT PROCEDURES (continued)

1. The district failed to follow its complaint procedures.
2. Relative to the allegations of the complaint, the district's investigation report lacks material findings of fact necessary to reach a conclusion of law.
3. The material findings of fact in the district's investigation report are not supported by substantial evidence.
4. The legal conclusion in the district's investigation report is inconsistent with the law.
5. In a case in which the district found noncompliance, the corrective actions fail to provide a proper remedy.

Note: 5 CCR 4633, ~~as amended by Register 2020, No. 21~~, requires the district to submit the following documents to CDE within 10 days after the district has been notified that an appeal has been filed. The district's failure to provide a timely and complete response may result in CDE ruling on the appeal without considering information from the district.

Upon notification by CDE that the district's investigation report has been appealed, the Superintendent or designee shall forward the following documents to CDE within 10 days of the date of notification: (5 CCR 4633)

1. A copy of the original complaint
2. A copy of the district's investigation report
3. A copy of the investigation file including, but not limited to, all notes, interviews, and documents submitted by the parties and gathered by the investigator
4. A report of any action taken to resolve the complaint
5. A copy of the district's UCP
6. Other relevant information requested by CDE

Note: Pursuant to 5 CCR 4632, as amended by Register 2020, No. 21, if CDE determines that the district's investigation report failed to address an allegation raised by the complaint and subject to the UCP process, CDE will notify the district and direct the district to investigate and address such allegation(s) as follows:

If notified by CDE that the district's investigation report failed to address allegation(s) raised by the complaint, the district shall, within 20 days of the notification, provide CDE and the appellant with an amended investigation report that addresses the allegation(s) that were not

UNIFORM COMPLAINT PROCEDURES (continued)

addressed in the original investigation report. The amended report shall also inform the appellant of the right to separately appeal the amended report with respect to the allegation(s) that were not addressed in the original report. (5 CCR 4632)

Note: Pursuant to 5 CCR 4633, CDE is required to issue a written decision regarding the appeal within 60 days of CDE's receipt of the appeal, unless extended by written agreement with the appellant or documentation by CDE of exceptional circumstances. Within 30 days of the appeal decision, either party may request reconsideration by the Superintendent of Public Instruction or designee.

Pursuant to 5 CCR 4650, CDE may directly intervene in a complaint without waiting for action by the district when certain conditions exist, including the following: (1) the complaint alleges failure to comply with the UCP, including failure to follow the required timelines and failure to implement the final investigation report; (2) the complainant requires anonymity due to the possibility of retaliation and would suffer immediate and irreparable harm if a complaint was filed and the complainant was named; or (3) the complainant would suffer immediate and irreparable harm as a result of an application of a districtwide policy that is in conflict with state or federal law and that filing a complaint would be futile.

Health and Safety Complaints in License-Exempt Preschool Programs

Note: The following section is for use by districts that operate any license-exempt CSPP program. Education Code 8235.5 **mandates** districts to adopt policies and procedures for resolving complaints regarding specified health and safety issues in a license-exempt CSPP program. Pursuant to Education Code 8235.5, the district must use the UCP, with modifications as necessary, to resolve such complaints. Pursuant to 5 CCR 4610, **as amended by Register 2020, No. 21**, such complaints must be addressed through the procedures described in 5 CCR 4690-4694.

See the accompanying exhibits for a sample classroom notice and complaint form.

Any complaint regarding health or safety issues in a license-exempt CSPP program shall be addressed through the procedures described in 5 CCR 4690-4694.

~~In each license-exempt CSPP classroom,~~ **In order to identify appropriate subjects of CSPP health and safety issues pursuant to Health and Safety Code 1596.7925,** a notice shall be posted **in each license-exempt CSPP classroom in the district** notifying parents/guardians, students, and teachers of the health and safety requirements of Title 5 regulations that apply to CSPP programs pursuant to Health and Safety Code 1596.7925 and the location at which to obtain a form to file any complaint alleging noncompliance with those requirements. **For this purpose, the Superintendent or designee may download and post a notice available from the CDE web site.** (Education Code 8235.5; 5 CCR ~~4690~~ **4691**)

The district's annual UCP notification distributed pursuant to 5 CCR 4622 shall clearly indicate which of its CSPP programs are operating as exempt from licensing and which CSPP programs are operating pursuant to requirements under Title 22 of the Code of Regulations. (5 CCR 4691)

UNIFORM COMPLAINT PROCEDURES (continued)

Any complaint regarding specified health or safety issues in a license-exempt CSPP program shall be filed with the preschool program administrator or designee, and may be filed anonymously. The complaint form shall specify the location for filing the complaint, **and shall contain a space to indicate whether the complainant desires a response to the complaint, and allow a complainant to add as much text as desired to explain the complaint.** (Education Code 8235.5; 5 CCR 4690)

If it is determined that the complaint is beyond the authority of the preschool program administrator, the matter shall be forwarded to the Superintendent or designee in a timely manner, not to exceed 10 working days, for resolution. **The preschool administrator or the Superintendent or designee shall make all reasonable efforts to investigate any complaint within their authority.** (Education Code 8235.5; 5 CCR 4692)

Investigation of a complaint regarding health or safety issues in a license-exempt CSPP program shall begin within 10 days of receipt of the complaint. (Education Code 8235.5; 5 CCR 4692)

The preschool administrator or designee shall remedy a valid complaint within a reasonable time period not to exceed 30 working days from the date the complaint was received. If the complainant has indicated on the complaint form a desire to receive a response to the complaint, the preschool administrator or Superintendent's designee shall, within 45 working days of the initial filing of the complaint, report the resolution of the complaint to the complainant and CDE's assigned field consultant. If the preschool administrator makes this report, the information shall be reported at the same time to the Superintendent or designee. (Education Code 8235.5; 5 CCR 4692)

Note: Education Code 48985 requires that reports sent to parents/guardians be written in their primary language when 15 percent or more of a school's enrolled students speak a single primary language other than English. During the FPM process, CDE staff will check to ensure compliance with this requirement. Based on Title VI of the Civil Rights Act of 1964, OCR requires districts to ensure meaningful access to all relevant UCP information for parents/guardians with limited English proficiency.

If a complaint regarding health or safety issues in a license-exempt CSPP program involves a limited-English-proficient student or parent/guardian, then the district's response, if requested by the complainant, and the investigation report shall be written in English and the primary language in which the complaint was filed.

If a complainant is not satisfied with the resolution of a complaint, the complainant has the right to describe the complaint to the Board at a regularly scheduled meeting and, within 30 days of the date of the written report, may file a written appeal of the district's decision to the Superintendent of Public Instruction in accordance with 5 CCR 4632. (Education Code 8235.5; 5 CCR 4693, 4694)

UNIFORM COMPLAINT PROCEDURES (continued)

All complaints and responses are public records. (5 CCR 4690)

(cf. 1340 - Access to District Records)

On a quarterly basis, the Superintendent or designee shall report summarized data on the nature and resolution of all CSPP health and safety complaints, including the number of complaints by general subject area with the number of resolved and unresolved complaints, to the Board at a regularly scheduled Board meeting and to the County Superintendent of Schools. CIVILITY

Note: The following policy is optional and may be revised to reflect district practice.

The Governing Board recognizes the impact that civility has on the effective operation of the district, including its role in creating a safe and positive school climate and enabling a focus on student well-being, learning, and achievement. The Board believes that each person should be treated with dignity and respect in their interactions within the school community.

(cf. 0415 - Equity)

(cf. 5137 - Positive School Climate)

Note: The First Amendment of the U.S. Constitution and Article 1, Section 2 of the California Constitution provide strong protection as to speech related to district business.

In addition, pursuant to Government Code 54954.3 and the court's decision in Baca v. Moreno Valley Unified School District, the Governing Board must not prohibit public criticism of district policies, procedures, programs, services, acts, omissions, or employees, even if the speech is clearly defamatory. See BB 9323 - Meeting Conduct. Pursuant to Government Code 54957.9 and the court's decisions in Norse v. City of Santa Cruz and City of San Jose v. Garbett, the Board is authorized to remove persons who willfully disrupt or disturb a meeting, provided that the action actually interferes with the proceedings of the meeting or poses a credible threat of violence that would place reasonable persons in fear for their safety or the safety of others.

Compared to community members, districts have greater authority to regulate the speech of district employees when they are acting in the scope of their employment with the district. Furthermore, court decisions have found that the First Amendment rights of public school students in the school setting are not necessarily the same as the rights of adults in other settings and must be applied in light of the special circumstances of the school environment. In Hazelwood School District v. Kuhlmeier, the U.S. Supreme Court ruled that when a school has not, by policy or practice, opened up a school-sponsored activity for unrestricted use by students, the school may limit student expression as long as its decision is reasonably related to "legitimate pedagogical concerns." See BP/AR 5145.2 - Freedom of Speech/Expression.

Districts should consult legal counsel before placing restrictions on employee, student, or community member speech/expression in an effort to maintain civility.

The Board understands that the First Amendment provides strong protection for speech. However, the Board expects that all speech and expression will comport with norms of civil behavior on district grounds, in district facilities, during district activities or events, and in the use of district electronic/digital systems and platforms.

(cf. 5145.2 - Freedom of Speech/Expression)

(cf. 9323 - Meeting Conduct)

CIVILITY (continued)

Note: The following optional paragraph reflects traits included in the definition of civil behavior provided by the National Council for the Social Studies Connected.

Civil behavior is polite, courteous, and reasonable behavior which is respectful to others and includes integrity, honesty, acceptance, timeliness, dependability, observance of laws and rules, and effective communication.

The Board and district staff shall model civil behavior as an example of behavior that is expected throughout the district. Practices that promote civil behavior include actively listening, giving full attention to the speaker, and refraining from interruptions; welcoming and encouraging participation, input, and feedback through stakeholder engagement; promptly responding to concerns; and embracing varying and diverse viewpoints. Such practices may be incorporated into governance standards adopted by the Board or Superintendent and/or professional standards or codes of conduct for employees as specified in district policies and regulations.

(cf. 4119.21/4219.21/4319.21 - Professional Standards)
(cf. 6164.2 - Guidance/Counseling Services)
(cf. 9005 - Governance Standards)

Students, staff, parents/guardians, and community members should be educated in the recognition, development, and demonstration of civil behavior. The Superintendent or designee may incorporate related concepts in the curriculum, provide staff development activities, and/or communicate this policy to the school community.

(cf. 4131 - Staff Development)
(cf. 4231 - Staff Development)
(cf. 4331 - Staff Development)

Students, staff, parents/guardians, and community members shall not communicate or behave in a manner that causes disruption; hinders the orderly conduct of district operations, the educational program, or any other district program or activity; or creates an unsafe learning or working environment. The Superintendent or designee may respond to disruptive, violent, or threatening behavior in accordance with law and as specified in BP/AR 3515.2 - Disruptions.

INTEGRATED WASTE MANAGEMENT

Note: The following policy may be revised to reflect district practice. Pursuant to Public Resources Code 42630, **districts and** schools are encouraged to assist cities and counties in meeting the solid waste diversion goals set by Public Resources Code 41780. ~~In addition, pursuant to Public Resources Code 42649.2, as added by AB 341 (Ch. 476, Statutes of 2011), businesses, including schools, that generate more than four cubic yards of solid waste per week are required to arrange for recycling services in accordance with law. Pursuant to Public Resources Code 42649.2 and 42649.81, businesses, including schools, are required to arrange for recycling services if the amount of solid or organic waste they produce meets the thresholds specified in law and the accompanying administrative regulation. CSBA Sample Administrative Regulation

Business and Noninstructional Operations

AR 3511.1(a)

INTEGRATED WASTE MANAGEMENT

Note: The following administrative regulation may be revised to reflect district practice.

For all applicable areas of district operations, the Superintendent or designee shall design an integrated waste management program that minimizes the generation of waste, encourages the recovery and diversion of reusable materials from the waste stream, improves efficiency in the utilization of natural and material resources, and protects the environment. The program shall implement measures and/or practices to:

1. Reduce the consumption of disposable materials, increase the composting of organic materials, and fully utilize all materials prior to disposal

(cf. 3510 - Green School Operations)

2. Recycle materials such as paper, glass, plastic, and aluminum

Note: Pursuant to Public Resources Code 42649.2, as added by AB 341 (Ch. 476, Statutes of 2011), any business, including a school, which generates more than four cubic yards of commercial solid waste per week (approximately the size of a 72 inch length, 51 inch width, and 56 inch rear height dumpster) is required to arrange for recycling services, to the extent that such services are available from a local provider, as stated in items a and b below. Commercial solid waste, as defined in 14 CCR 17225.12, means any type of solid waste generated by stores, offices, or other commercial sources.

Any school site or district facility which generates more than four cubic yards of commercial solid waste per week shall take at least one of the following actions: (Public Resources Code 42649.2; 14 CCR 17225.12)

- a. Source separate recyclable materials from solid waste and subscribe to a basic level of recycling service that may include collection, self-hauling, or other arrangements for the pickup of the recyclable materials
- b. Subscribe to a recycling service that may include mixed waste processing that yields diversion results comparable to source separation

Note: Pursuant to Public Resources Code 42642, the California Department of Resources Recycling and Recovery maintains on its web site a list of recycled and environmentally preferable products that may be used in the construction and modernization of school facilities.

3. Prefer recycled, **biodegradable**, and other environmentally preferable products when procuring materials for use in district schools and buildings or contracting for the construction or modernization of any district building

INTEGRATED WASTE MANAGEMENT (continued)

(cf. 3300 - Expenditures and Purchases)

(cf. 3311 - Bids)

(cf. 3312 - Contracts)

(cf. 7110 - Facilities Master Plan)

4. Work with city, county, or other government agencies to locate markets for the district's reusable and recyclable materials

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)

(cf. 7131 - Relations with Local Agencies)

5. Minimize the use of nonbiodegradable materials and work with vendors and contractors to use packaging and delivery materials that generate less waste

Recycling

Note: Pursuant to Public Resources Code 42649.2, as added by AB 341 (Ch. 476, Statutes of 2011), any business **or public entity**, including a school **or other district facility**, which generates ~~more than~~ four **or more** cubic yards of commercial solid waste per week (approximately the size of a 72-inch length, 51-inch width, and 56-inch rear height dumpster) is required to arrange for recycling services **in accordance with law**, to the extent that such services are available from a local provider, ~~as stated in items a and b below~~. Commercial solid waste, as defined in ~~14 CCR 17225.12~~ **Public Resources Code 42649.1**, means any type of solid waste generated by stores, offices, or other commercial **or public entity** source.

Any school site or district facility which generates ~~more than~~ four **or more** cubic yards of ~~commercial~~ solid waste per week shall take at least one of the following actions: (Public Resources Code **42649.1, 42649.2; 14 CCR 17225.12**)

1. Source separate recyclable materials from solid waste and subscribe to a basic level of recycling service that ~~may~~ includes collection, self-hauling, or other arrangements for the pickup of the recyclable materials
2. Subscribe to a recycling service ~~that~~ **which** may include mixed waste processing that yields diversion results comparable to source separation

Note: In September 2020, the California Department of Resources Recycling and Recovery (CalRecycle) determined, pursuant to Public Resources Code 42649.81, that the statewide disposal of organic waste has not been reduced to 50 percent of the 2014 level of disposal. Thus, any school facility that generates two or more cubic yards per week of solid waste is required to meet requirements pertaining to the recycling of organic waste as described below. CalRecycle's Frequently Asked Questions clarify that, for this purpose, the threshold applies to solid waste, recyclables, and organics.

CalRecycle also extended the exemption in Public Resources Code 42649.81 and 42649.83 for rural jurisdictions that adopt a resolution as specified. Districts in rural jurisdiction that have adopted such a resolution may delete the following paragraph.

INTEGRATED WASTE MANAGEMENT (continued)

Any school site or district facility which generates two or more cubic yards per week of solid waste, recyclables, and organics shall arrange for recycling services specifically for organic waste, including food waste, green waste, landscape and pruning waste, nonhazardous wood waste, and food-soiled paper waste that is mixed in with food waste. Such facilities shall take at least one of the following actions: (Public Resources Code 42649.8, 42649.81-42649.82, 42649.84)

1. Source separate organic waste from other waste and subscribe to a basic level of organic waste recycling service that includes collection and recycling of organic waste
2. Recycle organic waste onsite or self-haul organic waste for recycling
3. Subscribe to an organic waste recycling service that may include mixed waste processing that specifically recycles organic waste
4. Make other arrangements to sell or donate recyclable organic waste materials

Note: Public Resources Code 42649.2 and 42649.81 require a school or other district facility that generates at least four cubic yards of solid waste or two cubic yards of organic waste per week to provide recycling bins or containers to collect material purchased on the premises. According to CalRecycle's school poster, Recycling and Organics Recycling Guide for Schools, bins or containers must be placed where material is purchased on the premises for immediate consumption, such as areas where food is consumed.

Any school site or district facility that meets the above thresholds for solid or organic waste shall place a recycling bin or container for solid or organic waste, as applicable, in areas where food or other materials are purchased at the facility for immediate consumption. The recycling bin or container shall be: (Public Resources Code 42649.2, 42649.81)

1. Adjacent to each bin or container for nonrecyclable trash, except in restrooms
2. Visible and easily accessible

Note: Public Resources Code 42649.2 and 42649.81 require that each recycling bin or container be clearly marked with educational signage indicating what is appropriate to place in the bin or container. CalRecycle provides customizable signage for this purpose on its web site, or districts may contact their local government or waste hauler for signage.

3. Clearly marked with educational signage indicating appropriate items to be placed in the recycling bin or container in accordance with state law and the local jurisdiction's waste ordinances and practices

Board Policy

Business and Noninstructional Operations

BP 3515.31(a)

SCHOOL RESOURCE OFFICERS

Note: The following optional policy is for use by districts that choose to employ school resource officers (SROs) or enter into an agreement with local law enforcement for the purpose of providing SROs on school campuses and/or at school activities. 34 USC 10389 defines an SRO as a law enforcement officer with sworn authority who is assigned by the agency to work in collaboration with schools to (1) address crime and disorder problems, gangs, and drug activities affecting or occurring in or around a school; (2) develop or expand crime prevention efforts for students; (3) educate likely school-age victims in crime prevention and safety; (4) develop or expand community justice initiatives for students; (5) train students in conflict resolution, restorative justice, and crime awareness; (6) assist in the identification of physical changes in the environment that may reduce crime in and around the school; and (7) assist in developing school policy that addresses crime and recommend procedural changes.

Requirements for districts that choose to establish their own police or security department are addressed in BP/AR 3515.3 - District Police/Security Department.

Education Code 38000, as amended by SB 98 (Ch. 24, Statutes of 2020), expresses legislative intent to encourage districts to redirect resources currently allocated to contracts with local law enforcement or the maintenance of district police departments into student support services (e.g., mental health services) and professional development on cultural competency and restorative justice, if found to be a more appropriate use of resources based on student and school needs.

The Governing Board is committed to protecting the safety of students and staff and the security of district property. The district shall develop a multi-tiered approach focused on the prevention of school violence and crime and the development of a positive school culture, which may include providing mental health services and other student support services, implementing restorative justice practices, implementing professional development addressing cultural competency, and employing and/or contracting with a law enforcement agency to provide school resource officers (SROs) on school campuses and/or school activities.

In order to reduce unnecessary law enforcement interactions with students, the Superintendent or designee shall provide training to school staff regarding the role of SROs and the appropriate circumstances for contacting such officers.

(cf. 5142.1 - Identification and Reporting of Missing Children)

(cf. 5145.11 - Questioning and Apprehension by Law Enforcement)

(cf. 5145.12 - Search and Seizure)

Note: The following paragraphs are for use by districts that contract with local law enforcement for the provision of SROs and may be revised to reflect district practice. If the district decides to contract for SROs, the district should enter into a memorandum of understanding (MOU) that clearly defines roles, responsibilities, and expectations for the district, school site, law enforcement agency, and individual officers. For further information, see the Memorandum of Understanding Fact Sheet issued by the U.S. Department of Justice's Office of Community Oriented Policing Services (COPS). In addition, sample MOUs are available on the National Association of School Resource Officers (NASRO) web site.

Agencies that receive grant funding from COPS to deploy SROs to school districts are subject to specified requirements, including, but not limited to, requirements to establish an MOU, ensure that SROs complete a basic training course no later than nine months after being notified of the grant award, and assign SROs to work in and around schools for at least 75 percent of the calendar year or 100 percent of the time during the school year, depending on the agreement between the agency and school district. See the COPS web site for information about this grant program.

The Board shall approve a memorandum of understanding (MOU) with the local law enforcement agency which includes, at a minimum:

- 1. The purpose of the agreement**
- 2. A clear definition of the roles and responsibilities of the district, school site, law enforcement agency, and SROs, including responsibility for supervision of the SRO**
- 3. The extent to which information will be shared between the district and law enforcement agency consistent with state and federal laws**
- 4. Requirements for qualifications and training of SROs**
- 5. Assigned hours of SRO duty in and around schools**
- 6. Performance monitoring**

The Board may expand on the above requirements to include more specific terms, such as acknowledgement of nondiscrimination requirements, training focused on eliminating

SCHOOL RESOURCE OFFICERS (continued)

disproportionalities in SRO contacts with students, and staffing of an SRO position when the assigned SRO is on leave.

Duties

SROs are duly sworn peace officers who are authorized to carry out their duties pursuant to state law.

Note: The following paragraph reflects a recommendation of the U.S. Department of Education's Guiding Principles: A Resource Guide for Improving School Climate and Discipline that educators, rather than police or security officers, should handle student discipline issues. Law enforcement agencies that receive grant funding through COPS are required to include a statement in their MOU that SROs will not be responsible for requests to resolve routine student discipline problems; see COPS' Memorandum of Understanding Fact Sheet.

Job duties of the SRO shall not include the handling of student code of conduct violations or routine student disciplinary matters that should be addressed by school administrators, or conduct that would be better addressed by mental health professionals.

(cf. 5144 - Discipline)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

Note: Pursuant to Government Code 7286, law enforcement agencies are required to establish policy that provides a minimum standard on the use of force, with specified components. In addition, pursuant to Penal Code 13651, as added by AB 846 (Ch. 322, Statutes of 2020), an agency that employs peace officers is required to review the job description that is used in recruitment and hiring and make changes that emphasize community-based policing, familiarization between law enforcement and community residents, and collaborative problem solving while de-emphasizing the paramilitary aspects of the job. Although these requirements are the responsibility of the law enforcement agency, not a district that contracts with a law enforcement agency for SROs, it is important that the district is aware of the expectations regarding use of force.

SROs shall be expected to collaborate with district staff in problem solving and, when circumstances warrant intervention with students, to use positive and restorative approaches in accordance with Penal Code 13651. SROs shall use tactics such as de-escalation techniques to mitigate the use of force in an educational setting and shall strictly adhere to the policy on minimum use of force pursuant to Government Code 7286.

When approved by the Superintendent or designee, an SRO may provide classroom presentations and/or parent/guardian education pertaining to safety issues and may link students, parents/guardians, and staff with resources and services.

SCHOOL RESOURCE OFFICERS (continued)

Qualifications of Officers

Note: NASRO recommends that the selection, training, and supervision of SROs comport with NASRO's Standards and Best Practices for School Resource Officers and that SROs receive at least 40 hours of specialized training in school policing before beginning their assignment. NASRO offers training on adolescent development, trauma-informed investigations, crisis intervention and de-escalation, threat assessment, and active shooter situations.

In addition, Government Code 7286 requires that the law enforcement agency's use of force policy address training regarding the policy, including (1) training standards and requirements related to demonstrated knowledge and understanding of the agency's use of force policy; (2) training and guidelines regarding vulnerable populations, including, but not limited to, children, elderly persons, people who are pregnant, and people with physical, mental, and developmental disabilities; and (3) minimum training and course titles required to meet the objectives in the use of force policy.

Prior to beginning their assignment when possible, SROs shall complete specialized training in school policing, the unique experiences of the diverse populations within the school community, and the law enforcement agency's use of force policy.

Nondiscrimination

SROs shall not discriminate against or treat any person differently on the basis race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information; a perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

(cf. 0415 - Equity)

The Superintendent or designee shall periodically report to the Board disaggregated data on student interactions with SROs to evaluate the appropriateness of such interactions and ensure compliance with the prohibition against nondiscrimination. Such reports may include the number of arrests and referrals for prosecution, the number of reports provided to the school or district regarding student misconduct, or other actions taken by SROs with respect to individual students or others on campus.

As necessary, the Superintendent or designee shall develop and implement practices to prevent disproportionality of student interactions with SROs based on student characteristics and to minimize the potential for referrals of students into the juvenile justice system.

SCHOOL RESOURCE OFFICERS (continued)

Access to Records

SROs shall not have access to student records, nor release student information to another person, agency, or organization, without written permission from the parent/guardian or adult student, unless specifically allowed or required by state or federal law. (Education Code 49076; 34 CFR 99.1)

SROs shall not solicit or collect information or documents regarding the citizenship or immigration status of students or their family members or provide assistance with immigration enforcement at district schools, except as may be required by state and/or federal law. (Education Code 234.7)

DRUG AND ALCOHOL TESTING FOR SCHOOL BUS DRIVERS

4312.42

Note: State and federal law (Vehicle Code 34520; 49 CFR 382.101-382.605) require that any district employing school bus drivers establish a drug and alcohol testing program, with specified components, applicable to bus drivers and any other drivers of a commercial motor vehicle weighing over 26,000 pounds or designed to transport 16 or more passengers including the driver. All testing must be conducted in accordance with 49 CFR 40.1-40.413. For further information, see the web sites of the U.S. Department of Transportation (DOT) and the California Highway Patrol (CHP).

In addition, Vehicle Code 34520.3 requires **individuals employed as** drivers of **other** school transportation vehicles (i.e., vehicles that are not school buses, student activity buses, or youth buses and are used by the district for the primary purpose of transporting children), such as a van, to participate in the testing program to the same extent as required by law for school bus drivers. ~~The Legislative Counsel has issued an opinion that Vehicle Code 34520.3 applies only to employees whose primary job is transportation.~~ The district should consult legal counsel as necessary to determine applicability of this law to district employees.

The district's drug and alcohol testing program is subject to compliance inspections conducted by the CHP. It is recommended that the district review the CHP's Controlled Substances and Alcohol Testing Compliance Checklist to assess whether its program fulfills legal requirements.

The Governing Board desires to ensure that district-provided transportation is safe for students, staff, and the public. To that end, the Superintendent or designee shall establish a drug and alcohol testing program designed to prevent the operation of buses or the performance of other safety-sensitive functions by a driver who is under the influence of drugs or alcohol, including a driver of a school bus, student activity bus, or other school transportation vehicle or any other employee who holds a commercial driver's license which is necessary to perform duties related to district employment.

(cf. 3540 - Transportation)

(cf. 3542 - School Bus Drivers)

(cf. 4020 - Drug and Alcohol-Free Workplace)

(cf. 4112.41/4212.41/4312.41 - Employee Drug Testing)

A driver shall not report for duty or remain on duty when **he/she the driver** has used any drug listed in 21 CFR 1308.11. A driver is also prohibited from reporting for duty or remaining on duty when **he/she the driver** has used any drug listed in 21 CFR 1308.12-1308.15, unless **he/she the driver** is using the drug under the direction of a physician who has advised **him/her the driver** that the substance will not adversely affect the driver's ability to safely operate a bus. **(49 CFR 382.213)**

In addition, a driver shall not consume alcohol while on duty **and/or performing safety-sensitive functions**, or for four hours prior to on-duty time. (49 CFR **382.201-382.209, 382.213-382.205, 382.207**)

DRUG AND ALCOHOL TESTING FOR SCHOOL BUS DRIVERS (continued)

Note: 49 USC 31306 and 49 CFR 382.301-382.311 require that certain types of tests be part of the district's drug and alcohol testing program. See the accompanying administrative regulation for requirements applicable to each test.

Pursuant to 49 CFR 382.301, the district may, but is not required to, conduct pre-employment alcohol testing. The following paragraph should be revised by districts that choose to conduct such testing.

Drivers shall submit to drug and alcohol testing as required under federal law and specified in the accompanying administrative regulation. The district's testing program for drivers shall include pre-employment drug testing and reasonable suspicion, random, post-accident, return-to-duty, and follow-up drug and alcohol testing of drivers. (49 USC 31306; 49 CFR 382.301-382.311)

Note: Pursuant to 49 CFR 40.11, districts are responsible for implementing the drug and alcohol testing program. They may do this using their own employees, contracting for services, or joining together in a consortium with other employers. The following **optional** paragraph provides that the district will contract for such services and may be revised by districts that use alternative methods.

The Board shall contract for testing services upon verifying that the personnel are appropriately qualified and/or certified and that testing procedures conform to federal regulations.

Except as otherwise provided by law, the Superintendent or designee shall not release individual test results or medical information about a driver to a third party without the driver's specific written consent. (49 CFR 40.321)

Consequences Based on Test Results

No driver shall be temporarily removed from the performance of safety-sensitive functions based only on a laboratory report of a confirmed positive test **for a drug or drug metabolite** before the certified medical review officer has completed verification of the test results, unless the district has obtained a waiver **from the Federal Motor Carrier Safety Administration**. (49 CFR 40.3, 40.21, 382.107, 382.119)

Any driver **for whom the district receives a verified positive drug test result who refuses to take a required drug or alcohol test, tests positive for drugs, or who** is found to have a blood alcohol concentration level **that exceeds the levels specified in law of 0.04 or higher** shall be **immediately** removed from performing safety-sensitive functions in accordance with 49 CFR 40.23 and 382.211. **An alcohol concentration between 0.02 and 0.04 requires temporary removal of the bus driver for a 24-hour period following the test. Any driver who refuses to take a required drug or alcohol test shall not be permitted to perform or continue to perform safety-sensitive functions.** (49 CFR 40.23, 382.211)

DRUG AND ALCOHOL TESTING FOR SCHOOL BUS DRIVERS (continued)

Note: Pursuant to 49 CFR 40.21 and 382.119, before temporarily removing a driver from safety sensitive functions, the district must receive verification of the test results from a licensed physician certified as a medical review officer, unless a waiver of this requirement has been obtained from the Federal Motor Carrier Safety Administration.

No driver shall be temporarily removed from the performance of safety sensitive functions based only on a laboratory report of a confirmed positive test before the certified medical review officer has completed verification of the test results, unless the district has obtained a waiver. (49 CFR 40.21, 382.107, 382.119)

Not later than five days after receiving notification of the test result or refusal to comply, the Superintendent or designee shall report any refusal, failure to comply, or positive test result to the California Department of Motor Vehicles (DMV) using a form approved by the DMV. (Vehicle Code 13376)

A driver who has violated federal drug and alcohol regulations may be subject to disciplinary action up to and including dismissal in accordance with law, administrative regulations, and the district's collective bargaining agreement.

Note: Pursuant to Vehicle Code 13376, upon receiving a report of a driver's refusal, failure to comply, or positive test result, the California Department of Motor Vehicles will revoke the driver certificate or refuse to approve an initial application for a certificate. An exception exists for a driver who complies with a rehabilitation or return-to-duty program that meets the requirements of federal regulations. For purposes of retaining a his/her certificate, the driver may participate in such a program only once within a three-year period.

The following paragraph is **optional**. Pursuant to 49 CFR 40.289, the district is not required to provide education and treatment services to any driver. However, if the district offers the driver an opportunity to return to work following a violation, then it must ensure that the driver receives an evaluation by a qualified substance abuse professional and successfully complies with the evaluation recommendations. Responsibility for payment for evaluation and services is to be determined by the district and driver and may be governed by a collective bargaining agreement and health care benefits.

Any driver who refuses, fails to comply, or has a positive test result may be referred to an education and treatment program that meets the requirements of 49 CFR 40.281-40.313. Any driver provided with an opportunity to return to a safety-sensitive duty following a violation shall be evaluated by a qualified substance abuse professional and complete the evaluation recommendations before returning to such duty. (49 CFR 40.289)

DRUG AND ALCOHOL TESTING FOR SCHOOL BUS DRIVERS (continued)

If the substance abuse professional recommends that **further and** ongoing services are needed to assist the driver to maintain sobriety or abstinence from drug use, the Superintendent or designee shall require the driver to participate in the recommended services as part of a return-to-duty agreement and shall monitor **his/her the driver's** compliance. Any drop from a rehabilitation or return-to-duty program or a subsequent positive test result shall be reported to the DMV. (Vehicle Code 13376; 49 CFR 40.285, 40.287, 40.303, 382.605)

Voluntary Self-Identification

Note: The following section is for use by districts that choose to establish a voluntary self-identification policy or program, pursuant to 49 CFR 382.121, which relieves drivers who admit alcohol or drug misuse from the federal requirements for referral, evaluation, and treatment contained in 49 CFR 40.281-40.313. If the district chooses to establish such a program, it is **mandated** to adopt a written policy containing the provisions specified in items #1-3 below. Pursuant to 49 CFR 382.121, the district's program may also include employee monitoring and non-DOT follow-up testing. If the district chooses to incorporate these elements, it should add them to this list.

Whenever a driver admits to alcohol or drug misuse under the district's voluntary self-identification program, the Superintendent or designee shall ensure all of the following: (49 CFR 382.121)

1. No adverse action shall be taken against the driver by the district.
2. The driver shall be allowed sufficient opportunity to seek evaluation, education, or treatment to establish control over **his/her the** drug or alcohol problem.
3. The driver shall be permitted to participate in safety-sensitive functions only after:

DRUG AND ALCOHOL TESTING FOR SCHOOL BUS DRIVERS (continued)

- a. Successfully completing an education or treatment program, as determined by a drug and alcohol abuse evaluation expert, such as an employee assistance professional, substance abuse professional, or qualified drug and alcohol counselor
- b. Undergoing a return-to-duty test with a result indicating an alcohol concentration of less than 0.02 and/or a verified negative result for drug use

A driver who admits to alcohol or drug misuse shall not be subject to federal requirements related to referral, evaluation, and treatment, provided that ~~he/she~~ **the driver** does not self-identify in order to avoid drug or alcohol testing, makes the admission prior to performing a safety-sensitive function, and does not perform a safety-sensitive function until ~~he/she~~ **the driver** has been evaluated and has successfully completed education or treatment requirements in accordance with program guidelines. Administrative Regulation

AR 4112.42(a)

4212.42

DRUG AND ALCOHOL TESTING FOR SCHOOL BUS DRIVERS

4312.42

Note: The following administrative regulation reflects state and federal requirements (Vehicle Code 34520; 49 CFR 40.1-40.413, 382.101-382.605) for drug and alcohol testing of school bus drivers, including pre-employment, post-accident, random, reasonable suspicion, return-to-duty, and follow-up testing. Pursuant to 49 CFR 40.27, the district must not require a driver to sign a consent, release, waiver of liability, or indemnification agreement with respect to any part of the drug or alcohol testing process.

Definitions

Note: Regardless of state medical or recreational marijuana laws, marijuana remains an illegal drug under the Controlled Substances Act and use of it by a driver remains a violation of federal drug testing regulations.

For purposes of drug testing required by the U.S. Department of Transportation (DOT), **drugs included in the tests are** marijuana, cocaine, amphetamines, phencyclidine (PCP), and **opioids opiates**. (49 CFR 40.3, 40.85, 382.107)

Alcohol concentration ~~or level~~ **(or content)** means the alcohol in a volume of breath expressed in terms of grams of alcohol per 210 liters of breath **as indicated by an evidential breath test**. ~~For purposes of the DOT alcohol testing program, an alcohol level between 0.02 and 0.04 requires removal of the bus driver for a 24-hour period following the test. An alcohol level of 0.04 or higher requires immediate removal of the driver from performing safety-sensitive functions until the driver has successfully completed the return-to-duty process.~~ (49 CFR **40.3**, 382.107, ~~382.201, 382.505~~)

Safety-sensitive function means all time from the time ~~he/she~~ **the driver** begins to work or is required to be in readiness to work until the time the driver is relieved from work and all responsibility for performing work. Safety-sensitive functions include, but are not limited to, all time driving or otherwise in the bus **or other school transportation vehicle**; waiting at a district facility to be dispatched; inspecting, servicing, or conditioning the **bus vehicle** or **bus vehicle** equipment; loading or unloading the **bus vehicle**; supervising or assisting in the loading or unloading of the **bus vehicle**; and repairing, obtaining assistance, or remaining in attendance upon a disabled **bus vehicle**. Designated Employer Representative

Note: 49 CFR 40.35 and 40.215 require the district to identify a "designated employer representative" to perform the duties specified in 49 CFR 40.3. The following paragraph may be revised to reflect the title of the employee so designated.

The Superintendent or designee shall identify a designated employer representative **who is authorized to take immediate action to remove drivers from safety-sensitive functions and to make required decisions in the testing and evaluation processes. The designated employer representative shall also be responsible for receiving test results and other communications. The name and telephone number of the designated employer representative shall be provided** ~~and shall provide his/her name and telephone number~~ to the testing contractor to contact about any problems or issues that may arise during the testing process. (49 CFR 40.35, 40.215)

Pre-employment Testing

Note: Pursuant to 49 CFR 382.701, districts are required to conduct a pre-employment query using the Commercial Driver's License Drug and Alcohol Clearinghouse's online database, available on its web site, to obtain information about an applicant. Pursuant to 49 CFR 40.25 and 382.413, districts must also, until January 6, 2023, continue to request a driver's drug and alcohol testing record from any employer who has employed the driver during the previous three years.

When hiring a new driver, the Superintendent or designee shall, with the driver's written consent, **conduct a pre-employment query using the Commercial Driver's License Drug and Alcohol Clearinghouse to obtain information about whether the driver has committed a violation of federal drug or alcohol regulations. (49 CFR 382.701)**

The Superintendent or designee shall also, with the driver's consent, request the driver's past drug and alcohol testing record, as specified in 49 CFR 40.25 and **382.413**, from any employer who has employed the driver at any time during the previous ~~two~~ **three** years. **To the extent practicable, the Superintendent or designee shall obtain and review such information before the driver first performs safety-sensitive functions.** In addition, the Superintendent or designee shall ask the driver if ~~he/she tested~~ **there was a** positive **test**, or ~~refused a refusal~~ to test, on any pre-employment drug or alcohol test that was administered during the past two years in the course of applying for another safety-sensitive transportation position ~~that he/she did not obtain~~ **was not obtained. (49 CFR 40.25, 382.413)**

The driver shall not be permitted to perform safety-sensitive functions if ~~he/she~~ **the driver** refuses to provide consent to obtain the information from previous employers **or from the Clearinghouse;** the information from previous employers is not received within 30 days of

DRUG AND ALCOHOL TESTING FOR SCHOOL BUS DRIVERS (continued)

the date on which the driver first performed safety-sensitive functions for the district⁵; or the driver, **the Clearinghouse**, or a previous employer reports a violation of a drug or alcohol regulation without subsequent completion of the return-to-duty process. (49 CFR 40.25, 382.413, **382.701, 382.703**)

~~Upon making a contingent offer of employment to a driver and prior to the first time the driver performs safety sensitive functions for the district, the Superintendent or designee shall require the~~ **A driver whom the district intends to hire or use shall** ~~to~~ undergo testing for drugs and ~~to receive a verified negative test result prior to the first time the driver performs safety-sensitive functions for the district.~~ This testing requirement may be waived if all of the following conditions exist: (49 CFR 382.301)

1. The driver has participated in a qualified drug testing program within the previous 30 days.
2. While participating in the program, the driver either was tested within the past six months **from the date of application** or participated in a random drug testing program for the previous 12 months **from the date of application**.
- ~~3. The Superintendent or designee has contacted the testing program(s) in which the driver has participated and has obtained information about the program and the driver's participation as specified in 49 CFR 382.301.~~
- 34.** No prior employer of the driver of whom the district has knowledge has records of the driver's violation of federal drug testing regulations within the previous six months.

The Superintendent or designee **shall contact** ~~has contacted~~ the testing program(s) in which the driver has participated and **obtain** ~~has obtained~~ information about the program and the driver's participation as specified in 49 CFR 382.301.

Note: The following optional paragraph is for use by districts that choose to conduct pre-employment alcohol testing; see the accompanying Board policy. Pursuant to 49 CFR 382.301, pre-employment alcohol testing is not required but, if the district chooses to conduct such testing, it must comply with the following requirements.

In addition, the Superintendent or designee shall require the driver to undergo pre-employment alcohol testing in accordance with the procedures in 49 CFR 40.1-40.605 and to receive a test result indicating an alcohol concentration **level** of less than 0.04. (49 CFR 382.301)

DRUG AND ALCOHOL TESTING FOR SCHOOL BUS DRIVERS (continued)

Post-Accident Testing

As soon as practicable following an accident involving a school bus or student activity bus, the Superintendent or designee shall ensure that the driver involved is tested for alcohol and/or drugs under either of the following conditions: (49 CFR 382.303)

1. The accident involved loss of human life.
2. The driver receives a citation for a moving traffic violation **within eight hours of the accident** and the accident involved bodily injury to a person who required immediate medical treatment away from the scene of the accident and/or disabling damage to one or more vehicles requiring towing.

The Superintendent or designee shall attempt to administer a required alcohol test up to eight hours following the accident and/or a drug test up to 32 hours following the accident. The results of an alcohol or drug test conducted by federal, state, or local officials having independent authority for the test shall be considered to meet this requirement. If the alcohol test is not administered within two hours following the accident, or the test for drugs is not administered within 32 hours following the accident, the Superintendent or designee shall make a record stating the reasons the test was not promptly administered. (49 CFR 382.303)

No driver required to take a post-accident alcohol test pursuant to 49 CFR 382.303 shall use alcohol for eight hours following the accident or until the driver undergoes a post-accident alcohol test, whichever occurs first. (49 CFR 382.209)

Random Testing

Note: The district may revise the following paragraph to specify the method by which it will select drivers for random drug and alcohol testing. Pursuant to 49 CFR 382.305, the district must randomly select drivers for testing using a scientifically valid method such as a random number table or a computer-based random number generator that is matched with drivers' Social Security numbers, payroll identification numbers, or other comparable identifying numbers. Pursuant to 49 CFR 40.347, the district may contract with a third-party administrator or join a consortium of employers to operate the random selection process.

The Superintendent or designee shall ensure that random, unannounced drug and alcohol tests of bus drivers are conducted on testing dates reasonably spread throughout the year.

Such tests shall be **unannounced and** conducted during, immediately before, or immediately after the performance of safety-sensitive functions. (49 CFR 382.305)

DRUG AND ALCOHOL TESTING FOR SCHOOL BUS DRIVERS (continued)

Note: Pursuant to 49 CFR 382.305, the district must annually test at least 10 percent of district drivers for alcohol and at least **25 50** percent for drugs. However, the minimum required percentage is subject to change as determined necessary by the Federal Motor Carrier Safety Administration (FMCSA). Any such change will be published in the Federal Register and on the FMCSA's web site and will be effective starting January 1 following such publication. **For 2018, the minimum percentage rates remain at 10 percent for alcohol and 25 percent for controlled substances.**

The Superintendent or designee shall ensure that the percentage of district drivers randomly tested for drugs and alcohol meets or exceeds the minimum annual percentage rates specified in 49 CFR 382.305 or subsequently published in the Federal Register.

Each driver selected for random testing shall have an equal chance of being tested each time selections are made. (49 CFR 382.305)

Each driver who is selected for testing shall proceed to the test site immediately or, if performing a safety-sensitive function other than driving a bus, then as soon as possible after ceasing that function. (49 CFR 382.305)

Reasonable Suspicion Testing

Note: The following section may be revised to reflect the position (e.g., driver's supervisor or other district employee) authorized and trained to make observations for reasonable suspicion drug or alcohol testing.

A driver shall be required to submit to a drug or alcohol test whenever the Superintendent or designee has reasonable suspicion that the driver has violated the prohibitions against the use of drugs or alcohol. Such reasonable suspicion shall be based on specific, contemporaneous, articulable observations, conducted during, immediately before, or immediately after the performance of safety-sensitive functions, concerning the driver's appearance, behavior, speech, and/or body odors. Reasonable suspicion of drug use may also include indications of the chronic and withdrawal effects of drugs. (49 CFR 382.307)

The person who makes the required observations for reasonable suspicion testing for drugs or alcohol shall be trained in accordance with 49 CFR 382.603. The person who makes the determination that reasonable suspicion exists to conduct an alcohol test shall not be the same person who conducts the alcohol test. (49 CFR 382.307)

Within 24 hours of the observed behavior or before the results of the drug or alcohol test are released, whichever is earlier, ~~the Superintendent or designee shall prepare and sign~~ a written record of the observations leading to a reasonable suspicion test **shall be made and signed by the person who made the observations.** (49 CFR 382.307)

DRUG AND ALCOHOL TESTING FOR SCHOOL BUS DRIVERS (continued)

An alcohol test required as a result of reasonable suspicion shall be administered within eight hours following the determination of reasonable suspicion. If the test is not administered within two hours, the Superintendent or designee shall prepare and maintain on file a record stating the reasons the test was not promptly administered. (49 CFR 382.307)

In the absence of a reasonable suspicion alcohol test, the district shall take no action against a driver based solely on the driver's behavior and appearance, except that the driver shall not be allowed to report for or remain on safety-sensitive functions until an alcohol test is administered and the results show a concentration less than 0.02 or 24 hours have elapsed following the determination of reasonable suspicion. (49 CFR 382.307)

Return-to-Duty Testing

Note: Pursuant to 49 CFR 40.305, the district may return a driver to safety-sensitive functions after **he/she the driver** completes required education and treatment services as described in the accompanying Board policy and a return-to-duty drug or alcohol test. Such personnel decisions may be subject to collective bargaining or other legal requirements.

The Superintendent or designee may permit a driver who has violated federal drug or alcohol regulations to return to safety-sensitive functions after the driver has successfully complied with the education and treatment services prescribed by a substance abuse professional and has **a** taken a return-to-duty drug or alcohol test. The driver shall not resume performance of safety-sensitive functions unless the drug test shows a negative result and/or the alcohol test shows a concentration of less than 0.02. (49 CFR 40.305, 382.309)

Follow-Up Testing

Note: Pursuant to 49 CFR 40.307, after a driver successfully complies with education and treatment services, the substance abuse professional will prescribe a follow-up testing plan and will present that plan to the designated employer representative. The plan must direct that the driver be subject to at least six unannounced follow-up tests in the first 12 months following the driver's return to safety-sensitive functions.

Upon receiving a written follow-up testing plan from a substance abuse professional, the Superintendent or designee shall determine the actual dates for follow-up testing consistent with those recommendations and shall ensure that such tests are unannounced and follow no discernable pattern as to their timing. No additional tests beyond those included in the plan shall be imposed by the district. (49 CFR 40.307-40.309, 382.111)

Mandatory Reporting and Annual Queries to the Drug and Alcohol Clearinghouse

DRUG AND ALCOHOL TESTING FOR SCHOOL BUS DRIVERS (continued)

The Superintendent or designee shall report to the Clearinghouse any violation of federal drug and alcohol regulations, any refusal to test, and other required information by the close of the third business day following the date on which the information was obtained. (49 CFR 382.705)

The Superintendent or designee shall conduct a query using the Clearinghouse at least once a year for all drivers to determine whether information exists in the Clearinghouse about the drivers. (49 CFR 382.701)

In lieu of a full query, the Superintendent or designee may obtain the individual driver's consent to conduct a limited query that is effective for more than one year and informs the district about whether there is information about the driver in the Clearinghouse without releasing that information to the district. If the limited query shows that information exists in the Clearinghouse about the individual driver, the Superintendent or designee shall conduct a full query within 24 hours of conducting the limited query. If a full query is not conducted within 24 hours, the driver may not perform any safety-sensitive function until the results from a full query confirm that the driver may perform such functions. (49 CFR 382.701)

A driver may not perform any safety-sensitive function if the results of a Clearinghouse query demonstrate that the driver has committed a violation of federal drug or alcohol regulations. (49 CFR 382.701)

Notifications

Note: Pursuant to 49 CFR 382.601, the district is **mandated** to adopt policy and procedures pertaining to misuse of drugs and alcohol and to provide these materials to each driver. When conducting compliance inspections, the **CHP-California Highway Patrol** reviews whether district policy or regulations contain all of items #1-~~11~~**12** below.

The Superintendent or designee shall provide each driver with materials explaining the federal regulations and the district's policy and procedure related to drug and alcohol testing and shall notify representatives of employee organizations of the availability of this information. This information shall include a detailed discussion of at least the following: (49 CFR 382.113, 382.303, 382.601)

1. The identity of the person designated by the district to answer driver questions about the materials
2. The categories of drivers who are subject to drug and alcohol testing

DRUG AND ALCOHOL TESTING FOR SCHOOL BUS DRIVERS (continued)

3. Sufficient information about the safety-sensitive functions performed by those drivers to make clear what period of the workday the driver is required to be in compliance
4. Specific information concerning prohibited driver conduct
5. The circumstances under which a driver will be tested for drugs and/or alcohol, including post-accident testing
6. The procedures that will be used to test for the presence of drugs and alcohol, protect the driver and the integrity of the testing processes, safeguard the validity of the test results, and ensure that those results are attributed to the correct driver
7. The requirement that a driver submit to drug and alcohol tests
8. An explanation of what constitutes a refusal to submit to a drug or alcohol test and the attendant consequences
9. The consequences for drivers found to have violated the prohibitions against drug or alcohol use, including the circumstances under which drivers will be removed immediately from safety-sensitive functions and the requirements for education, treatment, and return-to-duty testing
10. The consequences for drivers found to have a blood alcohol concentration between 0.02 and 0.04
11. Information concerning the effects of drug and alcohol use on an individual's health, work, and personal life; signs and symptoms of a drug or alcohol problem (the driver's or a co-worker's); and available methods of intervening when a drug or alcohol problem is suspected, including confrontation, referral to any employee assistance program, and/or referral to management
- 12. The requirement that personal information collected and maintained pursuant to 49 CFR 382 shall be reported to the Clearinghouse**

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

Each driver shall sign a statement certifying ~~that he/she has received~~ receipt of a copy of the above materials. The Superintendent or designee shall maintain the original of the signed certificate and may provide a copy of the certificate to the driver. (49 CFR 382.601)

DRUG AND ALCOHOL TESTING FOR SCHOOL BUS DRIVERS (continued)

In addition, prior to administering each alcohol or drug test, the driver shall be notified that the test is required pursuant to Title 49, Part 382, of the Code of Federal Regulations. (49 CFR 382.113)

The driver shall be notified of the results of drug and alcohol tests in accordance with 49 CFR 382.411.

Records

Note: 49 CFR 40. 333 and 382.401 specify the records that must be retained by the district and how long each record must be retained (i.e., one year, two years, three years, five years, or indefinitely). Upon receiving a request from the FMCSA to inspect any such record, the district must make the record(s) available for inspection at the district office within two business days.

The Superintendent or designee shall maintain records of the district's drug and alcohol testing program in accordance with 49 CFR 40.333 and 382.401. Such records shall be maintained in a secure location with controlled access and shall be disclosed only in accordance with 49 CFR 382.405.

Board Policy

Certificated and Classified Personnel

BP 4141(a)
4241

COLLECTIVE BARGAINING AGREEMENT

Note: The following **optional** policy addresses the implementation of the collective bargaining agreement adopted by the Governing Board following a process of negotiations with the exclusive representatives of employees. See BP 4143/4243 - Negotiations/Consultation for information about the bargaining process.

The Governing Board recognizes that collective bargaining agreements are legally binding, bilateral agreements with the exclusive representatives of employees pertaining to terms and conditions of employment. The Board is committed to carrying out the provisions of each agreement and expects the agreements to be consistently and uniformly administered.

(cf. 4140/4240/4340 - Bargaining Units)
(cf. 4143/4243 - Negotiations/Consultation)

Note: Districts should consider deleting policies and administrative regulations on topics covered in collective bargaining agreements or retaining them only after determining that the provisions in the policy or regulation are consistent with the adopted agreements. Some policies or regulations may also need to be retained and/or modified when they pertain to unrepresented employees. Should a contract and a policy conflict, the district may be required to grant the benefits in both documents, even if the district believed that the contract was intended to supersede the policy. See BB 9310 - Board Policies.

If the district has adopted a merit system pursuant to Education Code 45220-45320, then its classified employees are subject to the rules prescribed by the district's personnel commission, except when the subject matter is within the scope of representation and is included in a negotiated agreement. Such districts may revise the following paragraph to clarify that the negotiated agreement supersedes any conflicting rules of the personnel commission.

In United Teachers of Los Angeles v. Los Angeles Unified School District, the California Supreme Court held that a provision in a collective bargaining agreement that directly conflicts with the Education Code cannot be enforced.

~~Education Code 35036 prohibits the Board from entering into a collective bargaining agreement that, after April 15 prior to the school year that a teacher's transfer would become effective, assigns priority to a teacher who requests to be transferred to another school over other qualified teachers who have applied for positions requiring certification qualifications at that school. See BP 4114 - Transfers.~~

Following adoption of the collective bargaining agreement, the Superintendent or designee shall review related Board policies and recommend to the Board any action needed to maintain consistency with the agreement. Whenever a Board policy conflicts with a provision in the collective bargaining agreement, the agreement shall be binding for those employees covered by the terms of the agreement. **Whenever a law conflicts with a provision in the collective bargaining agreement, the law will prevail as to those employees for whom the law applies.**

(cf. 9310 - Board Policies)

COLLECTIVE BARGAINING AGREEMENT (continued)

Upon request by the Public Employment Relations Board, the Superintendent or designee shall provide, within 15 days of the request, a copy of the written agreement and any amendments. (8 CCR 32120)

Upon the request of the Superintendent or designee, an employee requesting a reasonable accommodation shall provide a written statement, signed by the employee or an individual acting on the employee's behalf, certifying that the accommodation is for an authorized purpose. The employee shall notify the Superintendent or designee if, due to changing circumstances, the employee needs a new accommodation or no longer needs an accommodation. (Labor Code 230)

EMPLOYEE SECURITY (continued)

The district shall not retaliate against an employee because of the employee's status as a victim of crime or abuse or for requesting a reasonable accommodation, regardless of whether the request was granted. (Labor Code 230)

CHILD ABUSE PREVENTION AND REPORTING

Note: Pursuant to Education Code 44691, ~~as amended by AB 1432 (Ch. 797, Statutes of 2014)~~, the California Department of Education (CDE) is required to disseminate information to all school districts regarding the detection and reporting of child abuse and to provide guidance on the responsibilities of mandated reporters. See ~~the CDE's~~ web site for information and resources.

Definitions

Child abuse or neglect includes the following: (Penal Code 11165.5, 11165.6)

1. A physical injury or death inflicted by other than accidental means on a child by another person

Note: Pursuant to Penal Code 11165.1, as amended by AB 1145 (Ch. 180, Statutes of 2020), sexual assault does not include voluntary conduct in violation of Penal Code 286, 287, or 289 (sodomy, oral copulation, or sexual penetration) if there are no indicators of abuse, unless such conduct is between a person who is 21 years of age or older and a minor who is under 16 years of age. AB 1775 (Ch. 264, Statutes of 2014) amended Penal Code 11165.1 to revise the definition of sexual exploitation to also include knowingly downloading, streaming, or accessing through any electronic or digital media a film, photograph, videotape, video recording, negative, or slide in which a child is engaged in an act of obscene sexual conduct.

2. Sexual abuse of a child, including sexual assault or sexual exploitation, as defined in Penal Code 11165.1
3. Neglect of a child as defined in Penal Code 11165.2
4. Willful harming or injuring of a child or the endangering of the person or health of a child as defined in Penal Code 11165.3
5. Unlawful corporal punishment or injury as defined in Penal Code 11165.4

(cf. 4119.21/4219.21/4319.21 - Professional Standards)

(cf. 5145.7 - Sexual Harassment)

(cf. 5145.71 - Title IX Sexual Harassment Complaint Procedures)

Child abuse or neglect does not include:

1. A mutual affray between minors (Penal Code 11165.6)
2. An injury caused by reasonable and necessary force used by a peace officer acting within the course and scope of ~~his/her~~ employment (Penal Code 11165.5, 11165.6)

(cf. 3515.3 - District Police/Security Department)

CHILD ABUSE PREVENTION AND REPORTING (continued)

Note: Education Code 44807 provides that physical control of a student under the conditions specified in item #3 below is not subject to criminal prosecution or penalties.

3. An injury resulting from the exercise by a teacher, vice principal, principal, or other certificated employee of the same degree of physical control over a student that a parent/guardian would be **legally** privileged to exercise, not exceeding the amount of physical control reasonably necessary to maintain order, protect property, protect the health and safety of students, or maintain proper and appropriate conditions conducive to learning (Education Code 44807)
4. An injury caused by a school employee's use of force that is reasonable and necessary to quell a disturbance threatening physical injury to persons or damage to property, **for purposes of self-defense to protect himself/herself**, or to obtain weapons or other dangerous objects within the control of a student (Education Code 49001)

(cf. 5131 - Conduct)

(cf. 5131.7 - Weapons and Dangerous Instruments)

(cf. 5144 - Discipline)

(cf. 6159.4 - Behavioral Interventions for Special Education Students)

5. Physical pain or discomfort caused by athletic competition or other such recreational activity voluntarily engaged in by a student (Education Code 49001)

(cf. 6142.7 - Physical Education and Activity)

(cf. 6145.2 - Athletic Competition)

Note: Pursuant to Penal Code 11165.15, **as added by AB 652 (Ch. 486, Statutes of 2013)**, the fact that a child is homeless or is classified as an unaccompanied minor, as defined in the federal McKinney-Vento Homeless Assistance Act (42 USC 11434a), is not, in and of itself, a sufficient basis for reporting child abuse or neglect.

6. Homelessness or classification as an unaccompanied minor (Penal Code 11165.15)

Note: The following definition of "mandated reporters" does not list non-school persons (e.g., physicians, clergy members) who are also mandated to report suspected child abuse or neglect and may be revised to reflect additional positions applicable to the district as specified in Penal Code 11165.7.

Penal Code 11165.7 clarifies that volunteers whose duties require direct contact with and supervision of children are not mandated reporters. However, the law encourages volunteers to obtain training in the identification and reporting of child abuse and neglect and to report known or suspected incidents of child abuse or neglect.

Mandated reporters include, but are not limited to, teachers; instructional aides; teacher's aides or assistants; classified employees; certificated pupil personnel employees; administrative officers or supervisors of child attendance; athletic coaches, administrators,

CHILD ABUSE PREVENTION AND REPORTING (continued)

and directors; **licensees**, administrators, and employees of a licensed child day care facility; Head Start **program** teachers; district police or security officers; licensed nurses or health care providers; and administrators, presenters, and counselors of a child abuse prevention program. (Penal Code 11165.7)

Reasonable suspicion means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing when appropriate on **the person's his/her** training and experience, to suspect child abuse or neglect. However, *reasonable suspicion* does not require certainty that child abuse or neglect has occurred nor does it require a specific medical indication of child abuse or neglect. (Penal Code 11166)

Reportable Offenses

Note: Penal Code 11166 specifies that a mandated reporter has a duty to report when acting in **a his/her** professional capacity or within the scope of employment. When a mandated reporter is acting in a private capacity, like other private citizens, ~~he/she has the discretion whether or not to make~~ **making** a report **is discretionary**.

A mandated reporter shall make a report using the procedures provided below whenever, **acting in a his/her** professional capacity or within the scope of **his/her** employment, **he/she the mandated reporter** has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. (Penal Code 11166)

Any mandated reporter who has knowledge of or who reasonably suspects that a child is suffering serious emotional damage or is at a substantial risk of suffering serious emotional damage, based on evidence of severe anxiety, depression, withdrawal, or untoward aggressive behavior toward self or others, may make a report to the appropriate agency. (Penal Code **11165.9**, 11166.05, 11167)

Note: Pursuant to Penal Code 152.3, it ~~is may be~~ a misdemeanor, with specified exceptions, for a witness to not report a murder, rape, or lewd or lascivious act as defined in Penal Code 288 where the victim is under age 14. Persons who fail to report such offenses may be subject to a fine and/or imprisonment.

Any district employee who reasonably believes **to have that he/she has** observed the commission of a murder, rape, or lewd or lascivious act by use of force, violence, duress, menace, or fear of immediate and unlawful bodily injury against a victim who is a child under age 14 shall notify a peace officer. (Penal Code 152.3, 288)

Responsibility for Reporting

The reporting duties of mandated reporters are individual and cannot be delegated to another person. (Penal Code 11166)

CHILD ABUSE PREVENTION AND REPORTING (continued)

When two or more mandated reporters jointly have knowledge of a known or suspected instance of child abuse or neglect, the report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report. (Penal Code 11166)

Note: Penal Code 11166.01 provides that it **may be is** a crime, punishable by a fine and/or imprisonment, for a supervisor or administrator to knowingly inhibit or impede a mandated reporter from making a report.

No supervisor or administrator shall impede or inhibit a mandated reporter from making a report. (Penal Code 11166)

Any person not identified as a mandated reporter who has knowledge of or observes a child whom **he/she the person** knows or reasonably suspects has been a victim of child abuse or neglect may report the known or suspected instance of child abuse or neglect to the appropriate agency. (Penal Code 11166)

(cf. 1240 - Volunteer Assistance)

Reporting Procedures

1. Initial Telephone Report

Note: Penal Code 11165.9 specifies the agencies that are authorized to receive reports of suspected child abuse and neglect, as detailed in the following paragraph. The agency must accept a report even if it lacks subject matter or geographical jurisdiction to investigate the case; the agency is then responsible for referring the case to an agency with proper jurisdiction.

Immediately or as soon as practicable after knowing or observing suspected child abuse or neglect, a mandated reporter shall make an initial report by telephone to any police department (excluding a school district police/security department), sheriff's department, county probation department if designated by the county to receive such reports, or county welfare department. (Penal Code 11165.9, 11166)

Note: It is recommended that the district's administrative regulation include the name, address, and phone number of the appropriate agencies in its area **to whom reports should be made.**

Such reports shall be made to the following agency(ies):

(**N**ame of appropriate agency)

(**A**ddress)

(**P**hone number)

CHILD ABUSE PREVENTION AND REPORTING (continued)

Note: The following paragraph is **optional**.

When the initial telephone report is made, the mandated reporter shall note the name of the official contacted, the date and time contacted, and any instructions or advice received.

2. Written Report

Within 36 hours of knowing or observing the information concerning the incident, the mandated reporter shall ~~then~~ prepare and either send, fax, or electronically **transmit submit** to the appropriate agency a written follow-up report, which includes a completed **California** Department of Justice **(DOJ)** form **(BCIASS 8572)**. (Penal Code 11166, 11168)

Note: Pursuant to Penal Code 11168, the **California** Department of Justice **(DOJ)** form shall be distributed by the police department, sheriff's department, county probation department, or county welfare department as appropriate and is available on the **DOJ's Department of Justice's** web site. It may also be made available at the district office or school site. The following **optional** paragraph should be revised to reflect district practice.

The **DOJ Department of Justice** form may be obtained from the district office or other appropriate agencies, such as **the police department, or sheriff's department, or county probation or welfare department** ~~or the police or sheriff's department~~.

Note: Penal Code 11167 requires the mandated reporter ~~'s to give his/her~~ name when reporting known or suspected child abuse. However, the reporter's name and the report are confidential and are only disclosed in limited circumstances provided by law.

Reports of suspected child abuse or neglect shall include, if known: (Penal Code 11167)

- a. The name, business address, and telephone number of the person making the report and the capacity that makes the person a mandated reporter
- b. The child's name and address, present location, and, where applicable, school, grade, and class
- c. The names, addresses, and telephone numbers of the child's parents/guardians
- d. The name, address, telephone number, and other relevant personal information about the person **(s)** who might have abused or neglected the child

CHILD ABUSE PREVENTION AND REPORTING (continued)

- e. The information that gave rise to the reasonable suspicion of child abuse or neglect and the source(s) of that information

The mandated reporter shall make a report even if some of this information is not known or is uncertain to **the mandated reporter him/her**. (Penal Code 11167)

The mandated reporter may give to an investigator from an agency investigating the case, including a licensing agency, any information relevant to an incident of child abuse or neglect or to a report made for serious emotional damage pursuant to Penal Code 11166.05. (Penal Code 11167)

Note: Item #3 below is **optional** and may be revised to reflect district practice. Pursuant to Penal Code 11166, school districts may establish internal reporting procedures encouraging employees to notify supervisors and administrators of reports that are made. These internal procedures must not inhibit or impede immediate and direct reporting by employees to appropriate agencies, **direct an employee to allow the employee's supervisor to file or process a mandated report under any circumstances, or require any employee to disclose the employee's identity to the employer.** Penal Code 11166 prohibits internal procedures from requiring the employee to make a report to the district or requiring that the identity of the mandated reporter be disclosed to the district.

3. Internal Reporting

The mandated reporter shall not be required to disclose **the mandated reporter's his/her** identity to **his/her a** supervisor, the principal, or the Superintendent or designee. (Penal Code 11166)

However, employees reporting child abuse or neglect to an appropriate agency are encouraged, but not required, to notify the principal as soon as possible after the initial telephone report to the appropriate agency. When so notified, the principal shall inform the Superintendent or designee.

The principal so notified shall provide the mandated reporter with any assistance necessary to ensure that reporting procedures are carried out in accordance with law, Board policy, and administrative regulation. At the mandated reporter's request, the principal may assist in completing and filing the necessary forms.

Reporting the information to an employer, supervisor, principal, school counselor, co-worker, or other person shall not be a substitute for making a mandated report to the appropriate agency. (Penal Code 11166)

CHILD ABUSE PREVENTION AND REPORTING (continued)

Training

Note: ~~As amended by AB 1432 (Ch. 797, Statutes of 2014), Education Code 44691 and Penal Code 11165.7 require districts to annually train their employees and any other mandated reporters working on their behalf regarding the duties of mandated reporters. Education Code 44691, as amended, also requires the CDE to develop an online training module to be provided to the California Department of Social Services for use by districts.~~

Within the first six weeks of each school year, **or within the first six weeks of employment if hired during the school year**, the Superintendent or designee shall provide training on mandated reporting requirements to district employees and persons working on their behalf who are mandated reporters. ~~Any school personnel hired during the school year shall receive such training within the first six weeks of employment.~~ (Education Code 44691; Penal Code 11165.7)

(cf. 4131 - Staff Development)

(cf. 4231 - Staff Development)

(cf. 4331 - Staff Development)

Note: Education Code 44691 requires school districts to use the online training module provided by the California Department of Social Services **(CDSS), available on the CDSS web site**. However, if the online training module is not used, the Superintendent or designee is required to report to ~~the~~ CDE regarding the training being used in its place.

The Superintendent or designee shall use the online training module provided by the California Department of Social Services **(CDSS)**. (Education Code 44691)

The training shall include, but not necessarily be limited to, training in identification and reporting of child abuse and neglect. In addition, the training shall include information that failure to report an incident of known or reasonably suspected child abuse or neglect as required by law is a misdemeanor punishable by imprisonment and/or a fine as specified. (Education Code 44691; Penal Code 11165.7)

Note: Education Code 44691, ~~as amended by AB 1432 (Ch. 797, Statutes of 2014)~~, requires districts to develop a process by which all persons required to receive training must provide proof of receiving the training (e.g., the use of a sign-in sheet, submission of a certificate of completion). The following paragraph may be revised to reflect district practice.

The Superintendent or designee shall obtain and retain proof of each mandated reporter's completion of the training. (Education Code 44691)

CHILD ABUSE PREVENTION AND REPORTING (continued)

Victim Interviews by Social Services

Note: Penal Code 11174.3 authorizes a representative from ~~the Department of Social Services~~ **CDSS** or another government agency investigating suspected child abuse or neglect to interview a student during school hours, on school grounds, concerning a report of child abuse or neglect that occurred at home or in an out-of-home care facility. However, there is no clear guidance regarding the procedures to be followed if a social worker is accompanied by law enforcement. In Greene v. Camreta, the 9th Circuit Court of Appeals had ruled that, absent exigent circumstances, a social worker and sheriff could not question a student in school without obtaining a warrant, court order, or parent/guardian consent. Subsequently, that ruling was vacated by the U.S. Supreme Court on appeal (Camreta v. Greene) since the case was then moot. Districts should proceed with caution and consult ~~with~~ legal counsel as necessary.

Whenever ~~the Department of Social Services~~ **CDSS** or another government agency is investigating suspected child abuse or neglect that occurred within the child's home or out-of-home care facility, the student may be interviewed by an agency representative during school hours, on school premises. The Superintendent or designee shall give the student the choice of being interviewed in private or in the presence of any adult school employee or volunteer aide selected by the student. (Penal Code 11174.3)

A staff member or volunteer aide selected by a child may decline to be present at the interview. If the selected person accepts, the principal or designee shall inform **the person him/her** of the following requirements **prior to the interview**: (Penal Code 11174.3)

1. The purpose of the selected person's presence at the interview is to lend support to the child and enable **the child him/her** to be as comfortable as possible.
2. The selected person shall not participate in the interview.
3. The selected person shall not discuss the facts or circumstances of the case with the child.
4. The selected person is subject to the confidentiality requirements of the Child Abuse and Neglect Reporting Act, a violation of which is punishable as specified in Penal Code 11167.5.

If a staff member agrees to be present, the interview shall be held at a time during school hours when it does not involve an expense to the school. (Penal Code 11174.3)

CHILD ABUSE PREVENTION AND REPORTING (continued)**Release of Child to Peace Officer**

When a child is released to a peace officer and taken into custody as a victim of suspected child abuse or neglect, the Superintendent or designee and/or principal shall not notify the parent/guardian, but rather shall provide the peace officer with the address and telephone number of the child's parent/guardian. (Education Code 48906)

(cf. 5145.11 - Questioning and Apprehension by Law Enforcement)

Parent/Guardian Complaints

Note: Education Code 48987 requires the district, **upon request**, to disseminate guidelines, **upon request**, **adopted by CDE** advising parents/guardians of procedures for filing child abuse complaints. **As required by Education Code 33308.1, the CDE has prepared sample guidelines for this purpose, which were updated in March 2014 and** Such **sample guidelines** are available on **the** CDE's web site.

Claims against the district for childhood sexual assault are governed by the timelines and procedures specified in Code of Civil Procedure 340.1; see AR 3320 - Claims and Actions Against the District.

Upon request, the Superintendent or designee shall provide parents/guardians with procedures for reporting suspected child abuse occurring at a school site to appropriate agencies. For parents/guardians whose primary language is not English, such procedures shall be in their primary language and, when communicating orally regarding those **guidelines and/or** procedures, an interpreter shall be provided.

To file a complaint against a district employee or other person suspected of child abuse or neglect at a school site, parents/guardians may file a report by telephone, in person, or in writing with any appropriate agency identified above under "Reporting Procedures." If a parent/guardian makes a complaint about an employee to any other employee, the employee receiving the information shall notify the parent/guardian of procedures for filing a complaint with the appropriate agency. **The employee shall also file a report when obligated to do so pursuant to Penal Code 11166 using the procedures described above for mandated reporters.** ~~The employee also is obligated pursuant to Penal Code 11166 to file a report himself/herself using the procedures described above for mandated reporters.~~

(cf. 1312.1 - Complaints Concerning District Employees)
(cf. 3320 – Claims and Actions Against the District)

Note: **5 CCR 3201, as added by Register 2020, No. 21, authorizes p**Parents/guardians of special education students **also may to** file a complaint with **the** CDE as provided in the following paragraph. **The** CDE does not investigate allegations of child abuse or neglect, but may investigate conditions that may involve **immediate physical safety concerns as such concerns interfere with the provision of danger or** ~~threaten the health, safety, or welfare of the child and which may result in denial of a free appropriate public education.~~

CHILD ABUSE PREVENTION AND REPORTING (continued)

In addition, if the child is enrolled in special education, a separate complaint may be filed with the California Department of Education pursuant to 5 CCR **3200-3205 4650**.

(cf. 1312.3 – Uniform Complaint Procedures)

Notifications

The Superintendent or designee shall provide to all new employees who are mandated reporters a statement that informs them of their status as mandated reporters, their reporting obligations

under Penal Code 11166, and their confidentiality rights under Penal Code 11167. The district also shall provide these new employees with a copy of Penal Code 11165.7, 11166, and 11167. (Penal Code 11165.7, 11166.5)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

Before beginning employment, any person who will be a mandated reporter by virtue of **the person's his/her** position shall sign a statement indicating ~~that he/she has~~ knowledge of the reporting obligations under Penal Code 11166 and ~~will comply~~ **compliance** with ~~those such~~ provisions. The signed statement shall be retained by the Superintendent or designee. (Penal Code 11166.5)

Employees who work with dependent adults shall be notified of legal responsibilities and reporting procedures pursuant to Welfare and Institutions Code 15630-15637.

Note: The remainder of this section is **optional** and should be deleted by districts that do not provide these additional notifications.

The Superintendent or designee also shall notify all employees that:

1. A mandated reporter who reports a known or suspected instance of child abuse or neglect shall not be held civilly or criminally liable for making a report and this immunity shall apply even if the mandated reporter acquired the knowledge or reasonable suspicion of child abuse or neglect outside of **the mandated reporter's his/her** professional capacity or outside the scope of ~~his/her~~ employment. Any other person making a report shall not incur civil or criminal liability unless it can be proven that **the person he/she** knowingly made a false report or made a report with reckless disregard of the truth or falsity of the report. (Penal Code 11172)
2. If a mandated reporter fails to timely report an incident of known or reasonably suspected child abuse or neglect, **the mandated reporter he/she** may be guilty of a crime punishable by a fine and/or imprisonment. (Penal Code 11166)

CHILD ABUSE PREVENTION AND REPORTING (continued)

3. No employee shall be subject to any sanction by the district for making a report unless it can be shown that **the employee** ~~he/she~~ knowingly made a false report or made a report with reckless disregard of the truth or falsity of the report. (Penal Code 11166, **11172**)

SUICIDE PREVENTION

Note: Education Code 215 **mandates** that the Governing Board of any district serving students in grades **K7-12** adopt a policy on student suicide prevention, intervention, and postvention (i.e., intervention conducted after a suicide) with specified components. **AB 1767 (Ch. 694, Statutes of 2019) amended Education Code 215 to mandate policy on suicide prevention, intervention, and postvention for students in grades K-6 beginning in the 2020-21 school year.** The required components are addressed in the following policy and the accompanying administrative regulation.

The following policy is consistent with the California Department of Education's (CDE) Model Youth Suicide Prevention Policy, which also includes an extensive list of resources to assist in the prevention, intervention, and postvention of student suicide. developed pursuant to Education Code 215. Districts are encouraged to work closely with their county behavioral health department to identify and access resources at the local level.

The Mental Health Services Oversight and Accountability Commission developed a suicide prevention plan for the state which is published in Striving for Zero: California's Strategic Plan for Suicide Prevention 2020-2025, available on its web site. The plan presents strategic aims, with related goals, objectives, and an implementation schedule. Districts may find the strategic plan useful in learning more about the stigma associated with behavioral health needs, myths and misconceptions about suicidal behavior and its hinderance to prevention efforts, suicidal behavior, risk and protective factors, and best practices in suicide prevention.

The following policy and accompanying administrative regulation should be revised to reflect district practice and the grade levels offered by the district.

The Governing Board recognizes that suicide is a leading cause of death among youth, **prevention is a collective effort that requires stakeholder engagement**, and ~~that~~ school personnel who regularly interact with students are often in a position to recognize the warning signs of suicide and to offer appropriate referral and/or assistance. In an effort to reduce suicidal behavior, ~~and~~ its impact on students and families, **and other trauma associated with suicide**, the Superintendent or designee shall develop measures, ~~and~~ strategies, **practices, and supports** for suicide prevention, intervention, and postvention.

~~Note: Pursuant to Education Code 215, as amended by AB 1767, the district's suicide prevention policy must be developed in consultation with school and community stakeholders, school-employed mental health professionals, suicide prevention experts, and, for policy for grades K-6, the county mental health plan. According to CDE's Model Youth Suicide Prevention Policy, school-employed mental health professionals may include school counselors, psychologists, social workers, and nurses. CDE's model policy also includes consultation with administrators, other school staff, parents/guardians, students, local health agencies and professionals, law enforcement, and community organizations.~~

It is recommended that districts also consult with legal counsel and the district's risk manager or insurance carrier, as appropriate.

SUICIDE PREVENTION (continued)

In developing policy and **procedures** ~~strategies~~ for suicide prevention, ~~and~~ **intervention, and postvention,** the Superintendent or designee shall consult with school and community stakeholders, ~~such as administrators, other staff, parents/guardians and students;~~ school-employed mental health professionals, ~~such as school counselors, school psychologists, school social workers, and school nurses;~~ suicide prevention experts, ~~such as local health agencies, mental health professionals, and community organizations; law enforcement;~~ and, in developing policy for grades K-6, the county mental health plan. (Education Code 215)

(cf. 1220 - Citizen Advisory Committees)

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)

Note: The following optional paragraph may be revised to reflect district practice. Education Code 215 does not define "school and community stakeholders" or "school-employed mental health professionals" who must be consulted in the development of policy. The following examples are consistent with CSBA and CDE recommendations.

School and community stakeholders and school mental health professionals with whom the Superintendent or designee shall consult may include district and school administrators, school counselors, school psychologists, school social workers, school nurses, other staff, parents/guardians and caregivers, students, local health agencies, mental health professionals, community organizations, law enforcement, legal counsel, and/or the district's risk manager or insurance carrier. The Superintendent or designee may also collaborate with county and/or city governments in an effort to align district policy with any existing community suicide prevention plans.

Note: Education Code 215, as amended by AB 1767, requires that the district's policy for students in grades K-6 be age appropriate and delivered and discussed in a manner that is sensitive to the needs of young students. The following paragraph is for use by districts that serve K-6 students, and may be revised as appropriate for the student population served by the district.

~~The Board shall ensure that measures and strategies for students in grades K-6 are age appropriate and delivered and discussed in a manner that is sensitive to the needs of young students. (Education Code 215)~~

Measures and strategies for suicide prevention, intervention, and postvention shall include, but are not limited to:

Note: Education Code 215, ~~as amended by AB 1767,~~ **mandates** that the district's policy address any training on suicide awareness and prevention to be provided to teachers of students in all grade levels served by the district. See the accompanying administrative regulation for additional language fulfilling this mandate. In addition, Education Code 49604 encourages each district to provide suicide prevention training at least once to each middle, junior high, and high school counselor. Item #1 ~~may should~~ be revised to specify ~~the other~~ categories of employees who will receive the training.

SUICIDE PREVENTION (continued)

1. Staff development on suicide awareness and prevention for teachers, **interns**, school counselors, and others **district employees** who interact with students, **including, as appropriate, substitute teachers, coaches, expanded day learning staff, crossing guards, tutors, and volunteers**, as described in the accompanying administrative regulation

SUICIDE PREVENTION (continued)

- 54.** The provision of information to parents/guardians **and caregivers** regarding risk **and protective** factors, ~~and~~ warning signs of suicide, the severity of the suicide problem among youth, the district's suicide prevention curriculum, **the district's suicide prevention policy and procedures**, basic steps for helping suicidal youth, **the importance of communicating with appropriate staff if suicide risk is present or suspected, access to suicide prevention training**, and/or school and community resources that can help youth in crisis
- 65.** Encouragement for students to notify appropriate school personnel or other adults when they are experiencing thoughts of suicide or when they suspect or have knowledge of another student's suicidal intentions
- 76.** Crisis intervention procedures for addressing suicide threats or attempts
- 87.** Counseling and other postvention strategies for helping students, staff, and others cope in the aftermath of a student's suicide

Note: The National Association of School Psychologists recommends that the district and/or school sites create a suicide prevention crisis team to assist in effectively identifying and intervening with students who are at risk of suicidal behavior, including adoption and implementation of policies and procedures. It is recommended that such teams include, at a minimum, administration, mental health staff, and school security personnel. The same crisis intervention team may be established to address broader mental health concerns as described in BP 5141.5 - Mental Health.

- 9.** **Establishment of district and/or school-site crisis intervention team(s) to ensure the proper implementation and review of this policy and other district practices related to the emotional and behavioral wellness of students, including, but not limited to, the oversight of mental health and suicide prevention training, collaboration with community mental health organizations, identification of resources and organizations that provide evidence-based treatment, collaboration to build community response, and compliance with Education Code 215**

(cf. 5141.5 - Mental Health)

Note: Education Code 215 **mandates** that the district's policy specifically address the needs of high-risk groups, including, but not limited to, those listed in the following paragraph. See the accompanying administrative regulation for additional language fulfilling this mandate.

As appropriate, these measures and strategies shall specifically address the needs of students who are at high risk of suicide, including, but not limited to, students who are bereaved by suicide; students with disabilities, mental illness, or substance use disorders; students who are experiencing homelessness or who are in out-of-home settings such as foster care; and students who are lesbian, gay, bisexual, transgender, or questioning. (Education Code 215)

SUICIDE PREVENTION (continued)

Note: The following two paragraphs are is for use by districts that serve students in grades K-6. ~~Education Code 215, as amended by AB 1767, mandates that the district's policy for students in grades K-6 ensure proper coordination and consultation with the county mental health plan if a referral is made for mental health or related services on behalf of a student who is a Medi-Cal beneficiary.~~

The Board shall ensure that measures and strategies for students in grades K-6 are age appropriate and delivered and discussed in a manner that is sensitive to the needs of young students. (Education Code 215)

If a referral is made for mental health or related services for a student in grade K-6 who is a Medi-Cal beneficiary, the Superintendent or designee shall coordinate and consult with the county mental health plan. (Education Code 215)

(cf. 5141.6 - School Health Services)

District employees shall act only within the authorization and scope of their credential or license. Nothing in this policy shall be construed as authorizing or encouraging district employees to diagnose or treat mental illness unless they are specifically licensed and employed to do so. (Education Code 215)

Note: Education Code 215 requires that the district's student suicide prevention policy be updated at least every five years. Given the severity of the issue and importance of maintaining an up-to-date suicide prevention policy, CSBA and CDE recommend reviewing and updating this policy annually. The following paragraph may be revised to reflect district practice.

The Board shall review, and update as necessary, this policy at least every five years. **The Board may, at its discretion, review the policy more frequently.** (Education Code 215)

The Superintendent or designee shall periodically review district data pertaining to school climate and reports of suicidal ideation, attempts, or death to identify patterns or trends and make recommendations regarding program development.

Note: Education Code 234.6, as added by AB 34 (Ch. 282, Statutes of 2019), requires districts, beginning in the 2020-21 school year, to ensure that the district's suicide prevention policies for grades K-6 and 7-12 be readily accessible in a prominent location on the district's web site in a manner that is easily accessible to parents/guardians and students.

The Superintendent or designee shall post this policy on the district's web site, in a prominent location and in a manner that is easily accessible to parents/guardians and students. (Education Code 234.6)

Students

AR 5141.52(a)

SUICIDE PREVENTION

Note: Education Code 215, ~~as amended by AB 1767 (Ch. 694, Statutes of 2019),~~ **mandates** policy on suicide prevention, intervention, and postvention for grades ~~K7-12 and, beginning in the 2020-21 school year, for grades K-6.~~ See the accompanying Board policy. The following administrative regulation provides additional strategies that fulfill the mandate and may be revised to reflect district practice. Pursuant to Education Code 215, the following regulation should be developed in consultation with school and community stakeholders, school-employed mental health professionals, suicide prevention experts, and, in developing strategies for grades K-6, the county mental health plan.

Examples of suicide prevention strategies are also available in the California Department of Education's (CDE) Model Youth Suicide Prevention Policy, **Mental Health Services Oversight and Accountability Commission's (MHSOAC) Striving for Zero: California's Strategic Plan for Suicide Prevention 2020-2025**, the U.S. Department of Health and Human Services publication Preventing Suicide: A Toolkit for High Schools, and resources issued by other state and federal agencies and organizations. For further information about strategies to protect students from bullying, cyberbullying, and other harassment, see BP 5131 - Conduct, BP 5131.2 - Bullying, BP 5145.3 - Nondiscrimination/Harassment, **BP/AR 5145.7 - Sexual Harassment**, and BP 5145.9 - Hate-Motivated Behavior.

Staff Development

Note: Education Code 215, ~~as amended by AB 1767,~~ **mandates** that the district's policy address any training on suicide awareness and prevention to be provided to teachers of students in all grade levels served by the district. In addition, Education Code 49604 encourages each district to provide suicide prevention training at least once to each middle, junior high, and high school counselor.

CDE recommends that employees receive training on the core components of suicide prevention at the beginning of employment, and also receive training each year on risk factors, protective factors, warning signs of suicide, suicide prevention, intervention, referral, and postvention, with a minimum of one hour of general suicide prevention training. The following section ~~may~~ **should** be revised to reflect district practice.

Education Code 216 requires CDE to identify evidence-based online training program(s), aligned with the requirements of Education Code 215, that districts ~~may~~ **can** use to train students and staff.

~~Additionally,~~ **Education Code 216 also requires CDE,** dependent upon funds being appropriated in the annual Budget Act, ~~CDE will to~~ provide grants, upon application, to county offices of education for the acquisition of such training programs to disseminate to districts at no cost.

Suicide prevention training shall be provided to teachers, **interns**, counselors, and **others** ~~district employees~~ who interact with students, **including, as appropriate, substitute teachers, coaches, expanded day learning staff, crossing guards, tutors, and volunteers.** The training shall be offered under the direction of a district counselor, ~~psychologist,~~ **and/or social worker who has received advanced training specific to suicide and who may collaborate** ~~and/or in cooperation~~ with one or more **county or** community mental health agencies.

Materials for training shall include how to identify appropriate mental health services at the school site and within the community, and when and how to refer youth and their families to those services. Materials also may include programs that can be completed through self-review of suitable suicide prevention materials. (Education Code 215)

Additionally, Staff development shall include research and information related to the following topics:

Note: Education Code 215 **mandates** that the district's policy specifically address the needs of high-risk groups; see the accompanying Board policy. One strategy to specifically address their needs is to increase staff awareness of the higher rates of suicide among these groups, as provided in item #1 below.

1. The higher risk of suicide among certain groups, including, but not limited to, students who are impacted by suicide; students with disabilities, mental illness, or substance use disorders; students who are experiencing homelessness or who are in out-of-home settings such as foster care; and students who are lesbian, gay, bisexual, transgender, or questioning

Note: Staff development may include training about individual risk factors associated with suicide, as provided in item #2 below. Information about risk factors is available from **MHSOAC's Striving for Zero: California's Strategic Plan for Suicide Prevention 2020-2025**, **CDE**, the Centers for Disease Control and Prevention, American Association of Suicidology, American Foundation for Suicide Prevention, Trevor Project, and other **publications**, agencies, and organizations.

2. Individual risk factors such as previous suicide attempt(s) or self-harm, history of depression or mental illness, family history of suicide or violence, feelings of isolation, interpersonal conflicts, a recent severe **or traumatic** stressor or loss, family instability, impulsivity, and other factors

(cf. 5131.6 - Alcohol and Other Drugs)

SUICIDE PREVENTION (continued)

3. **Identification of students who may be at risk of suicide, including, but not limited to, w**arning signs that may indicate depression, emotional distress, or suicidal intentions, such as changes in students' personality or behavior and verbalizations of hopelessness or suicidal intent
4. Protective factors that may help to decrease a student's suicide risk, such as resiliency, problem-solving ability, access to mental health care, and positive connections to family, peers, school, and community
5. Instructional strategies for teaching the suicide prevention curriculum, **and promoting mental and emotional health, reducing the stigma associated with mental illness, and using safe and effective messaging about suicide**
6. **The importance of early prevention and intervention in reducing the risk of suicide**
76. School and community resources and services, including resources and services that meet the specific needs of high-risk groups

(cf. 5141.6 - School Health Services)

(cf. 6164.2 - Guidance/Counseling Services)

87. Appropriate ways to interact with a student who is demonstrating emotional distress or is suicidal and procedures for intervening when a student attempts, threatens, or discloses the desire to die by suicide, including, but not limited to, appropriate protocols for **constant monitoring and supervision of** the student, **during the time the student is in the school's physical custody**, while the immediate referral of the student to medical or mental health services is being processed
98. District procedures for responding after a suicide has occurred

10. Common misconceptions about suicide

The district may provide additional professional development in suicide risk assessment and crisis intervention to district mental health professionals, including, but not limited to, school counselors, psychologists, social workers, and nurses.

Instruction

Note: The state's content standards for health education include voluntary standards pertaining to mental, emotional, and social health at selected elementary and secondary grades and suicide prevention instruction at grade 7 or 8 and in high school.

SUICIDE PREVENTION (continued)

CDE recommends that the instruction be under the supervision of district-employed mental health professionals following consultation with county and community health agencies, and that it be incorporated into areas of the curriculum in addition to health classes.

The district's comprehensive health education program shall promote the healthy mental, emotional, and social development of students and shall be aligned with the state content standards and curriculum framework. Suicide prevention instruction shall be incorporated into the health education curriculum in an age **and developmentally** appropriate manner and shall be designed to help students:

1. Identify and analyze **warning signs of and risk factors associated with suicide, including, but not limited to, understanding how mental health challenges and emotional distress, such as** ~~depression and self-destructive behaviors in oneself and others and understand how~~ feelings of depression, loss, isolation, inadequacy, and anxiety, can lead to thoughts of suicide
2. Develop coping and resiliency skills **for dealing with stress and trauma,** and **building** self-esteem
3. Learn to listen, be honest, share feelings, and get help when communicating with friends who show signs of suicidal intent
4. Identify trusted adults;; school resources, **including the district's suicide prevention, intervention, and referral procedures;** and/or community crisis intervention resources where youth can get help **and recognize that there is no stigma associated with seeking services for mental health, substance abuse, and/or suicide prevention**

(cf. 5141.6 - School Health Services)

(cf. 6142.8 - Comprehensive Health Education)

(cf. 6164.2 - Guidance/Counseling Services)

5. **Develop help-seeking strategies** and recognize that there is no stigma associated with seeking services for mental health, substance abuse, and/or suicide prevention

(cf. 5131.6 - Alcohol and Other Drugs)

6. **Recognize that early prevention and intervention can drastically reduce the risk of suicide**

The Superintendent or designee may develop and implement school activities that raise awareness about mental health wellness and suicide prevention.

SUICIDE PREVENTION (continued)

(cf. 6145.8 - Assemblies and Special Events)

Student Identification Cards

Note: The following section is for use by districts that serve students in grades 7-12. Education Code 215.5 requires districts that issue or reissue student identification cards to have printed on either side of the card the telephone number of the National Suicide Prevention Lifeline (1-800-273-8255), and allows to have printed on the card the Crisis Text Line (texting HOME to 741741) and/or a local suicide prevention hotline telephone number. ~~If, as of July 1, 2020, the district has unissued student identification cards that do not comply with the above requirements, the cards should be issued until the supply is depleted.~~

Student identification cards for students in grades 7-12 shall include the National Suicide Prevention Lifeline telephone number and may also include the Crisis Text Line and/or a local suicide prevention hotline telephone number. (Education Code 215.5)

Intervention

Note: Education Code 215 **mandates** that the district's policy and procedures address suicide intervention. The following section should be revised to reflect district practice. ~~In addition, the district may choose to incorporate crisis intervention strategies in its comprehensive school safety plan adopted pursuant to Education Code 32280-32289.5; see BP/AR 0450 - Comprehensive Safety Plan.~~

The following paragraph is for use by districts that have formed and trained district and/or school site crisis intervention team(s) to assist with suicide intervention; see the accompanying Board policy. The National Association of School Psychologists (NASP) recommends that crisis intervention teams assign one or more individuals as a "designated reporter" to receive and act upon all reports from teachers, other staff, and students who may be suicidal.

~~In addition, the district may choose to incorporate crisis intervention strategies in its comprehensive school safety plan adopted pursuant to Education Code 32280-32289.5; see BP/AR 0450 - Comprehensive Safety Plan.~~

The Superintendent or designee shall provide the name, title, and contact information of the members of the district and/or school crisis intervention team(s) to students, staff, parents/guardians, and caregivers and on school and district web sites. Such notifications shall identify the mental health professional who serves as the crisis intervention team's designated reporter to receive and act upon reports of a student's suicidal intention.

Students shall be encouraged to notify a teacher, principal, counselor, **designated reporter**, or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of another student's suicidal intentions.

SUICIDE PREVENTION (continued)

Every statement regarding suicidal intent shall be taken seriously. Whenever a staff member suspects or has knowledge of a student's suicidal intentions based on the student's verbalizations or act of self-harm, the staff member shall promptly notify the principal, **or** school counselor, **or designated reporter**, who shall implement district intervention protocols as appropriate.

Note: Education Code 49602 generally protects the confidentiality of information of a personal nature disclosed to a school counselor by a student age 12 years or older or by a parent/guardian. However, in certain circumstances, the counselor may disclose such information to avert a clear and present danger to the health, safety, or welfare of the student or others within the school community. Also see BP 6164.2 - Guidance/Counseling Services.

Although any personal information that a student discloses to a school counselor shall generally not be revealed, released, ~~referenced, or~~ discussed, **or referred to** with third parties, the counselor may report to the principal or student's parents/guardians when there is reasonable cause to believe that disclosure is necessary to avert a clear and present danger to the health, safety, or welfare of the student or others within the school community. In addition, the counselor may disclose information of a personal nature to psychotherapists, other health care providers, or the school nurse for the sole purpose of referring the student for treatment, **or to report child abuse and neglect as required by Penal Code 11164-11174.3.** (Education Code 49602)

(cf. 5141 - Health Care and Emergencies)

Whenever schools establish a peer counseling system to provide support for students, peer counselors shall receive training that includes identification of the warning signs of suicidal behavior and referral of a suicidal student to appropriate adults.

(cf. 5138 - Conflict Resolution/Peer Mediation)

When a suicide attempt or threat is reported, the principal or designee shall ensure student safety by taking the following actions:

1. Immediately securing medical treatment and/or mental health services as necessary
2. Notifying law enforcement and/or other emergency assistance if a suicidal act is being actively threatened
3. Keeping the student under continuous adult supervision **and providing comfort to the student** until the parent/guardian and/or appropriate support agent or agency can be contacted and has the opportunity to intervene
4. Removing other students from the immediate area as soon as possible

SUICIDE PREVENTION (continued)

(cf. 0450 - Comprehensive Safety Plan)

~~(cf. 5141 - Health Care and Emergencies)~~

The principal or designee shall document the incident in writing, including the steps that the school took in response to the suicide attempt or threat.

(cf. 5125 - Student Records)

Note: The following paragraph is **optional**. If a student's parents/guardians refuse or neglect to access treatment for a student who has been identified to be at risk for suicide, the Superintendent or designee shall consider whether a referral to child protective services for child neglect is needed. Pursuant to Penal Code 11164-11174.3, the Child Abuse and Neglect Reporting Act, school employees who are mandated reporters are required to report child abuse or neglect, as defined in law, when they have knowledge of or reasonably suspect that a child is a victim of child abuse or neglect. See BP/AR 5141.4 - Child Abuse Prevention and Reporting.

The Superintendent or designee shall follow up with the parent/guardian and student in a timely manner to provide referrals to appropriate services as needed. If the parent/guardian does not access treatment for the student, the Superintendent or designee may meet with the parent/guardian to identify barriers to treatment and assist the family in providing follow-up care for the student. If follow-up care is still not provided, the Superintendent or designee shall consider whether it is necessary, pursuant to laws for mandated reporters of child neglect, to refer the matter to the local child protective services agency.

(cf. 5141.4 - Child Abuse Prevention and Reporting)

For any student returning to school after a mental health crisis, the principal or designee and/or school counselor may meet with the parents/guardians and, if appropriate, with the student to discuss re-entry and appropriate **next** steps to ensure the student's readiness for return to school and determine the need for ongoing support.

Postvention

Note: Education Code 215 **mandates** that the district's policy and procedures address suicide postvention. The following section should be revised to reflect district practice.

In the event that a student dies by suicide, the Superintendent or designee shall communicate with the student's parents/guardians to offer condolences, assistance, and resources. In accordance with the laws governing confidentiality of student record information, the Superintendent or designee shall consult with the parents/guardians regarding facts that may be divulged to other students, parents/guardians, and staff.

SUICIDE PREVENTION (continued)

Note: Research has identified an increased risk of suicide among youth who are grieving the suicide of another (so-called "suicide contagion"). The ~~National Association of School Psychologists~~ **NASP**, in its Preventing Suicide: Guidelines for Administrators and Crisis Teams, recommends that memorials should be implemented with care so as not to sensationalize or glamorize suicide and thereby increase the suicide risk to other students. If a memorial is conducted for a student who dies by suicide, the association suggests a living memorial, such as making donations to a local crisis center, participating in an event that raises awareness about suicide prevention, or providing other opportunities for service activities in the school that emphasize the importance of students taking care of each other.

The Superintendent or designee shall implement procedures to address students' and staff's grief and to minimize the risk of imitative suicide or suicide contagion. The Superintendent or designee shall provide students, parents/guardians, and staff with information, counseling, and/or referrals to community agencies as needed. Students significantly affected by suicide death and those at risk of imitative behavior should be identified and closely monitored. School staff may receive assistance from school counselors or other mental health professionals in determining how **to** best ~~to~~ discuss the suicide or attempted suicide with students.

Any response to media inquiries shall be handled by the district-designated spokesperson who shall not divulge confidential information. The district's response shall not sensationalize suicide and shall focus on the district's postvention plan and available resources.

(cf. 1112 - Media Relations)

After any suicide or attempted suicide by a student, the Superintendent or designee shall provide an opportunity for all staff who responded to the incident to debrief, evaluate the effectiveness of the strategies used, and make recommendations for future actions.

SEARCH AND SEIZURE

Note: The following **optional** policy and accompanying administrative regulation should be modified to reflect district practice. **The legality of a search by school officials is complex and depends on the particular circumstances surrounding the search. Districts with specific questions about the legality of a search should consult legal counsel.** It is also recommended that the district work with legal counsel to provide staff development for employees conducting searches on behalf of the district.

The following policy and accompanying administrative regulation address circumstances under which searches of individual students may be authorized based on individualized suspicion, and circumstances under which the district may conduct searches without individualized suspicion (e.g., searches of lockers, use metal detectors, or use contraband detection dogs). In In re Sean A., the Court of Appeal upheld a limited search for weapons or drugs without individualized suspicion where a school policy called for students who left campus and returned in the middle of the day to be searched. Districts that wish to develop policy authorizing limited searches for weapons or drugs without individualized suspicion should consult legal counsel.

The Governing Board is fully committed to promoting a safe learning environment and, to the extent possible, eliminating the possession and use of weapons, illegal drugs, and other controlled substances by students on school premises and at school activities. As necessary to protect the health and welfare of students and staff, **and only as authorized by law, Board policy, and administrative regulation,** school officials may search students, their property, and/or district property under their control and may seize illegal, unsafe, or otherwise prohibited items. **The Board urges that employees School officials shall exercise discretion and use good judgment when conducting searches.**

SEARCH AND SEIZURE (continued)

~~Note: As discussed below, the law surrounding student searches is complex. Therefore, it is recommended that the district work with legal counsel to provide training for employees conducting searches on behalf of the district.~~

The Superintendent or designee shall ensure that staff who conduct student searches receive training regarding the requirements of the district's policy and administrative regulation and other legal issues, as appropriate.

(cf. 4331- Staff Development)

Individual Searches Based on Individualized Suspicion

Note: The Fourth Amendment of the U.S. Constitution, which prohibits unreasonable search and seizure, also applies to students in the school setting. In *New Jersey v. T.L.O.*, the U.S. Supreme Court held that the legality of a search of a student and/or ~~his/her~~ **the student's** belongings depends on whether the search is "reasonable." The "reasonableness" of a search depends on two factors: (1) whether there is individualized suspicion that the search will turn up evidence of a student's violation of the law or school rules and (2) whether the search is reasonably related to the objectives of the search and not excessively intrusive in light of the student's age, gender, and/or the nature of the infraction.

In *Redding v. Safford Unified School District*, the U.S. Supreme Court held that a strip search of a student (~~permissible in Arizona schools~~) was beyond the scope and overly intrusive in light of the seriousness of the student's alleged violation (i.e., possession of ibuprofen), the lack of immediate danger, and the lack of justification for the search given that the basis of the search was an uncorroborated tip from a fellow student. Although the specific type of search discussed in the court decision is not permissible in California schools pursuant to Education Code 49050, the factors considered by the court are applicable to an analysis as to whether a search is reasonable in scope, as specified below.

~~The law regarding searches of students' cellular phones, personally owned computers, or other personal communications devices is still developing. It is especially difficult to determine whether the school can impose discipline in circumstances where the behavior, such as sending a threatening message, occurs off-campus; see BP 5131 Conduct. When the student brings an electronic device onto school grounds, it may be searched by school officials, but the search is subject to the same legal standards as a search of other student property, such as a backpack or purse. Therefore, when searching a student's personally owned electronic device, the district must have individualized suspicion that the search will lead to evidence that the student is violating a specific law or school rule and the scope of the search must be reasonably related to that violation. For example, searching a student's phone for evidence against another student or searching text messages extending well beyond the period of time of the alleged violation would likely be considered excessive in scope and thus unlawful. These standards for personally owned items are not applicable to a district's right to monitor a student's use of district owned computer equipment or networks, subject to the district's acceptable use agreement; see BP/E 6163.4 Student Use of Technology.~~

School officials may search any individual student, ~~his/her~~ **the student's** property, or district property under ~~his/her~~ **the student's** control when there is a reasonable suspicion that the search will uncover evidence that ~~he/she~~ **the student** is violating the law, Board policy,

SEARCH AND SEIZURE (continued)

administrative regulation, or other rules of the district or the school. Reasonable suspicion shall be based on specific and objective facts that the search will produce evidence related to the alleged violation.

The types of student property that may be searched by school officials include, but are not limited to, lockers, desks, purses, backpacks, student vehicles parked on district property, cellular phones, or other electronic communication devices.

Note: In *Redding v. Safford Unified School District*, the U.S. Supreme Court held that a strip search of a student (permissible in Arizona schools) was beyond the scope and overly intrusive in light of the seriousness of the student's alleged violation (i.e., possession of ibuprofen), the lack of immediate danger, and the lack of justification for the search given that the basis of the search was an uncorroborated tip from a fellow student. Although the specific type of search discussed in the court decision is not permissible in California schools pursuant to Education Code 49050, the factors considered by the court are applicable to an analysis as to whether a search is reasonable in scope, as specified below.

Any search of a student, **his/her the student's** property, or district property under **his/her the student's** control shall be limited in scope and designed to produce evidence related to the alleged violation. Factors to be considered by school officials when determining the scope of the search shall include the danger to the health or safety of students or staff, such as the possession of weapons, drugs, or other dangerous instruments, and whether the item(s) to be searched by school officials are reasonably related to the contraband to be found. In addition, school officials shall consider the intrusiveness of the search in light of the student's age, gender, and the nature of the alleged violation.

The types of student property that may be searched by school officials include, but are not limited to, lockers, desks, purses, backpacks, **and** student vehicles parked on district property, cellular phones, or other electronic communication devices.

Note: In California, searches of personal electronic devices such as cellular phones are subject to the restrictions imposed by Penal Code 1546.1 in addition to the prohibitions against unreasonable searches and seizures under the Fourth Amendment. Districts with questions about searches of electronic devices such as cellular phones should consult legal counsel.

A student's personal electronic device may be searched only if a school official, in good faith, believes that an emergency involving danger of death or serious physical injury to the student or others requires access to the electronic device information.

(cf. 6163.4 - Student Use of Technology)

Employees shall not conduct strip searches or body cavity searches of any student. (Education Code 49050)

Searches of individual students shall be conducted in the presence of at least two district employees.

SEARCH AND SEIZURE (continued)

The principal or designee shall notify the parent/guardian of a student subjected to an individualized search as soon as possible after the search.

(cf. 5145.11 - Questioning and Apprehension by Law Enforcement)

Searches of **Multiple Student Lockers/ and Desks**

Note: **The ability of school officials to search a locker without individualized suspicion depends on whether, under the circumstances, the student has a reasonable expectation of privacy in the locker. In *In re Cody S.*, the Court of Appeal observed that, while students in California generally have a reasonable expectation of privacy in lockers, that expectation can be limited where school policy makes it clear that lockers are the property of the district and subject to search. Nonetheless, board policy alone will not determine whether a student has a reasonable expectation of privacy in a locker as other circumstances such as staff communication and school practice can also inform the reasonableness of a student's expectation of privacy. Districts with specific questions about whether school officials can search lockers without individualized suspicion should consult legal counsel.**

~~Like other student belongings, individual lockers and desks may be searched when there is reasonable, individualized suspicion, subject to the limits discussed in the above section entitled "Individual Searches." An argument could be made that, because lockers and desks are the property of the district, a student does not have an expectation of privacy and thus school officials could search them at any time, without individualized suspicion. However, because California courts have not ruled on this issue, the state of the law is unclear and districts that wish to develop policy authorizing searches of lockers and desks at any time, without individualized suspicion, should consult legal counsel.~~

The following **optional** section is for districts that conduct regular, announced inspections of multiple student lockers and/or desks **and should be revised to reflect district practice.** ~~Because such searches are random and announced in advance, individualized suspicion is not required.~~

All student lockers and desks are the property of the district. The principal or designee may conduct a general inspection of school properties that are within the control of students, such as lockers and desks, on a regular, announced basis, with students standing by their assigned lockers or desks. Any items contained in a locker or desk shall be considered to be the property of the student to whom the locker or desk was assigned.

Use of Metal Detectors

Note: **In *In re Latasha W.*, the Court of Appeal upheld a policy of random weapons screening with a handheld metal detector. In addition, an Attorney General opinion (75 Ops.Cal.Atty.Gen. 155 (1992)) states that the reasonable use of metal detectors to deter the presence of weapons in schools is appropriate without individualized suspicion. The Attorney General recommends that the Governing Board make a specific finding identifying the rationale for the use of metal detectors. This finding need not be based on a specific weapons incident, but rather may be based on the need for metal detectors in response to the general harm caused by weapons and the need to provide a safe learning environment.**

The following **optional** paragraph should be modified to reflect the district's rationale for the use of metal detectors.

SEARCH AND SEIZURE (continued)

The Board **believes finds** that the presence of weapons in the schools threatens the district's ability to provide the safe and orderly learning environment to which district students and staff are entitled. The Board also **believes finds** that metal detector searches offer a reasonable means to keep weapons out of the schools and mitigate the fears of students and staff.

Note: The Board should consider where and when metal detectors will be used, such as on a permanent basis at certain sites, rotated among sites, during regular school hours, and/or during special events such as athletic events or dances. To ensure that a metal detector search is reasonable, the Attorney General recommends that an administrative plan be established which contains uniform, established procedures and adequate safeguards against arbitrary and capricious enforcement by school officials. For example, the plan may specify that metal detectors be used at randomly selected schools or that students will be searched on a random basis (e.g., every fifth student entering). The key is to ensure that neutral criteria are applied so that the persons conducting the search do not exercise discretion in determining whether specific persons are targeted or selected for the search. The Attorney General's opinion also recommends that the district's use of metal detectors be incorporated into the district and/or school site safety plan; see BP/AR 0450 - Comprehensive Safety Plan. See the accompanying administrative regulation for other safeguards identified by the Attorney General.

The Superintendent or designee shall use metal detectors **at district schools** as necessary to **keep weapons out of schools and** help provide a safe learning environment. **He/she The Superintendent or designee** shall establish a plan to ensure that metal detector searches are conducted in a uniform and consistent manner.

Use of Contraband Detection Dogs

Note: The following **optional** section is for districts that use trained dogs for random and unannounced inspections for contraband. Prior to instituting such a program, districts wishing to conduct these types of "sniff searches" should make specific findings as to the need for the program and consult legal counsel.

Legally, problems arise when individual persons are sniffed and when students are separated from their belongings so that the belongings can be sniffed. In B.C. v. Plumas, the 9th Circuit Court of Appeals concluded that the random and suspicionless dog sniff of a student as he walked by the dog while exiting the room was unreasonable. The court found compelling the fact that there were not specific findings of a serious drug problem at the school that would necessitate the need for the use of the dogs. This court did not rule on whether sniffs of inanimate objects (such as automobiles or lockers) in a school setting are legal. However, courts outside of California (Zamora v. Pomeroy and Horton v. Goose Creek Independent School District) have indicated that dog sniffing around lockers and cars would probably not be deemed a "search" and thus would be permissible on a random basis without individualized suspicion. If the dog then alerts on a particular car or locker, this alert could then constitute the reasonable suspicion needed in order to conduct a search.

The law is unclear as to whether the district can conduct random and unannounced use of dogs whereby students are asked or required to leave their belongings so that the dog can sniff those belongings. An Attorney General opinion (83 Ops.Cal.Atty.Gen. 257 (**2001-2000**)) states that, unless exigent circumstances exist (e.g., supporting data of a known drug problem), requiring students to leave their belongings behind in the classroom (e.g., backpacks, purses, jackets) in order to conduct random, unannounced and neutral sniff

SEARCH AND SEIZURE (continued)

tests on students' personal belongings would be unreasonable and therefore unconstitutional. Whether the district can "ask" students to leave their belongings behind is also questionable since such a request might be considered an unconstitutional "seizure." Districts that wish to institute either type of policy should consult legal counsel and have specific data demonstrating the need for such a policy. Although Attorney General opinions are not law, they are generally afforded deference by the courts. See the accompanying administrative regulation.

In an effort to keep the schools free of dangerous contraband, the district may use specially trained, nonaggressive dogs to sniff out and alert staff to the presence of substances prohibited by law or Board policy. The dogs may sniff the air around lockers, desks, or vehicles on district property or at district-sponsored events. Dogs shall not sniff within the close proximity of students or other persons and may not sniff any personal items on those persons **without individualized suspicion.** ~~without their consent.~~

HATE-MOTIVATED BEHAVIOR

Note: The following **optional** policy addresses prevention strategies for hate-motivated incidents and should be modified to reflect district practice. Elements of this policy may be integrated into existing district and school site plans, such as the local control and accountability plan, comprehensive school safety plan, and staff development plans.

The Governing Board is committed to providing a **respectful, inclusive, and** safe learning environment that protects students from discrimination, harassment, intimidation, bullying, **or any other type of behavior that is motivated by hate.** ~~and other behavior motivated by a person's hostility towards another person's real or perceived ethnicity, national origin, immigrant status, sex, gender, sexual orientation, religious belief, age, disability, or any other physical or cultural characteristic. The Superintendent or designee shall design strategies to promote harmonious relationships among students, prevent incidents of hate-motivated behavior to the extent possible, and address such incidents if they occur.~~

(cf. 0450 - Comprehensive Safety Plan)

(cf. 0460 - Local Control and Accountability Plan)

(cf. 3515.4 - Recovery for Property Loss or Damage)

(cf. 5131 - Conduct)

(cf. 5131.2 - Bullying)

(cf. 5131.5 - Vandalism and Graffiti)

(cf. 5136 - Gangs)

(cf. 5141.52 - Suicide Prevention)

(cf. 5145.3 - Nondiscrimination/Harassment)

(cf. 5145.7 - Sexual Harassment)

Note: The following paragraph reflects the definition of "hate-motivated behavior" specified in the California Department of Education's (CDE) publication Bullying at School, expanded to include the categories of protected characteristics identified in state and federal law. Also see BP 0410 - Nondiscrimination in District Programs and Activities and AR 1312.3 - Uniform Complaint Procedures.

***Hate-motivated behavior* is any behavior intended to cause emotional suffering, physical injury, or property damage through intimidation, harassment, bigoted slurs or epithets, force or threat of force, or vandalism motivated in part or in whole by bias or hostility toward the victim's real or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, medical condition, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or any other characteristic identified in Education Code 200 or 220, Government Code 11135, or Penal Code 422.55.**

HATE-MOTIVATED BEHAVIOR (continued)

The Superintendent or designee shall design strategies to promote harmonious relationships among students, prevent incidents of hate-motivated behavior to the extent possible, and address such incidents **in a timely manner if when they occur.**

Note: Hate-motivated behavior, such as an assault, physical threat, bomb threat, destruction of property, graffiti, and ~~certain types of~~ vandalism, may constitute a crime under state or federal law. Local law enforcement agencies, ~~and human rights commissions,~~ **and community organizations** throughout the state have established countywide hate crimes networks aimed at responding to and preventing hate crimes.

Districts can identify local hate crime resources through the California Association of Human Relations Organizations, which conducts activities designed to protect human and civil rights **by creating a climate of respect and inclusion** through networks of collaborations that reduce community tension and build intergroup relationships.

~~The following optional paragraph should be revised to reflect district practice.~~

The Superintendent or designee shall collaborate with regional programs and community organizations to promote **safe an environments for youth where diversity is celebrated and hate-motivated behavior is not tolerated.** Such collaborative efforts shall focus on ~~ensuring an efficient use of district and community resources, developing the development of~~ effective prevention strategies and response plans, **providing provision of** assistance to students affected by hate-motivated behavior, and/or **educating education of** students who have perpetrated hate-motivated acts.

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)

(cf. 1700 - Relations Between Private Industry and the Schools)

(cf. 5148.2 - Before/After School Programs)

The district shall provide students with age-appropriate instruction that:

1. **Includes the development of social-emotional learning;**
2. **Promotes their an understanding, awareness, appreciation, of and respect for human rights, human relations, diversity, and acceptance in a multicultural society;**
3. **Explains the harm and dangers of explicit and implicit biases**
4. **Discourages discriminatory attitudes and practices and**
5. **Provides strategies to manage conflicts constructively;**

As necessary, the district shall provide counseling, guidance, and support to students who are victims of hate-motivated behavior and to students who exhibit such behavior.

(cf. 6164.2 - Guidance/Counseling Services)

When appropriate, students who engage in hate-motivated behavior shall be disciplined.

(cf. 5144 - Discipline)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

(cf. 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities))

~~The Superintendent or designee shall ensure that the rules prohibiting hate-motivated behavior and procedures for reporting a hate-motivated incident are provided to students and parents/guardians.~~

Note: Education Code 218 requires CDE, by July 1, 2021, to develop and/or update resources for use in schools serving students in grades 7-12 for in-service training for the support of lesbian, gay, bisexual, transgender, queer, and questioning (LGBTQ) students, and strategies to increase support for LGBTQ students which improve overall school climate. Pursuant to Education Code 218, districts that serve students in grades 7-12 are encouraged to use such resources to provide training at least once every two years to teachers and other certificated staff.

The Superintendent or designee shall provide staff with training **that on:**

- 1. Promotes an understanding of diversity, equity, and inclusion**
- 2. Discourages the development of discriminatory attitudes and practices**
- 3. Includes social-emotional learning and nondiscriminatory instructional and counseling methods**
- 4. Supports the prevention, recognition, recognizing and response preventing to** hate-motivated behavior

HATE-MOTIVATED BEHAVIOR (continued)

Employees who engage in hate-motivated behavior shall be subject to disciplinary action, up to and including dismissal.

(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

~~The Superintendent or designee shall ensure that the r~~**Rules prohibiting hate-motivated behavior and procedures for reporting a hate-motivated incident are shall be provided to students, staff, and parents/guardians.**

This policy shall be posted in a prominent location on the district's web site in a manner that is readily and easily accessible to parents/guardians and students. (Education Code 234.6)

(cf. 1113 - District and School Web Sites)

Complaints Process

Note: Pursuant to Education Code 234.1, districts are required to adopt a process for receiving and investigating complaints involving unlawful discrimination (such as discriminatory harassment, intimidation, and bullying) based on race or ethnicity, nationality, **disability**, gender, **gender identity**, **gender expression**, sex, sexual orientation, religion, immigration status, or any characteristic contained in the definition of hate crimes in Penal Code 422.55, **or association with a person or group with one or more of these actual or perceived characteristics**. In addition, federal regulations require districts to adopt procedures providing for the prompt and equitable resolution of complaints of discrimination on the basis of sex (34 CFR 106.8), disability (34 CFR 104.7 and 28 CFR 35.107), and age (34 CFR 110.25). Pursuant to 5 CCR 4600-4670, uniform complaint procedures (UCP) must be used for this purpose. See BP/AR 1312.3 - Uniform Complaint Procedures. **Complaints of sexual harassment that meet the federal definition of sexual harassment in 34 CFR 106.30 must be addressed through the procedures specified in 34 CFR 106.44-106.45; see AR 5145.71 - Title IX Sexual Harassment Complaint Procedures.**

Although some incidents of harassment, intimidation, or bullying may not fall within the provisions of Education Code 234.1 or federal civil rights regulations, CSBA ~~strongly~~ recommends that districts use the UCP to investigate all incidents (whether discriminatory or nondiscriminatory) to ensure consistent implementation by district staff. It is not always easy or possible for staff to know prior to an investigation whether a student was victimized because of ~~his/her~~ **an** actual or perceived membership in a legally protected class. Those incidents found to involve discrimination based on the results of the investigation would then be resolved using the UCP. When an incident is determined to be nondiscriminatory, it should be resolved through the appropriate disciplinary process.

~~A student or parent/guardian who believes the student is a victim of hate-motivated behavior is strongly encouraged to report the incident to a teacher, the principal, or other staff member.~~

Any staff member who is notified that hate-motivated behavior has occurred, observes such behavior, or otherwise becomes aware of an incident shall immediately contact the **principal**

~~or the~~ compliance officer responsible for coordinating the district's response to complaints and complying with state and federal civil rights laws. As appropriate, ~~he/she~~ **the staff member** shall also contact law enforcement.

(cf. 3515.3 - District Police/Security Department)

(cf. 5145.11 - Questioning and Apprehension by Law Enforcement)

A student or parent/guardian who believes the student is a victim of hate-motivated behavior is ~~strongly~~ encouraged to report the incident to a teacher, the principal, **the district's compliance officer**, or other staff member.

Any complaint of hate-motivated behavior shall be investigated and, if determined to be discriminatory, shall be resolved in accordance with law and the district's uniform complaint procedures specified in AR 1312.3 - Uniform Complaint Procedures **or other applicable procedure**. If, during the investigation, it is determined that a complaint is about nondiscriminatory behavior, the principal or designee shall inform the complainant and shall take all necessary actions to resolve the complaint.

CHILD CARE AND DEVELOPMENT

Note: The following **optional** policy is for use by districts that operate child care and development services through a contract with the California Department of Education (CDE) **may be revised to reflect the type(s) of child care and development programs offered by the district.**

The Child Care and Development Services Act (Education Code 8200-8499.10) establishes a variety of child care programs that may be offered by districts or other local providers. These include, **including but are not limited to, General Child Care and Development, Resource and Referral, Alternative Payment, Migrant Child Care and Development, and Severely Handicapped programs resource and referral programs (Education Code 8210-8216; 5 CCR 18240-18248), alternative payment programs (Education Code 8220-8227.7; 5 CCR 18220-18231), migrant child care and development programs (Education Code 8230-8233), general child care and development programs (Education Code 8240-8244), and programs for children with special needs (Education Code 8250-8252).** Pursuant to Welfare and Institutions Code 10200-10206, as added by SB 98 (Ch. 24, Statutes of 2020), effective July 1, 2021, the state's responsibility for administering these programs will transfer from the California Department of Education (CDE) to the California Department of Social Services (CDSS).

The district may revise the following policy to reflect the specific program(s) offered by the district and to ensure its compliance with the terms of its contract(s) with the CDE. Compliance with major requirements for early education and support programs is reviewed during the CDE's Federal Program Monitoring/Contract Monitoring Review process.

For requirements pertaining to before-school and after-school programs, including the After-School Education and Safety program (Education Code 8482-8484.65) and 21st Century Community Learning Centers (Education Code 8484.7-8484.8), see BP/AR 5148.2 - Before/After School Programs. The California State Preschool Program (Education Code 8235-8239) for children ages 3-4 is addressed in BP/AR 5148.3 - Preschool/Early Childhood Education.

The Governing Board desires to provide child care and development services which meet the developmental needs of children and offer a convenient child care alternative for parents/guardians in the community.

(cf. 5148.2 - Before/After School Programs)

(cf. 5148.3 - Preschool/Early Childhood Education)

(cf. 6164.4 - Identification and Evaluation of Individuals for Special Education)

(cf. 6175 - Migrant Education Program)

The Board shall enter into a contract with the California Department of **Education (CDE) Social Services (CDSS)** for the provision of child care and development services by the district.

(cf. 3312 - Contracts)

Note: The following **optional** paragraph may be revised to reflect district practice. Education Code 8499-8499.7 establish county-level child care and development planning councils, with members selected by the

Pursuant to Education Code 47651, a locally funded charter school is one that receives the state aid portion of its local control funding formula allocation through the district that either authorized the charter or was designated by the State Board of Education (SBE) as the oversight agency, rather than directly from the state.

The students of any charter school that receives its state funding allocation through the district shall be tested in coordination with the testing of district students. In addition, the Superintendent or designee shall arrange for the testing of students in any alternative education program or program conducted off campus, including, but not limited to, non-classroom based programs, continuation schools, independent study, community day schools, county community schools, juvenile court schools, or nonpublic, nonsectarian schools. No test shall be administered in a home or hospital except by a test administrator or test examiner. (5 CCR 851)

(cf. 0420.4 - Charter School Authorization)

(cf. 0420.41 - Charter School Oversight)

Note: The following paragraph is **optional**. Pursuant to 5 CCR 853, if the district identifies students who are unable to access the computer-based assessments, as required by 5 CCR 857, the district may use a paper and pencil version of the assessment, if available.

On or before July 1 of each year, the Superintendent or designee shall identify any district school(s) with students who are unable to access the computer-based assessment of a CAASPP test and shall report the number of such students to the test contractor. If available, a paper and pencil version of the assessment may be administered to such students. (5 CCR 853, 857)

STATE ACADEMIC ACHIEVEMENT TESTS (continued)

The Superintendent or designee shall also designate a coordinator for each test site. The duties of the district and site test coordinators shall include those specified in 5 CCR 857-858. (5 CCR 857-858)

As appropriate, the Superintendent or designee shall assign a specially trained district employee to serve as a test proctor to assist the test examiner; a specially trained district employee, or other person supervised by a district employee, to serve as a translator to translate the test directions into a student's primary language; and a district employee to serve as a scribe to transcribe a student's responses to the format required by the test. A student's parent/guardian or sibling shall not be eligible to be that student's translator or scribe. (5 CCR 850)

For the science assessment, students with disabilities may take the CAPA or the California Modified Assessment, in accordance with their individualized education program (IEP).~~

3. **The California Alternate Assessments (CAA) in English language arts, mathematics, and science** ~~For students with significant cognitive disabilities who are unable to take the tests specified in items #1-2 above, even with appropriate accommodations or other testing resources, and who have an IEP that designates the use of alternate tests at the applicable grade levels:~~

- a. ~~California Alternate Assessment in English language arts and mathematics for students with significant cognitive disabilities~~
- b. ~~For the science assessment, either the California Modified Assessment or, for students with significant cognitive disabilities, the California Alternate Performance Assessment~~

Note: The following paragraph is **optional**. In addition to administering the CAASPP achievement tests described in items #1-3 above to English learners, Education Code 60640 authorizes the district to administer a primary language assessment to English learners. ~~in grades 2-11. Education Code 60640 provides that districts may use the Standards Based Test in Spanish (STS) for this purpose until a test is available that is aligned with the Common Core State Standards in English language arts. The SBE is required to adopt such an assessment to be used no later than the 2016-17 school year. Pursuant to 5 CCR 851.5, as amended by Register 2015, No. 48, the successor primary language assessment will be available for students in grade 3-8 and 11. The California Spanish Assessment (CSA) is available to measure competency in Spanish reading/language arts of students in grades 3-8 and high school.~~

STATE ACADEMIC ACHIEVEMENT TESTS (continued)

Pursuant to Education Code 60640, the district will receive a per pupil apportionment from the state for administration of the primary language assessment to English learners.

In addition, the Superintendent or designee may administer ~~a primary language assessment~~ **the California Spanish Assessment (CSA)** to English learners. Administration of this test shall not replace the administration of the above tests, administered in English, to English learners. (Education Code 60640)

Note: The following paragraph is **optional**. Pursuant to Education Code 60640, the district may, at its own expense, administer the ~~STS or successor state assessment~~ **CSA** to students in a dual immersion program who are not limited English proficient or who are redesignated fluent English proficient. If the district chooses to use the primary language assessment for this purpose, it must enter into an agreement with the state testing contractor, subject to the approval of ~~the~~ CDE.

The ~~primary language assessment~~ **CSA** also may be used to assess students in a dual language immersion program who are not limited English proficient or who are redesignated fluent English proficient, subject to approval by ~~the California Department of Education (CDE)~~ of an agreement between the district and the state testing contractor. (Education Code 60640)

Note: The following paragraph is optional. Pursuant to Education Code 60642.6, the CAASPP includes optional computer-based interim assessments, available at no cost to districts, that provide teachers and administrators with results that can be used to support teaching and learning and to gauge student progress toward mastery of the skills measured by the summative assessments. The interim assessments were developed for grades 3-8 and high school, but can be administered at any grade level. The timing and frequency of the interim assessments may be determined by the district.

CAASPP also offers formative assessment tools (i.e., assessment tools and processes that are embedded in instruction and used by teachers to receive real-time feedback for purposes of adjusting instruction). Tools for Teachers, available on the Smarter Balanced Assessment Consortium web site, is an online collection of resources aligned with the Common Core State Standards.

Throughout the school year, schools may use Smarter Balanced interim assessments and formative assessment tools at any grade level to provide timely feedback regarding students' progress toward mastery of the skills measured by the summative assessments in English language arts and mathematics and to assist teachers in continually adjusting instruction to improve learning. The Superintendent or designee may determine the timing and frequency of the administration of such assessments.

Exemptions

Note: In addition to the exemption of recently arrived English learners from the English language arts assessment (see item #1a in the section "Tests Included in the State Assessment System" above), Education Code 60615 allows students to be exempted from the CAASPP upon written request from their parents/guardians. 5 CCR 852 requires the district to notify parents/guardians regarding this exemption and provides that any exemption will be granted only for the current school year.

STATE ACADEMIC ACHIEVEMENT TESTS (continued)

Districts should be aware of the need to maintain a high student participation level on state assessments. Pursuant to 20 USC 6311, ~~as amended by the Every Student Succeeds Act (P.L. 114-95)~~, states must annually measure the achievement of not less than 95 percent of all students **and of each numerically significant subgroup of students**. ~~The state legislature will need to determine how to factor the participation requirement into the state's school accountability system.~~

Each year the Superintendent or designee shall notify parents/guardians of their child's participation in the CAASPP and of the provisions of Education Code 60615 related to exemptions from testing. (5 CCR 852)

(cf. 5145.6 - Parental Notifications)

~~A parent/guardian~~ **Parents/guardians** may annually submit to the school a written request to excuse ~~his/her~~ **their** child from any or all parts of the CAASPP assessments for the school year, and such a request shall be granted by the Superintendent or designee. However, district employees shall not solicit or encourage any exemption request on behalf of any student or group of students. (Education Code 60615; 5 CCR 852)

If a parent/guardian submits an exemption request after testing has begun, any test(s) completed before the request is submitted will be scored and the results reported to the parent/guardian and included in the student's records. (5 CCR 852)

Testing Period

Note: Education Code 60640 requires the SBE to establish ~~a~~ testing windows that allows all schools to administer the CAASPP tests at approximately the same time during the instructional year and takes into account the need to provide make-up days for students who were absent during testing. ~~5 CCR 855, as amended by Register 2015, No. 48, establishes the testing windows specified below beginning in the 2015-16 school year.~~ Within these testing windows, the district may establish its own testing dates.

The following section should be revised to reflect grade levels offered by the district. In addition, districts that do not maintain any schools on a year-round schedule may revise the following section to delete references to schedules based on tracks.

The Superintendent or designee shall establish testing days for district students within the following available testing windows: (5 CCR 855)

1. **Unless otherwise specified in state regulations, a** ~~Assessments in English language arts and mathematics~~ shall be administered between the date on which at least 66 percent of the school's or track's annual instructional days ~~for grades 3-8, or at least 80 percent of the annual instructional days for grade 11,~~ have been completed, **but no earlier than the second Tuesday in January**, and the last day of instruction for the regular annual calendar of the school or track, **but no later than July 15 or, if July 15 is not a weekday, then the next weekday following July 15**

STATE ACADEMIC ACHIEVEMENT TESTS (continued)

2. ~~All science assessments, including CAPA and CMA, shall be administered during an available testing window of 25 instructional days that includes 12 instructional days before and after completion of 85 percent of the school's or track's annual instructional days. The CAA for science shall be administered annually beginning on a date in September as determined by CDE through the last day of instruction for the regular annual calendar of the school or track, but no later than July 15 or, if July 15 is not a weekday, then the next weekday following July 15.~~

Note: Item #3 below reflects the available testing window for the CAA effective beginning in the 2016-17 school year, pursuant to 5 CCR 855, as amended by Register 2015, No. 48.

3. ~~Beginning in the 2016-17 school year, the CAA shall be administered during the available testing windows specified in item #1.~~

Note: **Optional** item ~~4-3~~ below is for use by districts that have chosen to administer the **primary language assessment CSA** to English learners as authorized by Education Code 60640; see section "Tests Included in the State Assessment System" above.

- 4.3. The **primary language assessment CSA** shall be administered to English learners within the testing window specified in item ~~#2-1~~.

Note: Within the available testing windows specified above, the district may designate specific testing dates that will be used within the district. 5 CCR 855, as amended by Register 2015, No. 48, allows the district to designate one selected testing period for each school or track subject to the conditions specified below. If the district does not designate a selected testing period for a school or track, then the available testing windows specified in items ~~#1-2 below~~ **above** shall be the selected testing period for that school or track.

Within the above testing windows, the Superintendent or designee may designate one testing period for each school or track or, if a school has multiple tracks, a selected testing period for each track. The district shall not exceed six selected testing periods within the available testing window. The testing period shall be no fewer than 25 consecutive instructional days and may be extended up to an additional 10 consecutive instructional days if still within the available testing window set forth in items ~~#1-4-2~~ **above**. (5 CCR 855)

Students who are absent during testing shall be provided an opportunity to take the tests within the testing window.

Testing Variations

Note: The following section describes allowable testing resources that may be used during test administration pursuant to 5 CCR ~~853.5-853.8, 854.1-854.4~~ as amended by Register 2015, No. 48. For further information, see ~~the~~ CDE's matrix of allowable testing variations, available on its web site.

STATE ACADEMIC ACHIEVEMENT TESTS (continued)

All CAASPP achievement tests and the primary language test shall be administered in accordance with the manuals or other instructions provided by the test contractor or CDE except that, as appropriate, the following testing variations may be used: (5 CCR 850, 853-853.8 854.4)

1. Universal tools specified in 5 CCR 853.5 854.1-854.4 may be used with any student.
2. Designated supports specified in 5 CCR 853.5 and, if an English learner, in 5 CCR 853.7, 854.1-854.4 may be used with a student for whom the need has been indicated by an educator or team of educators, with parent/guardian and student input as appropriate, or for whom the need is specified in the student's IEP or Section 504 plan.
3. Accommodations specified in 5 CCR 853.5 854.1-854.4 may be used with a student with disabilities when included in the student's IEP or Section 504 plan as resources that are regularly used in the classroom for the student's instruction and/or assessment(s). Such accommodations shall be either utilized in the assessment environment or consist of changes in procedures or materials that increase equitable access during the assessment.

Note: 5 CCR 853.8, as added by Register 2015, No. 48, 854.9 authorizes the use of "unlisted resources" (i.e., resources that have not been identified as a universal tool, designated support, or accommodation) with students with disabilities, provided that the resource is designated in the student's IEP or Section 504 plan and the CDE has approved the use of the resource. Pursuant to 5 CCR 853.8 854.9, the district must electronically submit a request to the CDE at least 10 business days prior to the first day of CAASPP testing, and the district will receive a response from the CDE within four business days of submitting the request. The CDE will not approve the use of an unlisted resource that threatens the security of the test or changes the construct being measured, including, but not limited to, those resources specified in 5 CCR 853.8 854.9. The district may nevertheless use a disapproved unlisted resource that changes the construct being measured, but the student will not be counted in the participation rate for state and federal accountability measures.

4. An unlisted resource that has not been specifically identified as an approved universal tool, designated support, or accommodation may be used with a student who has an IEP or Section 504 plan provided that the resource is one that is regularly used in the classroom for instruction and/or assessment and the CDE has approved its use. At least 10 business days prior to the student's first day of CAASPP testing, the district or school site test coordinator may electronically submit a request to the CDE for approval to use that unlisted resource during that year. If the CDE determines that the unlisted resource changes the construct being measured, the unlisted resource may nevertheless be used with the student in order to generate an individual score report even though the student shall not be counted in the participation rate for accountability measures. (5 CCR 853.8 854.9)

STATE ACADEMIC ACHIEVEMENT TESTS (continued)

~~Note: 5 CCR 853.8, as amended by Register 2015, No. 48, authorizes the use of "instructional supports" (i.e., all supports that may be used in daily instruction or assessment, including language and physical supports) during administration of the CAA, as described in the following paragraph.~~

In the administration of the CAA to a student with significant cognitive disabilities, the student may have all instructional supports that may be used in daily instruction or assessment, including language and physical supports, with the exception of any inappropriate test practices listed in test administration manuals. (5 CCR 850, ~~853.6~~ **854.5**)

Report of Test Results

Note: Education Code 60641 requires that valid test results for individual students, when available, be reported to the student's parents/guardians, school, and teacher(s). Pursuant to Education Code 60641, it is the Legislature's intent that districts are not precluded from using electronic media formats to provide this report, provided that the format secures the confidentiality of the student and the student's results. In addition, district personnel are not required to prepare individualized explanations of each student's test scores as part of the report described in the following paragraph.

For any state assessments that produce valid individual student results, the Superintendent or designee shall forward or transmit the student's test results to ~~his/her~~ **the student's** parents/guardians within 20 working days from receipt of the results from the test contractor or, if the district receives the results from the contractor after the last day of instruction for the school year, then within the first 20 working days of the next school year. The report shall include a clear explanation of the purpose of the test, the student's score, and its intended use by the district. An individual student's scores shall also be reported to ~~his/her~~ **the** school and teacher(s) and shall be included in ~~his/her~~ **the** student record. (Education Code 60641; 5 CCR 863)

(cf. 5125 - Student Records)

With parent/guardian consent, the Superintendent or designee may release a student's test results to a postsecondary educational institution for the purposes of credit, placement, determination of readiness for college-level coursework, or admission. (Education Code 60641)

The Superintendent or designee shall present districtwide, school-level, and grade-level results to the Governing Board at a regularly scheduled meeting. The Board shall not receive individual students' scores or the relative position of any individual student. (Education Code 49076, 60641)

Board Policy

Facilities

BP 7211(a)

DEVELOPER FEES

Note: ~~Developer fees are one method of financing facilities available to the district. As amended by SB 50 (Ch. 407, Statutes of 1998), Government Code 65995 prohibit cities and counties from requiring development fees in excess of the maximum amounts set forth in Education Code 17620 to help fund school facilities. Government Code 65995 and, as amended by AB 127 (Ch. 35, Statutes of 2006), Government Code 65997 essentially repeal, until 2012, the Mira/Hart/Murrietta line of case law which had granted cities or counties the authority to deny development projects based on a determination as to whether school facilities were adequate to meet the demands created by the development. Districts with current Mira agreements should consult legal counsel in order to determine whether that agreement can be "grandfathered," and therefore exempted from the SB 50 requirements.~~

~~See AR 7211 for detailed findings that must be made by the Governing Board prior to the levying of any developer fees. The following policy and regulation are optional.~~

~~The following policy is optional. Education Code 17620-17621 and Government Code 65995-65995.7 provide authority for three levels of developer fees that may be levied by school districts on residential, commercial, and industrial construction to mitigate the impact of increased enrollment on school facilities. Before imposing developer fees, the Governing Board must conduct a fee justification study and comply with other requirements.~~

~~Due to the failure of state bond measure Proposition 13 in March 2020, Government Code 65997 is operative until a new state bond measure is approved. Pursuant to Government Code 65997, public agencies may, on the basis of the inadequacy of school facilities, deny or refuse to approve a "legislative" act but may not require the payment of a fee in excess of that imposed pursuant to Government Code 65995-65995.7. Courts have distinguished between legislative acts (e.g., zoning ordinances) and adjudicative acts (e.g., subdivision approvals, variances, and conditional use permits). Districts with specific questions as to the operation of Government Code 65997 should consult legal counsel.~~

~~Level 1 fees, the basic mitigation fee, may be applied to residential, commercial, and industrial construction projects and must be within the limits established by law and the State Allocation Board (SAB). Level 2 fees apply only to residential construction, and the amount of the fee varies across districts as determined through a school facilities needs analysis. Level 3 fees may be double the amount of Level 2 fees, but may only be collected when SAB certifies that state funds for new school facility construction are not available.~~

~~Pursuant to Education Code 17620, some types of construction may be exempted from the developer fee. Districts should consult with legal counsel as appropriate.~~

In order to finance the construction or reconstruction of school facilities needed to accommodate ~~students coming~~ **increased student enrollment resulting** from new development, the Governing Board may establish, levy, and collect developer fees on residential, commercial, and industrial construction within the district, subject to restrictions specified by law ~~and administrative regulation.~~

DEVELOPER FEES (continued)**Level 1 Funding Fees: Residential, Commercial and Industrial Construction**

Note: In order to levy or increase developer fees, Government Code 66001 requires that a district develop a Fee Justification Study which justifies the amount of the fee. The State Allocation Board sets the developer fee rates; these rates will be increased. For Level 1 fees, Government Code 65995 establishes a maximum amount of fee, which is adjusted for inflation by SAB every two years. In order to levy developer fees, Government Code 66001 requires that the Board conduct a fee justification study which demonstrates a reasonable relationship between residential, commercial, and industrial development in the district and the need for additional school facilities. It is important to note that, in order to increase their rates, Pursuant to Government Code 66001 and 66016, before increasing any fee, requires districts to must update their fee justification study and to satisfy the notice and hearing requirements, as specified below. Education Code 17622 requires separate, special findings when levying fees on spaces enclosed for agricultural purposes.

Courts have held that boards must be able to show that a valid method was used in the fee justification study. In Summerhill Winchester LLC v. Campbell Union School District, the Court of Appeal concluded that a fee justification study must include the following three factors: (1) a projection of the total amount of new housing expected to be built within the district; (2) an estimate of how many students will be generated by the new development; and (3) an estimate of what it will cost to provide the necessary school facilities for the new students. Districts with questions about the adequacy of a fee justification study or how to analyze the reasonableness of a fee in relation to the type of development at issue should consult legal counsel.

Before taking action to establish, increase, or impose **Level 1** developer fees, the Governing Board shall conduct a fee justification study which: (Government Code 66001)

1. Identifies the purpose of the fee and the use to which the fee will be put
2. Determines a reasonable relationship between the fee's use and the type of development project for which the fee is imposed
3. Determines a reasonable relationship between the need for the public facility and the type of development project for which the fee is imposed
4. Determines a reasonable relationship between the amount of the fee and the cost of the public facility or portion of the public facility attributed to the development for which the fee is imposed

Before levying developer fees or prior to increasing an existing fee, the Board shall ~~schedule~~ **hold** a public hearing. The Superintendent or designee shall mail notice of the time and place of the meeting **at which a public hearing shall occur**, including a general explanation of the matter to be considered and a statement that the required data are available, at least 14 days prior to the meeting to any interested party who has requested such information. Any written request for mailed notices shall be valid for one year from the date on which it is filed

DEVELOPER FEES (continued)

unless a renewal request is filed. Renewal requests for mailed notices shall be filed on or before April 1 of each year. The district may charge a fee reasonably related to the cost of providing these materials. (Government Code 66016)

Information on the anticipated amount of fees, other available funds and funding sources, and the estimated cost of planning, land acquisition, and school construction shall be made available to the public at least 10 days before the hearing. (Government Code 66016)

At the hearing, the Board shall adopt a resolution for the levying of the developer fees. (Government Code 66016)

The resolution shall set forth:

1. The purpose of the fee, **the use to which the fee is to be put**, and the public improvement(s) that the fee will be used to finance (Government Code **66001, 66006**)
2. The Board's findings of reasonable relationship which justify the fees pursuant to Government Code 66001
3. **If the district requires payment of the fee at a time earlier than the date of final inspection or the issuance of a certificate of occupancy, ~~The~~ the district's determination of either of the following conditions which allow collection of the fees at the time when building permits are issued:** (Government Code 66007)
 - a. That the fees are to reimburse the district for previous expenditures
 - b. That the fees shall be collected for public improvements or facilities for which an account has been established, funds have been appropriated, and the district has adopted a proposed construction schedule or plan

In the case of any commercial or industrial development, the Board shall make findings on either an individual project basis or on the basis of categories of commercial or industrial development. Those categories may include, but are not limited to, the following uses: office, retail, transportation, communications and utilities, light industrial, heavy industrial, research and development, and warehouse. The Board shall also conduct a study to determine the impact of the increased number of employees anticipated to result from the commercial or industrial development upon the cost of providing school facilities within the district. (Education Code 17621)

DEVELOPER FEES (continued)

Level 2 Funding Fees: Residential Construction

Note: Government Code 65995.5 allows the Board to impose a fee on residential construction that is higher than the Level 1 fee limit set forth in Government Code 65995 if the district ~~makes is considered eligible pursuant to Education Code 17071.10-17078.10 and a timely application to SAB for new construction funding under the State Facilities Program for which is made to the State Allocation Board it is determined to be eligible by SAB pursuant to Education Code 17071.10-17071.76.~~ In addition, Government Code 65995.5 requires the district to adopt a ~~"Facility Needs Analysis"~~ **facility needs analysis** and to satisfy the cost-saving/revenue-enhancing measures described in that section. The **facility needs analysis** ~~Needs Analysis~~ required by Government Code 65995.6 serves a similar purpose as the ~~Fee Justification Study~~ **fee justification study** detailed above, but specifies different legal requirements, as well as a different approval and adoption process. Government Code 65995.5 clarifies that developer fees may be expended on the costs of performing the needs analysis as well as on the administrative costs associated with collecting the fees.

In order to impose **Level 2** residential construction fees within the limits of Government Code 65995.5, the Board shall, **in addition to fulfilling the requirements above for Level 1 fees, undertake the following:** (Government Code 65995.5)

1. Make a timely application to the State Allocation Board (**SAB**) for new construction funding ~~for which it is eligible and be determined to be eligible by SAB~~
2. Conduct and adopt a school facility needs analysis pursuant to Government Code 65995.6
3. Satisfy at least two of the requirements set forth in Government Code 65995.5(b)(3)(A-D) ~~(Government Code 65995.5)~~

Note: Government Code 65352.2, ~~as added by AB 1367 (Ch. 396, Statutes of 2001),~~ requires the district to provide the notification specified below to the appropriate city or county planning agency. If the parties decide to meet, Government Code 65352.2 specifies issues that may be considered at the meeting.

At least 45 days prior to completion of the school facility needs analysis, the Board shall notify and provide copies of the analysis to the planning commission or agency of the city or county with land use jurisdiction within the district. Upon request of either party, the Board and city or county shall meet within 15 days following notification. (Government Code 65352.2)

(cf. 7131 - Relations with Local Agencies)

The Board shall adopt the school facility needs analysis by resolution at a public hearing. (Government Code 65995.6)

DEVELOPER FEES (continued)

This analysis ~~may~~ **shall** not be adopted until the analysis, in its final form, has been made available to the public for a period of not less than 30 days. Prior to its adoption, the public shall have the opportunity to review and comment on the analysis and the Board shall respond to written comments it receives regarding the analysis. (Government Code 65995.6)

~~No~~ **Not** less than 30 days prior to the hearing, notice of the time and place of the hearing, including the location and procedure for viewing or requesting a copy of the proposed analysis, shall be published in at least one newspaper of general circulation within the jurisdiction of the district. If there is no paper of general circulation, the notice shall be posted in at least three conspicuous places within the district's jurisdiction not less than 30 days prior to the hearing. (Government Code 65995.6)

In addition, the Superintendent or designee shall mail a copy of the needs analysis not less than 30 days prior to the hearing to any person who has made a written request if the written request was made 45 days prior to the hearing. The district may charge a fee reasonably related to the cost of providing these materials. (Government Code 65995.6)

During the period of public review, the analysis shall be provided to the local agency responsible for land use planning for its review and comment. (Government Code 65995.6)

Note: Government Code 65995.6 provides that if the school facility needs analysis is revised during the period of public review or at the public hearing, the approval process must recommence (e.g., another 30-day review period, published notice, etc.).

The school facility needs analysis may be revised at any time. The revision is subject to the same conditions and requirements applicable to the adoption of the analysis. The existing school building capacity shall be recalculated as part of any revision to the needs analysis. (Government Code 65995.6)

Note: Pursuant to Government Code 65995.6, the fees take effect immediately upon adoption and are effective for only one year. After one year, the district must repeat the adoption process.

The fees authorized by Government Code 65995.6 and ~~Government Code 65995.7~~ shall be adopted by resolution as part of the adoption or revision of the school facilities needs analysis. The fees shall take effect immediately upon adoption of the resolution and may not be effective for more than one year. (Government Code 65995.6)

Level 3 Funding Fees: Residential Construction

Note: Government Code 65995.7 ~~has~~ authorized a district that is eligible to receive the Level 2 funding the authority to levy a still higher fee on residential construction (Level 3 funding) upon a determination by SAB that state funds are no longer available.

DEVELOPER FEES (continued)

When Level 3 fees are authorized by law and the district qualifies for Level 2 **funding fees** pursuant to Government Code 65995.5, the Board may assess a fee on residential construction pursuant to ~~the requirements of~~ Government Code 65995.7.

~~Pursuant to Government Code 65995.7, the~~ **The** notice and hearing requirements, resolution requirement, and term of effectiveness for Level 3 **funding fees** shall be the same as the requirements for Level 2 **funding fees** as specified above. **(Government Code 65995.7)**

Appeals Process for Protests by Developers

Note: In addition to authorizing developer protests in accordance with Government Code 66020 and 66021, Education Code 17621 requires the Board to provide an appeals process for commercial/industrial fees when the district has analyzed the impact of these projects on a categorical rather than individual basis.

~~The Superintendent or designee shall establish an appeals process for the handling of protests by developers. (Education Code 17621)~~

Use of Fees

Note: Pursuant to Government Code 66006, the district may establish a reasonable annual charge, based on estimated cost, for sending the following notice.

The Board shall review ~~the above~~ information **provided by the Superintendent or designee pursuant to Government Code 66006 regarding each account or fund into which developer fees have been deposited**, at the first regularly scheduled public Board meeting which occurs 15 days after the information is made available to the public. Fifteen-day prior notice of this meeting shall be mailed to any parties filing a written request pursuant to Government Code 66006. **(Government Code 66006)**

Note: Pursuant to Government Code 66001, if the following findings are not made every five years as required, the district may be required to refund the moneys in the account or fund pursuant to Government Code 66006(e).

In addition to discharging its public disclosure duties regarding the levying of developer fees, the Board shall, for the fifth fiscal year after the first deposit into the account or fund and every five years thereafter, make all of the following findings with respect to the portion of the account or fund that remains unexpended, whether committed or uncommitted: **(Government Code 66001)**

1. Identify the purpose to which the fee is to be put
2. Demonstrate a reasonable relationship between the fee and the purpose for which it is charged

DEVELOPER FEES (continued)

3. Identify all sources and amounts of funding anticipated to complete financing in incomplete improvements originally identified
4. Designate the approximate dates on which the funding referred to in item #3 is expected to be deposited into the appropriate account or fund

DEVELOPER FEES

Note: Government Code 65995 provides authority for three different levels of developer fees to be levied by school districts. Pursuant to Education Code 17620 and Government Code 65995, Level 1 fees for residential, commercial and industrial construction may be assessed as long as the district's Developer Fee Justification Study, as required by Government Code 66001, justifies the amount. Pursuant to Education Code 17620, some types of construction may be exempted. Districts should consult with legal counsel as appropriate.

Level 1 Funding Fees: Residential, Commercial and Industrial Construction

Note: In order to levy or increase developer fees, Government Code 66001 requires that a district develop a Fee Justification Study which justifies the amount of the fee. The State Allocation Board sets the developer fee rates; these rates will be increased every two years. It is important to note that, in order to increase their rates, Government Code 66001 and 66016 requires districts to update their Fee Justification Study and to satisfy the notice and hearing requirements, as specified below. Education Code 17622 requires separate, special findings when levying fees on spaces enclosed for agricultural purposes.

Before taking action to establish, increase or impose developer fees, the Governing Board shall conduct a fee justification study which: (Government Code 66001)

1. Identifies the purpose of the fee and the use to which the fee will be put
2. Determines a reasonable relationship between the fee's use and the type of development project for which the fee is imposed
3. Determines a reasonable relationship between the need for the public facility and the type of development project for which the fee is imposed
4. Determines a reasonable relationship between the amount of the fee and the cost of the public facility or portion of the public facility attributed to the development for which the fee is imposed

Level 1 Funding Fees: Notice and Hearing Requirements

Before levying developer fees or prior to increasing an existing fee, the Board shall schedule a public hearing. The Superintendent or designee shall mail notice of the time and place of the meeting, including a general explanation of the matter to be considered and a statement that the required data are available, at least 14 days prior to the meeting to any interested party who has requested such information. Any written request for mailed notices shall be

DEVELOPER FEES (continued)

valid for one year from the date on which it is filed unless a renewal request is filed. Renewal requests for mailed notices shall be filed on or before April 1 of each year. The district may charge a fee reasonably related to the cost of providing these materials. (Government Code 66016)

Information on the anticipated amount of fees, other available funds and funding sources, and the estimated cost of planning, land acquisition and school construction shall be made available to the public at least 10 days before the hearing. (Government Code 66016)

At the hearing, the Board shall adopt a resolution for the levying of the developer fees. (Government Code 66016) The resolution shall set forth:

1. The purpose of the fee and the public improvement(s) that the fee will be used to finance (Government Code 66006)
2. The Board's findings of reasonable relationship which justify the fees pursuant to Government Code 66001
3. The district's determination of either of the following conditions: (Government Code 66007)

Note: In order to collect fees earlier than the date of final inspection or the issuance of a certificate of occupancy, the district must determine either item #a or #b below:

- a. That the fees are to reimburse the district for previous expenditures
- b. That the fees shall be collected for public improvements or facilities for which an account has been established, funds have been appropriated and the district has adopted a proposed construction schedule or plan

Level 2 Funding Fees: Residential Construction

Note: Government Code 65995.5 allows the Board to impose a fee on residential construction that is higher than the Level 1 fee limit set forth in Government Code 65995 if the district is considered eligible pursuant to Education Code 17071.10 17078.10 and a timely application is made to the State Allocation Board. In addition, Government Code 65995.5 requires the district to adopt a "Facility Needs Analysis" and to satisfy the cost-saving/revenue-enhancing measures described in that section. Government Code 65995.5 clarifies that developer fees may be expended on the costs of performing the needs analysis as well as on the administrative costs associated with collecting the fees.

In order to impose residential construction fees within the limits of Government Code 65995.5, the Board shall: (Government Code 65995.5)

DEVELOPER FEES (continued)

1. ~~Make a timely application to the State Allocation Board for new construction funding for which it is eligible~~

~~Note: The Needs Analysis required by Government Code 65995.6 serves a similar purpose as the Fee Justification Study detailed above, but specifies different legal requirements, as well as a different approval and adoption process.~~

2. ~~Conduct and adopt a school facility needs analysis pursuant to Government Code 65995.6~~

3. ~~Satisfy at least two of the requirements set forth in Government Code 65995.5(b)(3)(A-D) (Government Code 65995.5)~~

Level 2 Funding Fees: Notice and Hearing Requirements

~~Note: Government Code 65352.2, as added by AB 1367 (Ch. 396, Statutes of 2001), requires the district to provide the notification specified below to the appropriate city or county planning agency. If the parties decide to meet, Government Code 65352.2 specifies issues that may be considered at the meeting.~~

~~At least 45 days prior to completion of the school facility needs analysis, the Board shall notify and provide copies of the analysis to the planning commission or agency of the city or county with land use jurisdiction within the district. Upon request of either party, the Board and city or county shall meet within 15 days following notification. (Government Code 65352.2)~~

~~(cf. 7131 - Relations with Local Agencies)~~

~~The Board shall adopt the school facility needs analysis by resolution at a public hearing. (Government Code 65995.6)~~

~~Note: Government Code 65995.6 provides that if the school facility needs analysis is revised during the period of public review or at the public hearing, the approval process must recommence (e.g., another 30-day review period, published notice, etc.).~~

~~This analysis may not be adopted until the analysis, in its final form, has been made available to the public for a period of not less than 30 days. Prior to its adoption, the public shall have the opportunity to review and comment on the analysis and the Board shall respond to written comments it receives regarding the analysis. (Government Code 65995.6)~~

~~During the period of public review, the analysis shall be provided to the local agency responsible for land use planning for its review and comment. (Government Code 65995.6)~~

DEVELOPER FEES (continued)

No less than 30 days prior to the hearing, notice of the time and place of the hearing, including the location and procedure for viewing or requesting a copy of the proposed analysis, shall be published in at least one newspaper of general circulation within the jurisdiction of the district. If there is no paper of general circulation, the notice shall be posted in at least three conspicuous places within the district's jurisdiction not less than 30 days prior to the hearing. (Government Code 65995.6)

In addition, the Superintendent or designee shall mail a copy of the needs analysis not less than 30 days prior to the hearing to any person who has made a written request if the written request was made 45 days prior to the hearing. The district may charge a fee reasonably related to the cost of providing these materials. (Government Code 65995.6)

The school facility needs analysis may be revised at any time. The revision is subject to the same conditions and requirements applicable to the adoption of the analysis. The existing school building capacity shall be recalculated as part of any revision to the needs analysis. (Government Code 65995.6)

Note: Pursuant to Government Code 65995.6, the fees take effect immediately upon adoption and are effective for only one year. After one year, the district must repeat the adoption process.

The fees authorized by Government Code 65995.6 and Government Code 65995.7 shall be adopted by resolution as part of the adoption or revision of the school facilities needs analysis. The fees shall take effect immediately upon adoption of the resolution and may not be effective for more than one year. (Government Code 65995.6)

Level 3 Funding Fees: Residential Construction

Note: Government Code 65995.7 has authorized a district that is eligible to receive the Level 2 funding the authority to levy a still higher fee on residential construction (Level 3 Funding) upon a determination by the State Allocation Board that state funds are no longer available. However, with the passage of the 2002 School Facilities Bond (Proposition 47) and its implementing legislation, AB 16 (Ch. 33, Statutes of 2002), districts are prohibited from levying Level 3 fees until the 2004 primary election.

When Level 3 fees are authorized by law and the district qualifies for Level 2 funding pursuant to Government Code 65995.5, the Board may assess a fee on residential construction pursuant to the requirements of Government Code 65995.7.

Level 3 Funding Fees: Notice and Hearing Requirements

Pursuant to Government Code 65995.7, the notice and hearing requirements, resolution requirement, and term of effectiveness for Level 3 funding shall be the same as the requirements for Level 2 funding as specified above.

DEVELOPER FEES (continued)

All Developer Funding Fees: Additional Requirements

The district shall send a copy of any **Governing Board** resolution adopting or increasing **Level 1, 2, or 3** developer fees to the city and county, accompanied by all relevant supporting documentation and a map indicating the boundaries of the area subject to the fee. (Education Code 17621)

In cooperation with local governmental agencies issuing building permits, the Superintendent or designee shall establish a means by which all of the following shall be accomplished:

1. The project applicant shall receive a written statement of the amount of the fees and notification that the 90-day approval period during which the applicant may protest has begun. (Government Code 66020)

Note: Item #2 below is optional and is intended to ensure that the district will have evidence that the required notification was delivered.

2. The Superintendent or designee shall receive and retain acknowledgment that the above notification was received.
3. Before a permit is issued and upon the payment of the applicable fee or requirement, the Board shall immediately certify that the fee has been paid or that the district has determined that the fee does not apply to the development project. (Education Code 17620)

Developer fees shall be deposited, invested, accounted for, and expended pursuant to Government Code 66006. Developer fees shall be deposited in a separate capital facilities account, except for temporary investments allowed by law, and shall be used only for the purpose for which they were collected. Interest income earned by the capital facilities account shall also be deposited in that account and used only for the purpose for which the fee was originally collected. (Government Code 66006)

For each separate account so established, the Superintendent or designee shall, within 180 days after the last day of each fiscal year, make available to the public **and the Board** the following information for the fiscal year: (Government Code 66006)

1. A brief description of the type of fee in the account or fund
2. The amount of the fee
3. The beginning and ending balance of the account or fund
4. The amount of the fees collected and the interest earned

DEVELOPER FEES (continued)

5. An identification of each public improvement on which fees were expended and the amount of the expenditures on each improvement, including the total percentage of the cost of the public improvement that was funded with fees
6. An identification of an approximate date by which the construction of the public improvement will commence if the district determines that sufficient funds have been collected to complete financing on an incomplete public improvement
7. A description of each interfund transfer or loan made from the account or fund, including the public improvement on which the transferred or loaned fees will be expended, and, in the case of an interfund loan, the date on which the loan will be repaid, and the rate of interest that the account or fund will receive on the loan
8. The amount of refunds made pursuant to Government Code 66001(e) and any allocations made pursuant to Government Code 66001(f)

~~The Board shall review the above information at the first regularly scheduled public Board meeting which occurs 15 days after the information is made available to the public. Fifteen-day prior notice of this meeting shall be mailed to any parties filing a written request pursuant to Government Code 66006. (Government Code 66006)~~

~~Note: Pursuant to Government Code 66006, the district may establish a reasonable annual charge, based on estimated cost, for sending the above notice.~~

~~In addition to discharging its public disclosure duties regarding the levying of developer fees, the Board shall, for the fifth fiscal year after the first deposit into the account or fund and every five years thereafter, make all of the following findings with respect to the portion of the account or fund that remains unexpended, whether committed or uncommitted: (Government Code 66001)~~

~~Note: Pursuant to Government Code 66001, if the findings are not made every five years as required, the district may be required to refund the moneys in the account or fund pursuant to Government Code 66006(e).~~

1. ~~Identify the purpose to which the fee is to be put~~
2. ~~Demonstrate a reasonable relationship between the fee and the purpose for which it is charged~~
3. ~~Identify all sources and amounts of funding anticipated to complete financing in incomplete improvements originally identified~~

DEVELOPER FEES (continued)

4. ~~Designate the approximate dates on which the funding referred to in item #3 is expected to be deposited into the appropriate account or fund~~

When sufficient funds have been collected to complete the financing of public improvements but such improvements remain incomplete, the district shall, within 180 days of the date that a determination of sufficient funding was made, either identify an approximate date by which construction will begin or refund the unexpended revenues in accordance with Government Code 66001. (Government Code 66001)

Appeals Process for Protests by Developers

~~Note: Pursuant to Education Code 17621, a developer may protest the imposition of any developer fees listed above in accordance with the requirements in Government Code 66020.~~

The Superintendent or designee shall establish an appeals process for the handling of protests by developers. (Education Code 17621)

Developers of residential, commercial, and industrial projects who claim that the developer fee has been inappropriately levied shall use the following procedures: (Government Code 66020)

1. The developer shall tender any required payment in full or provide satisfactory evidence of arrangements to pay the fee when due or ensure performance of the conditions necessary to meet the requirements of the imposition.
2. The developer shall serve written notice to the Board. ~~This notice~~ **which** shall include:
 - a. A statement that the required payment is tendered or will be tendered when due, or that any conditions which have been imposed are provided for or satisfied, under protest
 - b. A statement informing the Board of the factual elements of the dispute and the legal theory forming the basis for the protest
3. The protest shall be filed at the time of approval or conditional approval of the development or within 90 days after the date of the imposition of the fees.

At the time of the imposition of the fee, the Superintendent or designee shall provide each project applicant written notice that the 90-day period in which the applicant may initiate a protest has begun. The developer may file an action to attack, review, set aside, void, or

DEVELOPER FEES (continued)

annul the imposition of the fees imposed on the development project within 180 days of delivery of the notice. (Government Code 66020)

CHARTER SCHOOL RENEWAL (continued)

- (2) For all measurements of academic performance, the charter school has received performance levels schoolwide that are the same or lower than the state average and, for a majority of numerically significant student subgroups performing statewide below the state average in each respective year, received performance levels that are lower than the state average, **provided that the charter school has performance levels on at least two measurements of academic performance for at least two subgroups**
- b. However, the Board may grant a two-year renewal to any such charter school if the Board makes written factual findings, setting forth specific facts to support the findings, that: **(Education Code 47607.2)**
- (1) The charter school is taking meaningful steps to address the underlying cause(s) of low performance, and those steps are reflected, or will be reflected, in a written plan adopted by the governing body of the charter school.
 - (2) There is clear and convincing evidence, demonstrated by verified data, showing achievement of the criteria specified in item #2a above

In addition to all the grounds stated above for denial of a charter renewal, the Board may deny renewal of a charter upon a finding that the school is demonstrably unlikely to successfully implement the program set forth in the petition due to substantial fiscal or governance factors or a finding that the school is not serving all students who wish to attend. When denying a charter renewal for either of these reasons, the Board shall provide the charter school at least 30 days' notice of the alleged violation and a reasonable opportunity to cure the violation, including the submission of a proposed corrective action plan. **The Board may deny the renewal shall be denied if the Board finds either that for these reasons only upon a finding that either** the corrective action proposed by the charter school has been unsuccessful or that the violations are sufficiently severe and pervasive as to render a corrective action plan unviable. Any finding that a school is not serving all students who wish to attend shall specifically identify the evidence supporting the finding. (Education Code 47607)

Note: Charter schools that serve high-risk students may qualify for the state's Dashboard Alternative School Status (DASS) program, which uses modified methods of measurement for accountability indicators when appropriate. Charter schools that participate in the DASS are subject to the following criteria specified in Education Code **47607 46607, as amended by AB 1505.**

A charter school that **is eligible qualifies** for the state's Dashboard Alternative School Status shall not be subject to any of the above criteria. Instead, in determining whether to grant a

CHARTER SCHOOL RENEWAL (continued)

charter renewal for such a charter school, the Board shall consider, in addition to the charter school's performance on the state and local indicators included in the Dashboard, the charter school's performance on alternative metrics applicable to the charter school based on the student population served. The Board shall meet with the charter school during the first year of the charter school's term to mutually agree to discuss alternative metrics to be considered and shall notify the charter school of the alternative metrics to be used within 30 days of this meeting. The Board may deny a charter renewal only upon making written findings, setting forth specific facts to support the findings, that the closure of the charter school is in the best interest of students. (Education Code 47607)

Timelines for Board Action

Note: State law does not expressly provide a timeline for a public hearing on the renewal petition or for the Board's final decision on the renewal. However, pursuant to Education Code 47607, renewals are generally subject to the same standards and criteria applicable to initial charter authorizations, as specified in Education Code 47605. ~~As amended by AB 1505 and AB 1595, Education Code 47605 extends the timeline for the hearing for a charter petition from 30 to 60 days of the receipt of the petition. In addition, Education Code 47605 defines receipt of the petition as the date that the petitioner submits the petition to the district, and requires the Board to publish staff recommendations regarding the petition at least 15 days prior to the hearing at which the Board will grant or deny the petition.~~ The following section reflects the timelines established for initial charter authorizations.

Within 60 days of receiving the renewal petition, the Board shall hold a public hearing to review documentation submitted by the charter school, **determine the level of support for the petition**, and obtain public input. A petition is deemed received on the day the petitioner submits a petition to the district office, along with a signed certification that the petitioner deems the petition to be complete. (Education Code 47605)

The Board shall either grant or deny the charter renewal within 90 days of receiving the petition ~~or within 120 days with the consent of both the petitioner and the Board.~~ **The date may be extended by an additional 30 days if both the petitioner and the Board agree to the extension.** (Education Code 47605)

At least 15 days before the public hearing at which the Board will grant or deny the charter petition, the Board shall publish all staff recommendations and recommended findings regarding the petition. During the public hearing, petitioners shall have equal time and opportunity to present evidence and testimony to respond to the staff recommendations and findings. (Education Code 47605)

If the Board fails to make a written factual finding when required for denial of the petition pursuant to the section "Criteria for Granting or Denying Renewal" above within the required time period, the absence of a written factual finding shall be deemed an approval of the renewal petition. (5 CCR 11966.4)

CHARTER SCHOOL RENEWAL (continued)

The Superintendent or designee shall provide notification to CDE, within 10 calendar days of the Board's action, whenever a renewal of the charter is granted or denied. (Education Code 47604.32; 5 CCR 11962.1)

If the Board denies a renewal petition, the charter school may submit its application for renewal to the County Board within 30 days of the Board's written factual findings supporting the denial. (Education Code 47605, 47607.5)

School Closure

If a charter is not renewed and the charter school ceases operation, ~~the Board and/or the charter school shall implement~~ the school closure procedures specified in the charter in accordance with Education Code 47605 and 5 CCR 11962 **shall be implemented.** (Education Code ~~47603.32~~ **47604.32, 47605**)

TRANSFER OF FUNDS

Note: Education Code 41010 and 42600 requires districts to expend funds in accordance with the classification of expenditures included in their adopted budget and in the California School Accounting Manual. However, in certain limited circumstances, the Governing Board may approve interfund borrowing or the transfer of money between funds. The following policy may be revised to reflect district practice. The following optional policy may be revised to reflect district practice.

The Governing Board recognizes its responsibility to monitor the district's fiscal practices to ensure accountability regarding the expenditure of public funds and compliance with legal requirements.

(cf. 0460 - Local Control and Accountability Plan)

(cf. 3100 - Budget)

(cf. 3400 - Management of District Assets/Accounts)

(cf. 3460 - Financial Reports and Accountability)

Note: Education Code 42600 requires the district to expend funds in accordance with the classification of expenditures included in its adopted budget. However, other provisions of state law provide exceptions under which money may be transferred from one fund or account to another, as reflected in items #1-5 below.

AB 97 (Ch. 47, Statutes of 2013) repealed Education Code 17583 which provided a process for the transfer of excess local funds in the deferred maintenance fund to any other expenditure classifications whenever state funds for deferred maintenance are insufficient to fully match local funds.

AB 97 also repealed Education Code 42605, which provided temporary flexibility for specified "Tier 3" categorical programs, and redirects the funding for those categorical programs into the local control funding formula (LCFF) (Education Code 42238.01 42238.07). The supplemental and concentration grant portions of the LCFF may be used for any schoolwide or districtwide educational purpose in accordance with state regulations to be adopted by January 31, 2014, with the goal of increasing or improving services for students who are eligible for free and reduced-price meals, English learners, and foster youth; see BP/AR 0460—Local Control and Accountability Plan and BP/AR 3100—Budget.

The total amount budgeted by the district for each major classification of expenditures, as listed in the California Department of Education's budget forms, shall be the maximum amount which the district may expend for that classification for the school year. (Education Code 42600)

However, when it is in the best interest of the district, the Board may:

1. At any time, adopt a written resolution providing for transfers from the designated fund balance or the unappropriated fund balance to any expenditure classification or between classifications. The resolution shall be filed with the County Superintendent of Schools and the **C**ounty **A**uditor. (Education Code 42600)

TRANSFER OF FUNDS (continued)*(cf. 9323.2 - Actions by the Board)*

2. Direct the temporary transfer of monies held in any district fund or account to another fund or account as necessary for the payment of obligations. Such borrowing shall occur only when the fund or account receiving the money will earn sufficient income during the current fiscal year to repay the amount transferred. No more than 75 percent of the maximum amount held in any fund or account during the current fiscal year may be transferred. Amounts transferred shall be repaid in the same fiscal year, or in the following fiscal year if the transfer takes place within the final 120 calendar days of a fiscal year. (Education Code 42603)

Note: Education Code 42603.1, as added by SB 98 (Ch. 23, Statutes of 2020), adds the following authorization for the temporary transfer of funds for the 2020-21 and 2021-22 fiscal years, if the state defers any payments owed to districts.

For the 2020-21 and 2021-22 fiscal years only, if the state defers any payments owed to districts, the Board may direct the temporary transfer of up to 85 percent of the maximum amount held in any fund or account during the current fiscal year for the payment of obligations. Such borrowing shall occur only when the fund or account receiving the money will earn sufficient income during the current fiscal year to repay the amount transferred. Prior to exercising this authority, the Board shall hold a public hearing and adopt a resolution authorizing such transfer. (Education Code 42603.1)

Note: Pursuant to Education Code 42601, **the district, with the approval of** the Governing Board, may identify and request that the County Superintendent of Schools make transfers at the close of a school year in order to permit the payment of district obligations **incurred during that school year**, as provided in item #3 below. For elementary school districts with average daily attendance (ADA) of 900 or less, high school districts with ADA of 300 or less, or unified districts with ADA of 1,500 or less, the County Superintendent may identify and make the transfers, with the consent of the Board.

3. At the close of a school year, request that the County Superintendent make transfers between the designated fund balance or the unappropriated fund balance and any expenditure classification(s), or balance any expenditure classifications of the district budget as necessary for the payment of obligations incurred during that school year. (Education Code 42601)
4. ~~Specify amounts to be transferred by the county auditor and treasurer from the district's general fund to the special reserve fund during the fiscal year.~~ If any special reserve funds **that** are maintained for ~~purposes other than~~ capital outlay or **other purposes pursuant to Education Code 42842** ~~if monies in the special reserve fund are not actually encumbered for ongoing expenses, the Board may transfer those~~

TRANSFER OF FUNDS (continued)

monies into the general fund for the general operating purposes of the district. If any monies remain in the special reserve fund at the conclusion of a project, the Board may **submit a, by** written request to the County Superintendent, **A** auditor, and **T**reasurer, **to discontinue the special reserve fund and** transfer those monies to the district's general fund. (Education Code 42841-42843)

5. Transfer monies between other funds or accounts when authorized by law.

FEDERAL GRANT FUNDS

Note: All grants awarded by the federal government, including formula grants (e.g., Title I funding, Part B of the Individuals with Disabilities Education Act) and discretionary grants, are subject to the requirements contained in the Office of Management and Budget's (OMB) Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (commonly called "Uniform Guidance"), as specified in 2 CFR 200.0-200.521 and Appendices I-XII. **2 CCR 200.109 requires that the Uniform Guidance be reviewed every five years. Revisions to the Uniform Guidance (85 Fed. Reg. 49506), effective November 12, 2020, address the information that grant recipients are required to report, implement relevant statutory requirements, and clarify existing requirements.**

~~The Uniform Guidance, adopted in December 2014, includes new provisions but primarily consolidates guidance from earlier OMB circulars.~~

~~Pursuant to 2 CFR 200.110, the Uniform Guidance applies to all new and continuing grant awards made on or after December 26, 2014, except that, as amended by 82 Fed. Reg. 94, districts may choose to delay implementation of the new procurement standards until July 1, 2018 or such later date as may be approved in the Uniform Guidance. See the accompanying administrative regulation for optional language accepting the delayed implementation.~~

Pursuant to 2 CFR 200.302, 200.318, and 200.319, the district is **mandated** to adopt written procedures related to procurement, conflict of interest, cash management, payments, and allowable costs. In addition to the following policy, it is recommended that districts maintain a detailed administrative regulation or procedures manual addressing the mandated components.

The Governing Board recognizes the district's responsibility to maintain fiscal integrity and transparency in the use of all funds awarded through federal grants. The district shall comply with all requirements detailed in any grant agreement with an awarding agency and with the federal Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards specified in 2 CFR 200.0-200.521 and any stricter state laws and district policy.

Any goods or services purchased with federal funds shall be reasonable in cost and necessary for the proper and efficient performance or administration of the program.

The Superintendent or designee shall ensure that the district's financial management systems and procedures provide for the following: (2 CFR 200.302)

1. Identification in district accounts of each federal award received and expended and the federal program under which it was received

(cf. 3100 - Budget)

FEDERAL GRANT FUNDS (continued)

2. Accurate, current, and complete disclosure of the financial ~~and performance~~ results of each federal award or program in accordance with the reporting requirements of 2 CFR ~~200.327 and~~ 200.328 ~~and~~ **200.329**

(cf. 3460 - Financial Reports and Accountability)

3. Records and supporting documentation that adequately identify the source and application of funds for federally funded activities, including information pertaining to federal awards, authorizations, **financial** obligations, unobligated balances, assets, expenditures, income, and interest

(cf. 1340 - Access to District Records)

(cf. 3580 - District Records)

4. Effective controls **s over** and accountability for all funds, property, and other assets and assurance that all assets are used solely for authorized purposes
5. Comparison of actual expenditures with budgeted amounts for each federal award
6. Written procedures to implement provisions governing payments as specified in 2 CFR 200.305
7. Written procedures for determining the allowability of costs in accordance with 2 CFR 200.400-200.475 and the terms and conditions of the federal grant award

(cf. 3400 - Management of District Assets/Accounts)

The Superintendent or designee shall develop and implement appropriate internal control processes to reasonably assure that transactions are properly executed, recorded, and accounted for so that the district can prepare reliable financial statements and federal reports, maintain accountability over assets, and demonstrate compliance with federal laws, regulations, and conditions of the federal award. (2 CFR 200.61, 200.62, 200.303)

Equipment purchased with federal funds shall be properly inventoried and adequately maintained to safeguard against loss, damage, or theft of the property.

(cf. 3270 - Sale and Disposal of Books, Equipment and Supplies)

(cf. 3440 - Inventories)

(cf. 3512 - Equipment)

All staff involved in the administration or implementation of programs and activities supported by federal funds shall receive information and training on the allowable use of federal funds, purchasing procedures, and reporting processes commensurate with their duties.

FEDERAL GRANT FUNDS (continued)*(cf. 4131 - Staff Development)**(cf. 4231 - Staff Development)**(cf. 4331 - Staff Development)*

Note: Pursuant to 2 CFR 200.328 **and 200.329**, districts must submit **financial and** performance reports at the interval required by the awarding agency, which shall be at least annually but no more often than quarterly except in unusual circumstances. **Status reports due annually must be submitted no later than 90 calendar days after the reporting period, and reports due quarterly or semi-annually must be submitted no later than 30 calendar days after the reporting period. As amended by 85 Fed. Reg. 49506, 2 CFR 200.329 increases the time period for submitting final performance reports from 90 to 120 days after the performance end date.** The district may request an extension of the due date for any performance report for justifiable reasons.

In addition, the California Department of Education (CDE) is required under Education Code 64001 to monitor districts' compliance with legal requirements for federal categorical programs. This monitoring is accomplished through the Federal Program Monitoring process, which is based on a combination of data and document reviews and on-site visits. For further information, see the CDE's website and BP 6190 - Evaluation of the Instructional Program.

The district shall submit **financial and** performance reports to the awarding agency in accordance with the schedule and indicators required for that federal grant by law and the awarding agency. As required, such reports may include a comparison of actual accomplishments to the objectives of the federal award, the relationship between financial data and performance accomplishments, the reasons that established goals were not met if applicable, cost information to demonstrate cost-effective practices, analysis and explanation of any cost overruns or high unit costs, and other relevant information. The final performance report shall be submitted **within 90 no later than 120 calendar** days after the ending date of the grant. (2 CFR 200.301, 200.328, **200.329**)

CSBA Sample Administrative Regulation

Business and Noninstructional Operations

AR 3230(a)

FEDERAL GRANT FUNDS

Note: The following administrative regulation reflects the major requirements of the Office of Management and Budget's Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (commonly called "Uniform Guidance"), as specified in 2 CFR 200.0-200.521 and Appendices I-XII, **as amended by 85 Fed. Reg. 49506. The Uniform Guidance** which governs the use of federal formula and discretionary grant funds awarded to districts **all grants awarded by the federal government, including formula grants (e.g., Title I funding, Part B of the Individuals with Disabilities Education Act) and discretionary grants.** Pursuant to 2 CFR 200.302, 200.318, and 200.319, the district is **mandated** to adopt written procedures related to procurement, conflict of interest, cash management, payments, and allowable costs.

Pursuant to Public Contract Code 20111, **as amended by SB 544 (Ch. 395, Statutes of 2017),** clarifies that districts participating in a federally funded child nutrition program, such as the National School Lunch and/or Breakfast Program, must comply with the federal procurement standards of 2 CFR 200.318-200.326.

The requirements of the Uniform Guidance are extensive and are not fully covered in the following administrative regulation. It is recommended that the district expand the following regulation and/or maintain a comprehensive procedures manual which contains internal controls and grant management standards used by the district to ensure the lawful expenditure of federal funds, including, but not limited to, procedures and protocols for cash management, procurement, inventory management, allowability of expenditures, "time and effort" reporting by personnel, and record retention.

To ensure the lawful expenditure of any federal formula or discretionary grant funds awarded to the district, the Superintendent or designee shall comply with the requirements of the Office of Management and Budget's Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (the "Uniform Guidance"), as contained in 2 CFR 200.0-200.521 and Appendices I-XII.

Allowable Costs

Note: 2 CFR 200.302 **mandates** that districts develop written procedures for determining the allowability of costs in accordance with 2 CFR 200.400-200.475 and the terms and conditions of the federal grant award. Districts may revise this section or their detailed procedures manual to reflect those requirements.

Prior to obligating or spending any federal grant funds, the Superintendent or designee shall determine whether a proposed purchase is an allowable expenditure in accordance with 2 CFR 200.400-200.475 and the terms and conditions of the award. **He/she The Superintendent or designee** shall also determine whether the expense is a direct or indirect cost as defined in 2 CFR 200.413 and 200.414 and, if the purchase will benefit other programs not included in the grant award, the appropriate share to be allocated to the federal grant.

(cf. 3350 - Travel Expenses)

FEDERAL GRANT FUNDS (continued)

Note: Pursuant to Education Code 42126, which requires the Superintendent of Public Instruction to prescribe a uniform format for district budgets, districts are required to use the Standardized Account Code Structure (SACS). SACS ensures that districts meet state and federal reporting guidelines and comply with generally accepted accounting principles prescribed by the Governmental Accounting Standards Board. The California Department of Education's California School Accounting Manual provides guidance regarding coding of revenues and expenditures and reflects the Uniform Guidance.

The Superintendent or designee shall review and approve all transactions involving federal grant funds and shall ensure the proper coding of expenditures consistent with the California School Accounting Manual.

(cf. 3300 - Expenditures and Purchases)

(cf. 3314 - Payment for Goods and Services)

Period of Performance

Note: Pursuant to 2 CFR ~~200.343~~ **200.344**, any federal funds that are not obligated or paid within the appropriate timeframes must be returned to the awarding agency. Thus, districts should closely monitor spending throughout the grant cycle.

As amended by 85 Fed. Reg. 49506, 2 CFR 200.344 increases the number of days for districts to liquidate all financial obligations from 90 days to 120 days.

All obligations of federal funds shall occur on or between the beginning and ending dates of the grant project and shall be paid no later than **90 120 calendar** days after the end of the funding period, unless specifically authorized by the grant award to be carried over beyond the initial term of the grant. (2 CFR 200.77, 200.308, 200.309, ~~200.343~~**200.344**)

Procurement

Note: ~~2 CFR 200.110, as amended by 82 Fed. Reg. 22609, authorizes districts to delay implementation of the procurement standards in the Uniform Guidance (2 CFR 200.317-200.326) until July 1, 2018 or such later date as may be approved in the Uniform Guidance. Districts that choose to delay implementation are mandated by 2 CFR 200.110 to document this decision in their procurement policies and should revise the following paragraph accordingly.~~ **Districts are required to comply with the procurement standards specified in 2 CFR 200.317-200.327 as well as state laws pertaining to bidding and procurement.**

2 CFR 200.322, as added by 85 Fed. Reg. 49506, requires districts, to the extent practicable under a federal award, to give preference to the purchase, acquisition, or use of goods, products, or materials from the United States.

When procuring goods and services with a federal grant, the Superintendent or designee shall comply with the standards contained in 2 CFR 200.317-~~200.326~~**200.327** and Appendix II of Part 200, ~~or~~ **and** with any applicable state **bidding or procurement** law or district policy that is more restrictive.

FEDERAL GRANT FUNDS (continued)

As appropriate to encourage greater economy and efficiency, the Superintendent or designee shall avoid acquisition of unnecessary or duplicative items, give consideration to consolidating or breaking out procurements, analyze lease versus purchase alternatives, consider entering into an interagency agreement for procurement of common or shared goods and services, and/or use federal excess or surplus property. (2 CFR 200.318)

Note: 2 CFR 200.318 **mandates** that districts have written procedures that address all applicable laws regarding the use of federal grant funds in procurement transactions. The U.S. Department of Education's (USDOE) Questions and Answers Regarding 2 CFR Part 200 clarifies that such procedures must address issues related to the bid process (e.g., source evaluation, protests, and claims) **since 2 CFR 200.318 provides that the district is solely responsible for settlement of all contractual and administrative issues arising out of the procurement process.**

The following list reflects major requirements contained in the Uniform Guidance. Districts may revise the following list or the district's comprehensive procedures manual to include additional detail, such as a description of the documents that will be used (e.g., purchase order, requisition), staff responsibilities, and the process for soliciting and receiving bids.

The procurement of goods or services with federal funds shall be conducted in a manner that provides full and open competition in accordance with state laws and district regulations and the following requirements:

Note: 2 CFR 200.67 **and 200.320** permits districts to establish simplified procurement procedures for "micro-purchases," as described in item #1 below. Pursuant to **2 CFR 200.320, districts are responsible for determining and documenting an appropriate micro-purchase threshold based on internal controls, an evaluation of risk, and district procurement procedures.** Pursuant to 2 CFR 200.320, as amended by 85 Fed. Reg. 49506, and 48 CFR 2.101, the threshold for such purchases ~~is \$3,500~~ cannot exceed \$10,000 except as otherwise specified, and will be periodically adjusted for inflation. **However, pursuant to 2 CFR 200.320, as amended, a district may be eligible to establish a micro-purchase threshold up to \$50,000 on an annual basis if the district is able to self-certify that it may do so, with documentation of one of the following criteria: (1) the district's qualification as a low-risk auditee in accordance with 2 CFR 200.520; (2) an annual internal institutional risk assessment to identify, mitigate, and manage financial risks; or (3) a higher threshold consistent with state law. Districts may establish a threshold higher than \$50,000 with approval of the appropriate federal agency. Item #1 may be revised to reflect the threshold established by the district.**

Use of the simplified procedures requires that the district determine the price to be "reasonable." According to the USDOE's Questions and Answers Regarding 2 CFR Part 200, a documented review of web sites would meet this requirement.

As amended, 2 CFR 200.320 increases the "small purchases" limit under the Uniform Guidance (item #2 below) ~~is \$150,000~~ to \$250,000 in accordance with 48 CFR 2.101. However, the more restrictive California bid limits in Public Contract Code 20111 and district procurement policies must be applied to define the "small purchase" requirements.

Any purchases above the California bid limits ~~(see BP/AR 3311 - Bids)~~ must follow California law. **See BP/AR 3311 - Bids for more information regarding bids and bid limits.**

FEDERAL GRANT FUNDS (continued)

1. Any purchase of supplies or services that does not exceed the "micro-purchase" threshold ~~specified in~~ **established by the district in accordance with** 48 CFR 2.101 may be awarded without soliciting competitive quotes, provided that the district considers the price to be reasonable and maintains written evidence of this reasonableness in the record of all micro-purchases. (2 CFR 200.67, 200.320)
2. For any purchase that exceeds the micro-purchase threshold but is less than the bid limit required by Public Contract Code 20111, the Superintendent or designee shall utilize "small-purchase" procedures that include obtaining price or rate quotes from an adequate number of qualified sources. (2 CFR 200.320)
3. Contracts for goods or services over the bid limits required by Public Contract Code 20111 shall be awarded pursuant to California law and AR 3311 - Bids, unless exempt from bidding under the law.

(cf. 3311 - Bids)

4. If a purchase is exempt from bidding and the district's solicitation is by a request for proposals, the award may be made by either a fixed-price or cost-reimbursement type contract awarded to the entity whose proposal is most advantageous to the program, with price and other factors considered. (2 CFR 200.320)

(cf. 3312 - Contracts)

5. Procurement by noncompetitive proposals (sole sourcing) may be used only when the item is available exclusively from a single source, the need or emergency will not permit a delay resulting from competitive solicitation, the awarding agency expressly authorizes sole sourcing in response to the district's request, and/or competition is determined inadequate after solicitation of a number of sources. (2 CFR 200.320)
6. Time and materials type contracts may be used only after a determination that no other contract is suitable and if the contract includes a ceiling price that the contractor exceeds at its own risk. *Time and materials type contract* means a contract for which the cost is the sum of the actual cost of materials and direct labor hours charged at fixed hourly rates that reflect wages, general administrative expenses, and profit. **(2 CFR 200.328-200.318)**

Note: 2 CFR ~~200.213-200.214~~ restricts districts from procuring goods or services from entities that have been debarred, suspended, or otherwise excluded from participation in federal assistance programs or activities. Districts may require certification of eligibility from the vendor or use the federal System for Award Management website to determine whether a particular entity has been excluded.

FEDERAL GRANT FUNDS (continued)

For any purchase of \$25,000 or more, the Superintendent or designee shall verify that any vendor which is used to procure goods or services is not excluded or disqualified by the federal government. (2 CFR 180.220, **200.213-200.214**)

Note: 2 CFR 200.319 **mandates** that districts have written procedures for procurement transactions that include the following components.

All solicitations shall incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured. Such description shall not, in competitive procurements, contain features which unduly restrict competition. The description shall avoid detailed product specifications to the extent possible, but may include a statement of the qualitative nature of the material, product, or service to be procured and, when necessary, shall set forth those minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. When it is impractical or not economical to make a clear and accurate description of the technical requirements, a brand name or equivalent description may be used to define the performance or other salient requirements of procurement, clearly stating the specific features of the named brand which must be met by offers. In addition, every solicitation shall identify all requirements which the offer must fulfill and any other factors to be used in evaluating bids or proposals. (2 CFR 200.319)

The Superintendent or designee shall maintain sufficient records to document the procurement, including, but not limited to, the rationale for the method of procurement, selection of the contract type, contractor selection or rejection, and the basis for the contract price. (2 CFR 200.318)

The Superintendent or designee shall ensure that all contracts for purchases using federal grant funds contain the applicable contract provisions described in Appendix II to Part 200 - Contract Provisions for Non-Federal Entity Contracts Under Federal Awards. (2 CFR **200.326-200.327**)

Capital Expenditures

Note: 2 CFR 200.313 and 200.439 require a district receiving federal grant funds to obtain prior written approval from the awarding agency before incurring the cost of a capital expenditure, as defined in 2 CFR 200.12 and 200.13. See AR 3512 - Equipment for further information about requirements related to equipment purchased with federal funds, including labeling, maintenance, and inventory of the equipment and continued use of the equipment after the program ceases to be supported by federal funds.

The Superintendent or designee shall obtain prior written approval from the awarding agency before using federal funds to make capital expenditures, including the acquisition of land, facilities, equipment, and intellectual property and expenditures to make additions,

FEDERAL GRANT FUNDS (continued)

improvements, modifications, replacements, rearrangements, reinstallations, renovations, or alterations to capital assets that materially increase their value or useful life. (2 CFR 200.12, 200.13, 200.20, 200.33, 200.48, 200.58, 200.89, 200.313, 200.439)

Conflict of Interest

Note: 2 CFR 200.318 **mandates** that districts maintain written standards of conduct covering conflicts of interest and the **performance-actions** of employees engaged in the selection, award, and administration of contracts. **The district's standards of conduct must also provide for disciplinary actions to be applied when officers, employees, or representatives of the district violate conflict of interest standards. The district should revise this section or its detailed procedures manual to reflect district practice.**

No Governing Board members, district employees, **and other** district representatives shall **not** participate in the selection, award, or administration of a contract supported by federal funds if **he/she has they have** a real or apparent conflict of interest, such as when **he/she they** or a member of **his/her their** immediate family, **his/her their** partner, or an organization which employs or is about to employ any of them has a financial **or other** interest in or a tangible personal benefit from a firm considered for a contract. Such persons are prohibited from soliciting or accepting gratuities, favors, or anything of monetary value from contractors or subcontractors unless the gift is an unsolicited item of nominal value. (2 CFR 200.318)

Employees engaged in the selection, award, and administration of contracts shall also comply with BB 9270 - Conflict of Interest.

(cf. 9270 - Conflict of Interest)

Persons involved in the selection, award, or administration of a contract supported by federal funds shall be subject to discipline for any violation of conflict of interest standards. (2 CFR 200.318)

(cf. 4118 - Dismissal/Suspension/Disciplinary Action)

(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

(cf. 4218.1 - Dismissal/Suspension/Disciplinary Action (Merit System))

Cash Management

Note: Pursuant to 2 CFR 200.302, districts are **mandated** to develop written procedures to implement the requirements of 2 CFR 200.305.

The Superintendent or designee shall ensure the district's compliance with 2 CFR 200.305 pertaining to payments and cash management, including compliance with applicable methods and procedures that minimize the time elapsing between the transfer of funds to the district and the district's disbursement of funds. (2 CFR 200.305)

FEDERAL GRANT FUNDS (continued)

Note: Pursuant to 2 CFR 200.305, a district may be paid in advance by the awarding agency if it maintains written procedures that minimize the time elapsing between the transfer of funds and disbursement by the district as well as financial management systems that meet the standards for fund control and accountability as established in the Uniform Guidance.

When authorized by law, the district may receive advance payments of federal grant funds, limited to the minimum amounts needed and timed in accordance with the actual immediate cash requirements of the district for carrying out the purpose of the program or project. Except under specified conditions, the district shall maintain the advance payments in an interest-bearing account. The district shall remit interest earned on the advanced payment to the awarding agency on an annual basis, but may retain interest amounts specified in 2 CFR 200.305 for administrative expenses. (2 CFR 200.305)

When required by the awarding agency, the district shall instead submit a request for reimbursement of actual expenses incurred. The district may also request reimbursement as an alternative to receiving advance payments. (2 CFR 200.305)

The Superintendent or designee shall maintain source documentation supporting the expenditure of federal funds, such as invoices, time sheets, payroll stubs, or other appropriate documentation.

Personnel

Note: In order to charge staff compensation as an allowable expense of federal grant funds pursuant to 2 CFR 200.430, employees must document the amount of time they spend on grant activities supported by federal funds. These documents, known as "time and effort" records, are used to charge the costs of personnel compensation to federal grants. It is recommended that the district's administrative regulation reflect district practice for documenting time and effort, such as the type of documentation maintained, signature requirements, how often certifications will be completed, and review of the records by a supervisor.

All district employees who are paid in full or in part with federal funds, including employees whose salary is paid with state or local funds but is used to meet a required match or in-kind contribution to a federal program, shall document the amount of time they spend on grant activities. Such records shall be incorporated into the official records of the district and shall be subject to a system of internal controls which provides reasonable assurance that the charges are accurate, allowable, and properly allocated in accordance with 2 CFR 200.430. (2 CFR 200.430)

Salaries and wages of employees whose salary is paid with state or local funds but are used to meet a cost-sharing or matching requirement of the federal grant shall be documented in the same manner as salaries and wages claimed for reimbursement under a federal grant. (2 CFR 200.430)

FEDERAL GRANT FUNDS (continued)

Records

Except as otherwise provided in 2 CFR ~~200.333~~ **200.334**, or where state law or district policy requires a longer retention period, financial records, supporting documents, statistical records, and all other district records related to a federal award shall be retained for a period of three years from the date of submission of the final expenditure report or, for a federal award that is renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report. (2 CFR ~~200.333~~ **200.334**)

(cf. 1340 - Access to District Records)

(cf. 3580 - District Records)

Audits

Note: Pursuant to 2 CFR 200.501, districts that expend \$750,000 or more in federal grant funds during a fiscal year must have a single audit conducted in accordance with 2 CFR 200.514, unless it chooses to have a program-specific audit conducted in accordance with 2 CFR 200.507. Districts that expend more than \$50 million in federal funds are subject to the requirements specified in 2 CFR 200.513. District audits are also subject to the requirements in Education Code 41020, the state Education Audit Appeal Panel's Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, and the California Department of Education Audit Guide. See BP/AR 3460 - Financial Reports and Accountability for further information about audit requirements.

Pursuant to 2 CFR 200.501, districts that expend less than \$750,000 in federal grant funds per fiscal year are exempt from federal audit requirements but must make records available for review or audit by the awarding agency, the pass-through entity, and U.S. Government Accountability Office. Such districts may delete the following section.

Whenever the district expends \$750,000 or more in federal grant funds during a fiscal year, it shall arrange for either a single audit or a program-specific audit in accordance with 2 CFR 200.507 or 200.514. (2 CFR 200.501)

The Superintendent or designee shall ensure that the audit meets the requirements specified in 2 CFR 200.500-200.521.

Specified records pertaining to the audit of federal funds expended by the district shall be transmitted to the clearinghouse designated by the federal Office of Management and Budget and shall be made available for public inspection. Such records shall be transmitted within 30 days after receipt of the auditor's report or within nine months after the end of the audit period, whichever is sooner, unless a longer period is agreed to in advance by the federal agency or a different period is specified in a program-specific audit guide. (2 CFR 200.512)

FEDERAL GRANT FUNDS (continued)

In the event that the audit identifies any deficiency, the Superintendent or designee shall promptly act to either correct the identified deficiency, produce recommended improvements, or demonstrate that the audit finding is invalid or does not warrant action. (2 CFR 200.26, 200.508, 200.511)

LEASE-LEASEBACK CONTRACTS

Note: The following administrative regulation addresses construction financing contracts that are commonly described as "lease-leaseback" contracts. ~~Education Code 17406, as amended by AB 2316 (Ch. 521, Statutes of 2016), no longer permits the selection of a lease-leaseback contractor without advertising, and instead requires districts to use a comprehensive "best value" selection process.~~ Education Code 17406, as amended, **mandates** that any district choosing to award a lease-leaseback contract adopt and publish procedures and guidelines for evaluating the qualifications of proposers that ensure the fair and impartial selection of the "best value" for the district. In addition, for any project that will involve the use of preconstruction services, the request for sealed proposals must require proposers to include the fee to perform the preconstruction services as part of their sealed proposal to the district. Such procedures and guidelines must include, at a minimum, the provisions specified in Education Code 17406 as reflected in the following regulation.

The lease-leaseback financing method should only be used in coordination with competent technical consultants and legal counsel to ensure all legal requirements are met.

The district may lease currently owned district property to any person, firm, or corporation for a minimum of \$1 per year **for a term not to exceed 99 years**, as long as the lease requires the person, firm, or corporation to construct a building or buildings on the property for the district's use during the lease and the property and building(s) will vest in the district at the expiration of the lease ("lease-leaseback"). (Education Code **17403**, 17406)

(cf. 3280 - Sale or Lease of District-Owned Real Property)

(cf. 3312 - Contracts)

Before the district enters into such a lease or agreement, it shall have available a site upon which a building may be constructed for use by the district, shall have complied with requirements related to the selection and approval of sites, and shall have prepared and adopted plans and specifications for the building that have been approved in accordance with Education Code 17280-17316. (Education Code 17402)

(cf. 7150 - Site Selection and Development)

Procedures for Awarding the Contract

Note: The following optional paragraph may be revised to reflect district practice. Pursuant to Education Code 17417, the Governing Board must adopt a resolution of intent to enter into a lease or agreement related to real property and buildings to be used by the district. However, pursuant to Education Code 17406, Education Code 17417 is not applicable to lease-leaseback agreements. As a best practice, the district may choose to adopt such a resolution for lease-leaseback contracts in order to inform the public and prospective proposers of the available site and the procedures for awarding the contract.

LEASE-LEASEBACK CONTRACTS (continued)

The district's intent to enter into a lease-leaseback contract may be described in a resolution adopted by the Governing Board which includes, but is not be limited to, a description of the available site and the building to be constructed, the amount and term of the lease, and where to obtain information about the procedures for submitting a proposal.

Any lease-leaseback contract shall be awarded through a competitive "best value" procurement process whereby a person, firm, or corporation is selected on the basis of objective criteria for evaluating the qualifications of proposers, with the resulting selection representing the best combination of price and qualifications. **To make this determination, the district shall use the following procedures:** (Education Code 17400, 17406)

To make this determination, the district shall use the following procedures: (Education Code 17406; Public Contract Code 2600)

1. **Request for Sealed Proposals:** The Superintendent or designee shall prepare a request for sealed proposals which shall include:
 - a. An estimate of the project's price
 - b. A clear, precise description of any preconstruction services that may be required and the facilities to be constructed
 - c. The key elements of the contract to be awarded
 - d. A description of the format that proposals shall follow and the elements they shall contain
 - e. The standards the district will use in evaluating proposals **and the qualifications of the proposers, including:**
 - (1) **Relevant experience**
 - (2) **Safety record**
 - (3) **Price proposal, including, at the district's discretion, either a lump-sum price for the contract to be awarded or the proposer's proposed fee to perform the services requested, including the proposer's proposed fee to perform preconstruction services or any other work related to the facilities to be constructed, as requested by the district**

LEASE-LEASEBACK CONTRACTS (continued)

- (4) Whether each criterion will be evaluated on a pass-fail basis or will be scored as part of the "best value" score, and whether proposers must achieve any minimum qualification score for award of the contract
- (5) For each scored criterion, the methodology and rating or weighting system that will be used by the district in evaluating the criterion, including the weight assigned to the criterion and any minimum acceptable score
- (6) Other factors established by the district

- f. The date on which proposals are due
- g. The timetable the district will follow in reviewing and evaluating proposals

Note: Public Contract Code 2600, as amended by AB 2311 (Ch. 347, Statutes of 2020), adds a requirement to include in all bid documents and construction contracts, when applicable, a notice that the project is subject to the skilled and trained workforce requirements specified in Public Contract Code 2600-2603. Pursuant to Education Code 17407.5, lease-leaseback contracts are subject to such requirements. See the section "Skilled and Trained Workforce" below for additional requirements.

- h. A statement that the project is subject to the skilled and trained workforce requirements specified in Public Contract Code 2600-2603**

- 2. **Notice:** At least 10 days before the date for receipt of the proposals, the Superintendent or designee shall give notice of the request for sealed proposals using both of the following methods:
 - a. Providing notice at least once a week for two weeks in a local newspaper of general circulation pursuant to Public Contract Code 20112
 - b. Providing notice in a trade paper of general circulation published in the county where the project is located

Note: The following paragraph is **optional** and may be revised to reflect district practice.

The Superintendent or designee also may post the notice on the district's web site or through an electronic portal.

Note: Pursuant to Education Code 17406, the prequalification requirements for contracts that meet the criteria specified in Public Contract Code 20111.6 are also applicable to lease-leaseback contracts. Education Code 17406 requires prequalification for such projects irrespective of whether or not they are funded locally or through state sources.

LEASE-LEASEBACK CONTRACTS (continued)

3. **Prequalification:** A proposer shall be prequalified in accordance with Public Contract Code 20111.6(b)-(m) in order to submit a proposal. Any electrical, mechanical, and plumbing subcontractors shall be subject to the same prequalification requirements.

(cf. 3311 - Bids)

4. ~~Evaluation Criteria: The request for sealed proposals shall identify all criteria that the district will consider in evaluating the proposals and qualifications of the proposers, including relevant experience, safety record, price proposal, and other factors specified by the district. The price proposal shall include, at the district's discretion, either a lump sum price for the contract to be awarded or the proposer's proposed fee to perform the services requested, including the proposer's proposed fee to perform preconstruction services or any other work related to the facilities to be constructed, as requested by the district.~~

~~The request for sealed proposals shall specify whether each criterion will be evaluated on a pass fail basis or will be scored as part of the "best value" score, and whether proposers must achieve any minimum qualification score for award of the contract. For each scored criterion, the district shall identify the methodology and rating or weighting system that will be used by the district in evaluating the criterion, including the weight assigned to the criterion and any minimum acceptable score.~~

- 5.4. **Evaluation of Proposals:** All proposals received shall be reviewed to determine whether they meet the format requirements and the standards specified in the request for sealed proposals. The district shall evaluate the qualifications of the proposers based solely upon the criteria and evaluation methodology set forth in the request for sealed proposals, and shall assign a best value score to each proposal. Once the evaluation is complete, all responsive proposals shall be ranked from the highest best value to the lowest best value to the district.

- 6.5. **Award of Contract:** The award of the contract shall be made by the **Governing Board** to the responsive proposer whose proposal is determined, in writing by the Board, to be the best value to the district.

If the selected proposer refuses or fails to execute the tendered contract, the Board may award the contract to the proposer with the second highest best value score, if deemed in the best interest of the district. If that proposer then refuses or fails to execute the tendered contract, the Board may award the contract to the proposer with the third highest best value score.

LEASE-LEASEBACK CONTRACTS (continued)

Upon issuance of a contract award, the district shall publicly announce its award, identifying the entity to which the award is made, along with a statement regarding the basis of the award. The statement regarding the contract award and the contract file shall provide sufficient information to satisfy an external audit.

7.6. Rejection of Proposals: At its discretion, the Board may reject all proposals and request new proposals.

~~Prior to entering into a lease-leaseback agreement, the Superintendent or designee shall have on file the contractor's enforceable commitment that the contractor and its subcontractors at every tier will use a skilled and trained workforce to perform all work on the project or contract that falls within an apprenticeable occupation in the building and construction trades. (Education Code 17407.5)~~

Any lease-leaseback agreement shall be reviewed by the district's legal counsel to ensure that all required terms, including a lease term that provides for the district's occupancy of the building or improved property during the lease and an appropriate financing component, are included in the agreement.

Skilled and Trained Workforce

Note: Education Code 17407.5 requires the district to obtain an enforcement commitment that the contractor will comply with the requirements to use a skilled and trained workforce, as defined, in accordance with Public Contract Code 2600-2603. Pursuant to Public Contract Code 2600.5, as added by AB 2311, failure to provide the notice described in item #1h above does not excuse the district from the requirement to obtain an enforceable commitment that a contractor or other entity will use a skilled and trained workforce to complete a contract or project.

~~Prior to entering into a lease-leaseback agreement, the Superintendent or designee shall have on file the contractor's enforceable commitment that the contractor and its subcontractors at every tier will use a skilled and trained workforce to perform all work on the project or contract that falls within an apprenticeable occupation in the building and construction trades. The entity may demonstrate such commitment through a project labor agreement, by becoming a party to the district's project labor agreement, or through an agreement with the district to provide evidence of compliance on a monthly basis during the performance of the project or contract. (Education Code 17407.5; Public Contract Code 2602)~~

Skilled and trained workforce means that all the workers performing the work are either skilled journeypersons or apprentices registered in a state-approved apprenticeship program. At least 60 percent of the skilled journeypersons employed to perform the work shall be graduates of an apprenticeship program for the applicable occupation or at least 60 percent of the hours worked by skilled journeypersons shall be performed by

LEASE-LEASEBACK CONTRACTS (continued)

graduates of an apprenticeship program, with the exception of certain occupations specified in Public Contract Code 2601 which are subject to a 30 percent threshold. (Public Contract Code 2601)

If the contractor fails to provide the monthly report demonstrating compliance with the skilled and trained workforce requirements or provides an incomplete report, the district shall withhold further payments until a complete report is provided. If a report does not demonstrate compliance with the skilled and trained workforce requirements, the district shall withhold further payments until the contractor provides a sufficient plan to achieve substantial compliance with respect to the relevant apprenticeable occupation, prior to completion of the contract or project. In addition, the district shall forward to the Labor Commissioner a copy of the monthly report, any plan to achieve compliance, and the district's response to that plan. (Public Contract Code 2602)

DESIGN-BUILD CONTRACTS

Note: As an alternative to the more traditional design-bid-build process (see BP/AR 3311 - Bids) or a lease-leaseback process (see AR 3311.2 - Lease-Leaseback Contracts), the district may enter into a design-build contract for a public works project in excess of \$1 million pursuant to Education Code 17250.10-17250.55. As defined by Education Code 17250.15, "design-build" means a project delivery process in which both the design and construction of a project are procured from a single entity. Education Code 17250.15 and 17250.25 provide that such contracts may be awarded to either the low bid or best value, as defined. Pursuant to Education Code 17250.50 and 17250.55, this authority applies to bid requests issued on or after July 1, 2016 and will be repealed January 1, 2025 unless legislation is enacted to delete or extend that date.

The Governing Board may approve a contract with a single entity for both design and construction of any school facility in excess of \$1,000,000, awarding the contract to either the low bid or the best value as determined by evaluation of objective criteria. (Education Code 17250.20)

(cf. 3311 - Bids)

(cf. 3312 - Contracts)

(cf. 7110 - Facilities Master Plan)

(cf. 7140 - Architectural and Engineering Services)

Design-build documents shall not include provisions for long-term project operations, but may include operations during a training or transition period. (Education Code 17250.25)

Procedures for Awarding the Contract

The procurement process for design-build projects shall be as follows: (Education Code 17250.25, 17250.35; **Public Contract Code 2600**)

1. **Performance Specifications:** The district shall prepare a set of documents setting forth the scope and estimated price of the project. The documents may include, but are not limited to:
 - a. The size, type, and desired design character of the project
 - b. Performance specifications that cover the quality of materials, equipment, and workmanship
 - c. Preliminary plans or building layouts
 - d. Any other information deemed necessary to describe adequately the district's needs

DESIGN-BUILD CONTRACTS (continued)

The performance specifications and any plans shall be prepared by a design professional who is duly licensed and registered in California.

2. **Prequalification:** The district shall prepare and issue a request for qualifications in order to prequalify, or develop a short list of, the design-build entities whose proposals shall be evaluated for final selection. The request for qualifications shall include, but is not limited to, all of the following elements:
 - a. Identification of the basic scope and needs of the project or contract, the expected cost range, the methodology that will be used by the district to evaluate proposals, the procedure for final selection of the design-build entity, and any other information deemed necessary by the district to inform interested parties of the contracting opportunity
 - b. Significant factors that the district reasonably expects to consider in evaluating qualifications, including technical design and construction expertise, acceptable safety record, and all other non-price-related factors
 - c. A standard template request for statements of qualifications prepared by the district, which shall contain all of the information required pursuant to Education Code 17250.25

Note: Public Contract Code 2600, as amended by AB 2311 (Ch. 347, Statutes of 2020), adds a requirement to include in all bid documents and construction contracts, when applicable, a notice that the project is subject to the skilled and trained workforce requirements specified in Public Contract Code 2600-2603. Pursuant to Education Code 17250.25, design-build contracts are subject to such requirements.

- d. **A notice that the project is subject to the skilled and trained workforce requirements specified in Public Contract Code 2600-2603**

The district also may identify specific types of subcontractors that must be included in the statement of qualifications and proposal.

~~A design build entity shall not be prequalified or short listed unless the entity provides an enforceable commitment to the district that the entity and its subcontractors at every tier will use a skilled and trained workforce, as defined in Education Code 17250.25, to perform all work on the project or contract that falls within an apprenticeable occupation in the building and construction trades. The entity may demonstrate such commitment through a project labor agreement, by becoming a party to the district's project labor agreement, or through an agreement with the district to provide evidence of compliance on a monthly basis during the performance of the project or contract.~~

DESIGN-BUILD CONTRACTS (continued)

3. **Request for Proposals:** The district shall prepare a request for proposals (RFP) that invites prequalified or short-listed entities to submit competitive sealed proposals in a manner prescribed by the district. The RFP shall include the information identified in items #2a, and 2b, and 2d above and the relative importance or weight assigned to each of the factors. If the district uses a best value selection method for a project, the district may reserve the right to request proposal revisions and hold discussions and negotiations with responsive proposers, in which case the district shall so specify in the request for proposals and shall publish separately or incorporate into the request for proposals applicable procedures to be observed by the district to ensure that any discussions or negotiations are conducted in good faith.
4. **Selection Based on Low Bid:** For those projects utilizing low bid as the final selection method, the bidding process shall result in lump-sum bids by the prequalified or short-listed design-build entities, and the contract shall be awarded to the lowest responsible bidder.
5. **Selection Based on Best Value:** For those projects utilizing best value as a selection method, the following procedures shall be used:
 - a. Competitive proposals shall be evaluated using only the criteria and selection procedures specifically identified in the request for proposals. Criteria shall be weighted as deemed appropriate by the district and shall, at a minimum, include price, unless a stipulated sum is specified; technical design and construction experience; and life-cycle costs over 15 or more years.
 - b. Following any discussions or negotiations with responsive proposers and completion of the evaluation process, the responsive proposers shall be ranked on a determination of value provided, provided that no more than three proposers are required to be ranked.
 - c. The contract shall be awarded to the responsible entity whose proposal is determined by the district to have offered the best value to the public.
 - d. The district shall publicly announce the contract award, identifying the entity to which the award is made and the basis of the award. This statement and the contract file shall provide sufficient information to satisfy an external audit.

Skilled and Trained Workforce

Note: Education Code 17250.25 requires the district to obtain an enforceable commitment that the contractor will comply with the requirements to use a skilled and trained workforce, as defined, in accordance with Public Contract Code 2600-2603. Pursuant to Public Contract Code 2600.5, as

DESIGN-BUILD CONTRACTS (continued)

added by AB 2311, failure to provide the notice described in items #2d and 3 above does not excuse the district from the requirement to obtain an enforceable commitment that a contractor or other entity will use a skilled and trained workforce to complete a contract or project.

A design-build entity shall not be prequalified or short-listed unless the entity provides an enforceable commitment to the district that the entity and its subcontractors at every tier will use a skilled and trained workforce, ~~as defined in Education Code 17250.25~~, to perform all work on the project or contract that falls within an apprenticeable occupation in the building and construction trades. The entity may demonstrate such commitment through a project labor agreement, by becoming a party to the district's project labor agreement, or through an agreement with the district to provide evidence of compliance on a monthly basis during the performance of the project or contract. **(Education Code 17250.25; Public Contract Code 2602)**

***Skilled and trained workforce* means that all the workers performing the work are either skilled journeypersons or apprentices registered in a state-approved apprenticeship program. At least 60 percent of the skilled journeypersons employed to perform the work shall be graduates of an apprenticeship program for the applicable occupation or at least 60 percent of the hours worked by skilled journeypersons shall be performed by graduates of an apprenticeship program, with the exception of certain occupations specified in Public Contract Code 2601 which are subject to a 30 percent threshold. (Public Contract Code 2601)**

If the contractor fails to provide the monthly report demonstrating compliance with the skilled and trained workforce requirements or provides an incomplete report, the district shall withhold further payments until a complete report is provided. If a report does not demonstrate compliance with the skilled and trained workforce requirements, the district shall withhold further payments until the contractor provides a sufficient plan to achieve substantial compliance with respect to the relevant apprenticeable occupation, prior to completion of the contract or project. In addition, the district shall forward to the Labor Commissioner a copy of the monthly report, any plan to achieve compliance, and the district's response to that plan. (Public Contract Code 2602)

CLAIMS AND ACTIONS AGAINST THE DISTRICT

Note: The Government Claims Act (Government Code 810-996.6) sets forth prelitigation requirements and deadlines for claims against public entities, including school districts. In City of Stockton v. Superior Court, the California Supreme Court held that the claim requirements in Government Code 900-915.4 also apply to claims for breach of contract. **For any cause of action that is excepted from the Government Claims Act pursuant to Government Code 905 but has its claim presentation procedure specified in another statute or regulation, such as childhood sexual abuse-assault, a claim must be presented in accordance with that statute or regulation. For any cause of action that is excepted from the Government Claims Act pursuant to Government Code 905 but is not governed by any procedure in another statute or regulation, the district may establish its own claim presentation procedure in accordance with Government Code 935. The district should consult legal counsel as necessary if questions arise regarding the proper procedure.**

Because a district's insurance carrier or joint powers authority (JPA) may require the district to comply with certain claims management conditions as part of the district's contractual coverage obligation, it is strongly recommended that this administrative regulation be reviewed for consistency with any applicable conditions of coverage. A district's failure to follow those contractual conditions may result in a loss of coverage benefits. The district's risk manager and legal counsel should also be consulted, as appropriate.

~~Pursuant to Government Code 935, district claims procedures may include a requirement that a claim be presented and acted upon in accordance with those procedures as a prerequisite to a lawsuit. Failure to include such a requirement may subject the district to increased liability.~~

Any claim against the district for money or damages shall be filed and acted upon in accordance with the Government Claims Act (Government Code 810-996.6) or other applicable law. Claims that are specifically excepted from the Government Claims Act by Government Code 905 and are not governed by any other statute or regulation may be filed and acted upon in accordance with district-established procedures pursuant to Government Code 935.

Note: Pursuant to Government Code 935, ~~district claims procedures~~ **established by the district** may include a requirement that a claim be presented and acted upon in accordance with those procedures as a prerequisite to **the filing of a lawsuit against the district**. ~~Failure to include such a requirement may subject the district to increased liability.~~ **The following paragraph extends this requirement to claims filed under other statutes and may be revised to reflect district practice.**

Unless otherwise provided by law, ~~prior to filing a lawsuit against the district for money or damages,~~ **a written claim shall be filed-presented to and acted upon by the Governing Board** in accordance with ~~the following administrative regulation~~ **such procedures** prior to filing a lawsuit against the district for money or damages.

CLAIMS AND ACTIONS AGAINST THE DISTRICT (continued)

Time Limitations

Note: Items #1-4 below ~~list reflect~~ timelines for **presenting** claims **in relation to different causes of action**, pursuant to the Government Claims Act and other applicable statutes. ~~Pursuant to Government Code 935, the district's authority to adopt local claim presentation procedures for causes of action which are excepted from the Government Claims Act by Government Code 905 is not applicable to those excepted causes of action which have their claim presentation procedures specified in other statutes or regulations, such as childhood sexual abuse.~~

~~Rather, claims for childhood sexual abuse are governed by the timelines and procedures specified in Code of Civil Procedure 340.1.~~

The following time limitations apply to **the presentation of** claims **for money or damages** against the district:

- ~~3.1.~~ Claims ~~for money or damages~~ relating to a cause of action for death or for injury to a person, personal property, or growing crops shall be presented to the Board not later than six months after the accrual of the cause of action. (Government Code 911.2)
- ~~4.2.~~ Claims ~~for money or damages~~ relating to any other cause of action **subject to the Government Claims Act** shall be filed not later than one year after the accrual of the cause of action. (Government Code 911.2)

Note: ~~Rather, e~~Claims for childhood sexual ~~abuse~~ **assault** are governed by the timelines and procedures specified in Code of Civil Procedure 340.1. **Pursuant to Code of Civil Procedure 340.1, the time limit for beginning an action for recovery of damages suffered as a result of childhood sexual assault is 22 years from the date the plaintiff attains age 18 or within five years of the date the plaintiff discovers or reasonably should have discovered that psychological injury or illness occurring after age 18 was caused by sexual assault, whichever is later. A claim may be filed on or after the plaintiff's 40th birthday only if the plaintiff files certificates of merit by an attorney and a licensed mental health practitioner selected by the plaintiff setting forth the facts which support the declaration.**

- ~~1.3.~~ Claims ~~for money or damages~~ relating to childhood sexual ~~abuse~~ **assault** ~~or any and other causes of action which are specifically excepted from the Government Claims Act by Government Code 905 and for which~~ **but are subject to a claims presentation procedure in another a statute or regulation provides a claims presentation procedure** shall be **filed-presented to the Board** in accordance with the applicable governing statute or regulation. (Government Code 905, ~~935~~)

(cf. 4157.1/4257.1/4357.1 - Work-Related Injuries)

(cf. 5141.4 - Child Abuse Prevention and Reporting)

Note: **Pursuant to Government Code 935, a district may establish its own procedure for the presentation of those claims which are excluded from the Government Claims Act as specified in Government Code 905 and which are not governed by any other applicable statutes or regulations. Optional item #24 below is for**

CLAIMS AND ACTIONS AGAINST THE DISTRICT (continued)

use by any district whose board has chosen to exercise the authority **in Government Code 935** to establish district procedures for such claims; see its own procedure for the presentation of claims which are excluded from the Government Claims Act by Government Code 905 and which are not governed by any other applicable statute or regulation. See the accompanying Board policy. **Item #2 provides six months as the time limitation for filing such claims, which is consistent with the requirement in Pursuant to** Government Code 935, ~~that~~ the district's procedure **cannot** require a shorter time for presentation of a claim than the time specified in Government Code 911.2. However, the Governing Board has the discretion to adopt a more flexible time limitation and may increase the amount of time allowed for filing such claims. If the Board adopts a more flexible time limitation, item #24 should be revised accordingly.

~~If a claimant misses a deadline for a claim required to be submitted in accordance with item #2 or #3 below, the claimant may present an application to present a late claim pursuant to Government Code 911.4; see section below entitled "Late Claims."~~

- 2.4.** ~~In accordance with the Governing Board's authority pursuant to Government Code 935, claims for money or damages which relate to a~~ **Claims relating to any** cause of action **which is** specifically excepted from the Government Claims Act by Government Code 905 ~~and which are~~ **but is** not governed by any other claim presentation statute or regulation shall be ~~filed~~ **presented to the Board within the time limits specified in items #1 and 2 above, depending on the applicable cause of action. not later than six months after the accrual of the cause of action.** ~~(Government Code 905-911.2, 935)~~

- 3.** ~~Claims for money or damages relating to a cause of action for death or for injury to a person, personal property, or growing crops shall be presented to the Board not later than six months after the accrual of the cause of action. (Government Code 911.2)~~

- 4.** ~~Claims for money or damages relating to any other cause of action shall be filed not later than one year after the accrual of the cause of action. (Government Code 911.2)~~

Receipt of Claims

A claim, ~~any amendment thereto, or an application to present a late claim~~ shall be deemed presented and received when delivered to the district office or deposited in a post office, mailbox, sub-post office, substation, mail chute, or other similar facility maintained by the U.S. government, in a sealed envelope properly addressed to the district office with postage paid, or when otherwise actually received in the district office or by the Board secretary or clerk. (Government Code 915, 915.2)

Note: Government Code 915, as amended by SB 1473 (Ch. 371, Statutes of 2020), authorizes a claim, amendment to a claim, or application for a late claim to be submitted through electronic means, if so authorized by a Board resolution. In practice, such electronic means involve online completion of a fillable form and/or transmission by email. The following paragraph may be revised to specify the electronic means authorized by the district. If the Board has not adopted a resolution authorizing electronic submission, the district should delete the following paragraph.

CLAIMS AND ACTIONS AGAINST THE DISTRICT (continued)

Pursuant to Government Code 915.4, as amended by SB 1473, if the Board authorizes electronic submission, then any notice required of the district in response to a claim, amendment, or application for a late claim must be sent to the electronic address from which the district received the claim or application, unless the claimant or applicant specified an alternative electronic address for that purpose.

Also see the sections "Notice of Claim Insufficiency," "Late Claims," and "Action on Claims" below.

A claim may be submitted electronically in the manner specified by the Superintendent or designee. (Government Code 915, 915.2)

Note: In most circumstances, a district's insurance provider or JPA is responsible for claims management, including investigating, defending, and managing a district's response to a claim presented under the Government Claims Act. The following paragraph requires the Superintendent or designee to immediately forward any claims received to the district's JPA or insurance provider in order to help ensure compliance with any conditions of coverage.

Upon receipt of a claim against the district pursuant to the Government Claims Act, the Superintendent or designee shall promptly provide written notice to the district's joint powers authority or insurance carrier in accordance with the applicable conditions of coverage.

Review of Contents of the Claim

Note: Most JPAs and insurance carriers provide a claim form. The person submitting the claim need not use the claim form provided by the district but, pursuant to Government Code 910 and 910.2, the claim must contain a signature and all the information listed below.

The Superintendent or designee shall review any claim received to ensure that the claim contains all of the following information as specified in Government Code 910 and 910.2:

1. The name and post office address of the claimant
2. The post office address to which the person presenting the claim desires notices to be sent
3. The date, place, and other circumstances of the occurrence or transaction which gave rise to the claim asserted
4. A general description of the indebtedness, obligation, injury, damage, or loss incurred insofar as it may be known at the time of presentation of the claim
5. The name(s) of the district employee(s) causing the injury, damage, or loss, if known

CLAIMS AND ACTIONS AGAINST THE DISTRICT (continued)

6. The amount claimed if it totals less than \$10,000, including the estimated amount of any prospective injury, damage, or loss, insofar as it may be known at the time of the claim, together with the basis of computation of the amount claimed. If the amount claimed exceeds \$10,000, the dollar amount shall not be included in the claim and the claimant shall indicate whether the claim is a limited civil case of \$25,000 or less.
7. The signature of the claimant or the person acting on the claimant's behalf

Notice of Claim Insufficiency

Note: Pursuant to Government Code 910.8, if a claim is found insufficient, the district must notify the claimant of the defects or omission in the claim. Government Code 915.4, as amended by SB 1473, authorizes such notice to be personally delivered or mailed or, if the Board has adopted a resolution authorizing electronic submission of claims (see section "Receipt of Claims" above), then any notice of claim insufficiency must be sent to the electronic address from which the claim was sent unless the claimant specifies an alternative electronic address for that purpose.

Pursuant to Government Code 911, if the district, or the JPA or insurance carrier acting on the district's behalf, fails to give notice that the claim is insufficient, as specified below, then the district may not later raise that issue as a defense to the claim.

If a claim is found insufficient or not to satisfy the form requirements under Government Code 910 and 910.2, the Board or its designee shall, within 20 days of receipt of the claim, ~~personally deliver or mail to the claimant, at the address stated in the claim or application,~~ **provide a notice in the manner specified in Government Code 915.4** that states the particular defects or omission in the claim. (Government Code 910.8, 915.4)

Note: Districts should be cautious before rejecting a claim because of insufficiency of information and consult legal counsel and/or the district's JPA or insurance provider, as appropriate. Courts have held that a claim is sufficient as long as enough information is disclosed to allow the district to adequately conduct an investigation of the claim's merits.

The Board shall not act upon the claim until at least 15 days after such notice is given. (Government Code 910.8)

Amendment to Claims

Within the time limits provided in the section "Time Limitations" above or prior to final action by the Board, whichever is later, a claim may be amended if, as amended, it relates to the same transaction or occurrence which gave rise to the original claim. (Government Code 910.6)

Late Claims

Note: ~~The reference to item #2 in the following paragraph should be deleted if the district has not established district procedures pursuant to Government Code 935 for claims that are specifically exempted in Government Code 905 or adopted a time limitation that is not less than one year (see the accompanying Board policy and item #2 in the section "Time Limitations" above).~~

CLAIMS AND ACTIONS AGAINST THE DISTRICT (continued)

~~For claims under items #2 and #3 in the section "Time Limitations" above, any person who presents a claim later than six months after the accrual of the cause of action shall present, along with the claim, an application to present a late claim. When a claim that is required to be presented not later than six months after the accrual of the cause of action, as specified in the section "Time Limitations" above, is not presented within that time, an application to present a late claim may be presented to the Board, in the manner specified in Government Code 915 and 915.2, within a reasonable time not to exceed~~ Such claim and the application to present a late claim shall be presented not later than one year after the accrual of the cause of action. **The application shall include the proposed claim and shall state the reason for the delay in presenting the claim.** (Government Code 905, 911.4, **915, 915.2**)

Note: If the claim is presented late and is not accompanied by an application to present a late claim, the Board or its agent should notify the claimant that "no action" was taken because the claim was presented late. If the Board were to state that the claim was "rejected," this would indicate that the Board had accepted the filing of the late claim and taken action to reject it.

If the claim is presented late and is not accompanied by an application to present a late claim, the Board or its designee may, within 45 days, give written notice that the claim was not presented timely and that it is being returned without further action. (Government Code 911.3)

The Board shall grant or deny the application to present a late claim within 45 days after it is presented. This 45-day period may be extended by written agreement of the claimant and the Board provided that such agreement is made before the expiration of the 45-day period. (Government Code 911.6)

The Board shall grant the application to present a late claim where one or more of the following conditions are applicable: (Government Code 911.6)

1. The failure to present the claim was through mistake, inadvertence, surprise, or excusable neglect and the district was not prejudiced in its defense regarding the claim by the claimant's failure to present the claim within the time limit.
2. The person who sustained the alleged injury, damage, or loss was a minor during all of the time specified for presentation of the claim.
3. The person who sustained the alleged injury, damage, or loss was physically or mentally incapacitated during all of the time specified for presentation of the claim and the disability was the reason the person failed to present the claim.
4. The person who sustained the alleged injury, damage, or loss died before the expiration of the time specified for the presentation of the claim.

CLAIMS AND ACTIONS AGAINST THE DISTRICT (continued)

If the application to present a late claim is denied, the claimant shall be given notice in substantially the same form as set forth in Government Code 911.8 **and in the manner specified in Government Code 915.4.** (Government Code 911.8, **915.4**)

If the Board does not take action on the application to present a late claim within 45 days, the application shall be deemed to have been denied on the 45th day unless the time period has been extended, in which case it shall be denied on the last day of the period specified in the extension agreement. (Government Code 911.6)

Action on Claims

Note: Pursuant to Government Code 945.6, if the Board formally acts to reject a claim and provides notice of such rejection, the claimant has only six months from the rejection to initiate a lawsuit. If the Board takes no action or fails to provide written notice rejecting the claim, the claimant then has two years to initiate a suit against the district. The notice of rejection must comply with the notification requirements of Government Code 913 unless the claim has no address on it.

Although the Board takes final action on claims as specified below, such action is based on the evaluation of the claim by the district's insurance provider or JPA.

Within 45 days after the presentation or amendment of a claim, the Board shall take action on the claim. This time limit may be extended by written agreement between the district and the claimant before the expiration of the 45-day period. If the 45-day period has expired, the time limit may be extended if legal action has not commenced or been barred by legal limitations. (Government Code 912.4)

The Board may act on the claim in one of the following ways: (Government Code 912.4, 912.6)

1. If the Board finds that the claim is not a proper charge against the district, the claim shall be rejected.
2. If the Board finds that the claim is a proper charge against the district and is for an amount justly due, the claim shall be allowed.
3. If the Board finds that the claim is a proper charge against the district but is for an amount greater than is justly due, the Board shall either reject the claim or allow it in the amount justly due and reject it as to the balance.
4. If legal liability of the district or the amount justly due is disputed, the Board may reject or compromise the claim.
5. If the Board takes no action on the claim, the claim shall be deemed rejected.

CLAIMS AND ACTIONS AGAINST THE DISTRICT (continued)

If the Board allows the claim in whole or in part or compromises the claim and the claimant accepts the amount allowed or offered to settle the claim, the Board may require the claimant to accept it in settlement of the entire claim. (Government Code 912.6)

The Board or its designee shall transmit to the claimant written notice of action taken or of inaction which is deemed rejection. The notice shall be in the form set forth in Government Code 913 **and shall be provided in the manner specified in Government Code 915.4.** ~~and shall either be personally delivered or mailed to the address stated in the claim or application.~~ (Government Code 913, 915.4)

STUDENT ACTIVITY FUNDS

Note: Pursuant to Education Code 48930, the Governing Board may approve the formation of associated student body organizations (ASBs), **which are composed entirely of students and are subject to the Board's control and regulation.** Generally, there are two types of ASBs. ASBs in high schools and middle schools are **called referred to as "organized ASBs"** since the students, organizing their activities around student clubs and/or a student council, have primary responsibility for the ASB, with the assistance, **oversight, and co-approval of an district-employed advisor.** In elementary schools, **the ASBs are considered to be is "unorganized"** because there is no student council and the principal or designee usually oversees the fundraising and spending decisions, with more limited involvement from the students.

~~Unlike parent teacher associations or other school connected organizations,~~ ASBs, **which are subject to the Board's control and regulation pursuant to Education Code 48930,** are legally considered part of the district. **In contrast, booster clubs, education foundations, parent-teacher associations, and other parent-run organizations operate independently of the district.** See BP /AR 1230 - School-Connected Organizations. **Districts with questions regarding the distinction between an ASB and a school-connected organization should consult legal counsel.**

The following **optional** policy may be modified to reflect district practice.

The Governing Board recognizes that student organizations can provide students with an opportunity to conduct worthwhile cocurricular activities **beyond those provided by the district and can also while helping** students learn about effective financial practices **and develop leadership and management skills.** To that end, **the Board may approve the formation of associated student body organizations which are composed entirely of students, operate under the oversight of the principal or other district-employed advisor, and are subject to the control and regulation of the Board. Student organizations** may raise and spend funds to support activities that promote the general welfare, morale, and educational experiences of the student body.

Fund Raising Events Fundraising

Note: Education Code 48932 requires the Board to approve a student organization's fundraising events and to determine whether ~~such~~ **fundraising activities that are held on school property during school hours** will interfere with the normal conduct of the schools. The following paragraph provides for the Board to delegate the review and approval of ASB fundraising events to the Superintendent or designee and should be modified to reflect district practice.

STUDENT ACTIVITY FUNDS (continued)

Education Code 49431 and 49431.5 limit the number of fund-raising events and types of food that may be sold on school grounds, see BP/AR 3550 - Other Food Sales. For a list of activities that may be prohibited on school grounds because of safety concerns, see AR 5142 - Safety. **For information regarding online fundraising, see BP 3290 - Gifts, Grants and Bequests.**

At the beginning of each school year, each principal or designee shall submit to the Superintendent or designee a list of the **fund-raising fundraising** events that each student organization proposes to hold that year. The Superintendent or designee shall review the proposed events and determine whether the events contribute to the educational experience and **are not in do not** conflict with or detract from the school's educational program. When reviewing proposed events, the Superintendent or designee shall consider the effects of the activities on student health and safety, evaluate the risk of liability to the district, and ensure that the proposed activities are in compliance with law, Board policy, and administrative regulation.

Fundraising events that involve the sale of food and/or beverages shall comply with applicable state and/or federal nutrition standards and BP/AR 3554 - Other Food Sales. If the fundraising event involves the sale of noncompliant food and/or beverages, it shall not take place from midnight until at least one-half hour after the end of the school day, or not be conducted on school premises.

(cf. 3554 - Other Food Sales)

Management and Reporting of Funds

Note: Education Code 48937 requires the district to provide for the supervision of all funds raised by any student body organization or student organization using the name of the school. The acceptable investment and use of such funds are detailed in Education Code 48933, 48934, and 48936. The Fiscal Crisis **& and** Management Assistance Team (FCMAT) has developed the Associated Student Body Accounting Manual, Fraud Prevention Guide and & Desk Reference, available on its web site, to outline the district's fiscal and managerial responsibilities relative to these funds.

STUDENT ACTIVITY FUNDS (continued)

Student body funds shall be managed in accordance with law, **regulations, Board policies,** and sound business procedures designed to encourage the largest possible educational return to students without sacrificing the security of funds.

The Superintendent or designee shall develop internal control procedures to safeguard the organization's assets, promote the success of **fund-raising fundraising** ventures, provide reliable financial information, **protect employees and volunteers from accusations of impropriety,** and reduce the risk **and promote the detection** of fraud and abuse. These procedures shall detail the oversight of activities and funds including, but not limited to, the appropriate role and provision of training for staff and students, parameters for events on campus, appropriate and prohibited uses of funds, and accounting and record-keeping processes, including procedures for handling questionable expenditures.

(cf. 3400 - Management of District Assets/Accounts)

The principal or designee shall be responsible for the proper conduct of all student organization financial activities. The budget adopted by the student body organization should serve as the financial plan for the school year and shall be submitted to the Superintendent or designee at the beginning of each school year. The Superintendent or designee shall **monitor the budget and** periodically review the organization's use of funds to ensure compliance with the district's internal control procedures.

Funds derived from the student body shall be **expended** ~~disbursed~~ according to procedures established by the student organization. All **expenditures** ~~disbursements~~ must be approved by a Board-designated **employee or** official, the certificated employee who is the **designated** student organization advisor, and a student organization representative. (Education Code 48933)

Note: The following paragraph is optional. 5 CCR 4922 and 34 CFR 106.41 require districts to ensure that the district's athletic program provides equivalent opportunities for both sexes. The factors that districts must consider when determining whether equivalent opportunities are being provided include, but are not limited to, the provision of necessary funds, equipment, supplies, and travel allowances. See AR 6145.2 - Athletic Competition.

When student body funds are expended for equipment, supplies, or activities that support the district's athletic program, the Superintendent or designee shall ensure that the expenditures are aligned with the district's commitment to provide equitable opportunities for males and females.

(cf. 6145.2 - Athletic Competition)

Note: Pursuant to Governmental Accounting Standards Board (GASB) Statement 84, if the district has administrative or direct financial involvement with the ASB's assets, as defined, the student activity fund may be considered a governmental fund subject to accounting and financial reporting

STUDENT ACTIVITY FUNDS (continued)

within the district's funds. FCMAT's Fiscal Alert: GASB 84 and its Impact on Associated Student Body Accounts clarifies that, under state law, the district's considerable administrative involvement in both organized and unorganized ASBs means that ASBs will typically be considered governmental activities, rather than fiduciary responsibilities of the district. As such, ASB accounts should be reported in either a special reserve fund or the general fund. For further information see GASB 84, GASB's Implementation Guide No. 2019-2, Fiduciary Activities, and FCMAT's Fiscal Alert: GASB 84 and its Impact on Associated Student Body Accounts. Districts are encouraged to consult legal counsel in the determination of whether its ASB(s) are fiduciary or nonfiduciary in order to properly report the accounts.

Because of the district's administrative and/or direct financial involvement in the assets of the student organization, the student activity fund shall be reported within the district's fund in accordance with Governmental Accounting Standards Board Statement 84.

Note: Because **an the** ASB is an entity of the district, ASB funds are reviewed as part of the annual audit of the district conducted pursuant to Education Code 41020, as specified below.

The Board shall provide an annual audit of student **organization** accounts by a certified public accountant or licensed public accountant. The cost of the audit shall be paid from district funds. (Education Code 41020)

BP 3515.3(a)

DISTRICT POLICE/SECURITY DEPARTMENT

Note: Education Code 38000 authorizes the **Governing** Board to establish a **district** police or security department and to employ personnel to ensure the safety of district students and staff and the security of district real and personal property. ~~The following optional policy may be revised as desired, including appropriate modifications to indicate whether the district has a "police" or "security" department. However,~~ as amended by SB 98 (Ch. 24, Statutes of 2020), Education Code 38000 expresses legislative intent to encourage districts to redirect resources currently allocated to district police departments or to contracts with local law enforcement into student support services (e.g., mental health services) and professional development on cultural competency and restorative justice, if found to be a more appropriate use of resources based on student and school needs.

This policy and accompanying administrative regulation are for use by districts that choose to establish a district police or security department and may be revised to reflect district practice, including appropriate modifications to indicate whether the district has a "police" or "security" department. Pursuant to Government Code 7286, district police departments are required to establish policy on the use of force. See the section "Conduct of Officers" below and in the accompanying administrative regulation.

Districts that elect not to establish a police or security department, but instead contract with local law enforcement, should consider additional training requirements for any contracted peace officers to include, but not be limited to, professional development focused on cultural competency, restorative justice, and adolescent development as applied in public schools.

To help **ensure protect** the safety of district students and staff and the security of district property, the Governing Board ~~shall maintain~~ **may establish** a district police or security department. **The Board commits to providing a positive school climate, mental health services, other student support services, and restorative justice practices to resolve conflicts and reduce law enforcement interactions with students.**

DISTRICT POLICE/SECURITY DEPARTMENT (continued)

The Superintendent or designee shall provide training to staff regarding the role of district police or security officers and the appropriate circumstances for contacting such officers.

Note: Pursuant to Penal Code 13651, as added by AB 846 (Ch. 322, Statutes of 2020), entities that employ peace officers are required to review the job description that is used in recruitment and hiring and make changes that emphasize community-based policing, familiarization between law enforcement and community residents, and collaborative problem solving while de-emphasizing the paramilitary aspects of the job.

In addition, the U.S. Department of Education's Guiding Principles: A Resource Guide for Improving School Climate and Discipline recommends that educators, rather than police or security officers, should handle student discipline issues.

Duties of district police **officers** or security officers shall be delineated in a job description developed by the Superintendent or designee. **Such duties shall focus on collaborative problem solving and, when circumstances warrant intervention with students, the use of positive and restorative approaches in accordance with Penal Code 1365. Job duties shall not include the handling of routine student disciplinary matters.**

(cf. 4158/4258/4358 - Employee Security)

(cf. 4200 - Classified Personnel)

(cf. 5144 - Discipline)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

Note: The district may select either or both options below depending on whether it has a "security" and/or "police" department.

Persons employed or assigned as school security officers shall serve as watchpersons, security guards, or patrolpersons on or about district premises to protect persons or property, prevent the theft or unlawful taking of district property, or report unlawful activity to the district and local law enforcement agencies. (Education Code 38001.5)

When district security officers are unable to perform their duties because of an emergency, including, but not be limited to, war, epidemic, fire, flood, or work stoppage, or when the emergency necessitates additional security services, the Board may contract with a private licensed security agency. In such cases, the Board shall make a specific finding that an emergency exists and shall include this finding in the Board minutes. (Education Code 38005)

DISTRICT POLICE/SECURITY DEPARTMENT (continued)

Conduct of Officers

The Board expects district police or security officers to cooperate and regularly communicate with local law enforcement agencies, and to work collaboratively with other district staff and community members to develop long-term, proactive approaches that address the conditions affecting school safety.

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)

District police or security officers shall conduct themselves in ways that promote goodwill and cooperation on the part of students, district staff, and the general public. **District police or security officers shall not discriminate against or treat any person differently on the basis race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information; a perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics.**

(cf. 0410 - Nondiscrimination in District Programs and Activities)

District police or security officers shall not solicit or collect information or documents

DISTRICT POLICE/SECURITY DEPARTMENT (continued)

regarding the citizenship or immigration status of students or their family members or provide assistance with immigration enforcement at district schools, except as may be required by state and/or federal law. (Education Code 234.7)

(cf. 5145.13 - Response to Immigration Enforcement)

Note: Pursuant to Government Code 7286, district police departments are required to adopt a policy by January 1, 2021 that provides a minimum standard on the use of force. See the accompanying administrative regulation for information about the required components of such policy.

Whenever possible, district police or security officers shall use tactics such as de-escalation techniques to mitigate the use of force. The district police department shall maintain and make accessible to the public a policy on the use of force in accordance with Government Code 7286 and consistent with district policy and administrative regulation. Officers shall periodically receive training regarding applicable district policies and the guidelines from the Commission on Peace Officer Standards and Training.

~~Firearms~~ Equipment

Note: Penal Code 626.9 exempts peace officers from the Gun Free Schools Act, which prohibits the possession of a firearm on school grounds. Pursuant to Penal Code 830.32, the Board may determine whether or not its police officers will carry firearms. Education Code 38001.5 implies that security officers also may or may not be permitted to carry firearms.

District police or security officers shall not carry firearms.

Note: The following paragraph may be used by all districts that maintain a police department.

The district police department shall be eligible to receive surplus military equipment pursuant to 10 USC 2576a only if, at a regularly scheduled public Board meeting, the Board approves the acquisition of such equipment after providing parents/guardians and members of the public an opportunity to comment on the proposed acquisition. The Board shall provide a detailed description of the function and purpose of the surplus military equipment, identify safe and secure storage for the equipment, and ensure that district police officers have adequate training in the safe use and handling of the equipment to be received. (Education Code 38004.5)

DISTRICT POLICE/SECURITY DEPARTMENT (continued)

Records

District police or security officers shall not have access to student records, nor release student information to another person, agency, or organization, without written permission from the parent/guardian or adult student, unless specifically allowed or required by state or federal law. (Education Code 49076; 34 CFR 99.1)

DISTRICT POLICE/SECURITY DEPARTMENT (continued)

Disciplinary Action

Note: The following section is for use by districts that have established a "police" department. When a district police officer is under disciplinary investigation, Government Code 3300 provides the officer with the right to receive copies of any reports or complaints made by investigators or other persons, except those that are confidential. The court in San Diego Police Officers Association et al. v. City of San Diego Civil Service Commission et al. ruled that personnel records of a public safety officer cannot be disclosed at public disciplinary appeal hearings without the officer's consent.

Any investigation of a district police officer that could lead to punitive action shall be conducted in accordance with Government Code 3303-3304.

If the Superintendent or designee decides to impose discipline following investigation and any predisciplinary response or procedure, ~~he/she shall notify~~ the police officer **shall be notified** in writing within 30 days of the decision, including the date that the discipline shall be imposed. CONSULTANTS

The Governing Board authorizes the use of consultants and other independent contractors to provide expert professional advice or specialized technical or training services which are not needed on a continuing basis and which cannot be provided by district staff because of limitations of time, experience, or knowledge. Individuals, firms, or organizations employed as independent contractors may assist management with decisions and/or project development related to financial, economic, accounting, engineering, legal, administrative, instructional, or other matters.

(cf. 3551 - Food Service Operations/Cafeteria Fund)

Note: Labor Code ~~2750.3~~ **2775**, as added by AB ~~§ 2257~~ (Ch. ~~296-38~~, Statutes of ~~2019-2020~~), ~~recodifies is a~~ **recodification of** the three-part "ABC" test established in Dynamex Operations West, Inc. v. Superior Court of Los Angeles to determine whether a person providing services for remuneration should be classified as an employee or an independent contractor. ~~Although Labor Code 2750.3 does not explicitly state whether it applies to public agencies, CSBA recommends that districts adhere to its provisions.~~

~~AB 5 also amended Unemployment Insurance Code 606.5 and 621 to incorporate the three part ABC test from the Dynamex decision. Since public school employers are subject to certain provisions in the Unemployment Insurance Code, districts should apply the three part ABC test to determine a worker's eligibility for unemployment benefits.~~

Pursuant to Labor Code ~~2750.3~~ **2775**, a person is considered to be an independent contractor rather than an employee if the person (1) is free from the control and direction of the district in connection with the performance of the work, (2) performs work that is outside the usual course of providing educational services, (i.e. services provided by the person's own independent business and not services that ordinarily would be performed by district employees), and (3) is customarily engaged in an independently established trade, occupation, or business.

~~Labor Code 2750.3 establishes exceptions to the use of the three part ABC test, including (1) when a person's status as an employee or independent contractor is defined by the Labor Code, Unemployment Insurance Code, or an applicable wage order of the Industrial Welfare Commission; (2) when a court rules that the three part test cannot be applied to a particular context; or (3) when specifically exempted within Labor Code 2750.3. Under the second and third scenarios, the determination of whether a person is an employee or independent contractor is then made pursuant to the court's decision in S.G. Borello & Sons, Inc. v. Department of Industrial Relations, which made employment status a fact dependent ruling based on the extent to which the employer had a right to control the work that was being done. Tutors are potentially excepted from the three part test in Labor Code 2750.3 if they develop and teach their own curriculum, but not if they teach a curriculum created by a public school or contract with a public school through a referral company.~~

As this area of law is complex and may alter the legal and financial obligations of the district to particular workers (e.g., eligibility for workers compensation, unemployment and disability insurance benefits, and district health and welfare benefits), legal counsel should be consulted when questions arise regarding the status of those who provide services to the district for remuneration.

CONSULTANTS (continued)

As part of the contract process, the Superintendent or designee shall determine that the individual, firm, or organization is properly classified as an independent contractor.

A person, ~~firm, or organization~~ **providing labor or services for remuneration** shall be considered an employee rather than an independent contractor unless the district is able to demonstrate that all of the following conditions have been met: (Labor Code ~~2750.3-2775~~)

1. The person ~~or entity~~ is free from the control and direction of the district in connection with the performance of the work.
2. The person ~~or entity~~ is performing work that is outside the usual course of the district providing educational services.
3. The person ~~or entity~~ is customarily engaged in an independently established trade, occupation, or business of the same nature as the work to be performed.

Note: Labor Code ~~2750.3-2775-2785~~, as added by AB 2257 and amended by AB 323 (Ch. 341, Statutes of 2020), establishes exceptions to the use of the three-part ABC test, including (1) when a person's status as an employee or independent contractor is ~~defined~~ **expressly made** by the Labor Code, Unemployment Insurance Code, or an applicable wage order of the Industrial Welfare Commission, **in which case the status remains in effect for purposes set forth in those provisions**; (2) when a court rules that the three-part test cannot be applied to a particular context; or (3) when specifically exempted **from the three-part test by** within Labor Code ~~2750.3-2776-2785~~. Under the second and third scenarios, **with the exception of exemptions pursuant to Labor Code 2779**, the determination of whether a person is an employee or independent contractor is ~~then made~~ pursuant to the court's decision in S.G. Borello & Sons, Inc. v. Department of Industrial Relations, which ~~made~~ **found** employment status **to be** a fact-dependent ruling based on the extent to which the employer had a right to control the work that was being done. **Pursuant to Labor Code 2776, the rule in Borello applies to "business-to-business" exceptions (including when a sole proprietor or business entity contracts to provide services to a public agency) when specified conditions are met. Additionally, tutors are potentially excepted from the three-part test in Labor Code 2750.3-2775 if they develop and teach their own curriculum, but not if they teach a curriculum created by a public school or contract with a public school through a referral company.**

~~Specific statutory exceptions to this analysis for the determination of whether a person, firm, or organization is an independent contractor may apply. (Labor Code 2750.3)~~ **The determination of whether an individual acting as a sole proprietor or a firm or other business organization is an independent contractor shall be made in accordance with Labor Code 2775-2785, as applicable.**

All consultant contracts shall be brought to the Board for approval.

(cf. 3311 - Bids)

(cf. 3312 - Contracts)

(cf. 4132/4232/4332 - Publication or Creation of Materials)

CONSULTANTS (continued)

Note: Government Code 12940, as amended by AB 3364 (Ch. 36, Statutes of 2020), changes the term "military and veteran status" to "veteran or military status."

All qualified independent contractors shall be accorded equal opportunity for contracts regardless of actual or perceived race, **ethnicity**, color, national origin, ancestry, age, religious creed, marital status, pregnancy, physical or mental disability, medical condition, genetic information, **military and** veteran **or military** status, sex, sexual orientation, gender, gender identity, gender expression, immigration status, or association with a person or group with one or more of these actual or perceived characteristics. (Education Code 220; Government Code 12940)

(cf. 0410 - Nondiscrimination in District Programs and Activities)

(cf. 0415 - Equity)

(cf. 4030 - Nondiscrimination in Employment)

Independent contractors shall submit a written conflict of interest statement disclosing financial interests as determined necessary by the Superintendent or designee, depending on the range of duties to be performed by the consultant. The Superintendent or designee shall consider this statement when deciding whether to recommend approval of the contract.

Any consultant hired by the district who is subject to the filing requirements in the district's conflict of interest code shall file a Statement of Economic Interests within the time period required by law. (Government Code 87302)

(cf. 9270 - Conflict of Interest)

When employees of a public university, county office of education, or other public agency serve as consultants or independent contractors in other capacities for the district, they shall certify as part of the agreement that they will not receive salary or remuneration other than vacation pay from any other public agency for the specific days when they work for the district.

Note: Pursuant to Government Code 12940, certain protections afforded to employees are extended to independent contractors; see BP/AR 4030 - Nondiscrimination in Employment. Government Code 12940 also provides that the district may be held liable for sexual harassment committed against employees by nonemployees, including independent contractors, if the district knew, or should have known, of the harassment and failed to take immediate and appropriate corrective action to stop the harassment.

The Board prohibits the harassment of an independent contractor by any district employee or by any other person with whom the independent contractor comes in contact during the course of employment with the district. Additionally, the Board prohibits the harassment of a district employee by an independent contractor. Any complaint of harassment shall be investigated and resolved in accordance with applicable district complaint procedures. (Government Code 12940)

AR 4161.2(a)

4261.2

PERSONAL LEAVES

4361.2

Note: The following administrative regulation is subject to collective bargaining agreements.

Personal leaves granted to district employees shall be used as permitted in this administrative regulation, other Board-approved policy or district regulation, or applicable collective bargaining agreement.

Note: ~~As provided in the following paragraph,~~ Family Code 297.5 extends to registered domestic partners the same rights that are available under state law to spouses. Thus, any reference to an employee's spouse throughout this administrative regulation also applies to a registered domestic partner, even if not expressly stated in the applicable state codes (e.g., Education Code, Military and Veterans Code). Districts should consult legal counsel if a question arises as to leave provisions relative to an employee's domestic partner.

For the purpose of any personal leave offered pursuant to state law, a registered domestic partner shall have the same rights, protections, and benefits as a spouse and protections provided to a spouse's child shall also apply to a child of a registered domestic partner. (Family Code 297.5)

Whenever possible, employees shall request personal leaves in advance and prepare suitable instructions, including lesson plans as applicable, for a substitute employee.

(cf. 4121 - Temporary/Substitute Personnel)

Bereavement

Note: Education Code 44985 and 45194 allow the Governing Board to expand the class of relatives listed below and enlarge the benefits provided by law. The following two paragraphs may be revised to reflect district practice.

Employees are entitled to a leave of up to three days, or five days if out-of-state travel is required, upon the death of any member of the employee's immediate family. No deduction shall be made from the employee's salary, nor shall such leave be deducted from any other leave to which the employee is entitled. (Education Code 44985, 45194)

(cf. 4161/4261/4361 - Leaves)

Members of the immediate family include: (Education Code 44985, 45194)

1. The mother, father, grandmother, grandfather, or grandchild of the employee or of the employee's spouse
2. The employee's spouse, son, son-in-law, daughter, daughter-in-law, brother, or sister

PERSONAL LEAVES (continued)

3. Any relative living in the employee's immediate household

At the employee's request, bereavement leave may be extended under personal necessity leave provisions as provided in the section "Personal Necessity" below. (Education Code 44981, 45207)

Personal Necessity

Note: Employees may use a maximum of seven days of accumulated personal illness/injury leave (sick leave) for reasons of personal necessity pursuant to Education Code 44981 (certificated employees) and 45207 (classified employees). Pursuant to Education Code 44981 and 45207, a higher maximum may be set for certificated and/or classified employees in their collective bargaining agreement or by Board resolution for classified employees who are not covered by a collective bargaining agreement. Districts that have established a maximum that is higher than seven days should modify the following paragraph accordingly.

Education Code 45207 clarifies that provisions pertaining to personal necessity leave also apply to districts that have adopted the merit system for classified employees in accordance with Education Code 45240-45320.

Employees may use a maximum of seven days of their accrued personal illness/injury leave (sick leave) during each school year for reasons of personal necessity. (Education Code 44981, 45207)

(cf. 4161.1/4361.1 - Personal Illness/Injury Leave)

(cf. 4261.1 - Personal Illness/Injury Leave)

Acceptable reasons for the use of personal necessity leave include:

1. Death of a member of the employee's immediate family when the number of days of absence exceeds the limits set by bereavement leave provisions (Education Code 44981, 45207)
2. An accident involving the employee or ~~his/her~~ **the employee's** property, or the person or property of a member of the employee's immediate family (Education Code 44981, 45207)

Note: **Pursuant to** Education Code 44981, ~~provides that~~ a certificated employee may use personal necessity leave for the serious illness of a member of ~~his/her~~ **the employee's** immediate family. The Board may extend these provisions to classified employees under the authority granted to the Board by Education Code 45207. Districts are cautioned to consult legal counsel regarding any interaction of Education Code provisions with Labor Code 233, 245.5, and 246.5, ~~as amended by AB 1522 (Ch. 319, Statutes of 2014)~~, which allow the use of sick leave for the need of the employee or ~~his/her~~ family member for the diagnosis, care, or treatment of an existing health condition or for preventive care and which ~~expand~~ **include in** the definition of "family member" ~~to include~~ a registered domestic partner, grandparent, and sibling. See AR 4161.1/4361.1 - Personal Illness/Injury Leave and AR 4261.1 - Personal Illness/Injury Leave.

PERSONAL LEAVES (continued)

Also see AR 4161.8/4261.8/4361.8 - Family Care and Medical Leave for federal and state provisions related to leaves for the birth, adoption, or foster placement of a new child; the care of a seriously ill child, parent, or spouse/registered domestic partner; or the employee's own serious health condition.

3. Illness, preventive care, or other need of a member of the employee's family, as defined in Labor Code 245.5 (Education Code 44981; Labor Code 246.5)

(cf. 4161.8/4261.8/4361.8 - Family Care and Medical Leave)

Note: Education Code 45207 provides that classified employees may use sick leave for required court appearances, as provided in item #4 below. Circumstances under which employees may take time off, with pay, for court appearances are described in the section on "Legal Duties" below.

4. A classified employee's appearance in any court or before any administrative tribunal as a litigant, party, or witness under subpoena or other order (Education Code 45207)

Note: Items #5 and #6 are **optional** and may be deleted or modified to reflect district practice.

5. Fire, flood, or other immediate danger to the home of the employee
6. Personal business of a serious nature which the employee cannot disregard

Leave for personal necessity may be allowed for other reasons at the discretion of the Superintendent or designee. However, personal necessity leave shall not be granted for purposes of personal convenience, for the extension of a holiday or vacation, or for matters which can be taken care of outside of working hours. The Superintendent or designee shall have final discretion as to whether **or not** a request reflects personal necessity.

Note: The following paragraph is **optional**. The district is prohibited from requiring employees to obtain advance permission prior to taking leaves in certain situations. Pursuant to Education Code 44981 and 45207, the district may not require advance permission for leaves taken by classified employees for the reasons specified in items #1-2 above and by certificated employees for the reasons specified in items #1-3 above. In addition, Labor Code 246.5 requires an employer to grant paid sick leave "upon the oral or written request of an employee." According to the Department of Industrial Relations, employers may not require advance notice when the need for the leave was unforeseeable, as in the case of unanticipated illness or a medical emergency.

Also see AR 4161.8/4261.8/4361.8 - Family Care and Medical Leave for requirements pertaining to requests for leaves that qualify under the federal Family and Medical Leave Act (29 USC 2601-2654) or the California Family Rights Act (Government Code 12945.1-12945.2), including provisions that allow employees to provide notice as soon as practicable when 30-day advance notice is not practicable due to lack of knowledge of the date the leave will be needed, a change in circumstances, or a medical emergency.

PERSONAL LEAVES (continued)

Advance permission shall not be required of an employee in any case involving the death of a member of the employee's immediate family, an accident involving the employee's person or property or the person or property of a member of **his/her the employee's** immediate family, or the illness, preventive care, or other need of a member of the employee's family. (Education Code 44981, 45207)

For any leave that is planned, or where the need for leave is foreseeable, an employee shall notify the Superintendent or designee in advance. In all other circumstances, the employee shall notify the Superintendent or designee of the need for the leave as soon as practicable.

Note: Education Code 44981 and 45207 **mandate** the adoption of regulations requiring proof of personal necessity and prescribing the manner of the required proof. The following paragraph may be revised to specify the manner of proof required by the district.

After any absence due to personal necessity, the employee shall verify the absence by submitting a completed and signed district absence form to **his/her the employee's** immediate supervisor.

Legal Duties

Note: Pursuant to Education Code 44037, it is unlawful for the district or personnel commission to (1) adopt any rule, regulation, or policy that encourages employees to seek exemption from jury duty; (2) directly or indirectly solicit or suggest to any employee that **he/she the employee** seek exemption from jury duty; or (3) discriminate against any employee with respect to assignment, employment, promotion, or in any other manner because of **his/her the employee's** service on a jury panel. However, the Board or personnel commission may establish a rule providing that only a percentage of district staff, which shall not be less than two percent, shall be granted such leave with pay at any one time. The following section may be revised to reflect district practice.

Labor Code 230 prohibits the discharge of or discrimination or retaliation against an employee for taking time off for the activities specified in items #1-2 below.

An employee may take time off work in order to: (Labor Code 230)

1. Serve on an inquest jury or trial jury
2. Comply with a subpoena or other court order to appear as a witness

Notices, summons, and subpoenas for court appearances shall be submitted to the district office when requesting leave.

A classified employee called for jury duty shall be granted leave with pay up to the amount of the difference between **his/her the employee's** regular earnings and any amount received for jury fees. (Education Code 44037)

PERSONAL LEAVES (continued)

Note: The following **optional** paragraph is for use by districts that choose to provide leave of absence with pay for certificated employees called for jury duty, as authorized by Education Code 44036. Districts that do not grant such leave should delete this paragraph.

A certificated employee who is called for jury duty also shall be granted leave with pay up to the difference between ~~his/her~~ **the employee's** regular earnings and any jury fees ~~he/she~~ received.

Note: The following paragraph is **optional**. Education Code 44036 allows the Board, at its discretion, to provide paid leaves for employees to appear in court as witnesses other than as litigants or to respond to orders from another governmental jurisdiction. Districts that do not grant such leave should delete this paragraph.

An employee shall be granted leave with pay to appear in court as a witness other than a litigant or to respond to an official order from another governmental jurisdiction for reasons not brought about through the connivance or misconduct of the employee. Such an employee shall receive the difference between ~~his/her~~ **the employee's** regular earnings and any witness fees ~~he/she~~ received.

Leaves for Crime Victims **for Judicial Proceedings**

Note: Labor Code 230.2 prohibits a district from taking adverse employment action against an employee who takes leave as described below.

An employee may be absent from work in order to attend judicial proceedings related to a crime when ~~he/she~~ **the employee** is a victim, or an immediate family member, registered domestic partner, or child of a registered domestic partner of a victim, of any of the following crimes: (Labor Code 230.2)

1. A violent felony as defined in Penal Code 667.5(c)
2. A serious felony as defined in Penal Code 1192.7(c)
3. A felony provision of law proscribing theft or embezzlement

Note: Pursuant to Labor Code 230.2, employees may use any of the types of leave listed in the following paragraph, unless otherwise provided by a collective bargaining agreement, although a collective bargaining agreement cannot diminish the entitlement of an employee.

For these purposes, the employee may use vacation, personal leave, personal illness/injury leave, unpaid leave, or compensatory time off that is otherwise available to the employee. (Labor Code 230.2)

PERSONAL LEAVES (continued)

Prior to taking time off, an employee shall give ~~his/her supervisor~~ **the Superintendent or designee** a copy of the notice of each scheduled proceeding that is provided by the responsible agency, unless advance notice is not feasible. When advance notice is not feasible or an unscheduled absence occurs, the employee shall, within a reasonable time after the absence, provide documentation evidencing the judicial proceeding from the court or government agency setting the hearing, the district attorney or prosecuting attorney's office, or the victim/witness office that is advocating on behalf of the victim. (Labor Code 230.2)

The district shall keep confidential any records pertaining to the employee's absence from work by reason of this leave. (Labor Code 230.2)

Leaves for Victims of ~~Domestic Violence, Sexual Assault and Stalking~~ **Crime or Abuse**

Note: Labor Code 230 and 230.1 allow employees **who are victims of domestic violence, sexual assault, or stalking** to use their available vacation, personal leave, or compensatory time off for the purposes described in items #1-5 below and prohibit a district from taking adverse employment action against an employee for taking leave for any of those purposes. **Pursuant to Labor Code 230.1, items #2-5 apply to districts with 25 or more employees.**

As amended by AB 2992 (Ch. 224, Statutes of 2020), Labor Code 230 and 230.1 expand these provisions to include employees who are victims of a crime that caused physical injury, or mental injury with a threat of physical injury, and employees whose immediate family member is deceased as the direct result of a crime.

An employee who is a victim of domestic violence, sexual assault, or stalking, **who is a victim of a crime that caused physical injury or that caused mental injury with a threat of physical injury, or whose immediate family member, as defined, is deceased as the direct result of a crime as defined by law** may use vacation, sick leave, personal leave, or compensatory time off that is otherwise available to ~~him/her~~ **the employee** ~~under the terms of his/her employment~~ to attend to the following activities: (Labor Code 230, 230.1, 246.5)

1. Obtain or attempt to obtain any relief, including, but not limited to, a temporary restraining order, restraining order, or other injunctive relief to help ensure the health, safety, or welfare of the employee or ~~his/her~~ **the employee's** child
2. Seek medical attention for injuries caused by ~~domestic violence, sexual assault, or stalking~~ **crime or abuse**
3. Obtain services from a domestic violence shelter, program, ~~or rape crisis center,~~ **or victim services organization or agency** as a result of ~~domestic violence, sexual assault, or stalking~~ **the crime or abuse**

PERSONAL LEAVES (continued)

4. Obtain psychological counseling **or mental health services** related to an experience of ~~domestic violence, sexual assault, or stalking~~ **crime or abuse**
5. Participate in safety planning and take other actions to increase safety from future ~~domestic violence, sexual assault, or stalking~~ **crime or abuse**, including temporary or permanent relocation

Note: Pursuant to Labor Code 230, as amended by AB 2992, the following certification may include documentation from a victim advocate (defined as an individual, whether paid or serving as a volunteer, who provides services to victims under the auspices or supervision of an agency or organization that has a documented record of providing services to victims, a court, or a law enforcement or prosecution agency) or any other form of documentation that reasonably verifies that the crime or abuse occurred, including, but not limited to, a written statement signed by the employee or by an individual acting on the employee's behalf.

Prior to taking time off, an employee shall give reasonable notice to ~~his/her supervisor~~ **the Superintendent or designee**, unless advance notice is not feasible. When an unscheduled absence occurs, the employee shall provide, within a reasonable period of time, certification of the absence in the form of any of the following: (Labor Code 230, 230.1)

1. A police report indicating that the employee was a victim ~~of domestic violence, sexual assault, or stalking~~
2. A court order protecting or separating the employee from the perpetrator of ~~an act of domestic violence, sexual assault, or stalking,~~ **the crime or abuse**, or other evidence from the court or prosecuting attorney that the employee has appeared in court
3. Documentation from a domestic violence or sexual assault counselor as defined in Evidence Code 1037.1 or 1035.2, licensed medical professional or health care provider, **victim advocate**, or counselor that the employee was undergoing treatment **or receiving services** for physical or mental injuries or abuse resulting in victimization from ~~an act of domestic violence, sexual assault, or stalking~~ **the crime or abuse**
4. **Any other form of documentation that reasonably verifies that the crime or abuse occurred, including, but not limited to, a written statement signed by the employee or by an individual acting on the employee's behalf certifying that the absence is for a purpose authorized under Labor Code 230 or 230.1**

The district shall maintain the confidentiality of such an employee to the extent authorized by law. (Labor Code 230, 230.1)

PERSONAL LEAVES (continued)

Note: Pursuant to Labor Code 230.1, districts with 25 or more employees are required to notify their employees of their rights under Labor Code 230 and 230.1. The district may use a form developed by the Labor Commissioner for this purpose, available on the web site of the Department of Industrial Relations, or may develop its own form that is substantially similar in content and clarity to the Labor Commissioner's form. As amended by AB 2992, Labor Code 230.1 requires the Labor Commissioner to revise the form by January 1, 2022. Until that form is revised, the district should update its form to reflect current law.

The Superintendent or designee shall inform employees of their rights pursuant to Labor Code 230 and 230.1 using a form developed by the Labor Commissioner or a substantially similar form developed by the district. Such information shall be provided to new employees upon hire and to other employees upon request. (Labor Code 230.1)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

Personal Leave for Child-Related Activities

Note: Pursuant to Labor Code 230.8, the following section applies to any district employing 25 or more employees at the same location. A district with fewer than 25 employees at the same location may use or delete this section at its discretion. ~~SB 579 (Ch. 802, Statutes of 2015) amended Labor Code 230.8 to expand the purposes of leave for child-related activities to include enrolling or reenrolling a child in a school or with a licensed child care provider and addressing a school or child care emergency, as defined.~~

Pursuant to Labor Code 230.8, an employee who is discharged, threatened with discharge, demoted, suspended, or otherwise discriminated against for using the leave is entitled to reinstatement and reimbursement for lost wages and benefits, and an employer who willfully refuses to rehire, promote, or otherwise reinstate such an employee is subject to a civil penalty equal to three times the amount of the lost wages and benefits.

Any employee who is a parent/guardian of one or more children of an age to attend any of grades K-12 or a program offered by a licensed child care provider may use up to 40 hours of personal leave, vacation, or compensatory time off each school year in order to: (Labor Code 230.8)

For purposes of this leave, *parent/guardian* includes a parent, guardian, stepparent, foster parent, grandparent, or person who stands in loco parentis to a child. (Labor Code 230.8)

Note: Labor Code 230.8 provides that the employee may use time off without pay to the extent the district makes it available. The following **optional** paragraph may be revised to reflect district practice.

In lieu of using vacation, personal leave, or compensatory time off, eligible employees may take unpaid leave for this purpose.

If two or more **parents/guardians** of a child are employed at the same work site, this leave shall be allowed for the parent/guardian who first gives notice to the district. Simultaneous absence by another parent/guardian of the child may be granted by the Superintendent or designee. (Labor Code 230.8)

Upon request by the Superintendent or designee, the employee shall provide documentation from the school or licensed child care provider that **he/she the employee** engaged in permitted child-related activities on a specific date and at a particular time. (Labor Code 230.8)

Service on Education Boards and Committees

Upon request, a certificated employee shall be granted up to 20 school days of paid leave per school year for service performed within the state on any education board, commission,

PERSONAL LEAVES (continued)

committee, or group authorized by Education Code 44987.3 provided that all of the following conditions are met: (Education Code 44987.3)

1. The service is performed within the state.
2. The board, commission, organization, or group informs the district in writing of the service.
3. The board, commission, organization, or group agrees, prior to the service, to reimburse the district, upon the district's request, for compensation paid to the employee's substitute and for actual related administrative costs.

Employee Organization Activities

Note: The following **optional** section may be deleted by any district whose collective bargaining agreements expressly provide for a paid leave of absence for participation in the activities described in this section.

Education Code 44987 and 45210 provide that certificated and classified employees may take time off without loss of compensation to serve as elected officers of their local, statewide, or national employee organization. Following the district's payment to the employee for the leave of absence, the employee organization must reimburse the district within 10 days after receiving the district's certification of payment of compensation to the employee. This leave of absence is in addition to the release time granted to representatives of an employee organization pursuant to Government Code 3543.1.

Upon request, any certificated or classified employee shall be granted a leave of absence without loss of compensation to serve as an elected officer of a district employee organization or any statewide or national employee organization with which the employee organization is affiliated. The leave shall include, but is not limited to, absence for purposes of attending periodic, stated, special, or regular meetings of the body of the organization. (Education Code 44987, 45210)

(cf. 4140/4240/4340 - Bargaining Units)

(cf. 4143/4243 - Negotiations)

Note: Education Code 45210 requires districts to grant a paid leave of absence to a reasonable number of classified employees serving as unelected members of the employee organization or a statewide or national public employee organization when the employee attends "important organizational activities authorized by the public employee organization." Compensation must include the required retirement fund contributions. The employee will continue to earn full service credit during the leave and must pay member contributions as specified. The maximum amount of service credit an employee may earn cannot exceed 12 years. Education Code 45210 also requires that an employee organization provide reasonable notification to the district when requesting a leave of absence without loss of compensation for an employee.

PERSONAL LEAVES (continued)

Upon request of an employee organization in the district or its state or national affiliate, a reasonable number of unelected classified employees shall be granted a leave of absence without loss of compensation for the purpose of attending important organizational activities authorized by the organization. The employee organization shall provide reasonable notification to the Superintendent or designee when requesting a leave of absence for employees for this purpose. (Education Code 45210)

When leave is granted for any of the above purposes, the employee organization shall reimburse the district within 10 days after receiving the district's certification of payment of compensation to the employee. (Education Code 44987, 45210)

Religious Leave

Note: The following **optional** section is for use by any district that chooses to grant religious leave and may be revised to reflect district practice. A district that does not grant such leave should delete this section. However, the district should consult legal counsel before denying a request for religious leave since the Constitution requires districts to provide "reasonable accommodation" to employee religious practices.

The Superintendent or designee may grant an employee up to three days of leave per year for religious purposes, provided that the leave is requested in advance and that it does not cause additional district expenditures, the neglect of assigned duties, or any other unreasonable hardship on the district.

Note: The following **optional** paragraph reflects the California Supreme Court's interpretation of Article 1, Section 8 of the California Constitution as stated in Rankin v. Commission on Professional Competence.

The Superintendent or designee shall deduct the cost of hiring a substitute, when required, from the wages of the employee who takes religious leave.

No employee shall be discriminated against for using this leave or any additional days of unpaid leave granted for religious observances at the discretion of the Superintendent or designee.

Spouse on Leave from Military Deployment

Note: Military and Veterans Code 395.10 requires any district with 25 or more employees to allow up to 10 days of unpaid leave to an employee whose spouse is on leave from military deployment. A district with fewer than 25 employees may use the following section at its discretion. In addition, 29 USC 2612 authorizes an employee to take up to 26 work weeks of unpaid military caregiver leave or up to 12 weeks of "exigency" leave during a single 12-month period, as determined by the district; see AR 4161.8/4261.8/4361.8 - Family Care and Medical Leave.

PERSONAL LEAVES (continued)

An employee who works an average of 20 hours or more per week and whose spouse is a member of the United States Armed Forces, National Guard, or reserves may take up to 10 days of unpaid leave during a period that **his/her the employee's** spouse is on leave from deployment during a military conflict, as defined in Military and Veterans Code 395.10. (Military and Veterans Code 395.10)

Within two business days of receiving official notice that **his/her the employee's** spouse will be on leave from deployment, the employee shall provide the Superintendent or designee with notice of **his/her the** intention to take the leave. The employee shall submit written documentation certifying that **his/her the employee's** spouse will be on leave from deployment during the time that the leave is requested. (Military and Veterans Code 395.10)

Leave for Emergency Duty

Note: Labor Code 230.3 prohibits a district from discharging or discriminating against an employee who takes time off to perform emergency duty as specified below. Labor Code 230.3 defines emergency rescue personnel as a member of a federal, state, local, or private fire department or agency, as well as a sheriff or police department.

An employee may take time off to perform emergency duty as a volunteer firefighter, a reserve peace officer, or emergency rescue personnel. (Labor Code 230.3)

Note: Pursuant to Labor Code 230.4, a district with 50 or more employees must grant an employee who is a volunteer firefighter, reserve peace officer, or emergency rescue personnel a leave of absence for up to 14 days per calendar year for training purposes. A district with fewer than 50 employees may use or delete this paragraph at its discretion.

Any employee who performs duty as a volunteer firefighter, reserve peace officer, or emergency rescue personnel shall be permitted to take temporary leaves of absence, not to exceed an aggregate total of 14 days per calendar year, for the purpose of engaging in fire, law enforcement, or emergency rescue training. (Labor Code 230.4)

Civil Air Patrol Leave

Note: Labor Code 1500-1507 require a district with more than 15 employees to provide at least 10 days of unpaid leave per year, beyond any leave otherwise available to employees, to employees who volunteer with the Civil Air Patrol and are directed to respond to an emergency operational mission, as provided below. Labor Code 1503 specifies that a district may not require an employee to first exhaust all accrued vacation, personal, sick, or any other available leave in order to use Civil Air Patrol leave.

If the district chooses to offer more than 10 days of such leave per year or to provide paid leave, it should modify the following paragraph accordingly. A district with 15 or fewer employees may use or delete this section at its discretion.

AR 4161.2(m)
4261.2
4361.2

PERSONAL LEAVES (continued)

An employee may take up to 10 days of unpaid leave per calendar year, beyond any leave otherwise available to ~~him/her~~ **the employee**, to respond to an emergency operational mission of the California Civil Air Patrol, provided that the employee has been employed by the district for at least a 90-day period immediately preceding the leave. Such leaves shall not exceed three days for a single mission, unless an extension is granted by the governmental entity authorizing the mission and is approved by the Superintendent or designee. (Labor Code 1501, 1503)

The employee shall give the district as much advance notice as possible of the intended dates of the leave. The Superintendent or designee may require certification from the proper Civil Air Patrol authority to verify the eligibility of the employee for the leave and may deny the leave if the employee fails to provide the required certification. (Labor Code 1503)

Administrative Regulation

AR 4161.8(a)

4261.8

4361.8

FAMILY CARE AND MEDICAL LEAVE

Note: The following **optional** administrative regulation addresses mandatory subjects of bargaining. The laws referenced in this regulation provide minimum amounts of leave which the district must grant its employees if more generous benefits are not provided as part of its collective bargaining agreement. Any covered subject that is already addressed in the district's collective bargaining agreements should be deleted from this administrative regulation.

Both federal and state law provide for family care and medical leave (29 USC 2601-2654, the Family and Medical Leave Act of 1993 (FMLA), and Government Code 12945.1-12945.2, the California Family Rights Act (CFRA)). However, these laws do not always provide identical rights or operate in the same manner. For example, pregnancy as a "serious health condition" is covered under FMLA but not under CFRA. Instead, under **California state** law, an employee who is disabled due to pregnancy, childbirth, or a related medical condition is entitled to pregnancy disability leave (PDL) pursuant to Government Code 12945. Where there is a difference between state and federal law, the law that grants the greatest benefits generally controls. In those situations, legal counsel should be consulted as needed.

~~As amended by AB 1556 (Ch. 799, Statutes of 2017), Government Code 12945 and 12945.2 delete references to females with regard to pregnancy disability leave and clarify that all employees are protected against pregnancy discrimination regardless of their gender identity.~~

The district shall not deny any eligible employee the right to family care, **or** medical **leave**, ~~or pregnancy disability leave (PDL)~~ pursuant to the Family and Medical Leave Act (FMLA), **or** the California Family Rights Act (CFRA), **or leave for pregnancy disability pursuant to California Pregnancy Disability Leave (PDL).**, ~~or the Fair Employment and Housing Act (FEHA)~~ nor restrain or interfere with the employee's exercise of such right. In addition, ~~the~~ district shall not **interfere with, restrain, or deny the exercise of an employee's right to any such leave, nor shall the district** discharge, ~~an employee or~~ discriminate **against**, or retaliate against **an employee** him/her for taking such leave, ~~or for his/her opposition to or challenge of~~ **opposing or challenging** any unlawful ~~district employment~~ practice in relation to any of these laws, ~~or for his/her involvement~~ **being involved** in any related inquiry or proceeding. (Government Code 12945, 12945.2; 2 CCR 11094; 29 USC 2615)

(cf. 4030 - Nondiscrimination in Employment)

(cf. 4032 - Reasonable Accommodation)

(cf. 4033 - Lactation Accommodation)

Definitions

The words and phrases defined below shall have the same meaning throughout this administrative regulation except where a different meaning is otherwise specified.

Note: Government Code 12945.2, as amended by SB 1383 (Ch. 86, Statutes of 2020), includes a child of a registered domestic partner in the definition of "child" for purposes of CFRA leave.

FAMILY CARE AND MEDICAL LEAVE (continued)

Child ~~(son or daughter)~~ means a biological, adopted, or foster child; a stepchild; a legal ward; or a **child person** to whom the employee stands in *loco parentis*; ~~as long as the child is under 18 years of age or an adult dependent child.~~ **For purposes of CFRA leave, child also includes a child of a registered domestic partner.** (Government Code 12945.2; 2 CCR 11087; 29 USC 2611)

Eligible employee, for FMLA and CFRA purposes, means an employee who has been employed with the district for at least 12 months and who has at least 1,250 hours of service with the district ~~during the previous 12-month period~~ **during the 12 months immediately preceding the leave.** However, these requirements shall not apply when an employee applies for PDL. (Government Code 12945.2; 2 CCR 11087; 29 USC 2611; 29 CFR 825.110)

***Eligible family member* means an employee's child, parent, or spouse. For purposes of leave to care for a family member with a serious health condition pursuant to CFRA, eligible family member includes an employee's child, parent, spouse, registered domestic partner, grandparent, grandchild, or sibling. (Government Code 12945.2; 2 CCR 11087; 29 USC 2612)**

Employee disabled by pregnancy means an employee whose health care provider states that the employee is: (2 CCR 11035)

1. Unable because of pregnancy to perform any one or more of the essential functions of the job or to perform any of them without undue risk to the employee or other persons or to the pregnancy's successful completion
2. Suffering from severe "morning sickness" or needs to take time off for prenatal or postnatal care, bed rest, gestational diabetes, pregnancy-induced hypertension, preeclampsia, postpartum depression, childbirth, loss or end of pregnancy, recovery from childbirth or loss or end of pregnancy, or any other pregnancy-related condition

Parent means a biological, foster, or adoptive parent; a stepparent; a legal guardian; or another person who stood in *loco parentis* to the employee when the employee was a child. *Parent* does not include a spouse's parents. (Government Code 12945.2; 2 CCR 11087; 29 USC 2611; 29 CFR 825.122)

Note: For purposes of CFRA leave, Government Code 12945.2, as amended by SB 1383, includes an employee's grandparent, grandchild, sibling, and registered domestic partner with a serious health condition as one for whom an employee may take family care and medical leave.

FAMILY CARE AND MEDICAL LEAVE (continued)

Serious health condition means an illness, injury (including, but not limited to, on-the-job injuries), impairment, or physical or mental condition of the employee or **an eligible family member of the employee** ~~his/her child, parent, or spouse,~~ that involves either **of the following inpatient care or continuing treatment, including treatment for substance abuse, as follows:** (Government Code 12945.2; 2 CCR 11087, 11097; 29 USC 2611, **2612**; 29 CFR 825.113-825.115)

1. Inpatient care in a hospital, hospice, or residential health care facility, any subsequent treatment in connection with such inpatient care, or any period of incapacity

A person is considered an inpatient when **formally admitted to** a health care facility ~~formally admits him/her to the facility~~ with the expectation **of** ~~that he/she will remain~~**ing** overnight and occupying a bed, even if it later develops that the person can be discharged or transferred to another facility and does not actually remain overnight.

Incapacity means the inability to work, attend school, or perform other regular daily activities due to a serious health condition, its treatment, or the recovery that it requires.

2. Continuing treatment or continuing supervision by a health care provider, including one or more of the following:
 - a. A period of incapacity of more than three consecutive full days
 - b. Any period of incapacity or treatment for such incapacity due to a chronic serious health condition
 - c. Any period of incapacity due to pregnancy or for prenatal care under FMLA
 - d. Any period of incapacity which is permanent or long term due to a condition for which treatment may not be effective
 - e. Any period of absence to receive multiple treatments, including recovery, by a health care provider

Spouse means a partner in marriage as defined in Family Code 300, including same sex partners in marriage ~~or~~. **For purposes of CFRA leave, spouse also includes** a registered domestic partner within the meaning of Family Code 297-297.5. (Family Code 297, 297.5, 300; 2 CCR 11087; 29 CFR 825.122)

FAMILY CARE AND MEDICAL LEAVE (continued)

Eligibility

Note: Pursuant to Government Code 12945.2 and 29 USC 2611-2612, **require** a district **is required** to grant family care and medical leave to an eligible employee for any of the reasons stated below. These requirements **generally apply to all public agencies regardless of the number of employees.** ~~circumstances where the district employs 50 or more employees within 75 miles of the worksite where the employee requesting the leave is employed.~~

Government Code 12945.6, as added by SB 63 (Ch. 686, Statutes of 2017), extends the right to parental leave to an eligible employee who is not covered by FMLA or CFRA when the district employs 20-49 employees within 75 miles of the worksite where the employee requesting the leave is employed.

The district shall grant FMLA or CFRA leave to eligible employees for any of the following reasons: (Government Code 12945.2, **12945.6**; 29 USC 2612; 29 CFR 825.112, **825.126, 825.127**)

1. The birth of a child of the employee or placement of a child with the employee in connection with the employee's adoption or foster care of the child (parental leave)
2. To care for ~~the employee's child, parent, or spouse~~ **the employee's eligible family member** with a serious health condition
3. The employee's own serious health condition that makes **the employee** ~~him/her~~ unable to perform one or more essential **job** functions of ~~his/her~~ **the** position

Note: Pursuant to 29 CFR 825.126, FMLA military family leave is available to any eligible employee for a qualifying exigency while the employee's spouse, ~~son, daughter~~ **child**, or parent who is a military member is on covered active duty during deployment to a foreign country. **Government Code 12945.2, as amended by SB 1383, provides exigency leave under CFRA for an employee whose registered domestic partner is on active duty.** For requirements related to qualifying exigency leave, see the section "Military Family Leave Resulting from Qualifying Exigencies" below.

4. Any qualifying exigency arising out of the fact that the employee's spouse, child, ~~or~~ parent, **or, for CFRA leave only, a registered domestic partner**, is a military member on covered active duty or call to covered active duty (or has been notified of an impending call or order to covered active duty)

Note: Pursuant to 29 CFR 825.127, military caregiver leave is available to any eligible employee who is a family member of a covered servicemember with a serious injury or illness. For requirements related to military caregiver leave, see the section on "Military Caregiver Leave" below.

5. To care for a covered servicemember with a serious injury or illness if the covered servicemember is the employee's spouse, child, parent, or next of kin, as defined

AR 4161.8(e)
4261.8
4361.8

FAMILY CARE AND MEDICAL LEAVE (continued)

Note: Under federal law, pregnancy as a "serious health condition" is covered as part of FMLA leave. However, disability due to pregnancy is explicitly excluded from coverage under CFRA (2 CCR 11093). Instead, pursuant to Government Code 12926 and 12945, any California employee who is "disabled because of pregnancy, childbirth, or related medical conditions" is entitled to unpaid PDL of up to four months if the employer has five or more employees. Therefore, such an employee is entitled to up to four months of PDL and an additional 12 weeks of CFRA leave following the birth of the child.

Additionally, pursuant to 2 CCR 11037, PDL is not subject to eligibility requirements for other FMLA and CFRA leaves, such as minimum hours worked or length of service.

In addition, the district shall grant PDL to any employee who is disabled by pregnancy, childbirth, or other related medical condition. (Government Code 12945; 2 CCR 11037)

Terms of Leave

Note: Leaves common to CFRA and FMLA run concurrently so that total leave to which an employee is entitled would be 12 work weeks. **However, when they do not run concurrently, an employee may be eligible for up to 12 work weeks under both CFRA and FMLA, for a total of 24 work weeks.**

An eligible employee shall be entitled to a total of 12 work weeks of FMLA or CFRA leave during any 12-month period, except in the case of leave to care for a covered servicemember as provided under "Military Caregiver Leave" below. To the extent allowed by law, CFRA and FMLA leaves shall run concurrently. **In circumstances where the leaves do not run concurrently under the law, the employee may take up to 12 work weeks for both CFRA and FMLA, for a total of 24 work weeks.** (Government Code 12945.2; 29 USC 2612)

Note: To determine the 12-month period in which the leave entitlement occurs, the district may use any of the methods identified in 29 CFR 825.200 and specified in options #1-4 below. However, a district may choose not to use any of these options and may instead choose some other fixed 12-month period. **Whichever option is selected, it must be applied uniformly to all employees.** If the district fails to select a method for calculating the 12-month period, the method that provides the most beneficial outcome for the employee will be used. Pursuant to 2 CCR 11090, if the district decides to change the calculation method, it must provide at least 60 days' notice to all employees.

This 12-month period shall be measured forward from the date the employee's first family care and medical leave begins. (29 CFR 825.200)

AR 4161.8(f)
4261.8
4361.8

FAMILY CARE AND MEDICAL LEAVE (continued)

OPTION 4: This 12-month period shall be a rolling period measured backward from the date an employee uses any family care and medical leave, as defined in 29 CFR 825.200. (29 CFR 825.200)

Note: 2 CCR 11042 clarifies that the four months of PDL to which an employee is entitled means the number of days or hours that the employee would normally work within the four calendar months. **For employees who work 40 hours per week, PDL leave is defined as 17-1/3 weeks, 122 days, or 693 hours.**

In addition, any employee who is disabled by pregnancy, childbirth, or other related condition shall be entitled to PDL for the period of the disability not to exceed four months. For a part-time employee, the four months shall be calculated on a proportional basis. (Government Code 12945; 2 CCR 11042)

Note: While leaves common to CFRA and FMLA run concurrently, PDL is separate and distinct from CFRA leave. Consequently, pursuant to 2 CCR 11046, an employee who is "disabled by pregnancy" may be entitled to up to four months of PDL, followed by 12 work weeks of CFRA leave for the birth of the child (baby bonding). Determining which leaves run concurrently is a complex endeavor and districts should consult legal counsel as needed.

PDL shall run concurrently with FMLA leave for disability caused by an employee's pregnancy. At the end of the employee's FMLA leave for disability caused by pregnancy, or at the end of four months of PDL, whichever occurs first, a CFRA-eligible employee may request to take CFRA leave of up to 12 work weeks, for the reason of the birth of a child or to bond with or care for the child. (Government Code 12945, 12945.2; 2 CCR 11046, 11093)

Leave taken for the birth or placement of a child must be concluded within the 12-month period beginning on the date of the birth or placement of the child. Such leave does not need to be taken in one continuous period of time. (2 CCR 11090; 29 USC 2612)

Note: **Government Code 12945.6, which limited the amount of leave related to the birth or placement of a child to a combined total of 12 work weeks when both parents work for the district, was repealed by SB 1383, thereby allowing both parents to take up to 12 work weeks of leave for this purpose. Although 29 USC 2612 allows the district to limit the aggregate number of work weeks of leave to which two parents may be entitled when both parents work for the district, such leave is covered under both FMLA and CFRA and state law prevails since it provides greater rights to employees. The following optional paragraph is for use by districts that choose to limit family care and medical leave related to the birth or placement of a child to a total of 12 work weeks when both parents work for the district, as authorized by Government Code 12945.2 and 12945.6. However, pursuant to 2 CCR 11088, such limit on employees' entitlement to family care and medical leave for any other qualifying purpose is prohibited.**

If both parents of a child work for the district, their family care and medical leave related to the birth or placement of the child shall be limited to a combined total of 12 work weeks.

FAMILY CARE AND MEDICAL LEAVE (continued)

Each eligible employee shall be granted up to 12 work weeks for family care and medical leave related to the birth or placement of a child, regardless of whether both parents of the child work for the district. This restriction shall apply regardless of the legal status of both parents' relationship. (Government Code 12945.2, 12945.6; 2 CCR 11088; 29 USC 2612)

Use/Substitution of Paid Leave

Note: The district may require employees (Option 1) or employees may elect (Option 2) to use paid leave during an otherwise unpaid portion of CFRA or FMLA leave **or PDL**. Pursuant to 2 CCR 11044 and 11092, the district may only require an employee to use sick leave if the leave is for the employee's own serious health condition or for PDL, unless mutually agreed to by the district and the employee. **The district and employee may also negotiate for the employee's use of any paid or unpaid time off instead of using the employee's CFRA leave.**

An employee shall use his/her accrued vacation leave, other accrued time off, and any other paid time off negotiated with the district for any otherwise unpaid FMLA or CFRA leave not involving his/her own serious health condition. For PDL, CFRA, or FMLA leave due to an employee's own serious health condition, the employee shall use accrued sick leave and may use accrued vacation leave and other paid time off at his/her option. During any otherwise unpaid period of FMLA or CFRA leave, except leave for an employee's own serious health condition, an employee shall use accrued paid leave, including, but not limited to, vacation leave, personal leave, or family leave. If the leave is for the employee's own serious health condition, the employee shall use accrued paid leave, including but not limited to, vacation leave, personal leave, or sick leave. During an unpaid period of PDL, the employee shall use any accrued sick leave and may elect to use any vacation time or other accrued personal time off. (Government Code 12945, 12945.2, 12945.6; 2 CCR 11044, 11092; 29 USC 2612)

The district and employee may also **negotiate for the employee's come to agreement regarding the** use of any additional paid or unpaid time off instead of using the employee's CFRA leave. (2 CCR 11092)

(cf. 4261.1 - Personal Illness/Injury Leave)

Intermittent Leave/Reduced Work or Leave Schedule

PDL and family care and medical leave for the serious health condition of an employee or ~~his/her child, parent, or spouse~~ **eligible family member** may be taken intermittently or on a reduced work or leave schedule when medically necessary, as determined by the health care provider of the person with the serious health condition. However, the district shall limit leave increments to the shortest period of time that the district's payroll system uses to account for absences or use of leave provided it is not to be greater than one hour. **(Government Code 12945.2; 2 CCR 11042, 11090; 29 USC 2612)**

(cf. 4113.4/4213.4/4313.4 - Temporary Modified/Light-Duty Assignment)

Note: Pursuant to 2 CCR 11090, the minimum duration of CFRA parental leave for the birth, adoption, or foster care placement of a child is generally two weeks. However, the district must grant a request for CFRA leave of less than two weeks duration on any two occasions and may grant additional requests.

The basic minimum duration of leave for the birth, adoption, or foster care placement of a child shall be two weeks. However, the district shall grant a request for such leave of less than two weeks on any two occasions. (2 CCR 11090; 29 USC 2612)

The district may require an employee to transfer temporarily to an available alternative position under any of the following circumstances: (2 CCR 11041, 11090; 29 USC 2612)

1. The employee needs intermittent leave or leave on a reduced work schedule that is foreseeable based on a planned medical treatment for the employee or family member.

Note: Pursuant to 2 CCR 11041, the district must accommodate the transfer request of a pregnant employee to the same extent that it accommodates transfer requests for other temporarily disabled employees.

2. A medical certification is provided by the employee's health care provider that, because of pregnancy, the employee has a medical need to take intermittent leave or leave on a reduced work schedule.
3. The district agrees to permit intermittent leave or leave on a reduced work schedule due to the birth, adoption, or foster care placement of the employee's child.

FAMILY CARE AND MEDICAL LEAVE (continued)

The alternative position must have equivalent pay and benefits and must better accommodate recurring periods of leave than the employee's regular job, and the employee must be qualified for the position. Transfer to an alternative position may include altering an existing job to better accommodate the employee's need for intermittent leave or a reduced work or leave schedule. (2 CCR 11041, 11090; 29 USC 2612)

Request for Leave

Note: Pursuant to 2 CCR 11050 and 11091, an employee is required to notify the district of the need to take PDL or family care and medical leave. The employee must provide at least verbal notice sufficient to make the district aware that the employee needs qualifying leave, and the anticipated timing and duration of the leave. However, the employee does not need to assert rights under CFRA or FMLA or even mention CFRA or FMLA to meet the notice requirement, but must state the reason the leave is needed. If there is a question about whether leave is FMLA/CFRA qualifying or if the district is considering denying CFRA leave based on an employee's refusal to provide further information, legal counsel should be consulted.

The district shall consider an employee's request for PDL or family care and medical leave only if the employee provides at least verbal notice sufficient to make the district aware of the need to take the leave and the anticipated timing and duration of the leave. (2 CCR 11050, 11091)

For family care and medical leave, the employee need not expressly assert or mention FMLA/CFRA to satisfy this requirement. However, **the employee** ~~he/she~~ must state the reason the leave is needed (e.g., birth of child, medical treatment). If more information is necessary to determine whether the employee is eligible for family care and medical leave, the Superintendent or designee shall inquire further and obtain the necessary details of the leave to be taken. (2 CCR 11091)

The district shall respond to requests for leave as soon as practicable, but no later than five business days after receiving the employee's request. (2 CCR 11091)

Note: Both 29 CFR 825.300 and 2 CCR 11091 require the district to provide an employee with notice of the designation of leave as either qualifying for CFRA or FMLA protection. See section entitled "Notifications" below for further requirements of this "designation notice" as well as other required notifications.

Pursuant to 2 CCR 11091, an employee has the obligation to respond to questions designed to determine whether an absence is potentially CFRA qualifying. If the district is unable to determine whether requested leave is CFRA qualifying because of employee's refusal to respond to its inquiries, the employee may be denied CFRA protection.

Based on the information provided by the employee, the Superintendent or designee shall designate the leave, paid or unpaid, as FMLA/CFRA qualifying leave and shall give notice of

AR 4161.8(j)
4261.8
4361.8

FAMILY CARE AND MEDICAL LEAVE (continued)

such designation to the employee. Failure of an employee to respond to permissible inquiries regarding the leave request may result in denial of CFRA protection if the district is unable to determine whether the leave is CFRA qualifying. (2 CCR 11091; 29 CFR 825.300)

Note: Pursuant to 2 CCR 11091, the district may require an employee to provide at least 30 days advance notice of the need for family care and medical leave, if the need is foreseeable. If the district requires such advance notice from employees, then the district's notification of FMLA/CFRA rights must so specify; see section below entitled "Notifications."

Pursuant to 2 CCR 11050, an employee requesting PDL is required to provide the district at least 30 days advance notice if the need for PDL is foreseeable.

When an employee is able to foresee the need for PDL or family care and medical leave at least 30 days in advance of the leave, the employee shall provide the district with at least 30 days advance notice before the leave. When the 30 days' notice is not practicable because of a lack of knowledge of when leave will be required to begin, a change in circumstances, a medical emergency, or other good cause, the employee shall provide the district with notice as soon as practicable. Failure of an employee to provide required notice may result in a denial of leave. (2 CCR 11050, 11091)

In all instances, the employee shall consult with the Superintendent or designee and make a reasonable effort to schedule, subject to the health care provider's approval, any planned appointment or medical treatment or supervision so as to minimize disruption to district operations. (Government Code 12945.2; 2 CCR 11050, 11091)

Certification of Health Condition

Note: The following **optional** section is for use by districts that require an employee to submit a medical certification of the need for ~~leave along with the request for PDL or~~ family care and medical leave for ~~his/her~~ **an employee's** own serious health condition or to care for ~~a~~ **the employee's eligible family member** ~~child, parent, or spouse~~ with a serious health condition. In order to help avoid claims of discrimination, the district should generally treat all **such** employees uniformly; thus, districts using this section should request a medical certification from all **such** employees.

Districts requiring written medical certification from employees ~~who request reasonable accommodation, transfer, or disability leave because of pregnancy~~ may develop their own form, utilize one provided by the employee's health care provider, or use the form provided in 2 CCR ~~11050 or 11097~~, as applicable.

Within five business days of an employee's request for family care and medical leave for ~~his/her own or his/her child's, parent's, or spouse's~~ **the** serious health condition **of the employee or an eligible family member**, the Superintendent or designee shall request that the employee provide certification by a health care provider of the need for leave. Upon

FAMILY CARE AND MEDICAL LEAVE (continued)

receiving the district's request, the employee shall provide the certification within 15 **calendar** days, unless either the Superintendent or designee provides additional time or it is not practicable under the particular circumstances, despite the employee's diligent, good faith efforts. (2 CCR **11087**, 11091; 29 CFR 825.305)

The certification shall include the following: (Government Code 12945.2; 2 CCR 11087; 29 USC 2613)

1. The date on which the serious health condition began
2. The probable duration of the condition

Note: Item #3 below addresses an eligible employee's request for leave to care for ~~his/her child, parent, or spouse~~ **an eligible family member**. In such a case, 2 CCR 11087 provides that the health care provider's certification need not identify the serious health condition involved. **The U.S. Department of Labor (DOL) provides a form, Certification of Health Care Provider for Family Member's Serious Health Condition under the Family and Medical Leave Act, that districts may use for this purpose to avoid unauthorized disclosure of the serious health condition.**

3. If the employee is requesting leave to care for ~~a child, parent, or spouse~~ **an eligible family member** with a serious health condition, both of the following:
 - a. Statement that the serious health condition warrants the participation of the employee to provide care, such as by providing psychological comfort, arranging for third party care, or directly providing or participating in the medical care of ~~the child, parent, or spouse~~ **the eligible family member** during a period of the treatment or supervision
 - b. Estimated amount of time the health care provider believes the employee needs to care for the ~~child, parent, or spouse~~ **eligible family member**
4. If the employee is requesting leave because of **the employee's** ~~his/her~~ own serious health condition, a statement that due to the serious health condition, **the employee** ~~he/she~~ is unable to work at all or is unable to perform one or more essential **job** functions **of the position** ~~of his/her job~~
5. If the employee is requesting leave for intermittent treatment or on a reduced work or leave schedule for planned medical treatment, a statement of the medical necessity for the leave, the dates on which treatment is expected to be given, the duration of such treatment, and the expected duration of the leave

FAMILY CARE AND MEDICAL LEAVE (continued)

Note: Government Code 12940 and other provisions of the California Genetic Information Nondiscrimination Act of 2011 prohibit an employer from ~~requesting or requiring genetic information of employees or family members of employees unless specifically authorized by law~~ **making a non-job related inquiry into an employee's genetic information**. A district which believes that an employee's leave may require obtaining this information should consult with legal counsel.

The Superintendent or designee shall not request any genetic information related to an employee except as authorized by law in accordance with the California Genetic Information Nondiscrimination Act of 2011. **(Government Code 12940)**

When an employee has provided sufficient medical certification to enable the district to determine whether the employee's leave request is FMLA/CFRA-eligible, the Superintendent or designee shall notify the employee within five business days whether the leave is FMLA/CFRA-eligible. The Superintendent or designee may also retroactively designate leave as FMLA/CFRA leave as long as appropriate notice is given to the employee and there is no harm or injury to the employee. (2 CCR 11091; 29 CFR 825.301)

If the Superintendent or designee ~~doubts~~ **has a good faith objective reason to doubt** the validity of a certification that accompanies a request for leave for the employee's own serious health condition, **the Superintendent or designee** ~~he/she~~ may require the employee to obtain a second opinion from a district-approved health care provider, at district expense. If the second opinion is contrary to the first, the Superintendent or designee may require the employee to obtain a third medical opinion from a third health care provider approved by both the employee and the district, again at district expense. The opinion of the third health care provider shall be final and binding. (Government Code 12945.2; 2 CCR 11091; 29 USC 2613)

Certification for PDL

Note: The following **optional** section is for use by districts that require an employee to submit a medical certification of the need for leave along with the request for PDL. Districts requiring written medical certification from employees who request reasonable accommodation, transfer, or disability leave because of pregnancy may develop their own form, utilize one provided by the employee's health care provider, or use the form provided in 2 CCR 11050 ~~or 11097, as applicable~~.

~~For PDL, the~~ Superintendent or designee shall request that ~~the~~ **an** employee **who is requesting PDL** provide certification by a health care provider of the need for leave at the time the employee gives notice of the need for PDL, or within two business days of giving the notice. If the need for PDL is unforeseen, the Superintendent or designee shall request the medical certification within two business days after the leave commences. The

FAMILY CARE AND MEDICAL LEAVE (continued)

Superintendent or designee may request certification at some later date if **the Superintendent or designee he/she** has reason to question the appropriateness of the leave or its duration. (2 CCR 11050)

For PDL that is foreseeable and for which at least 30 days' notice has been given, the employee shall provide the medical certification before the leave begins. When this is not practicable, the employee shall provide the certification within the time frame specified by the Superintendent or designee which must be at least 15 **calendar** days after the request, unless it is not practicable under the particular circumstances despite the employee's diligent, good faith efforts. (2 CCR 11050)

Medical certification for PDL purposes shall include a statement that the employee needs to take the leave because the employee is disabled by pregnancy, childbirth, or a related medical condition, the date on which the employee became disabled because of pregnancy, and the estimated duration of the leave. (2 CCR 11050)

If additional PDL or family care and medical leave is needed when the time estimated by the health care provider expires, the district may require the employee to provide recertification in the manner specified for the leave. (Government Code 12945.2; 2 CCR 11050; 29 USC 2613)

~~Note: Government Code 12940 and other provisions of the California Genetic Information Nondiscrimination Act of 2011 prohibit employers from requesting or requiring genetic information of employees or family members of employees unless specifically authorized by law. A district which believes that an employee's leave may require obtaining this information should consult with legal counsel.~~

~~The Superintendent or designee shall not request any genetic information related to an employee except as authorized by law in accordance with the California Genetic Information Nondiscrimination Act of 2011.~~

Release to Return to Work

Note: The following **optional** section is for use by districts that choose to require a return-to-work certification and may be modified to list the specific positions for which certification is required. Pursuant to 2 CCR 11091, the district may require an employee to submit a return-to-work certification from **the employee's his/her** health provider, stating that **the employee he/she** is able to return to work. However, this requirement may only be made if the district has a uniformly applied practice of requiring such releases when employees return to work after illness, injury, or disability, **the any** fitness-for-duty examination is job related and consistent with business necessity, and the practice is not forbidden by its collective bargaining agreement. 2 CCR 11050 has similar requirements when an employee is returning to work after PDL.

FAMILY CARE AND MEDICAL LEAVE (continued)

Pursuant to 29 CFR 825.312, when the health care provider certifies that the employee is able to resume work, the district may also require the health care provider to address the employee's ability to perform the essential functions of the job. If such a requirement is imposed, then the district must provide the employee with a list of the **employee's** essential **job** functions **of his/her job** with the "designation notice"; see section entitled "Notifications" below.

Upon expiration of an employee's PDL or family care and medical leave taken for **the employee's** **his/her** own serious health condition, the employee shall present certification from the health care provider **of the employee's ability that he/she able** to resume work. The certification shall address the employee's ability to perform the essential **job** functions of **his/her job the position**.

(cf. 4112.4/4212.4/4312.4 - Health Examinations)

Rights to Reinstatement

Note: Pursuant to Government Code 12945.2, 2 CCR 11043 and 11089, and 29 USC 2614, an employee on PDL or family care and medical leave has the right to be reinstated to the same or a comparable position **upon when he/she returns** from such leave. However, such an employee has no greater right to reinstatement or other benefits than **the employee he/she** would have if **he/she had been continuously employed employment had been continuous**. In addition, in certain situations described below, the district may be relieved of the obligation to reinstate an employee. **As amended by SB 1383, Government Code 12945.2 eliminates the district's authority to deny reinstatement of a "key employee" in certain situations.**

The process for determining whether an employee is a "key employee" to whom the guarantee of reinstatement would not apply requires a detailed analysis and specific notifications to the employee. Legal counsel should be consulted if the district intends to deny leave or reinstatement.

Upon granting an employee's request for PDL or FMLA/CFRA leave, the Superintendent or designee shall guarantee to reinstate the employee in the same or a comparable position when the leave ends. (Government Code 12945.2; 2 CCR 11043, 11089; 29 USC 2614)

However, the district may refuse to reinstate an employee returning from FMLA or CFRA leave to the same or a comparable position if all of the following apply: (Government Code 12945.2; 2 CCR 11089; 29 USC 2614)

- 1. The employee is a salaried "key employee" who is among the highest paid 10 percent of district employees who are employed within 75 miles of the employee's worksite.**
- 2. The refusal is necessary to prevent substantial and grievous economic injury to district operations.**

FAMILY CARE AND MEDICAL LEAVE (continued)

3. ~~The district informs the employee of its intent to refuse reinstatement at the time it determines that the refusal is necessary, and the employee fails to immediately return to service.~~

(cf. 4117.3 - Personnel Reduction)

(cf. 4217.3 - Layoff/Rehire)

The district may ~~also~~ refuse to reinstate an employee to the same or a comparable position if the FMLA/CFRA leave was fraudulently obtained by the employee. (2 CCR 11089; 29 CFR 825.216)

The district may refuse to reinstate an employee to the same position after taking PDL if, at the time the reinstatement is requested, the employee would not otherwise have been employed in that position for legitimate business reasons unrelated to the employee's PDL. (2 CCR 11043)

Maintenance of Benefits/Failure to Return from Leave

During the period when an employee is on PDL or family care and medical leave, ~~he/she~~ **the employee** shall maintain ~~his/her~~ **employee** status with the district and the leave shall not constitute a break in service for purposes of longevity, seniority under any collective bargaining agreement, or any employee benefit plan. (Government Code 12945.2; 2 CCR 11092; 29 USC 2614)

Note: Pursuant to 2 CCR 11044 and 11092, the time that the district maintains and pays for group health coverage during PDL shall not be used to meet its obligation to pay for 12 weeks of group health coverage during leave taken under CFRA, even where the district designates the PDL as FMLA or CFRA leave. The entitlements to employer-paid group health coverage during PDL and during CFRA are two separate and distinct entitlements.

For up to a maximum of four months for PDL and 12 work weeks for other family care and medical leave, the district shall continue to provide an eligible employee the group health plan coverage that was in place before ~~the employee~~ **he/she** took the leave. The employee shall reimburse the district for premiums paid during the leave if ~~the employee~~ **he/she** fails to return to district employment after the expiration of all available leaves and the failure is for a reason other than the continuation, recurrence, or onset of a serious health condition or other circumstances beyond ~~the employee's~~ **his/her** control. (Government Code 12945.2; 2 CCR 11044, 11092; 29 USC 2614; 29 CFR 825.213)

(cf. 4154/4254/4354 - Health and Welfare Benefits)

FAMILY CARE AND MEDICAL LEAVE (continued)

In addition, during the period when an employee is on PDL or family care and medical leave, the employee shall be entitled to continue to participate in other employee benefit plans including life insurance, short-term or long-term disability insurance, accident insurance, pension and retirement plans, and supplemental unemployment benefit plans to the same extent and under the same conditions as would apply to an unpaid leave taken for any other purpose. However, for purposes of pension and retirement plans, the district shall not make plan payments for an employee during any unpaid portion of the leave period and the leave period shall not be counted for purposes of time accrued under the plan. (Government Code 12945.2; 2 CCR 11044, 11092)

Military Family Leave Resulting from Qualifying Exigencies

Note: The following **optional** section reflects 29 USC 2611 and 2612 which authorize an eligible employee to take up to 12 work weeks of unpaid FMLA leave to attend to an "exigency" arising out of the fact that the employee's spouse, child, or parent is on active duty or on call to active duty status in the National Guard or Reserves, or is a member of the regular Armed Forces on deployment to a foreign country. **Pursuant to Government Code 12945.2, as amended by SB 1383, an employee may take unpaid leave under CFRA to attend to an exigency involving the employee's registered domestic partner.**

Pursuant to 29 CFR 825.200, an employee is entitled to 12 work weeks of qualifying exigency leave during each 12-month period established by the district; see section entitled "Terms of Leave" above. According to ~~the U.S. Department of Labor's (DOL)~~ **DOL's** Military Family Leave Provisions of the FMLA Frequently Asked Questions and Answers, an employee may take all 12 weeks of ~~his/her~~ FMLA leave entitlement as a qualifying exigency leave or take a combination of the 12 weeks of leave for both qualifying exigency leave and other FMLA leave, such as leave for a serious health condition.

~~Because CFRA does not cover similar leave, CFRA leave is not exhausted when utilizing military family leave.~~

An eligible employee may take up to 12 work weeks of unpaid FMLA/**CFRA** leave, during each 12-month period established by the district in the section entitled "Terms of Leave" above, for one or more qualifying exigencies while ~~his/her~~ **the employee's** child, parent, ~~or~~ spouse, **or, for purposes of CFRA leave, registered domestic partner**, who is a military member is on covered active duty or on call to covered active duty status. (**Government Code 12945.2**; 29 USC 2612; 29 CFR 825.126)

Covered active duty means, **for members of the Regular Armed forces**, duty during the deployment of a member of the regular Armed Forces to a foreign country ~~or~~ **and, for members of the Reserve components of the Armed forces**, duty during the deployment of a member of the National Guard or Reserves to a foreign country under a call or an order to active duty in support of a contingency operation pursuant to law. **Deployment to a foreign county includes deployment to international waters.** (29 USC 2611; 29 CFR 825.126)

FAMILY CARE AND MEDICAL LEAVE (continued)

Note: Pursuant to 29 CFR 825.126, a "qualifying exigency" may include "~~any~~ other events" agreed to by the district and the employee. As an example of such other event, DOL's Military Family Leave Provisions of the FMLA Frequently Asked Questions and Answers **and the California Department of Human Resources' Questions and Answers - Military Family Leave - FMLA** list leave to spend time with the military member either prior to or post deployment or to attend to household emergencies that would normally have been handled by the military member.

Qualifying exigencies include time needed to: (29 CFR 825.126)

1. Address issues arising from short notice deployment of up to seven calendar days from the date of receipt of call or order of short notice deployment
2. Attend military events and related activities, such as any official ceremony or family assistance program related to the covered active duty or call to covered active duty status
3. Arrange child care or attend school activities arising from the covered active duty or call to covered active duty, such as arranging for alternative child care, enrolling or transferring a child to a new school, or attending meetings
4. Make or update financial and legal arrangements to address a military member's absence
5. Attend counseling provided by someone other than a health care provider
6. Spend time (up to 15 **calendar** days of leave per instance) with a military member who is on short-term, temporary, rest and recuperation leave during deployment
7. Attend to certain post-deployment activities, such as arrival ceremonies or reintegration briefings
8. Care for a military member's parent who is incapable of self-care when the care is necessitated by the military member's covered active duty
9. Address any other event that the employee and district agree is a qualifying exigency

The employee shall provide the Superintendent or designee with notice of the need for the qualifying exigency leave as soon as practicable, regardless of how far in advance such leave is foreseeable. (29 CFR 825.302)

AR 4161.8(r)
4261.8
4361.8

FAMILY CARE AND MEDICAL LEAVE (continued)

Note: The district may require the employee to provide certification of the qualifying exigency containing the information specified in 29 CFR 825.309. A form has been developed by DOL for this purpose and is available on its web site.

The following paragraph is **optional** and should be deleted by those districts that do not require such documentation. In order to help avoid claims of discrimination, the district should generally treat all employees uniformly; thus, districts using this paragraph should request certification from all employees requesting such leave.

An employee who is requesting leave for qualifying exigencies shall provide the Superintendent or designee with a copy of the military member's active duty orders, or other documentation issued by the military, and the dates of the service. In addition, the employee shall provide the Superintendent or designee with certification of the qualifying exigency necessitating the leave. The certification shall contain the information specified in 29 CFR 825.309.

The employee's qualifying exigency leave may be taken on an intermittent or reduced work or leave schedule basis. (29 CFR 825.302)

Note: Pursuant to 29 USC 2612 and 29 CFR 825.207, the district has the option to require or give employees discretion to use paid leave when taking FMLA/CFRA leave; see Options 1 and 2 in the section entitled "Use/Substitution of Paid Leave" above. Whichever option is selected by the district with regards to FMLA/CFRA leave is also applicable to qualified exigency leave.

During the period of qualified exigency leave, the district's rule regarding an employee's use of **his/her** accrued vacation leave and any other accrued paid or unpaid time off, as specified in the section "Use/Substitution of Paid Leave" above, shall apply.

Military Caregiver Leave

Note: 29 USC 2612 and 29 CFR 825.127 authorize an eligible employee to take up to 26 work weeks of unpaid military caregiver leave, as defined below, during a single 12-month period. **As is the case with other FMLA leaves, only districts that employ at least 50 employees within 75 miles of the worksite where the employee requesting the leave is employed are required to grant the military caregiver leave; see the section entitled "Eligibility" above.** According to DOL's Military Family Leave Provisions of the FMLA Frequently Asked Questions and Answers, if an employee does not use the entire 26-week entitlement in a single 12-month period, unused weeks cannot be carried over into another 12-month period. However, the employee may qualify for nonmilitary FMLA leave.

The district shall grant an eligible employee up to a total of 26 work weeks of leave during a single 12-month period, measured forward from the first date the leave is taken, to care for a covered servicemember with a serious illness or injury. In order to be eligible for such military caregiver leave, the employee must be the spouse, **son, daughter child**, parent, or

FAMILY CARE AND MEDICAL LEAVE (continued)

next of kin of the covered servicemember. This 26-week period is not in addition to, but rather is inclusive of, the 12 work weeks of leave that may be taken for other FMLA qualifying reasons. (29 USC 2611, 2612; 29 CFR 825.127)

Covered servicemember may be: (29 CFR 825.127)

1. A current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy; is otherwise in outpatient status; or is otherwise on the temporary disability retired list for a serious injury or illness
2. A veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran

Note: Unlike the provisions for other FMLA/CFRA leave, 29 CFR 825.127 places no age limit on the definition of "~~son or daughter~~ **child**," as detailed below. In addition, 29 CFR 825.127 defines "next of kin" of a covered servicemember in relation to military caregiver leave.

~~Son or daughter~~ **Child** of a covered servicemember means the **covered servicemember's** biological, adopted, or foster child, stepchild, legal ward, or ~~a child of any age~~ for whom the covered servicemember stood in *loco parentis*, **and who is of any age.** (29 CFR 825.127)

Parent of a covered servicemember means the covered servicemember's biological, adopted, step, or foster parent, or any other individual who stood in *loco parentis* to the covered servicemember (except "parents in law"). (29 CFR 825.127)

Next of kin means the nearest blood relative to the covered servicemember, **other than the spouse, parent, son, or daughter or child, unless** ~~or as~~ designated in writing by the covered servicemember. (29 USC 2611, 2612; **29 CFR 825.127**)

Outpatient status means the status of a member of the Armed Forces assigned to a military medical treatment facility as an outpatient or a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients. (29 USC 2611; 29 CFR 825.127)

Note: 29 USC 2611 defines "serious injury or illness" for active members of the Armed Forces and for *veterans*, as provided below. Pursuant to 29 CFR 825.127, one of the four conditions listed in item #2 below must be present for a veteran's injury or illness to qualify as a "serious injury or illness" for the purpose of this leave.

FAMILY CARE AND MEDICAL LEAVE (continued)

Serious injury or illness means: (29 USC 2611; 29 CFR 825.127)

1. For a current member of the Armed Forces, an injury or illness incurred by the member in the line of duty on active duty, or that existed before the beginning of the member's active duty and was aggravated by the member's service in the line of duty while on active duty in the Armed Forces, and that may render the member medically unfit to perform the duties of the member's office, grade, rank, or rating.
2. For a veteran, an injury or illness incurred or aggravated by the member's service in the line of duty on active duty in the Armed Forces, including the National Guard or Reserves, that manifested itself before or after the member became a veteran and that is at least one of the following:
 - a. A continuation of a serious injury or illness incurred or aggravated while the veteran was a member of the Armed Forces and rendered **the servicemember** ~~him/her~~ unable to perform the duties of **the servicemember's** ~~his/her~~ office, grade, rank, or rating
 - b. A physical or mental condition for which the veteran has received a U.S. Department of Veterans Affairs (VA) Service-Related Disability Rating of 50 percent or greater, based wholly or partly on that physical or mental condition
 - c. A physical or mental condition that substantially impairs the veteran's ability to secure or follow a substantially gainful occupation by reason of one or more disabilities related to **the servicemember's** ~~his/her~~ military service or that would do so but for treatment received by the veteran
 - d. An injury, including a psychological injury, on the basis of which the veteran has been enrolled in the VA's Program of Comprehensive Assistance for Family Caregivers

Note: As is the case for other types of FMLA/CFRA leave, 29 CFR 825.302 and 825.303 requires the employee, when the need for the leave is foreseeable, to provide 30 days advance notice to the district before the leave is to begin.

The employee shall provide reasonable and practicable notice of the need for the leave in accordance with the procedures in the section entitled "Request for Leave" above.

Note: 29 CFR 825.310 authorizes the district to require employees to provide certification of the need for the leave, which is to be completed by an authorized health care provider of the covered servicemember.

AR 4161.8(u)
4261.8
4361.8

FAMILY CARE AND MEDICAL LEAVE (continued)

The following paragraph is **optional**. In order to help avoid claims of discrimination, the district should generally treat all employees uniformly; thus, districts using this paragraph should request a medical certification from all employees requesting such leave.

An employee requesting leave to care for a covered servicemember with a serious injury or illness shall provide the Superintendent or designee with certification from an authorized health care provider of the servicemember that contains the information specified in 29 CFR 825.310.

Note: Pursuant to 29 CFR 825.127, an employee may take up to a total of 26 work weeks of leave for both regular FMLA and military caregiver leave during the 12-month leave entitlement period. However, the employee may not take more than 12 weeks for regular FMLA leave. For example, according to DOL's Military Family Leave Provisions of the FMLA Frequently Asked Questions and Answers, an employee could take 12 weeks of FMLA leave to care for a newborn child and 14 weeks of military caregiver leave, but could not take 16 weeks to care for a newborn and 10 weeks of military caregiver leave. If the leave qualifies as both military caregiver leave and leave to care for a family member with a serious health condition, 29 CFR 825.127 specifies that the district must first designate the leave as military caregiver leave.

The leave may be taken intermittently or on a reduced work or leave schedule when medically necessary. An employee taking military caregiver leave in combination with other **family care and medical** leaves pursuant to this administrative regulation shall be entitled to a combined total of 26 work weeks of leave during a single 12-month period. When both spouses work for the district and both wish to take such leave, the spouses are limited to a maximum combined total of 26 work weeks during a single 12-month period. (29 USC 2612)

Note: Pursuant to 29 USC 2612 and 29 CFR 825.207, the district has the option to require or give employees discretion to substitute paid leave when taking FMLA/CFRA leave; see Options 1 and 2 in section entitled "Use/Substitution of Paid Leave" above. Whichever option is selected by the district with regard to FMLA/CFRA leave is also applicable to military caregiver leave.

During the period of military caregiver leave, the district's rule regarding an employee's use of **his/her** accrued vacation leave and other accrued paid or unpaid time off, as specified in the section "Use/Substitution of Paid Leave" above, shall apply.

Notifications

Note: Both 29 CFR 825.300 and 2 CCR 11095 require employers to provide general notification to employees of their rights under the FMLA/CFRA as well as specific notifications when an employee has requested leave, as detailed below. 2 CCR 11049 contains similar notice requirements for PDL purposes. Samples of notices which describe an employee's rights are available on the web sites of the California Department of Fair Employment and Housing and the DOL.

FAMILY CARE AND MEDICAL LEAVE (continued)

Pursuant to 2 CCR 11095, the district must translate the notice into every language that is spoken by at least 10 percent of the district's employees at any facility.

The Superintendent or designee shall provide the following notifications regarding state and federal law related to PDL or FMLA/CFRA leave:

1. **General Notice:** Information explaining the provisions of the FEHA/PDL and FMLA/CFRA and employee rights and obligations shall be posted in a conspicuous place on district premises, or electronically, and shall be included in employee handbooks. (2 CCR 11049, 11095; 29 USC 2619)

Note: Pursuant to 2 CCR 11050 and 11091, a district may require an employee, when the need for the leave is foreseeable, to provide at least 30 days advance notice before the leave is to begin; see the section entitled "Request for Leave" above. 2 CCR 11049 and 11091 specify that districts requiring such notice from employees must give them "reasonable advance notice" of their obligation and that incorporation of the requirement into the general notice satisfies the "advance notice" requirement.

The following **optional** paragraph is for use by districts that require employees to provide advance notice.

The general notice shall also explain an employee's obligation to provide the Superintendent or designee with at least 30 days' notice of the need for the requested leave, when the need is reasonably foreseeable at least 30 days prior to the start of the leave. (2 CCR 11049, 11050, 11091)

(cf. 4112.9/4212.9/4312.9 - *Employee Notifications*)

2. **Eligibility Notice:** When an employee requests leave, including PDL, or when the Superintendent or designee acquires knowledge that an employee's leave may be for an FMLA/CFRA qualifying reason, the Superintendent or designee shall, within five business days, provide notification to the employee of his/her eligibility to take such leave. (2 CCR 11049, 11091; 29 CFR 825.300)
3. **Rights and Responsibilities Notice:** Each time the eligibility notice is provided to an employee, the Superintendent or designee shall provide written notification explaining the specific expectations and obligations of the employee, including any consequences for a failure to meet those obligations. Such notice shall include, as applicable: (29 CFR 825.300)
 - a. A statement that the leave may be designated and counted against the employee's annual FMLA/CFRA leave entitlement and the appropriate 12-month entitlement period, if qualifying

FAMILY CARE AND MEDICAL LEAVE (continued)

Note: Item #3b below is for use by districts that require medical certification to the effect that the employee is able to resume work. See the section entitled "Release to Return to Work" above.

- b. Any requirements for the employee to furnish medical certification of a serious health condition, serious injury or illness, or qualifying exigency arising out of active duty or call to active duty status and the consequences of failing to provide the certification
- c. The employee's right to use paid leave, whether the district will require use of paid leave, conditions related to any use of paid leave, and the employee's entitlement to take unpaid leave if the employee does not meet the conditions for paid leave
- d. Any requirements for the employee to make premium payments necessary to maintain health benefits, the arrangement for making such payments, and the possible consequences of failure to make payments on a timely basis
- ~~e. The employee's status as a "key employee" if applicable, potential consequence that restoration may be denied following the FMLA leave, and explanation of the conditions required for such denial~~
- f.e.** The employee's right to maintenance of benefits during the leave and restoration to the same or an equivalent job upon return from leave
- g.f.** The employee's potential liability for health insurance premiums paid by the district during the employee's unpaid FMLA leave should the employee not return to service after the leave

Any time the information provided in the above notice changes, the Superintendent or designee shall, within five business days of **his/her** receipt of an employee's first notice of need for leave, provide the employee with a written notice referencing the prior notice and describing any changes to the notice. (29 CFR 825.300)

- 4. **Designation Notice:** When the Superintendent or designee has information (e.g., sufficient medical certification) to determine whether the leave qualifies as FMLA/CFRA leave, he/she shall, within five business days, provide written notification designating the leave as FMLA/CFRA qualifying or, if the leave will not be so designated, the reason for that determination. (2 CCR 11091; 29 CFR 825.300)

AR 4161.8(x)
4261.8
4361.8

FAMILY CARE AND MEDICAL LEAVE (continued)

If the amount of leave needed is known, the notice shall include the number of hours, days, or weeks that will be counted against the employee's FMLA/CFRA entitlement. If it is not possible to provide that number at the time of the designation notice, notification shall be provided of the amount of leave counted against the employee's entitlement upon request by the employee and at least once in every 30-day period if leave was taken in that period. (29 CFR 825.300)

Note: 29 CFR 825.300 requires the designation notice to specify whether the district requires paid leave to be used during an otherwise unpaid family care and medical leave, whether the district requires an employee to present release to return to work certification, and whether that certification must address the employee's ability to perform the essential functions of the job. See the sections entitled "Use/Substitution of Paid Leave" and "Release to Return to Work" above. The following paragraph should be revised to reflect district practice.

If the district requires paid leave to be used during an otherwise unpaid family care and medical leave, the notice shall so specify. If the district requires an employee to present a release to return to work certification that addresses the employee's ability to perform the essential functions of the job, the notice shall also specify that requirement. (2 CCR 11091, 11097; 29 CFR 825.300)

Any time the information provided in the designation notice changes, the Superintendent or designee shall, within five business days, provide the employee with written notice referencing the prior notice and describing any changes to the notice. (29 CFR 825.300)

Records

Note: Government Code 12946, 29 USC 2616, and 29 CFR 825.500 require districts to maintain records of, among other things, applications, dates, and personnel and employment action related to family care and medical leave. Pursuant to 42 USC 2000ff-1, any individually identifiable genetic information possessed by the district must be treated as a confidential medical record of the employee involved.

The Superintendent or designee shall maintain records pertaining to an individual employee's use of family care and medical leave in accordance with law. (Government Code 12946; 29 USC 2616; 42 USC 2000ff-1; 29 CFR 825.500)

COMPREHENSIVE HEALTH EDUCATION (continued)*(cf. 0200 - Goals for the School District)**(cf. 5030 - Student Wellness)**(cf. 6142.7 - Physical Education and Activity)*

Note: The following **optional** paragraph should be revised as necessary to reflect grade levels offered by the district. Education Code 51210 requires that the adopted course of study for grades 1-6 include instruction in health, including instruction in the principles and practices of individual, family, and community health. Education Code 51202 requires that certain health-related topics be addressed at the appropriate elementary and secondary grade levels and in appropriate subject areas, as determined by the district.

Education Code 51934 requires that **students be districts provided comprehensive sexual health education and HIV/AIDS prevention instruction, at least once in middle school or junior high school and at least once in high school, by instructors trained in the appropriate courses. Education Code 51934 also authorizes, but does not require, districts to provide age-appropriate comprehensive sexual health education prior to grade 7 on any of the topics specified in Education Code 51934.** See AR 6143 - Courses of Study and BP/AR 6142.1 - Sexual Health and HIV/AIDS Prevention Instruction.

Additionally, Education Code 51900.6 authorizes districts to provide age-appropriate instruction in grades K-12 in sexual abuse and sexual assault awareness and prevention pursuant to content standards developed by the State Board of Education (SBE), provided that students are allowed to be excused from such instruction upon the written request of their parents/guardians. SBE has not yet adopted content standards regarding sexual abuse and sexual assault awareness and prevention. Also see BP 5141.4 - Child Abuse Prevention and Reporting.

The Health Education Framework for California Public Schools, Kindergarten through Grade Twelve provides nonprescriptive instructional guidance and support to California teachers, administrators, curriculum specialists, other educators, and school boards for implementation of the voluntary health education standards, which include the following six content areas: nutrition and physical activity; growth, development, and sexual health; injury prevention and safety; alcohol, tobacco, and other drugs; mental, emotional, and social health; and personal and community health.

In March 2008, the State Board of Education adopted voluntary content standards for health education as required by Education Code 51210.8; see the accompanying administrative regulation. The state's Health Framework for California Public Schools, provides nonprescriptive guidance on the scope and sequence of the health curriculum.

The district shall provide a planned, sequential, research-based, and developmentally appropriate health education curriculum for students in grades K-8 which is aligned with the state's content standards and curriculum framework **and integrated with other content areas of the district's curriculum.** The Superintendent or designee shall determine the grade levels and subject areas in which health-related topics will be addressed, in accordance with law, Board policy, and administrative regulation.

SECTION IV - Detail of Adjustments to Base Expenditures (used in Section III, Line A.1)		
Description of Adjustments	Total Expenditures	Expenditures Per ADA
Total adjustments to base expenditures	0.00	0.00

Part I - General Administrative Share of Plant Services Costs

California's indirect cost plan allows that the general administrative costs in the indirect cost pool may include that portion of plant services costs (maintenance and operations costs and facilities rents and leases costs) attributable to the general administrative offices. The calculation of the plant services costs attributed to general administration and included in the pool is standardized and automated using the percentage of salaries and benefits relating to general administration as proxy for the percentage of square footage occupied by general administration.

A. Salaries and Benefits - Other General Administration and Centralized Data Processing

1. Salaries and benefits paid through payroll (Funds 01, 09, and 62, objects 1000-3999 except 3701-3702)
(Functions 7200-7700, goals 0000 and 9000) 246,866.78
2. Contracted general administrative positions not paid through payroll
 - a. Enter the costs, if any, of general administrative positions performing services ON SITE but paid through a contract, rather than through payroll, in functions 7200-7700, goals 0000 and 9000, Object 5800. _____
 - b. If an amount is entered on Line A2a, provide the title, duties, and approximate FTE of each general administrative position paid through a contract. Retain supporting documentation in case of audit.

B. Salaries and Benefits - All Other Activities

1. Salaries and benefits paid through payroll (Funds 01, 09, and 62, objects 1000-3999 except 3701-3702)
(Functions 1000-6999, 7100-7180, & 8100-8400; Functions 7200-7700, all goals except 0000 & 9000) 5,247,042.84

C. Percentage of Plant Services Costs Attributable to General Administration

(Line A1 plus Line A2a, divided by Line B1; zero if negative) (See Part III, Lines A5 and A6) 4.70%

Part II - Adjustments for Employment Separation Costs

When an employee separates from service, the local educational agency (LEA) may incur costs associated with the separation in addition to the employee's regular salary and benefits for the final pay period. These additional costs can be categorized as "normal" or "abnormal or mass" separation costs.

Normal separation costs include items such as pay for accumulated unused leave or routine severance pay authorized by governing board policy. Normal separation costs are not allowable as direct costs to federal programs, but are allowable as indirect costs. State programs may have similar restrictions. Where federal or state program guidelines required that the LEA charge an employee's normal separation costs to an unrestricted resource rather than to the restricted program in which the employee worked, the LEA may identify and enter these costs on Line A for inclusion in the indirect cost pool.

Abnormal or mass separation costs are those costs resulting from actions taken by an LEA to influence employees to terminate their employment earlier than they normally would have. Abnormal or mass separation costs include retirement incentives such as a Golden Handshake or severance packages negotiated to effect termination. Abnormal or mass separation costs may not be charged to federal programs as either direct costs or indirect costs. Where an LEA paid abnormal or mass separation costs on behalf of positions in general administrative functions included in the indirect cost pool, the LEA must identify and enter these costs on Line B for exclusion from the pool.

A. Normal Separation Costs (optional)

Enter any normal separation costs paid on behalf of employees of restricted state or federal programs that were charged to an unrestricted resource (0000-1999) in funds 01, 09, and 62 with functions 1000-6999 or 8100-8400 rather than to the restricted program. These costs will be moved in Part III from base costs to the indirect cost pool. 0.00
Retain supporting documentation.

B. Abnormal or Mass Separation Costs (required)

Enter any abnormal or mass separation costs paid on behalf of general administrative positions charged to unrestricted resources (0000-1999) in funds 01, 09, and 62 with functions 7200-7700. These costs will be moved in Part III from the indirect cost pool to base costs. If none, enter zero. 0.00

Part IV - Carry-forward Adjustment

The carry-forward adjustment is an after-the-fact adjustment for the difference between indirect costs recoverable using the indirect cost rate approved for use in a given year, and the actual indirect costs incurred in that year. The carry-forward adjustment eliminates the need for LEAs to file amended federal reports when their actual indirect costs vary from the estimated indirect costs on which the approved rate was based.

Where the ratio of indirect costs incurred in the current year is less than the estimated ratio of indirect costs on which the approved rate for use in the current year was based, the carry-forward adjustment is limited by using either the approved rate times current year base costs, or the highest rate actually used to recover costs from any program times current year base costs, if the highest rate used was less than the approved rate. Rates used to recover costs from programs are displayed in Exhibit A.

A. Indirect costs incurred in the current year (Part III, Line A8)	<u>471,997.87</u>
B. Carry-forward adjustment from prior year(s)	
1. Carry-forward adjustment from the second prior year	<u>12,242.35</u>
2. Carry-forward adjustment amount deferred from prior year(s), if any	<u>0.00</u>
C. Carry-forward adjustment for under- or over-recovery in the current year	
1. Under-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus (approved indirect cost rate (5.41%) times Part III, Line B19); zero if negative	<u>140,931.35</u>
2. Over-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus the lesser of (approved indirect cost rate (5.41%) times Part III, Line B19) or (the highest rate used to recover costs from any program (5.41%) times Part III, Line B19); zero if positive	<u>0.00</u>
D. Preliminary carry-forward adjustment (Line C1 or C2)	<u>140,931.35</u>
E. Optional allocation of negative carry-forward adjustment over more than one year	
Where a negative carry-forward adjustment causes the proposed approved rate to fall below zero or would reduce the rate at which the LEA could recover indirect costs to such an extent that it would cause the LEA significant fiscal harm, the LEA may request that the carry-forward adjustment be allocated over more than one year. Where allocation of a negative carry-forward adjustment over more than one year does not resolve a negative rate, the CDE will work with the LEA on a case-by-case basis to establish an approved rate.	
Option 1. Preliminary proposed approved rate (Part III, Line D) if entire negative carry-forward adjustment is applied to the current year calculation:	<u>not applicable</u>
Option 2. Preliminary proposed approved rate (Part III, Line D) if one-half of negative carry-forward adjustment is applied to the current year calculation and the remainder is deferred to one or more future years:	<u>not applicable</u>
Option 3. Preliminary proposed approved rate (Part III, Line D) if one-third of negative carry-forward adjustment is applied to the current year calculation and the remainder is deferred to one or more future years:	<u>not applicable</u>
LEA request for Option 1, Option 2, or Option 3	<u>1</u>
F. Carry-forward adjustment used in Part III, Line A9 (Line D minus amount deferred if Option 2 or Option 3 is selected)	<u>140,931.35</u>

Approved indirect cost rate: 5.41%
Highest rate used in any program: 5.41%

MEMORANDUM OF UNDERSTANDING
Regarding

This agreement is between the Gold Trail Federation of Educators Certificated Unit and the Gold Trail Union School District for the 2021-2022 school year. The area of the contract addressed is:

Appendix B: Special Assignment Stipends

Background

The signing of Assembly Bill (AB) 130 on July 9, 2021, brought significant and immediate changes to Independent Study. AB 130 added new elements to Independent Study and converted this education alternative from one that districts may offer to one that they must offer for the 2021/22 school year. GTUSD has signed a contract with Stride Learning Solutions to offer a Virtual Independent Study Program. Stride Learning Solutions will provide a customized online school platform, standards-aligned curriculum and materials, and teacher-led instruction to students in Kindergarten through 8th grade. Students will access the core subjects and will have the ability to connect with Stride Learning Solutions state-credentialed teachers during the live instructional sessions.

Resolution

The annual stipend of \$7,200 prorated at \$40 per day from the start date to the end date of daily interactions. The stipend will be discontinued if there are no students remaining in the Long Term Independent Study Program. The responsibility of the Long Term Independent Study Administrator/Monitor is to daily interact with students enrolled in the Independent Study Program as well as perform other duties as required by AB 130 and outlined in the GTUSD Long Term Independent Study Administrator/Monitor job description.

It is the understanding of the Gold Trail Federation of Educators and the Gold Trail Union School District that this agreement in no way constitutes a precedent-setting action and is nonbinding for future exceptions to Appendix B.
